INDEPENDENT AUDITORS' REPORT

Plan Trustee and Plan Administrator
F&M Bancshares, Inc. Savings Incentive Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the F&M Bancshares, Inc. Savings Incentive Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from Nationwide Trust Company, FSB, a division of Nationwide Bank, a qualified institution, as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

INDEPENDENT AUDITORS' REPORT, CONTINUED

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(Continued)

INDEPENDENT AUDITORS' REPORT, CONTINUED

Auditors' Responsibilities for the Audit of the Financial Statements, Continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITORS' REPORT, CONTINUED

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SAVINGS INCENTIVE PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

(1) DESCRIPTION OF THE PLAN

The following brief description of the F&M Bancshares, Inc. Savings Incentive Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions. Nationwide Trust Company, FSB, a division of Nationwide Bank (“Nationwide”) is the Plan’s custodian and trustee.

General

The Plan operates as a defined contribution 401(k) plan and is designed to comply with Sections 401(a) and 501(b) and the regulations thereunder of the Internal Revenue Code of 1986, as amended (the “Code”), and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is available to eligible employees of F&M Bank (the “Bank”). Employees are eligible to become a participant when they have reached age 21 and have been employed for 90 days, as defined in the plan agreement.

Contributions/Investment Options

Participants can contribute to the Plan 80% of their eligible compensation, as defined in the Plan agreement, limited to the maximum amount established by federal law. Participants may also contribute amounts representing distributions from other qualified plans. Under the terms of the Plan, the Bank can make two types of contributions: safe harbor matching contributions and discretionary matching contributions. Safe harbor matching contributions represent a dollar-for-dollar matching of the participant’s salary deferral up to 3% of the participant’s compensation and 50% of salary deferrals up to the next 2% of the participant’s compensation. The Bank may make discretionary matching contributions, determined annually. The discretionary contributions are available to participants who are employed by the Bank on the last day of the respective plan year and have completed at least 1,000 hours during the plan year. Discretionary matching contributions are determined based upon a percentage of salary deferrals made by the participant. The Bank made 2% discretionary matching contributions for both 2022 and 2021 in the amount of \$90,401 and \$93,126, respectively.

Participants may direct their contributions and the Bank’s contributions among various investment options offered through the Plan’s trustee. Participants may change their investment options at any time.

Each participant’s account is credited with the participant’s contributions, the Bank’s safe harbor matching contribution, the Bank’s discretionary matching contribution, and the allocation of plan earnings and plan expenses. Allocations are based on participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

See Independent Auditors’ Report.

SAVINGS INCENTIVE PLAN

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(1) DESCRIPTION OF THE PLAN, CONTINUED

Vesting

Participants are 100% vested in the contributions they make, rollover contributions, and safe harbor matching contributions made by the Bank. Discretionary matching contributions are subject to the vesting schedule described below:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Participants will become 100% vested upon termination of the Plan, reaching normal retirement age, disability, or death, regardless of years of service.

Distributions/Benefits

Upon retirement, a participant may receive a lump-sum payment or, in some cases, be entitled to a distribution in the form of a joint and survivor annuity. A terminating member of the Plan is paid the current value of his or her contributions to the Plan, but will forfeit all of the Bank's discretionary contributions to the extent they are nonvested. As of December 31, 2022 and 2021, there was approximately \$490,000 and \$717,000, respectively, of deferred vested benefits unpaid to terminated employees of the Bank.

Hardship distributions may be made to participants under certain conditions.

Forfeitures

Employer contributions and earnings thereon which become forfeited as a result of any benefit payment or withdrawal provisions of the Plan may be used to pay plan expenses. Any amount left after paying plan expenses is used to reduce the Bank's contributions. Forfeitures of nonvested portions of participants' accounts which occurred during 2022 were approximately \$4,000. Additionally, during 2022 approximately \$15,000 was transferred to the forfeiture account for matching corrections. As of December 31, 2022 and 2021, unallocated forfeitures in the Plan were approximately \$4,000 and \$31,000, respectively.

See Independent Auditors' Report.

SAVINGS INCENTIVE PLAN

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(1) DESCRIPTION OF THE PLAN, CONTINUED

Plan Termination

Although they have not expressed any intention to do so, the Bank may elect to terminate the Plan or discontinue their contributions at any time subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts.

Administration of Plan Assets

The Plan's trustee invests the contributions received as directed by the participants, as well as interest and dividend income, and makes distributions to participants.

Administrative Costs

The Plan will pay all fees and expenses reasonably incurred by the Plan, to the extent such fees and expenses are for the ordinary and necessary administration and operation of the Plan, unless the Bank pays such fees and expenses. For 2022 and 2021, the Bank paid only selected administrative expenses. In addition, fees assessed on employee-directed transactions within the Plan are netted against earnings and are charged to the individual accounts.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments in registered investment companies are stated at fair value. Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

See Independent Auditors' Report.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(2) **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED**

Guaranteed Investment Contract

The Plan holds a guaranteed investment contract that was considered fully benefit-responsive as of December 31, 2022 and 2021. Contract value is the relevant measurement attribute for that portion of the net assets available for plan benefits of a defined contribution plan attributable to fully benefit-responsive guaranteed investment contracts, because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan's financial statements present fully benefit-responsive guaranteed investment contracts at contract value.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in accordance with accounting principles generally accepted in the United States requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

Date of Management's Review of Subsequent Events

Management has evaluated subsequent events through October 6, 2023, the date which the financial statements were available to be issued, and determined that no subsequent events have occurred that require adjustment to or disclosure in the financial statements.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(3) FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. In estimating fair value, the Plan utilizes valuation techniques that are consistent with the market approach, the income approach, and/or the cost approach. Such valuation techniques are consistently applied. Inputs to valuation techniques include the assumptions that market participants would use in pricing an asset or liability. Fair values may not represent actual values of assets and liabilities that could have been realized on the measurement date or that will be realized in the future. The use of different market assumptions and/or estimation methodologies may have a material effect on the estimated fair value amounts.

Accounting Standards Codification Topic 820, "Fair Value Measurement," establishes a fair value hierarchy for valuation inputs that gives the highest priority to quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The fair value hierarchy is as follows:

- Level 1 inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.
- Level 2 inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset and liability, either directly or indirectly, for substantially the full term of the asset or liability.
- Level 3 inputs consist of unobservable inputs which are used when observable inputs are unavailable and reflect an entity's own assumptions about the assumptions that market participants would use in pricing the assets or liabilities.

The Plan uses appropriate valuation methods based on the available inputs to measure the fair value of its assets and liabilities.

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for plan benefits, as well as the general classification of such assets pursuant to the valuation hierarchy.

Registered Investment Companies

The fair values of registered investment companies are determined by obtaining quoted prices on nationally recognized securities exchanges.

F&M BANCSHARES, INC.
SAVINGS INCENTIVE PLAN

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(3) FAIR VALUE MEASUREMENTS, CONTINUED

Fair values of financial instruments (assets) measured on a recurring basis at December 31 were as follows:

		Fair Value Measurements at Reporting Date Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
	Assets Measured at Fair Value			
<u>2022</u>				
Registered investment companies	\$ 8,698,771	8,698,771	-	-
<u>2021</u>				
Registered investment companies	\$ 10,022,235	10,022,235	-	-

(4) GUARANTEED INVESTMENT CONTRACT

At December 31, 2022 and 2021, the Plan had a fully benefit-responsive guaranteed investment contract (Nationwide Fixed Select). The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed interest rate is reset quarterly.

As described in Note 2, because the guaranteed investment contract is fully benefit-responsive, the investment is recorded at contract value. Contract value, as reported to the Plan by Nationwide, represents contributions made under the contract, plus earnings, less participant withdrawals. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment. For withdrawals, participants can request a single lump sum distribution with a market value adjustment or an installment payout at contract value over a period of years.

The Nationwide Fixed Select contract does not have a maturity date and continues in force until all assets have been distributed or no further payments are due. The net rate, crediting rate, and average yield earned are the same, and was 2.22% and 1.88% as of December 31, 2022 and 2021, respectively.

See Independent Auditors' Report.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(5) INCOME TAX STATUS

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan is designed in accordance with the applicable sections of the Code. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. The plan administrator believes the Plan is no longer subject to income tax examination for years prior to 2019.

(6) INFORMATION CERTIFIED BY PLAN TRUSTEE

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate.

- Investments as shown in the statements of net assets available for plan benefits as of December 31, 2022 and 2021.
- Investment activity (net depreciation in fair value of investments, interest, and dividends) as shown in the statement of changes in net assets available for plan benefits for the year ended December 31, 2022.
- Schedule H, line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2022, as shown on the supplemental schedule.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(7) TRANSACTIONS WITH PARTIES-IN-INTEREST

Parties-in-interest are defined under DOL's regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer, and certain others. As such, transactions conducted by Nationwide qualify as party-in-interest transactions. The fees paid by the Plan to Nationwide in 2022 were approximately \$19,000. Additionally, fees paid by the Plan to the Plan's third-party administrator approximated \$12,000 in 2022. The fees paid are allocated to the participant accounts as a component of net depreciation of investments.

See Independent Auditors' Report.
