INDEPENDENT AUDITORS' REPORT

Board of Directors, Plan Trustees, and
Plan Administrator
Great Plains Bancshares, Inc.
401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Great Plains Bancshares, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from John Hancock Life Insurance Company USA, a qualified institution, as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT, CONTINUED

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(Continued)

INDEPENDENT AUDITORS' REPORT, CONTINUED

Auditors' Responsibilities for the Audit of the Financial Statements, Continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITORS' REPORT, CONTINUED

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

(1) DESCRIPTION OF THE PLAN

The following description of the Great Plains Bancshares, Inc. 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions. John Hancock Life Insurance Company USA is the custodian of the Plan.

General

The Plan was formed on January 1, 1994, by Great Plains Bancshares, Inc. as a defined contribution plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan covers all employees of Great Plains Bancshares, Inc. and its subsidiaries (collectively, the “Company”). The purpose of the Plan is to provide retirement benefits and permit employees to systematically save a portion of their compensation and defer federal income taxes on that portion. The Plan provides for participants to self-direct investments in their individual accounts.

Contributions

Employees of the Company are eligible to become a participant in the Plan on the first payroll of each quarter of the calendar year following completion of 6 months of service and after attaining age 21. Participants may elect to contribute a percentage of their compensation, not to exceed the maximum allowed by the Internal Revenue Code (the “Code”).

The Company’s matching contributions are discretionary. Currently, the Company matches 50% of each participant’s contributions, not to exceed 12% of the participant’s annual gross salary.

Participants’ Accounts

Each participant’s account is credited with the participant’s contributions, the Company’s contributions, and allocation of (a) plan expenses and (b) plan earnings. Allocations are based on the participant’s qualified compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

Investment Options

A participant may direct their contributions and employer contributions to be invested in any of the Plan’s investment options in 1% increments. The investments represent funds offered by the custodian.

See Independent Auditors’ Report.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(1) DESCRIPTION OF THE PLAN, CONTINUED

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. The participant's interest in the matching contributions that the Company makes to the Plan becomes fully vested when the participant attains normal retirement age as defined by the Plan. Prior to normal retirement age, the participant's interest in those matching contributions becomes vested in accordance with the following table:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Distributions/Benefits

The Plan provides for benefits which are payable in a single lump sum after termination of employment with the Company if the participant retires, becomes permanently disabled, or in the event of death. When a participant retires, the lump-sum payment would be deferred unless the participant elects immediate distribution. The accounts of participants who have withdrawn from the Plan but have not received a distribution totaled \$996,462 and \$4,387,216 as of December 31, 2022 and 2021, respectively.

Forfeitures

Company contributions and earnings thereon which become forfeited as a result of any benefit payment or withdrawal provisions of the Plan may be used to reduce future Company contributions or pay plan expenses. These funds are deposited into a cash account upon forfeiture. In 2022, \$80,629 of forfeitures were used to reduce Company contributions, however, none were used to reduce plan expenses. Unused forfeiture balances were \$26,034 and \$56,947 at December 31, 2022 and 2021, respectively.

Plan Termination

Although it has not expressed any intention to do so, the Company has the right to discontinue employer contributions to the Plan at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of a complete or partial termination of the Plan, participants will become 100% vested in their accounts.

See Independent Auditors' Report.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(2) **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Administration of Plan Assets

The Plan's trustee invests the contributions received, as well as interest and dividend income, and makes distributions to participants.

Operating Expenses

Certain expenses of the Plan are paid by the Company. Fees are assessed on participant-directed transactions within the Plan and are charged to the participant's account. Other fees related to recordkeeping are allocated to participants' accounts.

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates in the Preparation of the Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties

Plan participants may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statements of net assets available for plan benefits.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(2) **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED**

Tax Status

The Plan is a pre-approved plan offered through the Plan's third-party administrator. The Plan received a letter dated March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Code. The Plan has not been amended since receiving the determination letter, and the plan administrator believes that the Plan is currently designed and is being operated in compliance with the Code. The Plan qualified under Section 401 of the Code and thus the trust is exempt from federal income taxes. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

Payment of Benefits

Benefits are recorded when paid.

Date of Management's Review of Subsequent Events

Management has evaluated subsequent events through September 14, 2023, the date which the financial statements were available to be issued. See Note 7 for a discussion of subsequent events.

(3) **COMMON/COLLECTIVE TRUST**

The common/collective trust represents investments in the Reliance Metlife Stable Value Fund. The Reliance Metlife Stable Value Fund could be invested in fully benefit-responsive group annuity and insurance contracts. At December 31, 2022 and 2021, the underlying investments of the contracts consisted of asset-backed securities, commercial paper, corporate debt, mortgage-backed securities, sovereign debt obligations, U.S. government and agency obligations, mutual funds, and other various investments. The Reliance Metlife Stable Value Fund is not considered to be fully benefit-responsive; therefore, fair value is used rather than contract value for the fund. The fair value of the common/collective trust is based on the net asset value (NAV) per unit, as a practical expedient. The NAV is based upon the value of the underlying assets owned by the account, minus its liabilities, and then divided by the number of units outstanding.

