Red Line Plastics, LLC

401(k) Savings Plan

Financial Statements and Supplemental Schedule

Year Ended December 31, 2022

Independent Auditor's Report

Plan Administrator
Red Line Plastics, LLC 401(k) Savings Plan
Manitowoc, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Red Line Plastics, LLC 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Red Line Plastics, LLC 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Red Line Plastics, LLC 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Red Line Plastics, LLC 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Red Line Plastics, LLC 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Red Line Plastics, LLC 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Report on Compiled 2021 Financial Statement

Plan management is responsible for the accompanying 2021 financial statement of Red Line Plastics, LLC 401(k) Savings Plan, which comprise the statement of net assets available for benefits as of December 31, 2021. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the 2021 financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any assurance on the 2021 financial statement.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

Note 1: Description of Plan

The following description of the Red Line Plastics, LLC 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Red Line Plastics, LLC, (the "Company"). Employees who are 18 years of age or older are eligible to participate upon completion of two months of service. The Plan's entry dates are the first day of the following month after all eligibility requirements are met. To be eligible for the Company discretionary matching contribution and the discretionary nonelective contribution, an employee must also be employed on the last day of the Plan year and have worked at least 1,000 hours during the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Officers of the Company are responsible for oversight of the Plan, including determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

Contributions

Each year, participants may contribute to the Plan up to 50% of eligible compensation on a pre-tax or Roth basis, as defined in the plan document, not to exceed the maximum allowable limits as defined by the Internal Revenue Service ("IRS"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans ("rollover contributions"). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan also includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan or elect an alternate deferral rate. Automatically enrolled participants have their pre-tax deferral rate set at 3% of eligible compensation and their contributions invested in a designated fund until changed by the participant. Participants who are automatically enrolled are subject to 1% annual increases in their deferral rate, up to 6% of eligible compensation.

The Company may make a discretionary matching contribution or a discretionary nonelective contribution based on a certain percentage of compensation that a participant contributes to the Plan. The discretionary matching contribution during the year ended December 31, 2022, was 50% of a participant's deferrals up to 6% of Plan compensation. Rollover contributions are not matched. During the year ended December 31, 2022, the Company made discretionary matching contributions of \$138,382.

Red Line Plastics, LLC 401(k) Savings Plan

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's discretionary matching contributions, and allocations of (a) Company discretionary nonelective contributions and (b) plan earnings (losses). Participant accounts are reduced by withdrawals and are charged an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their voluntary contributions, plus actual earnings thereon. Vesting in the Company's discretionary matching and discretionary nonelective contribution portion of their accounts plus actual earnings thereon is based on years of continuous service subject to a six-year graded vesting schedule, as defined by the plan document. Participants vest at a rate of 20% per year beginning with the second year of service. The vesting percentage increases an additional 20% each year thereafter, with 100% vesting after six years of service. In addition, a participant becomes 100% vested upon death or disability.

Payment of Benefits

On termination of service due to death, disability, normal retirement (age 65), or termination of employment, a participant (or beneficiary) may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount or, in certain circumstances, installment payments. In addition, hardship distributions out of a participant's voluntary contributions account are permitted if certain criteria are met. The Plan also allows for in-service distributions upon attaining age 59 1/2. Participants may withdraw their rollover contributions at any time.

Forfeitures

Plan forfeitures arise as a result of participants terminating service with the Company before becoming 100% vested in Company contributions. Forfeited nonvested accounts totaled \$461 at December 31, 2022, and \$6,777 at December 31, 2021. These amounts may be used at the Company's discretion. In 2022, forfeitures of \$11,046 were used to pay plan expenses.

Notes to Financial Statements

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates in Preparation of Financial Statements

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to distributions are charged directly to the participant's account and are included in administrative expenses. All other expenses paid directly by the Plan are allocated proportionately to the plan participants based on their respective balances and are included in administrative expenses.

Subsequent Events

The Plan has evaluated subsequent events through October 10, 2023, which is the date the financial statements were available to be issued.

Red Line Plastics, LLC 401(k) Savings Plan

Notes to Financial Statements

Note 3: Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority level. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Assets at Fair Value as of December 31, 2022 (Audited)			
	Level 1	Level 2	Level 3	Total
Investment assets in the fair value hierarchy -				
Mutual Funds	\$ 1,928,148	\$ 0	\$ 0	\$ 1,928,148
Total investment assets at fair value	\$ 1,928,148	\$ 0	\$ 0	\$ 1,928,148

	Assets at Fair Value as of December 31, 2021 (Compiled)			
	Level 1	Level 2	Level 3	Total
Investment assets in the fair value hierarchy -				
Mutual Funds	\$ 2,328,780	\$ 0	\$ 0	\$ 2,328,780

Note 4: Information Prepared and Certified by the Custodian

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2022, net depreciation in fair value of investments, and interest and dividends for the year ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Empower Trust Company, LLC, the Custodian of the Plan.

Note 5: Party-In-Interest Transactions

JP Morgan Asset Management ("JP Morgan") is the third party administrator, as defined by the plan document; therefore, these transactions qualify as party-in-interest transactions. Fees paid by the plan to JP Morgan for administrative services were \$11,256 for the year ended December 31, 2022.

Note 6: Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 (compiled) to Form 5500:

	2021
Net assets available for benefits per the financial statements	\$ 2,438,556
Company contributions receivable	(109,776)
Net assets available for benefits per Form 5500	\$ 2,328,780

The following is a reconciliation of the change in net assets available for benefits per the financial statements for the year ended December 31, 2022 (audited) to Form 5500:

	2022
Net change in net assets available for benefits per the financial statements	\$ (367,780)
Company contributions receivable as of December 31, 2021	109,776
Net change in net assets available for benefits per Form 5500	\$ (258,004)

Prior to January 1, 2022, Company contributions were recorded on a cash basis on the Form 5500.

Notes to Financial Statements

Note 7: Plan Termination

Although it has not expressed an intent to do so, the Plan has the right under the plan document to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their discretionary matching contributions and discretionary nonelective contributions.

Note 8: Tax Status

The Plan adopted a non-standardized pre-approved plan document with an IRS notification letter dated June 30, 2020, which states the non-standardized pre-approved plan document as then designed is in compliance with the applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the notification letter; however, the plan administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 9: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
