Kamco Supply Corporation of New England Retirement Plan
Kamco Supply Corporation of New England
2 Barnes Industrial Road South
Wallingford, CT 06492

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Kamco Supply Corporation of New England Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with U.S. generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Kamco Supply Corporation of New England Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Kamco Supply Corporation of New England Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion,

forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Kamco Supply Corporation of New England Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kamco Supply Corporation of New England Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. generally accepted accounting principles.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of

Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KAMCO SUPPLY CORPORATION OF NEW ENGLAND
RETIREMENT PLAN
NOTES to FINANCIAL STATEMENTS
December 31, 2022 and 2021

1 - Plan Description

The following description provides only general information for the Kamco Supply Corporation of New England ("Company") Retirement Plan (the Plan) adopted as of January 1, 1985. The Plan was last restated and amended effective March 24, 2022. Participants should refer to the Plan agreement for a more complete description on the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the Company who have three months of service and are age eighteen or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute to the Plan on a pre-tax basis and/or after tax (designated Roth contribution) up to 100% of annual compensation, limited to an annual maximum as set by the Internal Revenue Service, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions, company matching contributions, and any additional discretionary company contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, a collective investment trust and a money market fund as investment options for participants. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their initial deferral rate set at 3% of eligible compensation and their contributions invested in a designated balance fund until changed by the participant. The elective deferral contribution for employees is automatically increased each July 1st by 1% up to a maximum automatic elective deferral contribution of 10%. The Company contributes 100% of the first 1% deferred, plus 50% on the next 5% deferred of base compensation that a participant contributes to the Plan. Additional profit sharing amounts may be contributed at the option of the Company's board of directors. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, employer contributions, participant expenses, and the Plan's earnings (losses). Allocations are based on participant earnings, account balances, or specific transactions as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's contributions portion of their accounts plus earnings thereon is based on years of continuous service. A participant is 50% vested after one year of credited service and 100% vested after two years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts, in accordance with Plan provisions, a minimum of \$1,000 up to a maximum of equal to the lesser of \$50,000 or 50 percent of their account balance. These loans are secured by the balance in the participant's account and bear interest at the prime rate on the date of the promissory note. Interest rates ranged from 3.25% to 5.50% in 2022 and 2021. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Benefits are payable upon separation of service, retirement, disability, death or attainment of age 59½. A participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or installments. Benefit payments shall be distributed or must begin to be distributed no later than April 1st of the calendar year following the later of: (1) calendar year in which the participant reaches age 72 and (2) the calendar year in which the participant retires. Participants working beyond age of 72 may elect to defer their required distribution until retirement.

Withdrawals

The Plan allows for hardship withdrawals in accordance with the Internal Revenue Service regulations as specified within the Plan.

Forfeited Accounts

Forfeitures of participants' nonvested accounts for a plan year are available to be applied to reduce the Company's future matching contributions and plan expenses in accordance with plan documents. The value of these accounts for the years ended December 31, 2022 and 2021 were \$58,567 and \$31,966, respectively. There were no amounts of forfeitures applied to reduce employer contributions for the years ended December 31, 2022 or 2021.

2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by Fidelity Management Trust Company ("Fidelity").

Registered investment companies (mutual funds) are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end. Units of collective investment trusts are valued at net asset value at year-end; net asset value is used as a practical expedient to estimate fair value. Interest bearing cash (money market fund) is valued at quoted market prices.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in participant expenses when incurred. No allowances for credit losses have been recorded as of December 31, 2022 or 2021. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Participant Expenses

Participant expenses represent certain distribution fees, participant loan processing fees and overnight mailing fees when applicable. Distribution, participant loan and overnight mailing fees are incurred and paid by participants that have a certain distribution or loan that charges processing fees. Certain administrative functions are performed by officers or employees of the Company related to legal, accounting, and general administration. No such officer or employee receives compensation from the Plan. Other administrative expenses such as certain recordkeeping and trustee fees are paid directly by the Company and are excluded from these

financial statements. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments. Fees related to certain administrative expenses are paid directly from the Plan's revenue sharing agreement as described in Note 5.

Subsequent Events

Management has evaluated subsequent events through September 27, 2023 the date on which the financial statements were available to be issued.

3 - Plan Administration

The Plan Trustee is Fidelity Management Trust Company, acting under a trust agreement effective March 24, 2022. The sole purpose of the Trust is to receive contributions from participants and the Plan Sponsor and, together with the income thereon, hold and administer the funds to provide retirement benefits pursuant to the participants' authorizations.

