INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Ardmore Enterprises, Inc. 403(b) Pension Plan
Lanham, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Ardmore Enterprises, Inc. 403(b) Pension Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Ardmore Enterprises, Inc. 403(b) Pension Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

To the Plan Administrator of
Ardmore Enterprises, Inc. 403(b) Pension Plan

Opinion (Cont.)

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ardmore Enterprises, Inc. 403 (b) Pension Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ardmore Enterprises, Inc. 403 (b) Pension Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Plan Administrator of
Ardmore Enterprises, Inc. 403(b) Pension Plan

Auditor's Responsibilities for the Audit of the Financial Statements (Cont.)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ardmore Enterprises, Inc. 403 (b) Pension Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ardmore Enterprises, Inc. 403 (b) Pension Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules H Line 4i – Schedule of assets (held at year end) and Schedule H Line 4a – Schedule of delinquent participant contributions as of the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Plan Administrator of
Ardmore Enterprises, Inc. 403(b) Pension Plan

Supplemental Schedules Required by ERISA (Cont.)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Ardmore Enterprises, Inc. 403(b) Pension Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

Note 1 - Description of Plan

The following description of the Ardmore Enterprises, Inc. 403(b) Pension Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: Ardmore Enterprises, Inc. 403(b) Pension Plan, was established January 1, 1990 and restated effective October 27, 2014. The Plan covers all employees of Ardmore Enterprises, Inc. (the Employer). Under the provisions of the Plan, an employee may become eligible to participate in the Plan and receive employer safe harbor matching contributions after completing one month of service. The Employer may also elect to make discretionary contributions each year. Participants may become eligible to receive employer discretionary contributions after completing one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Participants may elect to defer up to 100% of compensation, up to statutory limits set by the Internal Revenue Service, as defined in the Plan. For Plan years ended December 31, 2022 and 2021, the Employer contributed a safe harbor matching contribution up to 6% of eligible participant's compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants who have at least 15 years of service are eligible to make special code Section 403(b) catch up contributions pursuant to the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various variable annuity sub-accounts and a fixed annuity contract as investment options. Participant contributions are subject to the annual Internal Revenue Code limits as adjusted each year. Total contributions made by the Employer for the years ended December 31, 2022 and 2021 amounted to \$140,563 and \$98,769, respectively.

Participant Accounts: Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's contribution and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately fully vested in their elective deferral and the employer safe harbor matching contributions plus actual earnings thereon.

Payment of Benefits: Upon severance of employment due to death, disability or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or equal installments for a period elected by the participant. In-service distributions are permitted after reaching the age of 59 1/2. Hardship withdrawals are also permitted with respects to amounts which are 100% vested and not held as security for a loan, and they must be in accordance with Internal Revenue Service regulations.

NOTES TO FINANCIAL STATEMENTS (Cont.)
December 31, 2022 and 2021

Note 1 - Description of Plan (Cont.)

Forfeited Accounts: At December 31, 2022 and 2021, there were no forfeited non-vested account balances that can be used to reduce future employer contributions. During the years ended December 31, 2022 and 2021, there were no forfeitures used to reduce employer contributions.

Notes Receivable from Participants: The Plan no longer allows for participant loans effective October 27, 2014 in accordance with the Plan document.

Administrative Expenses: The administrative expenses related to the Plan's Trustee are paid by the Plan. The Employer pays all other administrative expenses of the Plan.

Note 2 - Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on in accordance with accounting principles generally accepted in the United States of America. This basis of accounting involves the application of accrual accounting; consequently, revenues and gains are recognized when earned and expenses and losses are recognized when incurred.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or transfer a liability in an orderly transaction between market participants at the measurement date.

Investment contracts held by a defined-contribution plan are required to be reported at fair value. However contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Statements of Changes in Net Assets Available for Benefits are prepared on a contract value basis for the fully benefit-responsive investment contract.

December 31, 2022 and 2021

Note 2 - Summary of Accounting Policies (Cont.)

Investment Valuation and Income Recognition (Cont.)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions and Related Receivables

Contributions from employers and participants of the Plan are accrued in the period in which they become obligations under provisions of the Plan agreement. \All participant and employer contributions are participant-directed. The plan administrator has determined that all participant and employer contributions receivable are fully collectible; consequently, no amount has been recorded as an allowance for doubtful accounts in the accompanying statement of net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid. Benefits paid to participants amounted to \$108,257 and \$132,168 for the years ended December 31, 2022 and 2021, respectively.

Note 3 - Information Prepared and Certified by Custodian

Investment Data

Lincoln National Life Insurance Company was the Custodian of the Plan for the years ended December 31, 2022 and 2021. All data contained in the statements of net assets available for benefits and the statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and Schedule H, Line 4i - schedule of assets (held at end of year) for the year ended December 31, 2022, was summarized from information supplied and certified as complete and accurate by the Custodian of the Plan.

