INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Mitchell Williams Selig Gates & Woodyard PLLC
Employees' 401(k) Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Mitchell Williams Selig Gates & Woodyard PLLC Employees' 401(k) Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Mitchell Williams Selig Gates & Woodyard PLLC Employees' 401(k) Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities of the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mitchell Williams Selig Gates & Woodyard PLLC Employees' 401(k) Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mitchell Williams Selig Gates & Woodyard PLLC Employees' 401(k) Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mitchell Williams Selig Gates & Woodyard PLLC Employees' 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mitchell Williams Selig Gates & Woodyard PLLC Employees' 401(k) Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 1: Description of Plan

The following description of the Mitchell Williams Selig Gates & Woodyard PLLC Employees' 401(k) Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for more complete information.

General

The Plan, established January 1, 1968, is a defined contribution plan which covers all non-member employees of Mitchell Williams Selig Gates & Woodyard, PLLC (the "Employer"). All non-member employees, excluding law clerks, are eligible to participate in the 401(k) employee contributions upon reaching age twenty-one. All non-member employees, excluding law clerks, are eligible to participate in the employer contributions upon completion of one year of service and reaching age twenty-one. Once an employee has satisfied the eligibility requirements, they will be able to participate under the Plan on their entry date. For this purpose, their entry date is the first day of the month coinciding with or next following the day they satisfy the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Restatement

Effective January 1, 2021, the Plan was restated as part of the "Cycle 3" that is a mandatory requirement initiated by the IRS in order to incorporate any recent legislative and regulatory changes that occurred since the document was last restated.

Contributions

Participants may contribute up to 100% of their annual compensation not to exceed the limit set by the Internal Revenue Code, which was \$20,500 and \$19,500 in 2022 and 2021, respectively. The Plan allows pre-tax and Roth 401(k) contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of up to an additional \$6,500 in 2022 and 2021. Compensation is defined as wages, salaries, fees for professional services, and other amounts received (without regard to whether or not an amount is paid in cash) for personal services actually rendered in the course of employment with the Employer, to the extent that amounts are includable in gross income.

The Plan allows the Employer to make safe harbor contributions, employer matching contributions, and profit-sharing contributions. Safe harbor contributions are made in an amount not less than 3% of plan compensation. The Employer matching contribution is 33.33% of employee contributions. The total employee contribution eligible for the match is 6% of plan compensation. Profit-sharing contributions for any participant in any plan year will not be less than 2%. The profit-sharing contribution for 2022 and 2021 was 2%.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of a) the Employer's safe harbor contribution, additional Employer matching contribution, and profit-sharing contribution, b) Plan earnings, and c) forfeitures of terminated participants' non-vested accounts. Participants' accounts will also be charged with an allocation of the Plan's administrative expenses. Allocations are based on account balances as defined in the Plan agreement.

EMPLOYEES' 401(k) PLAN AND TRUST**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Vesting

Participants are immediately vested in their contributions, employer safe harbor contributions, and any earnings thereon. Vesting in the portion of their account attributable to the Employer's matching contribution and profit-sharing contribution is based on each participant's years of service. A participant is 100 percent vested after three years of service. A participant will also become fully vested upon death, disability or retirement at age 65 or older.

Administrative Expenses and Fees

Plan fees and expenses, including fees and expenses connected with the providing of administrative services by external service providers, are paid either by the Plan or the Employer, as provided by the Plan document.

Investment Options

Participants may instruct the trustee, through an employee election form, on how to invest their account. Investments may be among funds established by the Plan administrator or the participant may have a segregated account. The Plan currently offers 32 mutual fund accounts and one guaranteed investment contract as investment options, or the participant may have a self-directed account.

Notes Receivable from Participants

Participants may borrow from their accounts at a minimum of \$1,000 and a maximum equal to the lesser of \$50,000 or 50 percent of the participant's vested account balance. All notes are required to be repaid within five years of the note's origination unless the note is used for the purchase of a principal residence, which are required to be repaid within fifteen years of the note's origination. The full amount of any note must be secured by the participant's vested account balance. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon death, disability, retirement, or termination, a participant may elect to receive payments of his or her vested account balance in a lump-sum distribution. The Plan allows in-service withdrawals from participants' employee deferrals, rollover accounts, and their employer contribution accounts after age 59 $\frac{1}{2}$.

Forfeitures

The portion of a participant's account to which they are not entitled upon termination of participation is deemed a forfeiture. The Plan document allows the Plan to use forfeited balances in any permissible manner; this includes to pay Plan expenses, reduce employer contributions, or to allocate to participants' accounts. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$36,584 and \$14,324, respectively.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting. Under the accrual basis of accounting, revenues and expenses, other than benefit payments, together with the related assets and liabilities are recorded in the accounting period to which they apply, regardless of when the cash transaction occurred.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan administrators to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates. Significant estimates included in these financial statements relate to the valuation of investments, and it is reasonably possible that a change could occur in the near-term.

