## INDEPENDENT AUDITORS' REPORT

TO THE BOARD OF TRUSTEES OF  
The Glenridge on Palmer Ranch 401(k) Plan  
Sarasota, Florida

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of The Glenridge on Palmer Ranch 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Glenridge on Palmer Ranch 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Glenridge on Palmer Ranch 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Glenridge on Palmer Ranch 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

The Glenridge on Palmer Ranch 401(k) Plan

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Glenridge on Palmer Ranch 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Glenridge on Palmer Ranch 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedules of assets (held at end of year) and delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Plan is a defined contribution plan under section 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants may elect to contribute to the Plan up to 90% of their pretax annual compensation, as defined by the Plan, subject to the limits of the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company makes matching contributions equal to 50% of the first 4% of compensation that a participant contributes to the Plan. The Company may also make discretionary non-elective (profit-sharing) contributions to the Plan. For the years ended December 31, 2022 and 2021, the Company did not make any discretionary profit-sharing contributions. Participants direct the investment of their employer matching and discretionary profit-sharing contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's discretionary profit-sharing contributions, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participants' vested account.

Vesting

Participants are immediately vested in their contributions, including actual earnings thereon. Participants are also immediately vested in any corrective qualified nonelective employer contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary profit-sharing contribution portion of their accounts plus earnings thereon is based on the following vesting schedule:

| <u>Years of<br/>Employment</u> | <u>Vested<br/>Percentage</u> |
|--------------------------------|------------------------------|
| 0-1                            | 0%                           |

| 4                              | 60%                          |
| 5                              | 80%                          |
| 6                              | 100%                         |

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of one-half of their vested account balance or \$50,000 reduced by the highest outstanding loan balance in their account during the prior twelve-month period. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest as determined by the Plan administrator based on prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Participants, or their beneficiaries, may receive the vested interest of their Plan account through a distribution of benefits upon death, disability, termination of employment, retirement, or a qualifying withdrawal. Hardship withdrawals from the participants' account balance are permitted by the Plan. A participant may request an in-service withdrawal equal to the vested interest in their account if the participant has attained age 59 ½. Distributions greater than \$1,000 and less than \$5,000 are required to be rolled into an individual retirement account unless the participant elects otherwise. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

#### NOTE A - DESCRIPTION OF PLAN (CONTINUED)

##### Forfeited Accounts

Forfeited amounts from a terminated participant do not become available to the Company until the terminated participant requests a distribution of his or her account. These accounts are used to pay administrative expenses and to reduce employer contributions. Forfeitures in the amount of \$711 and \$1,750 were used to pay administrative expenses for the years ended December 31, 2022 and 2021. Forfeitures in the amount of \$7,923 were used to pay employer contributions for the year ended December 31, 2022. No forfeitures were used to pay employer contributions for the year ended December 31, 2021. The forfeited non-vested accounts totaled \$1,381 and \$8,380 at December 31, 2022 and 2021, respectively.

#### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

##### Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

##### Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

##### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

##### Payment of Benefits

Benefits are recorded when paid.

## THE GLENRIDGE ON PALMER RANCH 401 (k) PLAN

### NOTES TO FINANCIAL STATEMENTS

#### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

##### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

##### Administrative Expenses

Included in administrative expenses are amounts paid by participants for processing loans, administrative fees, and investment management fees. To the extent expenses of administering the Plan are not paid by the Plan, the expenses are paid by the Company, and therefore, are not included in the accompanying financial statements.

#### NOTE C - FAIR VALUE MEASUREMENTS

The *Fair Value Measurements* topic of the Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC)* establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

## NOTES TO FINANCIAL STATEMENTS

### NOTE C - FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

*Mutual Funds and Money Market Fund:* Valued at the daily closing price as reported by the fund. Mutual funds and the money market fund held by the Plan are open-ended funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds and the money market fund held by the Plan are deemed to be actively traded.

*Stable Value Fund:* Units of participation in the stable value fund are valued at the net asset value ("NAV") provided by the funds' trustee as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the funds less its liabilities. The unit price of the investment is quoted on a private market that is not active; however, the unit price is based on underlying investments which are based on observable inputs. This practical expedient would not be used when it is determined to be probable that the funds will sell the investments for an amount different than the reported NAV. The stable value fund consists of The Wells Fargo Stable Value Fund M which is 100% invested in the Wells Fargo Stable Return Fund G. The fund's underlying fixed income strategy is managed in a conservative style that utilizes a disciplined value investing process to build a high-quality portfolio with broad diversification and an emphasis on risk control. Participant transactions (purchases and sales) may occur daily. The Plan can redeem this investment daily. There are currently no redemption restrictions on this investment. The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

## THE GLENRIDGE ON PALMER RANCH 401 (k) PLAN

### NOTES TO FINANCIAL STATEMENTS

#### NOTE E - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are investments managed by Charles Schwab Corporation, the trustee of the Plan. Certain administration costs paid to the trustee are considered party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

#### NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

#### NOTE G - INTERNAL REVENUE SERVICE STATUS

The Plan obtained its latest determination letter as a volume submitter, on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

#### NOTE H - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

Certain amounts included on the Schedule H Part I and II on the Annual Return/Report of Employee Benefit Plans (Form 5500) have been grouped differently for purposes of presentation in the financial statements.

No reconciliation of net assets available for benefits per the financial statements to the Form 5500 is required for the year ended December 31, 2022. The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2021, to Schedule H of the Form 5500:

|                                                                   | <u>2021</u>         |

The following is a reconciliation of net increase in net assets available for benefits per the financial statements for the years ended December 31, 2022 and 2021, to Schedule H of the Form 5500:

| Net income (loss) in net assets available for benefits per Schedule H of the Form 5500    | <u>\$ (455,316)</u> | <u>\$ 402,419</u> |

#### NOTE I - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

#### NOTE J - PLAN CORRECTION

The Company noted an operational defect with regard to the operation of the Plan related to the year ended December 31, 2021. The Company made a Qualified Nonelective Contribution ("QNEC") of \$173 in 2022 to correct the operational defect. This is reflected on the statement of net assets available for benefits as other employer contributions receivable as of December 31, 2021 and on the statement of changes in net assets available for benefits as other employer contributions for the year ended December 31, 2021. Subject to future events and circumstances, the Company and the Plan's tax advisor believe that the defect was properly remedied and will not adversely affect the Plan's qualified status under the applicable provisions of the IRC.

#### NOTE K - DELINQUENT PARTICIPANT CONTRIBUTIONS

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. During the year ended December 31, 2022, employee contributions totaling \$282 were not remitted to the Plan until after the required time period and are considered prohibited transactions. The Plan calculated lost earnings related to the delinquent participant contributions for the year ended December 31, 2022 in 2023, however the calculation resulted in a loss to participants, therefore no lost earnings were remitted to the plan.

NOTE L - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 29, 2023, the date the financial statements were available to be issued.

On December 29, 2022, the Setting Every Community Up for Retirement Enhancement Act ("SECURE 2.0 Act") was signed into law. The SECURE 2.0 Act includes optional and mandatory provisions related to eligibility and enrollment, required minimum distributions, catch-up contributions, and emergency withdrawals, some of which become effective in 2023. Plan management is currently evaluating the impact of this legislation on the Plan and applicable provisions will be adopted if elected and/or required.