4 - Information Certified by Fidelity

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity.

5 - Related Party Transactions and Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds managed by Fidelity. Fidelity is also the investment trustee, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions.

UBS Financial Services, Inc. provides investment advisory services, thereby qualifying as a party-in-interest as defined in Section 406 of ERISA. The Plan does not make any direct payments to UBS Financial Services, Inc.

The Plan has a revenue sharing agreement with Fidelity. The Plan received revenue sharing credits from Fidelity in the amount of \$59,734 for the year ended December 31, 2022 which is shown as other income in the accompanying financial statements. The revenue sharing credit was allocated to eligible participant accounts pro rata based on the ratio of each participant's average daily balance in a fund during the quarter to the total average daily balances for all eligible participants in such fund during the quarter.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

6 - Tax Status

The Plan has obtained a determination letter dated June 30, 2020 from the Internal Revenue Service stating that the prototype plan adopted by the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore, the Plan qualifies under Section 401(a) and the related trust is tax exempt under Section 501(a). As of December 31, 2022 and 2021, the plan administrator believes there are no uncertain tax positions taken by the Plan and therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

7 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan agreement, to amend any or all provisions of the Plan, as well as to discontinue contributions and terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts, and the net assets of the Plan must be allocated among the participants and beneficiaries of the Plan in the order provided for by ERISA.

8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

9 - Fair Value Measurements

The Plan utilizes the market approach as the valuation technique used to measure fair value of its financial instruments. U.S. generally accepted accounting principles establishes a fair value hierarchy which prioritizes the inputs to valuation techniques used to measure fair value of financial instruments into three levels:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities where the organization has the ability to access at the measurement date;

Level 2 - Significant other observable inputs other than quoted prices included in Level 1, which are observable for the asset or liability, either directly or indirectly (i.e. quoted prices in inactive markets, broker or dealer quotations, or alternative pricing sources with reasonable levels of price transparency). If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability;

Level 3 - Unobservable inputs are used to the extent that observable inputs are unavailable due to little, if any, market activity for the asset or liability. Unobservable inputs are developed based on the best information available, which might include the organization's own data that reflects assumptions that market participants would use in pricing the asset or liability.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Investments that are measured at fair value that utilize a net asset value per share (or its equivalent) practical expedient are not categorized within the fair value hierarchy. Investments measured at net asset value per share (or its equivalent) are presented in the following fair value hierarchy table to permit a reconciliation of the fair value hierarchy to the amount presented in the Statement of Net Assets Available for Benefits.

Assets measured at fair value on a recurring basis at December 31, 2022 are as follows:

Description	Total Fair Market Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Investments Measured at Net Asset Value
Interest bearing cash - money market fund	\$ 814,797	\$ 814,797	\$ -	\$ -	\$ -
Collective investment trust	706,956	-	-	-	706,956
Registered investment companies - mutual funds	<u>20,785,861</u>	<u>20,785,861</u>	<u>-</u>	<u>-</u>	<u>-</u>
Total	<u>\$ 22,307,614</u>	<u>\$ 21,600,658</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 706,956</u>

Assets measured at fair value on a recurring basis at December 31, 2021 are as follows:

Description	Total Fair Market Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Investments Measured at Net Asset Value
Interest bearing cash - money market fund	\$ 652,787	\$ 652,787	\$ -	\$ -	\$ -
Collective investment trust	889,724	-	-	-	889,724
Registered investment companies - mutual funds	<u>24,966,915</u>	<u>24,966,915</u>	<u>-</u>	<u>-</u>	<u>-</u>
Total	<u>\$ 26,509,426</u>	<u>\$ 25,619,702</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 889,724</u>

Investments in the collective investment trust provide for daily liquidity and have no participant redemption features or other restrictions; the redemption notice period is applicable only to the Plan. There were no unfunded investment commitments at December 31, 2022 and 2021.

The Plan's policy is to recognize transfers in and transfers out of each level as of the actual date of the event or change in circumstances that caused the transfer.

10 - Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021 to the amount reported on Schedule H of Form 5500:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits - financial statements	\$ 22,835,476	\$ 26,983,656
Participant notes receivable deemed to be distributed	<u>(1,240)</u>	<u>(1,240)</u>
