INDEPENDENT AUDITORS' REPORT

To the Trustees of
Rosenthal & Rosenthal, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed the audit of the financial statements of Rosenthal & Rosenthal, Inc. 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS**

NOTE 1 – PLAN DESCRIPTION

The following description of the Rosenthal & Rosenthal, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Rosenthal & Rosenthal, Inc. (the “Company”). The Plan is subject to the provisions of Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan was amended to reflect The Pension Protection Act of 2006.

Contributions

Each year, participants may contribute up to 100% of their annual wages up to a maximum (\$20,500 and \$19,500 in 2022 and 2021, respectively) permitted by the Internal Revenue Service (“IRS”). Participants who turn age 50 or older in the current calendar year may elect to defer additional amounts (called “catch-up contributions”) to the Plan. The maximum catch-up contribution that participants could make in 2022 and 2021 was \$6,500. The Company will make matching contributions in an amount equal to 100% of elective deferral contributions that are not over 3% of compensation, plus 50% of elective deferral contributions that are over 3% of compensation, but are not over 5% of compensation. Effective January 1, 2016, the Plan adopted the Safe Harbor auto enrollment provision for all eligible participants. The Company will enroll eligible participants at a contribution rate of 6% of their eligible compensation. Active participants who were contributing at a rate of less than 6% had their elective deferral rate automatically changed to 6% if they did not opt out. Effective January 1, 2017, the Plan adopted auto escalation. Participants who do not opt out will have their deferral percentage increased by 1% each year to a maximum of 10%. The Company may also make a discretionary contribution on behalf of participants for the Plan year.

Participant Accounts

Contributions are invested in a choice of various investment funds. Contribution selections are designated by the participants. Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s contributions and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participants’ earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant’s account and bear interest rates ranging between 2.25% and 6.00%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator, and are generally payable in installments over periods ranging from one to five years (unless the loan is used for the purchase of a primary residence, in which case the repayment period shall be consistent with commercial home loan practices).

Principal and interest are paid ratably through monthly payroll deductions. A loan that is considered in default is reported as a deemed distribution, which is a taxable event for the participant.

Vesting

Participants are vested immediately in their voluntary contributions, the Company’s safe-harbor match contributions and actual earnings thereon. Vesting in the Company’s discretionary contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after three years of credited service.

NOTES TO FINANCIAL STATEMENTS**

NOTE 1 – PLAN DESCRIPTION (Continued)

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or in various annuity options. For termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution.

Forfeited Accounts

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$199 and \$2,891, respectively. These accounts will be used to reduce future employer contributions and Plan expenses, and any balance that remains unused at year end will be allocated to all employees. During 2022, employer contributions were reduced by \$6,265.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America and under the accrual basis method of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

**ROSENTHAL & ROSENTHAL, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS**

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Operating Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments.

NOTE 3 – INVESTMENTS – INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE AS COMPLETE AND ACCURATE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Principal Financial Group:

	December 31,	
	2022	2021
Investments, at fair value	\$ 40,020,487	\$ 50,769,311
Net depreciation in fair value of investments	\$ (8,839,536)	

Notes receivable from participants of \$562,588 and \$470,452 as of December 31, 2022 and 2021, respectively, and interest income on notes receivable from participants of \$16,281 for the year ended December 31, 2022 have also been certified by Principal Financial Group.

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Pooled Separate Accounts

Pooled separate accounts invest in mutual funds in which the fair value of mutual funds are used in determining the net asset value (“NAV”) of the pooled separate accounts. The funds are direct filing entities.

Stable Value Collective Investment Trust

The stable value collective investment trust (“CIT”) is composed primarily of fully benefit-responsive investment contracts which are valued at the NAV. The fund is a direct filing entity.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

Investments at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3
Total investments in fair value hierarchy	\$ -	\$ -	\$ -
Pooled separate accounts using NAV as practical expedient			36,537,908
Stable Value CIT using NAV as practical expedient			3,482,579
Total investments, at fair value			\$ 40,020,487

Investments at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3
Total investments in fair value hierarchy	\$ -	\$ -	\$ -
Pooled separate accounts using NAV as practical expedient			46,584,615
Stable Value CIT using NAV as practical expedient			4,184,696
Total investments, at fair value			\$ 50,769,311

Fair Value of Investments in Entities that Use NAV

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

As of December 31, 2022				
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Pooled Separate Accounts	\$36,537,908	\$ -	Daily	1 day
Stable Value CIT	\$ 3,482,579	\$ -	Daily	1 day

**ROSENTHAL & ROSENTHAL, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS**

NOTE 5 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are pooled separate accounts, and stable value funds managed by Principal Life Insurance Company and Principal Trust Company, members of the Principal Financial Group. Principal Financial Group is the trustee, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Net depreciation in fair value of investments received by the Plan is net of fees charged by the trustee or its affiliates. Fees paid by the Plan to the trustee for the investment management services amounted to \$9,953 for the year ended December 31, 2022.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions. Any unallocated assets of the Plan should be allocated to participant accounts and distributed in such a manner as the Company may determine.

NOTE 7 – TAX STATUS

On June 30, 2020, the IRS stated that the non-standardized pre-approved profit-sharing plan adopted by the Plan, as then designed, qualifies under Internal Revenue Code (“IRC”) Section 401(a). The Plan has not received a determination letter specified to the Plan itself; however, the Plan administrator believes that the Plan was designed and was being operated in compliance with the applicable requirements of the IRC, and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 – SUBSEQUENT EVENTS

The Plan administrator has evaluated subsequent events through October 10, 2023, the date the financial statements were available to be issued.
