| Part I | Service Provider Information (see instructions) |
|--------|-------------------------------------------------|

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions).. . . . . ☐ Yes ☒ No
- b If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

## **Independent Auditor's Report**

Plan Administrator  
MT Industries Inc 401(k) Profit Sharing Plan and Trust

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of MT Industries Inc 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

#### **Other Matter—Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## MT Industries Inc 401(k) Profit Sharing Plan and Trust

### Notes to Financial Statements

#### Note 1. Description of Plan

The following description of the MT Industries Inc 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General:** The Plan is a defined contribution plan with a 401(k) feature covering all eligible employees of MT Industries, Inc. d/b/a Sunless Inc. (the Company, Plan Administrator, and Plan Sponsor). Employees who have attained the age of 21 are eligible to participate in the Plan after completing one month of eligibility service as defined by the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

**Contributions:** Participants may elect to defer up to 92% of their compensation as defined by the Plan on either a pretax or after-tax basis. The Company provides a safe harbor matching contribution of 100% of participants' elective deferral contributions up to 3% of compensation, plus 50% of their elective deferral contributions from 3% up to 5% of compensation. The Plan also provides for discretionary employer matching and profit-sharing contributions. Participants must complete 500 hours of service during the plan year and be employed on the last day of the plan year to receive a profit-sharing contribution. There were no discretionary employer contributions made during 2022. The Plan provides for the acceptance of rollover contributions from other plans qualified under the Internal Revenue Code (the Code). The Plan also provides for catch-up contributions for participants who reach the age of 50 by the end of the plan year. Participants direct the investment of their contributions into various options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

**Participant accounts:** Each participant's account is credited with the participant's contributions and Company matching contributions, as well as an allocation of the Company's profit-sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based upon participant earnings, compensation, specific participant transactions or account balances, as defined. The benefit which a participant is entitled to receive is the benefit that can be provided from the participant's vested account.

**Vesting:** Participants are immediately vested in their deferral contributions, rollovers, and the Company's safe harbor matching contributions plus actual earnings thereon. Vesting in the Company's discretionary profit-sharing contribution portion of their accounts plus actual earnings thereon is based on years of continuous service, as defined in the Plan document, after one year at a rate of 20% per year. Participants are 100% vested after six years of credited service.

**Notes receivable from participants:** Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of: \$50,000 reduced by the participants' highest outstanding notes receivable balances during the previous 12 months; 95% of 50% of their vested account balances; or 95% of their vested account balances excluding participants' after-tax deferrals. Notes receivable terms range from one to four and a half years, or longer for the purchase of a primary residence and are secured by the balance in the participant's account and bear interest at a fixed rate commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest is paid ratably through payroll deductions.

#### Note 1. Description of Plan (Continued)

**Payment of benefits:** Participants or their beneficiaries are eligible to receive benefits upon reaching age 59½, termination, early retirement, retirement, disability or upon the death of a participant. A participant may elect to receive a distribution in the form of a lump sum equal to the value of his or her vested account, installments or an annuity contract. An active participant who reaches age 59½ can take his or her distribution in the form of a partial withdrawal, installments or an annuity contract. If the value of the vested benefits credited to a participant's account is \$1,000 or less at the time of termination, the entire amount will be automatically distributed to the participant without the participant's consent. If the value of the vested benefits credited to a participant's account is greater than \$1,000 but not exceeding \$5,000, the participant may elect to receive a lump-sum distribution directly or receive the distribution in the form of a direct rollover to another qualified plan. If the participant does not elect a form of distribution, the entire amount will be distributed, without the participant's consent, in the form of a direct rollover to an individual retirement account as designated by the Plan Administrator.

**Forfeited accounts:** Forfeitures may be used to reduce the Company's discretionary matching and profit-sharing contributions to the Plan or used to reduce administrative expenses of the Plan. At December 31, 2022 and 2021, unallocated forfeited accounts and forfeitures applied to plan expenses during the year ended December 31, 2022 were not material to the financial statements.

