Independent Auditor's Report

To the Plan Administrator of
Consolidated Concrete Co.
Employees Savings Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Consolidated Concrete Co. Employees Savings Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Consolidated Concrete Co. Employees Savings Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be

independent of Consolidated Concrete Co. Employees Savings Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Consolidated Concrete Co. Employees Savings Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Consolidated Concrete Co. Employees Savings Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Consolidated Concrete Co. Employees Savings Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental schedule referred to as "Supplemental Schedule" is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

For the years ended December 31, 2022 and 2021**

1. Plan Description:

The following description of Consolidated Concrete Co. Employees Savings Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan with a 401(k) feature sponsored by Consolidated Concrete Co. (the Company) and its affiliated companies, Consolidated Concrete, LLC and Wild Rose Management LLC. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

To be eligible for the Plan, employees must be 18 years of age and complete six consecutive months of service, as defined by the Plan.

Contributions

Each eligible participant may elect to contribute 1% to 50% of their annual wages to the Plan provided they did not exceed the specific dollar limit determined by the Internal Revenue Service. In 2022 and 2021, the Company made matching contributions to the Plan equal to 50% of the first 6% of the employees' contribution amount. The Company may also contribute an additional non-matching amount out of its current or accumulated profits, if any, as determined by the Company. In 2022 and 2021, the Company did not make a non-matching contribution.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contributions as described above, and (b) the Plan's earnings. Allocations are based on participant earnings or account balances as defined. Forfeitures of non-vested amounts are used to reduce future employer contributions. Total forfeitures for the periods ending December 31, 2022 and 2021, were \$25,407 and \$20,881, respectively.

1. Plan Description, Continued:

Vesting

Participants are immediately fully vested in their contributions. Participants become vested in the Company's contribution after the following years of service:

<u>Years of Vesting Service</u>	<u>Vested Percentage</u>
0 – 1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Note Receivable from Participants

The loan provisions of the Plan allow plan participants with a vested account balance to borrow up to a maximum equal to the lesser of 50% of their vested account or \$50,000, with a minimum balance of \$1,000. Participants are allowed to have no more than one loan outstanding at any given time.

Payment of Benefits

Payment of benefits can be made upon service or disability retirement, termination of the Plan, death, termination of employment or financial hardship. The participant or beneficiary will receive either a lump sum payment in cash equal to the value of the funds allocated to their account, part lump sum and part installments, or installments as defined in the Plan agreement.

Administrative Expenses

Administrative expenses are paid by the Plan. Participants pay all loan fees.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, the participants would receive benefits under the Plan based on their account balance accumulated to the termination of the Plan. Each participant or an eligible beneficiary would receive the funds to be distributed to them within a reasonable time after the termination of the Plan.

2. Summary of Significant Accounting Policies:

The following is a summary of the significant accounting policies followed in the preparation of these financial statements:

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis and present the net assets available for benefits and changes in those net assets in accordance with accounting principles generally accepted in the United States of America.

Investments Valuations

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan presents in the statement of changes in net assets available for benefits the net appreciation (depreciation) in fair value of investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at December 31 and the reported amounts of additions to and deductions from net assets for the years ending December 31. Actual results could differ from those estimates.

Risks and Uncertainties

The plan provides for various investment options in any combination of certain registered investment companies. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

2. Summary of Significant Accounting Policies - Continued:

Date of Management's Review

Subsequent events were evaluated through September 26, 2023, which is the date the financial statements were available to be issued.

3. Investments:

The Plan's investments were held in trust and administered by the trustee, Fidelity Management Trust Company, for the years ended December 31, 2022 and 2021. The Plan administrator has determined it is permissible in the circumstances to have the Plan's audit of financial statements performed in accordance with ERISA Section 103(a)(3)(C) and elected not to extend the audit to any statements or information certified by the trustee of the Plan.

All investment information disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the trustee.

Information Prepared and Certified by Trustee

As permitted by Section 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under Employee Retirement Income Security Act of 1974, the Plan administrator has elected to restrict the auditor's examination of the information certified by the trustee of the Plan. The trustee holds the Plan's investments and executes investment transactions through a trust fund. The Plan administrator has obtained a certification from the trustee as of and for the periods ended December 31, 2022 and 2021, that the information provided to the Plan administrator by the trustee is complete and accurate. The financial statement elements, which have been certified by the trustee, are investments at fair value, notes receivable from participants, investment income, net appreciation (depreciation) in fair value of investments, receivables to the Plan, and changes in plan assets.

4. Fair Value Measurements:

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits.

Fair Value Measurements at Reporting Date Using:				
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
December 31, 2022				
Mutual Funds	\$ 1,156,767	\$ 1,156,767	\$ -	\$ -
Common/collective trusts	<u>6,119,216</u>	<u>-</u>	<u>6,119,216</u>	<u>-</u>
Total	<u>\$ 7,275,983</u>	<u>\$ 1,156,767</u>	<u>\$ 6,119,216</u>	<u>\$ -</u>
December 31, 2021				
Mutual Funds	\$ 1,480,408	\$ 1,480,408	\$ -	\$ -
Common/collective trusts	<u>6,690,818</u>	<u>-</u>	<u>6,690,818</u>	<u>-</u>
Total	<u>\$ 8,171,226</u>	<u>\$ 1,480,408</u>	<u>\$ 6,690,818</u>	<u>\$ -</u>

FASB Accounting Standard Codification section 820, "*Fair Value Measurements and Disclosures*," establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consists of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

4. Fair Value Measurements - Continued:

Level 1 Fair Value Measurements

Fair values are based on quoted prices (unadjusted) in active markets for identical assets that the Plan has the ability to access at the measurement date. The fair values of mutual funds are based on quoted market prices, when available.

Level 2 Fair Value Measurements

Fair values are based on inputs other than quoted prices included in Level 1 that are observable for valuing the asset or liability, either directly or indirectly. Observable inputs include quoted price for similar assets or liabilities in active or non-active markets. Level 2 inputs may also include insignificant adjustments to market observable inputs. The fair value of the common/collective trusts which quoted market prices are not available are valued using quoted prices for similar assets in active or non-active markets.

Level 3 Fair Value Measurement

Fair values are based on unobservable inputs used for valuing the asset or liability. Unobservable inputs are those that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing the asset, based on the best information available in the circumstances. There were no Level 3 pricing inputs.

There have been no changes in the methodologies used at December 31, 2022 and 2021.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2022 and 2021 are reported in net appreciation (depreciation) in fair value of investments.

5. Tax Status:

The Plan is a non-standardized prototype plan under Section 401(a) of the Internal Revenue Code. The Internal Revenue Service has determined and informed the Company by letter dated November 5, 2018, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

5. Tax Status - Continued:

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to December 31, 2019.
