Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of Heidell, Pittoni, Murphy & Bach, LLP 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section

- the amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Heidell, Pittoni, Murphy & Bach, LLP 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Heidell, Pittoni, Murphy & Bach, LLP 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Heidell, Pittoni, Murphy & Bach, LLP 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Heidell, Pittoni, Murphy & Bach, LLP 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters – 2022 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year), as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2021 Financial Statements

The 2021 financial statements of Heidell, Pittoni, Murphy & Bach, LLP 401(k) Plan were audited by Sobel & Co., LLC, whose shareholders and professional staff joined CliftonLarsonAllen LLP as of February 1, 2023, and has subsequently ceased operations. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 10, 2022 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Their report also indicated that the form and content of the 2021 supplemental schedule, other than the information in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

HEIDELL, PITTONI, MURPHY & BACH, LLP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 PLAN DESCRIPTION

The Heidell, Pittoni, Murphy & Bach, LLP 401(k) Plan (Plan) is administered by Heidell, Pittoni, Murphy & Bach, LLP (Partnership, Plan Sponsor). The following description provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined-contribution 401(k) plan that covers substantially all full-time employees of the Partnership who are not subject to a collective bargaining agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan assets are currently held by Principal Trust Company (Trustee), Trustee of the Plan. Partnership contributions, participant-elective deferrals, and participant accounts are also held by the Trustee, who invests cash received, and income from investments based on written instructions from the Partnership and participants, and makes distributions to participants. The Plan trustees are responsible for determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

Eligibility

Employees become eligible to participate in the Plan upon their first day of service if they have reached the age of 21. Participants may enter the Plan at any time during the year. Unionized and leased employees are not eligible to participate.

Contributions

Each year, participants may make voluntary pretax contributions and Roth 401(k) contributions to the Plan, up to 100% of eligible compensation, as defined in the Plan, subject to the maximum allowable under the Internal Revenue Code limitations, including catch-up amounts for participants age 50 and older, as defined by the Plan, also subject to Internal Revenue Code limitations. Participants direct the investments of their contributions into various investment options offered by the Plan. Participants may also contribute rollover amounts representing distributions from other qualified, defined-benefit contribution plans.

The Plan has provisions that allow for it to make a discretionary match contribution, a discretionary profit sharing contribution, or both for each Plan year. The amount of either is determined by the partners of the Partnership, and may change year to year. Additionally, to the extent necessary, the Partnership shall contribute to the Plan the amount necessary to provide the top-heavy minimum contribution.

For the Plan years ended December 31, 2022 and 2021, the Partnership had a matching contribution of 100% of deferrals for all eligible participants, up to \$1,000.

HEIDELL, PITTONI, MURPHY & BACH, LLP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 PLAN DESCRIPTION (CONTINUED)

Contributions (Continued)

For the Plan year ended December 31, 2022, the Partnership elected to have a discretionary profit sharing contribution equal to \$9,000 for partners who elect to participate, and up to \$1,000 for highly compensated employees, no additional profit sharing for highly-compensated employees, and the greater of 1.81% of compensation, or 100% of deferrals up to \$1,000 for non-highly compensated employees.

For the Plan year ended December 31, 2021, the Partnership elected to have a discretionary profit sharing contribution equal to \$9,000 for partners who elect to participate, no additional profit sharing for highly-compensated employees, and the greater of 1.15% of compensation, or 100% of deferrals up to \$1,000 for non-highly compensated employees.

For the years ended December 31, 2022 and 2021, total matching contributions were \$154,164 and \$154,758, respectively, and total discretionary profit sharing contributions were \$166,052 and \$117,169, respectively. For the years ended December 31, 2022 and 2021, there were no additional amounts required to be contributed to meet top-heavy testing.

Participant Accounts

Each participant's account is credited with the participant's contribution, allocations of the Partnership's matching contribution and discretionary profit sharing contribution (if any) and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contribution plus the actual earnings thereon. The Partnership's profit sharing and matching contributions, plus the earnings thereon, vest at 33% upon beginning of service and an additional 33% for each year thereafter, with full vesting upon completing 2 years of service. However, upon the participant's death, disability, or attainment of age 65, all amounts are immediately vested.

Rollovers

The Plan allows participants to make rollover contributions of amounts received from other qualified, approved retirement plans, provided they are made within 60 days of receipt of such amounts by a participant.

HEIDELL, PITTONI, MURPHY & BACH, LLP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 PLAN DESCRIPTION (CONTINUED)

Forfeited Accounts

Forfeitures of nonvested matching contribution portions of participant balances may be used to offset current and future employer-matching contributions and pay Plan expenses. During the years ended December 31, 2022 and 2021, forfeitures in the amount of \$11,171 and \$9,443 were used to fund employer-matching contributions to the Plan. As of both December 31, 2022 and 2021, the balance in the forfeiture account totaled \$-0-.

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, reduced by any outstanding loan balance. The loans are secured by the balance in the participant's account and are evidenced by a promissory note. The interest rates are 1% above the "Prime Rate" (published in the Wall Street Journal and updated quarterly), as determined by the Trustee at the time of the loan.

Principal and interest are paid ratably through payroll deductions. Repayment must be made in level payments over a period not to exceed five years, unless the loan is used for the purchase of a principal residence, in which case the repayment period may be longer consistent with commercial home loan practices, and is determined at the time of the loan.