See Independent Auditors' Report.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(4) FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. In estimating fair value, the Plan utilizes valuation techniques that are consistent with the market approach, the income approach, and/or the cost approach. Such valuation techniques are consistently applied. Inputs to valuation techniques include the assumptions that market participants would use in pricing an asset or liability. Fair values may not represent actual values of assets and liabilities that could have been realized on the measurement date or that will be realized in the future. The use of different market assumptions and/or estimation methodologies may have a material effect on the estimated fair value amounts.

Accounting Standards Codification Topic 820, "Fair Value Measurement," establishes a fair value hierarchy for valuation inputs that gives the highest priority to quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The fair value hierarchy is as follows:

- Level 1 inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.
- Level 2 inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset and liability, either directly or indirectly, for substantially the full term of the asset or liability.
- Level 3 inputs consist of unobservable inputs which are used when observable inputs are unavailable and reflect an entity's own assumptions about the assumptions that market participants would use in pricing the assets or liabilities.

The Plan uses appropriate valuation methods based on the available inputs to measure the fair value of its assets and liabilities.

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for plan benefits, as well as the general classification of such assets pursuant to the valuation hierarchy.

Pooled Separate Accounts and Common/Collective Trust

Investments represented by a unit of account whose per unit value is the result of the accumulated values of the underlying investments. The underlying investments are public investment vehicles valued using NAV per share, as a practical expedient. The NAV is based upon the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The NAVs of the underlying investments are quoted in an active market.

(5) **TRANSACTIONS WITH PARTIES-IN-INTEREST**

Certain plan investments are managed by the Plan's custodian and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are shown as administrative expenses.

As noted previously, forfeitures may be used to pay plan expenses. During both 2022 and 2021, no third-party administration fees were paid using forfeitures.

(6) **INFORMATION CERTIFIED BY PLAN CUSTODIAN**

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the following data included in the accompanying financial statements and supplemental schedule is complete and accurate as certified by the custodian.

- Investments as shown in the statements of net assets available for plan benefits as of December 31, 2022 and 2021.
- Investment activity (net depreciation in fair value of investments) as shown in the statement of changes in net assets available for plan benefits for the year ended December 31, 2022.
- Schedule H, line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2022, as shown on the supplemental schedule.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and the supplemental schedule.

(7) **SUBSEQUENT EVENTS**

Effective January 1, 2023, the Plan switched its third-party administrator from Retirement, LLC to Tristar Pension Consulting.

INDEPENDENT AUDITORS' REPORT

Board of Directors, Plan Trustees, and
Plan Administrator
Great Plains Bancshares, Inc.
401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Great Plains Bancshares, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from John Hancock Life Insurance Company USA, a qualified institution, as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT, CONTINUED

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(Continued)

INDEPENDENT AUDITORS' REPORT, CONTINUED

Auditors' Responsibilities for the Audit of the Financial Statements, Continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITORS' REPORT, CONTINUED

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GREAT PLAINS BANCSHARES, INC.
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

(1) DESCRIPTION OF THE PLAN

The following description of the Great Plains Bancshares, Inc. 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions. John Hancock Life Insurance Company USA is the custodian of the Plan.

General

The Plan was formed on January 1, 1994, by Great Plains Bancshares, Inc. as a defined contribution plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan covers all employees of Great Plains Bancshares, Inc. and its subsidiaries (collectively, the “Company”). The purpose of the Plan is to provide retirement benefits and permit employees to systematically save a portion of their compensation and defer federal income taxes on that portion. The Plan provides for participants to self-direct investments in their individual accounts.

Contributions

Employees of the Company are eligible to become a participant in the Plan on the first payroll of each quarter of the calendar year following completion of 6 months of service and after attaining age 21. Participants may elect to contribute a percentage of their compensation, not to exceed the maximum allowed by the Internal Revenue Code (the “Code”).

The Company’s matching contributions are discretionary. Currently, the Company matches 50% of each participant’s contributions, not to exceed 12% of the participant’s annual gross salary.

Participants’ Accounts

Each participant’s account is credited with the participant’s contributions, the Company’s contributions, and allocation of (a) plan expenses and (b) plan earnings. Allocations are based on the participant’s qualified compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

Investment Options

A participant may direct their contributions and employer contributions to be invested in any of the Plan’s investment options in 1% increments. The investments represent funds offered by the custodian.

See Independent Auditors’ Report.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(1) DESCRIPTION OF THE PLAN, CONTINUED

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. The participant's interest in the matching contributions that the Company makes to the Plan becomes fully vested when the participant attains normal retirement age as defined by the Plan. Prior to normal retirement age, the participant's interest in those matching contributions becomes vested in accordance with the following table:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Distributions/Benefits

The Plan provides for benefits which are payable in a single lump sum after termination of employment with the Company if the participant retires, becomes permanently disabled, or in the event of death. When a participant retires, the lump-sum payment would be deferred unless the participant elects immediate distribution. The accounts of participants who have withdrawn from the Plan but have not received a distribution totaled \$996,462 and \$4,387,216 as of December 31, 2022 and 2021, respectively.

