REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Benefit Plans Committee
Gannett Media Corp. 401(k) Savings Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit for the 2022 financial statements

We have performed an audit of the financial statements of Gannett Media Corp. 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2022 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 financial statements

In our opinion, based on our audit and on the procedures performed as described in the auditor's responsibilities for the audit of the 2022 financial statements section

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2022 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the 2022 financial statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2022 financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2022 financial statements

Except as described in the Scope and nature of the ERISA Section 103(a)(3)(C) audit of the 2022 financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

2022 supplemental schedules required by ERISA

The supplemental schedules of delinquent participant contributions for the year ended December 31, 2022 and assets (held at end of year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2022 supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2022 financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2022 financial statements or to the 2022 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the 2022 supplemental schedules that agreed to or is derived from the certified investment

information, we compared such information to the related certified investment information.

In forming our opinion on the 2022 supplemental schedules, we evaluated whether the 2022 supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the 2022 supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2022 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's report on the 2021 financial statements

The 2021 financial statements of the Plan as of December 31, 2021, and for the year then ended (not presented herein), were audited by other auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated June 3, 2022, indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedules, other than the information in the 2021 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

General

The following description of the Gannett Media Corp. 401(k) Savings Plan (the "Plan") provides only general information about the Plan's provisions. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan sponsored by Gannett Media Corp. and subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

Generally, regular eligible full-time, part-time and temporary U.S. employees of a participating affiliate on Gannett Media Corp. payroll are eligible to participate in the Plan immediately. Participation will begin as soon as administratively practicable after enrollment in the Plan. Employees covered under collective bargaining agreements are eligible to participate in the Plan only if participation has been bargained.

Administration of Plan Assets

The assets of the Plan are held under a trust agreement with Fidelity Management Trust Company (the "Trustee") and Fidelity Workplace Services LLC ("Fidelity") serves as the record-keeper of the Plan and the broker/dealer of assets held in the brokerage window. The Gannett Benefit Plans Committee serves as the Plan administrator.

Contributions

A participant may generally contribute, on a pre-tax basis and/or as a Roth elective deferral, any whole percentage amount, up to 75 percent of compensation for a payroll period. Additionally, an eligible participant who has attained age 50 before the end of the plan year shall be eligible to make catch-up contributions. Participant contributions are subject to Internal Revenue Service ("IRS") limitations. Participants may also contribute amounts representing distributions from other qualified plans and certain individual retirement accounts (rollovers).

All employer contributions shall be made in cash. Company matching contributions to the Plan, with the exception of contributions for certain employees covered under collective bargaining agreements, were suspended in October 2022 and have not resumed. Company nonelective contributions are made only if required by a collective bargaining agreement.

Generally, participants are 100% vested in Company matching contributions made for 2021 and 2022 through the date the match was suspended in October 2022. Participants are also 100% vested in Company safe harbor matching contributions made between January 1, 2019 and when the match was suspended in August 2020. Special vesting rules may apply to union groups.

Forfeitures

The non-vested portion of a participant's account is forfeited when certain terminations described in the Plan document occur. Forfeitures remain in the Plan and are used to reduce the Company's contributions to the Plan. As of December 31, 2022 and 2021, there were \$0.2 million and \$0.7 million, of forfeitures included in the Plan assets, respectively. As permitted by the Plan, for the years ended December 31, 2022 and 2021, \$1.2 million and \$1.1 million of forfeitures were applied to offset employer contributions, respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution, the employer's contribution (if any) and the respective investment earnings or losses, less expenses, of the individual funds in which the account is invested. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account as described under Contributions above.

Notes Receivable from Participants

Under the terms of the Plan, participants generally may borrow from their accounts up to 50 percent of their vested account balance, with a minimum loan of \$1,000, up to a maximum of \$50,000. Participants may not have more than one loan from the Plan outstanding at any time. The loans are secured by the balance in the participants' accounts, and generally bear interest at the prime rate plus 1%. The term of a general purpose loan may not exceed five years and a loan for a primary residence may exceed 5 years. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Payment of Benefits

Upon termination of employment (including but not limited to termination by reason of retirement, disability or death), participants or their beneficiaries are generally eligible to receive their benefits in a lump sum, partial payments or installments. Active employees may take withdrawals of all or part of their vested account balances upon attainment of age 59½, from specified accounts in the event of certain absences on military leave, and from after-tax or rollover accounts at any time. Limited hardship withdrawals are also available from certain accounts for active employees.

Plan Termination

Although the Company has not expressed any intent to amend, suspend, or terminate the Plan, it may do so at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts and Plan assets will be distributed in accordance with the Internal Revenue Code ("IRC") and ERISA.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting and in accordance with U.S. generally accepted accounting principles ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Risks and Uncertainties

The Plan invests in various investment securities which are exposed to various risks, such as interest rate risk, market risk and credit risk, as well as valuation assumptions based on earnings, cash flows, and/or other such techniques. Due to the level of risk associated with certain investment securities and to uncertainties inherent in the estimations and assumptions process, it is at least

reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Investment Valuation and Income Recognition

Investments are reported at fair value or contract value, depending on the relevant accounting guidance.

