INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of
Mayesh Wholesale Florist, Inc. 401(k) Plan
Van Nuys, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Mayesh Wholesale Florist, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to Section 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with Section 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MAYESH WHOLESALE FLORIST, INC. 401(K) PLAN

Notes to Financial Statements
December 31, 2022 and 2021

NOTE 1. PLAN DESCRIPTION

The following description of the Mayesh Wholesale Florist, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all employees of Mayesh Wholesale Florist, Inc. (the Company), except for those covered by collective bargaining agreements and non-resident aliens. An employee is eligible for participation in the Plan upon completion of one year of service and attainment of age 21. Plan entry dates are January 1st and July 1st.

The Plan was adopted on January 1, 1997, as a defined contribution plan and is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participant Accounts and Contributions: Participants may contribute a portion of their annual compensation, as defined in the Plan, as pre-tax and/or Roth contributions. Total participant contributions are subject to annual limits under the IRC. The maximum participant deferral limit was \$20,500 for the year ended December 31, 2022. Catch-up contributions of \$6,500 were available to participants who had attained age 50 or older by December 31, 2022 and had not exceeded the contribution limit for the Plan year. The Plan allows rollover contributions.

The Plan includes a Safe Harbor provision. For the year ended December 31, 2022, the Company elected to make Safe Harbor contributions equal to 100% of participant deferrals, not exceeding 4% of the participant's compensation. Safe Harbor contributions amounted to \$368,604 for the year ended December 31, 2022. No forfeitures were used to reduce contributions.

The Plan provides for the Company to make discretionary matching contributions up to 6% of participant compensation. The Company did not make any discretionary matching contributions for the year ended December 31, 2022.

Each participant's account is credited or charged with the participant's contribution, allocations of the Company safe harbor and discretionary matching contributions, and investment earnings (losses) and is charged with an allocation of administrative expenses.

Vesting: Participants are immediately vested in their voluntary contributions and Safe Harbor contributions plus actual earnings thereon. Vesting in Company discretionary matching contributions is based on years of continuous service as follows:

Years of Service	Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

MAYESH WHOLESALE FLORIST, INC. 401(K) PLAN

Notes to Financial Statements
December 31, 2022 and 2021

NOTE 1. PLAN DESCRIPTION (Continued)

Vesting (continued): Notwithstanding the above, if a participant (1) attains the age of 65, (2) dies, or (3) terminates employment by reason of permanent disability, the Company discretionary matching amounts become 100% vested without regard to years of service.

Benefit Payments: Upon retirement, death, disability or other termination of employment, a participant or beneficiary is entitled to receive a lump-sum amount equal to the value of the participant's vested interest in his or her own account. Account balances of \$1,000 or less can be distributed whether or not requested.

In-service distributions are allowed when a participant either attains age 59-1/2 or experiences a financial hardship as defined by the IRC. Such withdrawals are subject to applicable excise and income taxes and may only be made with the approval of the Plan Administrator.

Plan Termination: Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the Employee Retirement Income Security Act of 1974. In the event of Plan termination, participants will become 100% vested in their accounts.

Notes Receivable from Participants: Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of the participant's vested balance. Two loans may be outstanding at any time for each participant. The notes receivable from participants are secured by the vested balance in the participant's account and bear interest at a rate ranging between 5.25% to 9.00%, as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions or participant's own personal funds over a term not to exceed five years or extend beyond the participant's normal retirement, except notes receivable used to purchase or improve the participant's primary residence, which generally have a repayment term of up to 15 years but could in some cases extend up to 25 years.

Forfeitures: Terminated participants' unvested Company contributions, if any, would be retained in the Plan as forfeitures and may be used to pay administrative expenses or to reduce Company contributions. Forfeitures available as of December 31, 2022 amounted to approximately \$5,700.

Administrative Expenses: The Company incurs certain expenses in administering the Plan relating to investment advisory, audit, and recordkeeping services, which may or may not be passed on as expenses of the Plan.

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan have been prepared using the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

MAYESH WHOLESALE FLORIST, INC. 401(K) PLAN

Notes to Financial Statements
December 31, 2022 and 2021

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Valuation of Investments and Income (Loss) Recognition: The Plan's investments are stated at fair value. Investments in shares of registered investment companies (mutual funds) are valued at quoted market prices, which represent the net asset value of the shares held at year end. Money market funds are stated at their carrying values, which approximate fair values.

Realized and unrealized appreciation (depreciation) is based on the market value of the assets at the end of the Plan year compared to the market value of the assets at the beginning of the Plan year, or at the time the assets are purchased/exchanged during the Plan year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance, plus accrued but unpaid interest at the end of the period.

Benefit Payments: Benefits are recorded when paid.

NOTE 3. CERTIFIED INFORMATION

The Plan Administrator has elected the method of compliance permitted by Section 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the financial information included in the Plan's financial statements as it relates to investment assets, investment transactions, investment income (loss), notes receivable from participants, and the schedule of assets held at end of year have been derived from information certified as complete and accurate by Capital Bank and Trust Company, the Plan trustee and custodian, in accordance with Section 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 4. INCOME TAX STATUS

The Company has adopted a non-standardized prototype plan that has received a favorable opinion letter dated June 30, 2020, from the Internal Revenue Service (IRS), which stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan Administrator believes that the Plan is currently designed and is being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by applicable taxing authorities. The Plan Administrator has analyzed tax positions taken by the Plan and concluded that, as of December 31, 2022, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or that would require disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions. However, currently no audits for any tax periods are in progress. The Plan Administrator believes that the Plan is no longer subject to income tax examinations for years prior to December 31, 2019.

NOTE 5. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are invested in a money market fund and shares of mutual funds managed by Capital Research and Management Company, an affiliate of Capital Bank and Trust. Therefore, these transactions qualify as party-in-interest transactions as defined under ERISA. Fees totaling \$3,387 for the year ended December 31, 2022, were paid to Capital Bank and Trust.

NOTE 6. RISKS AND UNCERTAINTIES

The Plan invests in various investment funds which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7. FAIR VALUE MEASUREMENTS

Fair value is determined based on assumptions that a market participant would use in pricing an asset or liability. Measurements of fair value are classified within a hierarchy based upon valuation inputs that gives the highest priority to quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The three levels of the fair value hierarchy are as follows:

- Level 1* Observable quoted prices in active markets for identical assets and liabilities.
- Level 2* Observable quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market.
- Level 3* Model-based techniques that use at least one significant assumption not observable in the market. These unobservable assumptions reflect estimates of assumptions that market participants would use in pricing the asset or liability. Valuation techniques include use of option pricing models, discounted cash flow models and similar techniques.

The following methods and assumptions were used to estimate the fair value of each class of assets that are measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

Money Market Funds: The carrying value approximates fair value.

Mutual Funds: Valued using quoted market prices which represent the net assets value of shares held by the Plan at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.
