INDEPENDENT AUDITORS' REPORT

To the Participants and Administrator of
Zoe Holding Company, Inc. 401(k) Plan
Scottsdale, Arizona

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Zoe Holding Company, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Zoe Holding Company, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

INDEPENDENT AUDITORS' REPORT - CONTINUED

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Zoe Holding Company, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Zoe Holding Company, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and

INDEPENDENT AUDITORS' REPORT - CONTINUED

therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Zoe Holding Company, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Zoe Holding Company, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITORS' REPORT - CONTINUED

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 and Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021 and For the Year Ended December 31, 2022

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Zoe Holding Company, Inc 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established for participation on January 1, 2013 and restated in 2021 and has been amended from time to time since that date. It is a defined contribution plan covering all eligible employees of Zoe Holding Company, Inc (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

Under the provisions of the Plan, each employee shall be eligible to participate in the Plan upon completing one month of service and attaining the age of 21.

Contributions

Each year, participants may elect to contribute to the Plan through tax-deferred and Roth salary deferrals up to 50% of their annual compensation, as defined by the Plan, not to exceed a statutory maximum determined by the Internal Revenue Service ("IRS"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans ("rollovers"). Participants direct the investments of all contributions into various investment options offered by the Plan.

Company Matching Contributions

Each year, the Company may make a matching contribution at its discretion. For the year ended December 31, 2022, the Company elected to make a matching contribution equal to 50% of participant contributions up to \$500, amounting to \$39,459.

Additionally, the Company may make qualified matching contributions and/or qualified non-elective contributions. For the year ended December 31, 2022, the Company did not make qualified matching or qualified non-elective contributions.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contributions portion of their accounts is based on years of service. A participant vests 30% after year one, 60% after year two, and 100% after year three.

Hardship Withdrawal

In certain situations, as defined in the Plan agreement and with approval of the Plan Administrator, participants may make hardship withdrawals.

NOTE 1. DESCRIPTION OF THE PLAN - Continued

Participant Accounts

All investment options are participant directed. Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and Plan earnings, and reduced for any Plan losses and administrative expenses. The benefit to which a participant is entitled is the benefit from the participant's vested account.

Notes Receivable from Participants

Notes receivable from participants are not permitted by the Plan.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant will receive a lump sum amount equal to the value of the participant's vested interest in their account in accordance with the provisions of the Plan. In the event that a participant dies before retirement, their beneficiary will receive the value of the participant's vested interest in a lump sum distribution in accordance with the provisions of the Plan. For termination of service for other reasons, a participant may receive the value of the vested interest in their account as a lump sum distribution.

Forfeitures

Forfeitures of Company contributions may be used to restore forfeitures, reduce Company contributions or reduce administrative expenses. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$358 and \$1, respectively. In 2022, employer contributions and administrative expenses were reduced by \$23,120 and \$17,623 from forfeited non-vested accounts, respectively.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year and reinvested interest and dividends.

Excess Contributions Payable

The Plan had contributions in excess of amounts allowed by the IRS totaling \$45,552 and \$74,246 for the years ended December 31, 2022 and 2021, respectively. Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding increase to corrective distributions deductions. The Plan distributed the 2022 and 2021 excess contributions to the applicable participants after March 15 in the subsequent year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Company. Fees related to the administration of participants' activities are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in the net depreciation of fair value of investments.

Concentration of Credit Risk and Financial Instruments

Financial instruments that potentially subject the Plan to concentrations of credit risk consist of securities held by a broker.

NOTE 3. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of

NOTE 3. FAIR VALUE MEASUREMENTS

unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 and Level 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair value of registered investment companies is based on quoted net asset values of the shares as reported by the funds. The registered investment companies held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The registered investment companies held by the Plan are considered to be actively traded.

The fair value of common/collective trusts is valued at the net asset value ("NAV") of units of a collective investment trust. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Participant transactions may occur daily.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

	Assets at Fair Value as of December 31, 2022	
	Level 1	Total
Registered investment companies	\$4,685,312	\$4,685,312

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2022, are reported in net appreciation/depreciation in fair value of investments.

NOTE 4. INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Financial Group has certified that the following data included in the accompanying financial statements and supplemental schedules are complete and accurate with respect to investments:

- Investments, at fair value
- Interest and dividend income
- Net earnings and appreciation/depreciation in fair value of investments
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

NOTE 5. TAX STATUS OF THE PLAN

The IRS has determined and informed the Company in a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and Sponsor's management believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believe the Plan is qualified and is tax-exempt.

The Plan follows the provisions of ASC 740, *Income Taxes* of the FASB Accounting Standards Codification. The Plan believes it has no uncertain tax positions that qualify for either recognition or disclosure. As of December 31, 2022, due to statutes of limitations, the Plan is no longer subject to examination of its Form 5500 by the IRS for years prior to 2019.

NOTE 6. TERMINATION OF THE PLAN

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 7. RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, including interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 8. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments consist of registered investment companies, common/collective trusts managed by Principal Life Insurance Company, a member company of Principal Financial Group. Principal Financial Group is the Custodian and Principal Life Insurance Company is the Recordkeeper, as defined by the Plan and, therefore these transactions qualify as party-in-interest. Fees paid by the Plan to Principal Life Insurance Company during the year ended December 31, 2022 totaled \$65,962. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 9. SEPARATED PARTICIPANTS

At December 31, 2022, there were no amounts allocated to accounts of persons who had elected to withdraw from the Plan but have not yet been paid.

NOTE 10. PROHIBITED TRANSACTIONS

The Plan Sponsor failed to remit to the Plan's Administrator certain employee contributions within the period prescribed by the Department of Labor's regulation totaling \$45,159 for years 2013 to 2020. The Company has already remitted the

In March 2022, the Plan Sponsor performed a voluntary correction of late deposit of contributions and lost earnings of \$8,877 and \$8,947, respectively, for this failure and remitted these lost earnings to the affected participants' accounts.