**Plan termination:** Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their total participant account balances.

#### Note 2. Summary of Significant Accounting Policies

**Basis of accounting:** The financial statements of the Plan are prepared using the accrual basis of accounting.

**Investment valuation:** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes receivable from participants:** Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make payments on a note receivable and the Plan Administrator deems the note receivable to be uncollectible, the balance on the note receivable is reclassified to benefits paid to participants based upon the terms of the Plan document.

**Contributions:** Participant and employer contributions are recorded and credited to each participant's account when received by the custodian from the Company. Any contributions attributable to the plan year but not received by the trust by the last day of the plan year are recorded as a receivable.

#### Note 2. Summary of Significant Accounting Policies (Continued)

**Income taxes:** The Company adopted a prototype non-standardized profit-sharing plan sponsored by Paychex Retirement Services. The prototype plan has received an opinion letter from the IRS dated April 10, 2014, stating that the Plan and related trust were designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the opinion letter, the Plan Sponsor believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Payment of benefits:** Benefits are recorded when paid.

**Expenses:** Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments on the accompanying statement of changes in net assets available for benefits.

**Use of estimates:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Subsequent events:** The Plan has evaluated subsequent events for potential recognition and/or disclosure through October 9, 2023, the date which the financial statements were available to be issued.

#### Note 3. Information Certified and Provided by Mid Atlantic Trust Company

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included throughout the Plan's financial statements and supplemental schedule that was prepared by or derived from information provided by the custodian and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the custodian that information provided to the Plan Administrator by the custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets:

#### Note 4. Fair Value Measurements

Accounting standards established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under Accounting Standards Codification 820 are described below:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2:** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodology used as of December 31, 2022 and 2021.

**Money market account:** Valued at cost, which approximates fair value.

**Mutual funds:** Valued at the net asset value of shares held by the Plan at year-end, as reported on the active markets in which the investments are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain fair value instruments could result in a different fair value measurement at the reporting date.

There were no transfers in or out of Level 3 during the year ended December 31, 2022.

#### Note 5. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

#### Note 6. Transactions with Parties-in-Interest

Parties-in-interest transactions include interest and the payment of administrative expenses by the Plan. Such transactions are exempt from being prohibited transactions.

#### Note 7. Reconciliation to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021, to the Form 5500:

|                                                                | 2022                | 2021                |

## **Independent Auditor's Report**

Plan Administrator  
MT Industries Inc 401(k) Profit Sharing Plan and Trust

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of MT Industries Inc 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

#### **Other Matter—Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## MT Industries Inc 401(k) Profit Sharing Plan and Trust

### Notes to Financial Statements

---

#### Note 1. Description of Plan

The following description of the MT Industries Inc 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General:** The Plan is a defined contribution plan with a 401(k) feature covering all eligible employees of MT Industries, Inc. d/b/a Sunless Inc. (the Company, Plan Administrator, and Plan Sponsor). Employees who have attained the age of 21 are eligible to participate in the Plan after completing one month of eligibility service as defined by the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

**Contributions:** Participants may elect to defer up to 92% of their compensation as defined by the Plan on either a pretax or after-tax basis. The Company provides a safe harbor matching contribution of 100% of participants' elective deferral contributions up to 3% of compensation, plus 50% of their elective deferral contributions from 3% up to 5% of compensation. The Plan also provides for discretionary employer matching and profit-sharing contributions. Participants must complete 500 hours of service during the plan year and be employed on the last day of the plan year to receive a profit-sharing contribution. There were no discretionary employer contributions made during 2022. The Plan provides for the acceptance of rollover contributions from other plans qualified under the Internal Revenue Code (the Code). The Plan also provides for catch-up contributions for participants who reach the age of 50 by the end of the plan year. Participants direct the investment of their contributions into various options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

**Participant accounts:** Each participant's account is credited with the participant's contributions and Company matching contributions, as well as an allocation of the Company's profit-sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based upon participant earnings, compensation, specific participant transactions or account balances, as defined. The benefit which a participant is entitled to receive is the benefit that can be provided from the participant's vested account.

**Vesting:** Participants are immediately vested in their deferral contributions, rollovers, and the Company's safe harbor matching contributions plus actual earnings thereon. Vesting in the Company's discretionary profit-sharing contribution portion of their accounts plus actual earnings thereon is based on years of continuous service, as defined in the Plan document, after one year at a rate of 20% per year. Participants are 100% vested after six years of credited service.

