INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of
Rohde & Schwarz, Inc. Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Rohde & Schwarz, Inc. Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Rohde & Schwarz, Inc. Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Rohde & Schwarz, Inc. Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rohde & Schwarz, Inc. Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rohde & Schwarz, Inc. Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rohde & Schwarz, Inc. Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Rohde and Schwarz, Inc. Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

1. PLAN DESCRIPTION AND FUNDING

The following brief description of Rohde and Schwarz, Inc. Savings Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan qualifying under Section 401(a) of the Internal Revenue Code (“IRC”) and subject to the provisions of the Employment Retirement Income Security Act of 1974 (“ERISA”). The Plan was established for the purpose of providing eligible employees of Rohde and Schwarz, Inc. (the “Company” or “Employer”) and their beneficiaries funds for retirement.

Eligibility

An employee of the Company becomes an eligible participant in the Plan immediately following his or her hire date upon meeting the age requirement of 21 and older. Employees covered by a collective bargaining agreement are not eligible for participation in the Plan.

Contributions

Participants may contribute from 1% to 100% of their aggregate compensation for each year in which they are a participant in the Plan up to the maximum allowable contributions under the IRC. Participants 50 years or older may elect to defer additional amounts (“catch-up contributions”) to the Plan, subject to Internal Revenue Service (“IRS”) limitations. Participants may also contribute amounts representing distributions from other qualified defined contribution plans. Additionally, the Plan allows for Roth contributions into the Plan.

Effective January 1, 2019, the Company makes matching contributions equal to 100% of the first 5% of pay the participant contributes. The Company may also make a discretionary profit-sharing contribution to the Plan. During the years ended December 31, 2022 and 2021, the Company did not make any discretionary profit-sharing contribution to the Plan.

Participant Accounts

Each participant’s account is credited with the participant’s contribution; the Company’s matching contribution and discretionary contributions, if any, Plan earnings and losses, and administrative expenses. Allocations are based on participant compensation, participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. All accounts are participant directed.

Vesting

Participants are immediately vested in their voluntary contributions, Company matching contributions and earnings and losses thereon. A participant’s interest in Company discretionary profit-sharing contributions and earnings and losses thereon, is 0% at less than 2 years, 40% at 2 years, 60% at 3 years, 80% at 4 years and 100% at 5 years. Participants who terminate due to death, disability, or early retirement will automatically be 100% vested in the Company discretionary contribution.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan terms may range from one to five years, or longer if for purchase of a primary residence. The loans are secured by the balance in the participant’s account. Notes receivable from participants bear interest at the prime rate as specified in *The Wall Street Journal* plus 1% and will remain the same for the duration of the loan. Principal and interest are paid ratably through payroll deductions.

Rohde and Schwarz, Inc. Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

Payment of Benefits

Upon termination of services, disability or retirement, a participant will receive a lump-sum amount equal to the vested value of his or her account. Upon death, a participant's beneficiaries will receive a lump-sum distribution equal to the value of the participant's account, which is then fully vested. The Plan also allows certain hardship distributions and in-service distributions.

Forfeited and Suspense Accounts

As of December 31, 2022, forfeited non-vested accounts totaled \$0. These accounts may be used to restore forfeitures, reduce Company contributions, or to pay reasonable Plan expenses. The Plan used \$13 and \$21 to pay for Plan expenses during the years December 31, 2022 and 2021, respectively.

Excess annual additions shall be held unallocated in a suspense account. At December 31, 2022 and 2021, the balance in the suspense account totaled \$4,951 and \$2,170, respectively. The suspense account will be applied to reduce future Company contributions. The Plan used \$-0- to fund Company contributions during the year ended December 31, 2022.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared using the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingencies, if any, at the date of the financial statements and changes therein during the reporting period. Actual results may differ from these estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are carried at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. As of December 31, 2022 and 2021, there was no allowance for uncollectible notes receivable. The loans bear interest at rates ranging from 4.25% to 8.50% with various maturity dates. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document.

Recognition of Benefits

Benefits are recognized when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of benefits and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments and are not readily determinable.

4. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board has established a framework for measuring fair value. This framework provides a fair value hierarchy prioritizing the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets the Plan has the ability to access. Such inputs include quoted prices in active markets for identical assets or liabilities.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs supported by little or no market activity and are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Notes to Financial Statements
December 31, 2022 and 2021

Mutual Funds: Valued at the quoted daily market prices of shares held by the Plan at year-end, which are derived from the net asset value ("NAV") of the funds. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission.

Money Market Funds: Valued and transacted at a stable \$1.00 NAV which approximates fair value.

As of December 31, 2022 and 2021, fair value in investments is classified as follows:

2022			
	Level 1	Level 2	Level 3
			Total Fair Value
Mutual funds	\$ 135,820,448	\$ -	\$ -
Money market funds	9,471,477	-	-
Investments at fair value	<u>\$ 145,291,925</u>	<u>\$ -</u>	<u>\$ -</u>
			<u>\$ 145,291,925</u>
2021			
	Level 1	Level 2	Level 3
			Total Fair Value
Mutual funds	\$ 157,347,183	\$ -	\$ -
Money market funds	7,873,677	-	-
Investments at fair value	<u>\$ 165,220,860</u>	<u>\$ -</u>	<u>\$ -</u>
			<u>\$ 165,220,860</u>

5. TAX STATUS

The Plan adopted a Prototype Non-Standardized Plan which received a favorable opinion letter dated June 30, 2020, which stated that the form of the prototype plan was designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their entire accounts.

December 31, 2022 and 2021

8. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Many Plan investments are shares of mutual funds and a money market fund, managed by Vanguard Fiduciary Trust Company ("Vanguard"). Vanguard is a related entity to Ascensus Trust Company, the trustee as defined by the Plan and, therefore, the investment transactions qualify as party-in-interest transactions. The Plan also has notes receivable from participants which are considered party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

9. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 2, 2023, which is the date the financial statements were available to be issued. Based on that evaluation, the Plan has determined that no subsequent events have occurred that would require adjustment to or disclosure in the financial statements.