Forfeitures

Company contributions and earnings thereon which become forfeited as a result of any benefit payment or withdrawal provisions of the Plan may be used to reduce future Company contributions or pay plan expenses. These funds are deposited into a cash account upon forfeiture. In 2022, \$80,629 of forfeitures were used to reduce Company contributions, however, none were used to reduce plan expenses. Unused forfeiture balances were \$26,034 and \$56,947 at December 31, 2022 and 2021, respectively.

Plan Termination

Although it has not expressed any intention to do so, the Company has the right to discontinue employer contributions to the Plan at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of a complete or partial termination of the Plan, participants will become 100% vested in their accounts.

See Independent Auditors' Report.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Administration of Plan Assets

The Plan's trustee invests the contributions received, as well as interest and dividend income, and makes distributions to participants.

Operating Expenses

Certain expenses of the Plan are paid by the Company. Fees are assessed on participant-directed transactions within the Plan and are charged to the participant's account. Other fees related to recordkeeping are allocated to participants' accounts.

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates in the Preparation of the Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties

Plan participants may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statements of net assets available for plan benefits.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(2) **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED**

Tax Status

The Plan is a pre-approved plan offered through the Plan's third-party administrator. The Plan received a letter dated March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Code. The Plan has not been amended since receiving the determination letter, and the plan administrator believes that the Plan is currently designed and is being operated in compliance with the Code. The Plan qualified under Section 401 of the Code and thus the trust is exempt from federal income taxes. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

Payment of Benefits

Benefits are recorded when paid.

Date of Management's Review of Subsequent Events

Management has evaluated subsequent events through September 14, 2023, the date which the financial statements were available to be issued. See Note 7 for a discussion of subsequent events.

(3) **COMMON/COLLECTIVE TRUST**

The common/collective trust represents investments in the Reliance Metlife Stable Value Fund. The Reliance Metlife Stable Value Fund could be invested in fully benefit-responsive group annuity and insurance contracts. At December 31, 2022 and 2021, the underlying investments of the contracts consisted of asset-backed securities, commercial paper, corporate debt, mortgage-backed securities, sovereign debt obligations, U.S. government and agency obligations, mutual funds, and other various investments. The Reliance Metlife Stable Value Fund is not considered to be fully benefit-responsive; therefore, fair value is used rather than contract value for the fund. The fair value of the common/collective trust is based on the net asset value (NAV) per unit, as a practical expedient. The NAV is based upon the value of the underlying assets owned by the account, minus its liabilities, and then divided by the number of units outstanding.

See Independent Auditors' Report.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(4) FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. In estimating fair value, the Plan utilizes valuation techniques that are consistent with the market approach, the income approach, and/or the cost approach. Such valuation techniques are consistently applied. Inputs to valuation techniques include the assumptions that market participants would use in pricing an asset or liability. Fair values may not represent actual values of assets and liabilities that could have been realized on the measurement date or that will be realized in the future. The use of different market assumptions and/or estimation methodologies may have a material effect on the estimated fair value amounts.

Accounting Standards Codification Topic 820, "Fair Value Measurement," establishes a fair value hierarchy for valuation inputs that gives the highest priority to quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The fair value hierarchy is as follows:

- Level 1 inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.
- Level 2 inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset and liability, either directly or indirectly, for substantially the full term of the asset or liability.
- Level 3 inputs consist of unobservable inputs which are used when observable inputs are unavailable and reflect an entity's own assumptions about the assumptions that market participants would use in pricing the assets or liabilities.

The Plan uses appropriate valuation methods based on the available inputs to measure the fair value of its assets and liabilities.

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for plan benefits, as well as the general classification of such assets pursuant to the valuation hierarchy.

Pooled Separate Accounts and Common/Collective Trust

Investments represented by a unit of account whose per unit value is the result of the accumulated values of the underlying investments. The underlying investments are public investment vehicles valued using NAV per share, as a practical expedient. The NAV is based upon the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The NAVs of the underlying investments are quoted in an active market.

See Independent Auditors' Report.

(5) **TRANSACTIONS WITH PARTIES-IN-INTEREST**

Certain plan investments are managed by the Plan's custodian and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are shown as administrative expenses.

As noted previously, forfeitures may be used to pay plan expenses. During both 2022 and 2021, no third-party administration fees were paid using forfeitures.

(6) **INFORMATION CERTIFIED BY PLAN CUSTODIAN**

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the following data included in the accompanying financial statements and supplemental schedule is complete and accurate as certified by the custodian.

- Investments as shown in the statements of net assets available for plan benefits as of December 31, 2022 and 2021.
- Investment activity (net depreciation in fair value of investments) as shown in the statement of changes in net assets available for plan benefits for the year ended December 31, 2022.
- Schedule H, line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2022, as shown on the supplemental schedule.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and the supplemental schedule.

(7) **SUBSEQUENT EVENTS**

Effective January 1, 2023, the Plan switched its third-party administrator from Retirement, LLC to Tristar Pension Consulting.