Valuation of Investments and Income Recognition

All the investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

As of December 31, 2022, the Plan has a group annuity contract with Empower Annuity Insurance Company of America which consists of an unallocated investment in a guaranteed investment contract. The contract is not considered fully benefit responsive. The contract is included in the financial statements at contract value which approximates fair value as reported to the Plan by Empower Annuity Insurance Company of America. The contract is credited with earnings on the underlying investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Payment of Benefits

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Subsequent Events

The Plan has evaluated all subsequent events for potential recognition and disclosure through October 9, 2023, the date these financial statements were available to be issued.

Note 3: Plan Termination

Although it has not expressed the intent to do so, the Employer has the right to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in the employer matching and profit-sharing contributions portions of their account. Employee contributions, employer safe harbor contributions and their related earnings are always 100 percent vested.

Note 4: Parties-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, a person who owns 50% or more of such employee association or relatives of such persons and the Plan Sponsor.

Definiti, LLC is the recordkeeper, Empower Annuity Insurance Company of America and Empower Trust Company, LLC (formerly Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC) are the custodians. They are by definition parties-in-interest and as a result, these transactions were with parties-in-interest.

Fees incurred by the plan for certain administrative services to the Plan pursuant to a Master Plan Services Agreement (MSA) between the Employer and custodian are included in net change in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. Administrative fees paid directly by the Plan were \$69,152 in 2022 and \$50,549 in 2021 which were not covered by revenue sharing. These transactions are exempt from being prohibited transactions under ERISA.

Note 5: Fair Value

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**MITCHELL WILLIAMS SELIG GATES & WOODYARD PLLC
EMPLOYEES' 401(k) PLAN AND TRUST**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following table presents the Plan's hierarchy for its assets measured at fair value on a recurring basis as of December 31:

	2022			
	Total	Level 1	Level 2	Level 3
Mutual Funds	\$ 8,670,875	\$ 8,670,875	\$ -	\$ -

Investments at Fair Value	<u>\$ 16,914,201</u>	<u>\$ 15,433,292</u>	<u>\$ 1,480,909</u>	<u>\$ -</u>

The following section describes the valuation methodologies the Plan uses to measure financial instruments at fair value:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Participant - Directed Brokerage Accounts: Accounts consist of common stock, mutual funds, and money market funds. The common stock and mutual funds are valued at the closing price reported on the active market on which the individual securities are traded. The money market fund is valued using pricing models maximizing the use of observable inputs for similar securities.

MITCHELL WILLIAMS SELIG GATES & WOODYARD PLLC
EMPLOYEES' 401(k) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Guaranteed Investment Contract: Valued at fair value by the insurance company by discounting the related cash flows based on current yields of similar instruments with comparable durations considering credit-worthiness of the issuer (see Note 6).

The preceding methods as described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

During 2022 and 2021, the Plan's investments (including realized gains and losses on investments bought, sold, and held during the year as well as unrealized appreciation (depreciation) of the investments held at the end of the year) (depreciated) appreciated in value by (\$2,615,705) and \$708,203, respectively.

Note 6: Guaranteed Investment Contract with Empower Annuity Insurance Company of America

As of December 31, 2022 and 2021, the Plan held a group annuity contract with Empower Annuity Insurance Company of America (formerly Great-West Life & Annuity Insurance Company). The group annuity contract, GWI Fixed Account – Series Class I, is a fixed account that is part of the general account of Empower Annuity Insurance Company of America and is not considered fully benefit responsive. The methodology for calculating the interest credit rate is based on the earnings of the underlying assets in the entire medium long-term new portfolio compared to the minimum interest crediting rate (which will never be less than 0% as stated in the contract), and prevailing market conditions. Interest crediting rate is reset quarterly.

Note 7: Reconciliation of Financial Statements to Form 5500

Certain amounts reported in the Plan's annual Form 5500 for changes in net assets available for benefits are different from the amounts reported in the accompanying financial statements. These differences are due to different presentation of income and expenses.

The following is a reconciliation of net assets available for benefits per the financial statements to the Schedule H of the Form 5500:

	<u>2022</u>	<u>2021</u>
Net Assets Available for Benefits per the Financial Statements	\$ 15,112,214	\$ 17,096,838

Other Contributions Receivable at December 31, 2021	26,000
Contributions per Schedule H to the Form 5500	<u>\$ 659,224</u>

Note 8: Income Tax Status

The IRS has informed the Employer by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

Note 9: Information Prepared and Furnished by Custodian

Specific investments are held by Empower Annuity Insurance Company of America and Empower Trust Company, LLC (formerly Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC), custodians. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the following information was certified by the custodians as complete and accurate and was not subjected to any audit procedures except for comparing the information with the related information included in the financial statements and supplementary schedules.

- Specific mutual funds and guaranteed investment contracts as shown in the accompanying statements of net assets available for benefits of \$11,435,452 and \$13,563,220 for the years ended December 31, 2022 and 2021, respectively.
- Net change in fair value of investments as shown in the accompanying statements of changes in net assets available for benefits of (\$2,161,533) and \$700,431 for the years ended December 31, 2022 and 2021, respectively.
- All investment transactions, excluding transactions that originated from participant-directed brokerage accounts held outside of the Plan's custodians, during the years ended December 31, 2022 and 2021.