Fair value is the price that would have been received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement dates, December 31, 2022 and December 31, 2021. See Note 6 - Fair Value Measurements for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividend income is accrued on the ex-dividend date. Interest income on Plan investments is accrued when earned. Net appreciation or depreciation in the fair value of investments consists of the gains or losses on investments bought and sold as well as held during the year.

Administrative Expenses

Generally, administrative expenses are paid by participants.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 – INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including the schedule of assets (held at end of year), investments at fair value and notes receivable from participants at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest, dividends, and interest income on notes receivable from participants for the year ended December 31, 2022 was obtained or derived from information provided to the Plan administrator. The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee of the Plan has certified that the information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules are complete and accurate.

NOTE 4 - TAX STATUS

The Plan has received a determination letter from the Internal Revenue Service ("IRS") dated May 19, 2022, stating that the Plan is qualified under Section 401(a) of the IRC and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualified status. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt as of December 31, 2022.

U.S. GAAP requires the evaluation of uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - RELATED PARTIES

The Plan makes certain investments which are considered to be party-in-interest transactions for which a statutory exemption from the prohibited transaction regulation exists. The Plan owns investments sponsored by the Trustee and record-keeper, Fidelity. In addition, notes receivable from participants are considered to be party-in-interest transactions for which a statutory exemption from the prohibited transaction regulation exists.

NOTE 6 – FAIR VALUE MEASUREMENTS

The Plan measures and records certain assets and liabilities at fair value. A fair value measurement is determined based on market assumptions that a market participant would use in pricing an asset or liability. A three-tiered hierarchy draws distinctions between market participant assumptions based on (i) observable inputs such as quoted prices in active markets (Level 1), (ii) inputs other than quoted active markets that are observable either directly or indirectly (Level 2) and (iii) unobservable inputs that require use of our own estimates and assumptions through present value and other valuation techniques in determination of fair value (Level 3).

Below is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective funds: Consist of commingled investments that are valued using net asset values ("NAV") provided by the administrator of the underlying fund available daily to participants; the unit price is based on underlying investments which are traded on an active market. Investment transactions may occur daily and investments are redeemable at any time.

Self-directed brokerage accounts: Consist of actively traded mutual funds, which are valued using unadjusted quoted prices for identical assets from publicly available pricing sources. Also consist of individual equities and bonds that are not issued by Gannett Co. Inc.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Level 1	Level 2	Total
Mutual funds	\$ 302,368,633	\$ —	\$ 302,368,633
Common collective funds	1,121,067,958	—	1,121,067,958
Self-directed brokerage accounts	17,527,741	—	17,527,741
Total assets at fair value	\$ 1,440,964,332	\$ —	\$ 1,440,964,332

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1	Level 2	Total
Mutual funds	\$ 369,751,582	\$ —	\$ 369,751,582
Common collective funds ^(a)	1,428,603,002	—	1,428,603,002
Self-directed brokerage accounts	22,609,758	—	22,609,758
Total assets at fair value	\$ 1,820,964,342	\$ —	\$ 1,820,964,342

^(a) The 2021 financial statements previously reported target date funds separately from common collective funds. Plan management has determined that these funds are considered common collective funds. Accordingly, Plan management has categorized target date fund investments as common collective funds for 2021.

NOTE 7 - GENERAL LITIGATION

On March 23, 2018, a putative class action lawsuit was filed in the United States District Court for the Eastern District of Virginia ("the District Court") against Gannett Co., Inc. and the Gannett Benefit Plans Committee (collectively "Defendants"), alleging Defendants breached their fiduciary duties of prudence and diversification of plan assets under ERISA by failing to promptly force the participants in the Gannett Co. Inc. 401(k) Savings Plan to divest their stock in TEGNA, Inc., a former affiliate, in the wake of a corporate spin-off ("the Complaint"). Defendants moved to dismiss the Complaint, which motion was granted by the District Court. While the motion to dismiss was pending, the parties completed fact discovery and began expert discovery. The plaintiff appealed the District Court's dismissal of the Complaint. On August 11, 2020, the Fourth Circuit Court of Appeals ("the Fourth Circuit"), in a 2-1 decision, reversed the order of the District Court dismissing the Complaint. The Fourth Circuit subsequently granted a motion to stay its mandate pending Defendants' petition for a writ of certiorari, which Defendants filed in the U.S. Supreme Court on October 30, 2020. The petition for certiorari was denied and the case returned to the District Court. The parties then completed expert discovery, Defendants' motion for summary judgment was denied, and Plaintiff's motion for class certification was granted. The case was tried before United States District Judge Anthony Trenga from April 25, 2023 through April 27, 2023. The parties are preparing Proposed Findings of Fact and Conclusions of Law and, while the timing is uncertain, the District Court's verdict is expected in August or September 2023. In the opinion of management, such matter is not expected to have a material effect upon the financial position of the Plan.

NOTE 8 - SUBSEQUENT EVENTS

Plan management evaluated events subsequent to December 31, 2022 through June 9, 2023, the date on which financial statements were available to be issued. Plan management is not aware of any other subsequent events that would require recognition or disclosure in the accompanying financial statements.