Schedule of Assets Held for Investment Purposes

The accompanying Schedule H, Line 4i - schedule of assets (held at end of year) represents a detailed listing of all investments held by the Plan as of December 31, 2022.

NOTES TO FINANCIAL STATEMENTS (Cont.)
December 31, 2022 and 2021

Note 4 - Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits (except for fully benefit-responsive investment contracts, which are reported at contract value). The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

ASC 820-10 Fair Value Measurements establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

In addition, under *FASB ASC 820* the fair value of certain investments may be measured using the net asset value (NAV) per share (or its equivalent). Such investments are not classified in the fair value hierarchy.

NOTES TO FINANCIAL STATEMENTS (Cont.)
December 31, 2022 and 2021

Note 4 - Fair Value Measurements (Cont.)

Following is a description of the valuation methodologies used for assets measured at fair value as of December 31, 2022 and 2021:

Registered investment contracts - variable annuities: Valued at the net asset value of the variable annuity contracts, as reported by the Trustee and calculated in a manner consistent with Generally Accepted Accounting Principles for investment companies. The net asset value is calculated based on the values of the underlying mutual funds, domestic stocks, international stocks, and other fixed securities held by variable annuity contract. As permitted by *FASB ASC 820*, net asset value is used as a practical expedient to estimate fair value and is not included in the fair value hierarchy. The total fair value of the Plan's variable annuities as of December 31, 2022 and 2021 was \$865,158 and \$952,771, respectively.

There have been no changes in valuation technique or inputs. The table below sets forth additional disclosures for investments for which fair value is estimated using net asset value per share (or its equivalent) as of December 31:

Investment Type	Fair Value		Unfunded Commitments	Redemption Frequency	Redemption Notice Period
	2022	2021			
Registered investment contracts - variable annuities (a)	\$ 865,158	\$ 952,771	\$ -	Daily	None

(a) These funds are invested in specific mutual funds at the direct of variable annuity contract owners and are valued using NAV per share. The NAV is based upon the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding.

Note 5 - Fixed Annuity Contract with Insurance Company Measured at Contract Value

The Plan entered into a benefit-responsive investment contract with Lincoln National Life Insurance Company. These contracts meet the fully benefit-responsive investment criteria, and therefore, are reported at contract value. Lincoln National Life Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan by Lincoln National Life Insurance Company. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed fixed annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed in the Plan. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2022 and 2021, amounted to \$702,569 and \$674,449, respectively.

Ardmore Enterprises, Inc. 403(b) Pension Plan
NOTES TO FINANCIAL STATEMENTS (Cont.)
December 31, 2022 and 2021

Note 5 - Fixed Annuity Contract with Insurance Company Measured at Contract Value (Cont)

Because the contract is an insurance contract, the Plan may transact according to the terms defined in the contract at any time. If the Plan wishes to terminate its interest in the contract, it would be paid the value of its interest. The issuer of the contract has the right to no longer receive deposits. Termination of the contract would occur when the deposit arrangement no longer exists and there are no guaranteed interest funds with a value greater than zero remaining under the contract. The plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

Note 6 - Related Party Transactions

Plan investments are managed by Lincoln National Life Insurance Company. Lincoln National Life Insurance Company is the Trustee as defined by the Plan, and therefore, transactions involving these investments qualify as party-in-interest transactions. For the years ended December 31, 2022 and 2021, fees paid by the Plan for the administrative services amounted to \$1,327 and \$1,146, respectively.

Note 7 - Income Tax Status

Effective October 27, 2014, the Plan adopted a non-standardized form of prototype plan. The prototype plan obtained its latest opinion letter on March 31, 2017 from the Internal Revenue Service as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by the Plan. The Plan has been amended since the prototype received its opinion letter. However, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 - Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the net value of each participant's account would be distributed in accordance with the Plan's provisions.

NOTES TO FINANCIAL STATEMENTS (Cont.)
December 31, 2022 and 2021

Note 9 - Reportable Transactions

A reportable transaction is a transaction, or series of transactions, exceeding five percent of the current value of the Plan's assets at the beginning of the year. During the Plan years ended December 31, 2022 and 2021, there were no reportable transactions required to be reported.

Note 10 - Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 11 - Subsequent Events

The Plan has evaluated the impact of significant subsequent events. Except as disclosed below, there have been no subsequent events through October 2, 2023 the date the Plan's financial statements were available to be issued, that require recognition or disclosure.

In March 2023, the Plan changed its third-party administrator from Lincoln National Life Insurance Company (Lincoln) to Mutual of America (MOA). Participants have the option to transfer their account balance to MOA or leave their balances with Lincoln.