Retirement

The Plan's normal retirement age is 65. There is no early retirement provision under the Plan.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant becomes fully vested immediately and may elect to receive the full value of their account in either a lump-sum amount or installment payments. For termination of service due to other reasons, a participant may receive the value of the vested interest in their account in either a lump-sum amount or installment payments. The remaining, nonvested portion of the account will be forfeited. However, if the participant resumes employment within five years after termination, the forfeited balance will be reinstated if the vested account balance is repaid. Effective January 1, 2020, the required minimum distribution age was increased to 72 under the SECURE Act.

Upon termination, vested benefits can be rolled over to another qualified plan or an individual retirement account, or distributed in a lump-sum payment or partial withdrawals. If the vested balance is \$5,000 or less, the participant will receive a lump-sum distribution without consent, and, if greater than \$1,000, will be subject to an automatic rollover provision.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 PLAN DESCRIPTION (CONTINUED)

In-Service Withdrawals

Participants may withdraw their vested balances if they meet the hardship-withdrawal provisions contained in the Plan. Withdrawals made under this provision are subject to income taxes and applicable penalties. Participants may also withdraw any part of their vested account any time after attaining age 59½. Withdrawals made under this provision are subject to income taxes.

Investment Options

Upon enrollment in the Plan, participants may direct their contributions in 1% increments in any of the investment options available. A separate account is maintained for each participant, and interest and dividends earned by each fund are reinvested into the same funds. Participants may change their investment options at any time permitted by the Plan Administrator.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting and in accordance with accounting principles generally accepted in the United States of America for defined-contribution plans.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Investments held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

HEIDELL, PITTONI, MURPHY & BACH, LLP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid, interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document. The interest portion included in each loan payment is recognized as interest income in the participant's individual account. Loans treated as distributions totaled \$4,964 and \$7,578 for the years ended December 31, 2022 and 2021, respectively.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions.

Mutual Fund Fees

Investments in mutual funds may be subject to various sales charges. Allowable fees under Section 12b-1 of the Investment Company Act of 1940 are annual fees deducted to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity and are not separately identifiable as an expense.

Administrative Expenses and Participant Transaction Fees

Certain administrative expenses of the Plan are paid directly by the Partnership and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments paid to participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated subsequent events through September 27, 2023, the date on which the financial statements were available to be issued. Based on this evaluation, the Plan has determined there are no subsequent events that have occurred that require disclosure in the financial statements.

HEIDELL, PITTONI, MURPHY & BACH, LLP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 3 INVESTMENTS CERTIFIED BY THE PLAN TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2022 and 2021, was obtained by management and agreed to, or derived from, information certified as complete and accurate by Principal Trust Company, the Trustee of the Plan.

NOTE 4 FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board (FASB) established a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement, and are supported by little or no market activity.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Pooled Separate Accounts and Common Collective Trusts – Valued based on the net asset value (NAV) of units of the pooled separate account or common collective trust. The NAV, as provided by the insurance company or Trustee, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. (Other input)

Mutual Funds – Valued at the daily closing price as reported by the fund. The mutual fund held by the Plan is an open-end mutual fund that is registered with the Securities and Exchange Commission. This fund is required to publish its daily net asset value and to transact at that price. The mutual fund held by the Plan is deemed to be actively traded. (Level 1 input)

The following tables sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31:

2022			
	Level 1	Level 2	Level 3
Mutual Funds	\$ 5,351,386	\$ -	\$ -
Investments Measured at Net Asset Value			17,711,312

NOTE 5 FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan has entered into a fully benefit-responsive investment contract (PL Contract) through its investment in the Principal Fixed Income Guaranteed Option with Principal Life Insurance Company. Principal Life Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The PL Contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the PL Contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the PL Contract. The PL Contract value, as reported to the Plan by Principal Life Insurance Company, represents contributions made under the PL Contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, net of fees for administrative and recordkeeping services. For the years ended December 31, 2022 and 2021, the rate was 1.75% and 1.55%, respectively. The crediting interest rate is reviewed on a semi-annual basis for resetting.

NOTE 5 FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (CONTINUED)

Certain events limit the Plan's ability to transact at contract value with Principal Life Insurance Company. Such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code
2. Premature termination of the contracts
3. Plan termination or merger
4. Changes to the Plan's prohibition on competing investment options
5. Bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 6 RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Principal Life Insurance Company, or its subsidiaries or affiliates. Any transactions involving Principal Life Insurance Company, the Plan Sponsor, the accountant involved with the Plan, and/or third-party administrator are therefore considered party-in-interest transactions. Additionally, notes receivable from participants also qualify as party-in-interest transactions.

The Partnership did not pay any expenses in connection with the administration of the Plan for the years ended December 31, 2022 and 2021. Certain administrative functions are performed by employees of the Partnership who do not receive compensation for such functions.

NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Partnership has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

NOTE 8 TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the administrator by a letter dated June 30, 2020, that the Plan and related trust, as then designed, were in compliance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, remains tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS.

The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. In addition, there have been no tax-related interest or penalties for periods presented in these financial statements.

NOTE 9 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits. To the extent that a participant directs that their contributions be invested through the self-directed brokerage account option, the participant solely determines the extent to which such amounts will be diversified, if at all.