**Notes receivable from participants:** Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of: \$50,000 reduced by the participants' highest outstanding notes receivable balances during the previous 12 months; 95% of 50% of their vested account balances; or 95% of their vested account balances excluding participants' after-tax deferrals. Notes receivable terms range from one to four and a half years, or longer for the purchase of a primary residence and are secured by the balance in the participant's account and bear interest at a fixed rate commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest is paid ratably through payroll deductions.

### Notes to Financial Statements

---

#### Note 1. Description of Plan (Continued)

**Payment of benefits:** Participants or their beneficiaries are eligible to receive benefits upon reaching age 59½, termination, early retirement, retirement, disability or upon the death of a participant. A participant may elect to receive a distribution in the form of a lump sum equal to the value of his or her vested account, installments or an annuity contract. An active participant who reaches age 59½ can take his or her distribution in the form of a partial withdrawal, installments or an annuity contract. If the value of the vested benefits credited to a participant's account is \$1,000 or less at the time of termination, the entire amount will be automatically distributed to the participant without the participant's consent. If the value of the vested benefits credited to a participant's account is greater than \$1,000 but not exceeding \$5,000, the participant may elect to receive a lump-sum distribution directly or receive the distribution in the form of a direct rollover to another qualified plan. If the participant does not elect a form of distribution, the entire amount will be distributed, without the participant's consent, in the form of a direct rollover to an individual retirement account as designated by the Plan Administrator.

**Forfeited accounts:** Forfeitures may be used to reduce the Company's discretionary matching and profit-sharing contributions to the Plan or used to reduce administrative expenses of the Plan. At December 31, 2022 and 2021, unallocated forfeited accounts and forfeitures applied to plan expenses during the year ended December 31, 2022 were not material to the financial statements.

**Plan termination:** Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their total participant account balances.

#### Note 2. Summary of Significant Accounting Policies

**Basis of accounting:** The financial statements of the Plan are prepared using the accrual basis of accounting.

**Investment valuation:** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes receivable from participants:** Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make payments on a note receivable and the Plan Administrator deems the note receivable to be uncollectible, the balance on the note receivable is reclassified to benefits paid to participants based upon the terms of the Plan document.

**Contributions:** Participant and employer contributions are recorded and credited to each participant's account when received by the custodian from the Company. Any contributions attributable to the plan year but not received by the trust by the last day of the plan year are recorded as a receivable.

#### Note 2. Summary of Significant Accounting Policies (Continued)

**Income taxes:** The Company adopted a prototype non-standardized profit-sharing plan sponsored by Paychex Retirement Services. The prototype plan has received an opinion letter from the IRS dated April 10, 2014, stating that the Plan and related trust were designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the opinion letter, the Plan Sponsor believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Payment of benefits:** Benefits are recorded when paid.

**Expenses:** Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments on the accompanying statement of changes in net assets available for benefits.

**Use of estimates:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Subsequent events:** The Plan has evaluated subsequent events for potential recognition and/or disclosure through October 9, 2023, the date which the financial statements were available to be issued.

#### Note 3. Information Certified and Provided by Mid Atlantic Trust Company

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included throughout the Plan's financial statements and supplemental schedule that was prepared by or derived from information provided by the custodian and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the custodian that information provided to the Plan Administrator by the custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets:

#### Note 4. Fair Value Measurements

Accounting standards established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under Accounting Standards Codification 820 are described below:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2:** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodology used as of December 31, 2022 and 2021.

**Money market account:** Valued at cost, which approximates fair value.

**Mutual funds:** Valued at the net asset value of shares held by the Plan at year-end, as reported on the active markets in which the investments are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain fair value instruments could result in a different fair value measurement at the reporting date.

There were no transfers in or out of Level 3 during the year ended December 31, 2022.

#### Note 5. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

#### Note 6. Transactions with Parties-in-Interest

Parties-in-interest transactions include interest and the payment of administrative expenses by the Plan. Such transactions are exempt from being prohibited transactions.

#### Note 7. Reconciliation to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021, to the Form 5500:
