Financial Statements

For Years Ended December 31, 2022 and 2021

With Report of Certified Public Accountants

INDEPENDENT AUDITOR'S REPORT

To The Plan Administrator of the
Price Edwards & Company Savings & Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Price Edwards & Company Savings & Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Price Edwards & Company Savings & Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Price Edwards & Company Savings & Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Price Edwards & Company Savings & Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Price Edwards & Company Savings & Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Price Edwards & Company Savings & Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) and schedule of delinquent participant contributions as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Price Edwards & Company Savings & Retirement Plan

Notes to Financial Statements

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Price Edwards & Company Savings & Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering substantially all employees of Price Edwards & Company (the Company or the Employer) who are age 21 or older and completed 12 months and 1,000 hours of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was adopted January 1, 1991. The most recent amendment and restatement of the Plan became effective October 14, 2022.

CONTRIBUTIONS

Each year, participants may contribute up to 100% of pretax annual compensation as defined by the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Plan has elected the 401(k) Safe Harbor provision in which the Employers makes matching contributions of 100% of the participants' elective deferral up to 4% of the participants' gross compensation. Participants are automatically 100% vested in the 401(k) Safe Harbor Employer matches. The Company may also make a discretionary profit sharing contribution to the Plan, allocated to eligible employees, though not required. There were no discretionary contributions made for the years ended December 31, 2022 and 2021, respectively.

Participants direct the investment of their contributions, including employer contributions, into various mutual funds offered by the Plan.

AUTOMATIC DEFERRAL

The Plan includes an "automatic" deferral feature that eliminates the requirement of new employees from executing a salary reduction agreement. Thus, if the other Plan requirements have been satisfied the employer will automatically withhold 2% of compensation and deposit such amounts into the Plan for the benefit of the employee which will remain in effect until such time a signed salary reduction agreement is executed.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution, the Employer Safe Harbor matching contribution as well as, allocations of the company's discretionary profit sharing contribution, and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

VESTING

Participants are immediately vested in their contributions and the Safe Harbor Employer matching contribution plus actual earnings thereon. Vesting in the Company's discretionary non-elective contribution portion of their accounts is based on years of service. A year of service must include at

Price Edwards & Company Savings & Retirement Plan

Notes to Financial Statements

least 1,000 hours of service by the employee to qualify. A participant is 100% vested after six years of credited service. A participant is fully vested when any of the following occur: reaching full retirement age, retirement due to disability, death, and termination of the Plan.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$100,000 or 50 percent of their vested account balance. The maximum number of loans outstanding is one. The loan is secured by the balance in the participant's account and bears interest at rates determined by the loan administrator, which are commensurate with rates charged by commercial lenders for loans made under similar circumstances. Repayment, principal and interest, through payroll deductions must be completed within six years or up to 15 years if proceeds were used for the purchase of their principal residence.

PAYMENT OF BENEFITS

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

FORFEITED ACCOUNTS

As of December 31, 2022 and 2021, the balance of the forfeiture account was \$7,598 and \$7,483, respectively. This will be used in the future to reduce fees paid by the plan or to reduce employer matching contributions. Forfeitures used to reduce employer match during 2022 amounted to \$0.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent loans are reclassified as distributions based on the terms of the Plan document.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Price Edwards & Company Savings & Retirement Plan

Notes to Financial Statements

PAYMENT OF BENEFITS

Benefits are recorded when paid. The Plan allows hardship withdrawals, subject to account balance limits and applicable laws.

EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless paid by the Company or otherwise stated. Expenses that are paid by the Company are excluded from these financial statements. Fees related to administration of the notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 9, 2023, the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include • quoted prices for similar assets and liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Price Edwards & Company Savings & Retirement Plan

Notes to Financial Statements

Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.
---------	---

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 or 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 13,039,002	\$ -	\$ -	\$ 13,039,002
Total Investments in Fair Value Hierarchy	\$ 13,039,002	\$ -	\$ -	\$ 13,039,002

NOTE 4 – INFORMATION PREPARED AND CERTIFIED TO BY TRUSTEE

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2022 and 2021, and net appreciation/depreciation in fair value of investments, interest, and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Mid Atlantic Trust Company (the trustee of the Plan).

NOTE 5 – EXCESS CONTRIBUTIONS PAYABLE

As of December 31, 2022, there were no excess contributions required to be distributed in the subsequent year to satisfy federal tax law contribution limits.

NOTE 6 – PLAN ADMINISTRATIVE EXPENSES

Certain administrative expenses of the Plan have been paid by the Plan Sponsor during the years ended December 31, 2022 and 2021.

NOTE 7 – TRANSACTIONS WITH PARTIES-IN-INTEREST

Slavic Mutual Funds Management Corporations (SMF) is the investment advisor to the Plan. Participants have the option to use the services of SMF which charge a quarterly fee paid by the participants should they elect to utilize the services of SMF.

Slavic Integrated Administration (SIA) is the Plan's Third Party Administrator (TPA) and receives an annual administrative or asset fee that is allocated to and paid by each participant.

The owners of SMF and SIA are the same.

NOTE 8 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 9 – TAX STATUS

The Plan has adopted a volume submitter standardized plan pre-approved by the Internal Revenue Service ("IRS"). The Internal Revenue Service has ruled that the master volume submitter plan from which the Plan was adopted qualifies under Section 401(a) of the Internal Revenue Code and is, therefore, not subject to tax under present income tax laws. Although, the Plan has been amended since receiving the IRS tax-exempt determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code and the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 10 – PROHIBITED TRANSACTIONS

During the year ended December 31, 2022, the Company inadvertently failed to timely remit certain participant deferrals and the related employer matching contribution to the Plan. These untimely remittances constitute prohibited transactions as defined by ERISA. The Company corrected these subsequent to year end. These lost earnings have not been included as a receivable to the Plan at December 31, 2022 as Plan management believes the amount to be immaterial to the financial statements.

No provision for income taxes has been included in the Plan's financial statements related to the foregoing matters because the company does not expect this correction to affect the Plan's status.

NOTE 11 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

In 2020, the President signed into law the Coronavirus Aid, Relief, and Economic Security Act (the "CARES" Act) and the Consolidated Appropriations Act (CAA). These Acts provide immediate and temporary support for retirement plan sponsors and their participants with respect to employer contributions, distributions, participant loans, and other matters related to the Plan. The provisions of these Acts may be effective and operationalized immediately, prior to amending the Plan document, provided the Plan document is retroactively amended on or before December 31, 2022. Plan management officially amended their Plan document during 2022 to comply with these updates.
