The Plan Sponsor and Plan Administrator of
Meckley's Limestone, Inc. 401(k) Profit Sharing Plan
Mifflinburg, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Meckley's Limestone, Inc. 401(k) Profit Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Meckley's Limestone, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Meckley's Limestone, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2022 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Meckley's Limestone, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Meckley's Limestone, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held At End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on Compiled 2021 Financial Statements

Plan management is responsible for the accompanying 2021 financial statements of Meckley's Limestone, Inc. 401(k) Profit Sharing Plan, which comprise the statement of net assets available for benefits as of December 31, 2021, and the related notes to the financial statements, in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any assurance on these financial statements.

MECKLEY'S LIMESTONE, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

A. Description of Plan

The following description of the Meckley's Limestone, Inc. 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

- 1. General.** The Plan is a defined contribution plan covering substantially all employees of the controlled group, who attained age 18 and completed two (2) months of service, with certain exclusions. Employees may enter the Plan on the first day of each month following the date that the eligibility requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Administrative Committee is responsible for the oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

The controlled group includes Meckley's Limestone Products Inc., Dave Gutelius Excavating, Inc., and Central Builders Supply Company, collectively referred to as Employer or Plan Sponsor. Effective as of December 8, 2021, the net assets of David Gutelius Excavating, Inc. 401(k) plan and CBSC Office Employees 401(k) Plan were merged into the Meckley's Limestone, Inc. 401(k) Profit Sharing Plan. All participants of the merged-in plans became participants of the Plan and the net assets from the merged-in plans totaling \$5,624,846 were transferred to the Plan in December 2021.

- 2. Contributions.** Contributions are subject to certain Internal Revenue Service (IRS) limitations. Each year, participants may contribute up to 100% of pretax annual compensation up to the maximum allowed by law or \$20,500 (in 2022; thereafter as adjusted by the U.S. Secretary of the Treasury) in a calendar year. Participants who have obtained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also make Roth elective deferrals and contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Participants direct the investment of the contributions into various investment options offered by the Plan. The Plan currently offers various mutual fund accounts and one fixed account as investment options for participants. The Employer may make discretionary matching and profit sharing contributions. Participants who perform services subject to the Service Contract Act, Davis-Bacon Act or similar Federal, State, or Municipal Prevailing Wage Statutes are eligible to receive match and profit sharing contributions as defined in the Plan Adoption Agreement. During 2022 and 2021, there were no matching employer contributions and the Plan Sponsor made profit sharing contributions in the amount of 2% of employee's compensation. Prior to the 2021 merger, the merged-in plans also provided respective discretionary matching formulas and/or profit sharing contributions to eligible employees.

- 3. Participant Accounts.** Each participant's account is credited with the participant's contributions and matching contributions, as well as allocations of any other employer discretionary contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

A. Description of Plan (continued)

4. **Vesting.** Participants are immediately vested in their contributions plus actual earnings thereon, as well as qualified matching contributions, safe-harbor contributions, prevailing wage contributions, and any other qualified non-elective contributions. Vesting in the Employer contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six (6) years of credited service or upon reaching normal retirement age, early retirement age and three (3) years of service, death or becoming disabled while an employee. The years of vesting service is determined as follows:

<u>Years of Service</u>	<u>Vesting</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Regardless of the vesting schedules above, participants who transferred to this Plan from the David Gutelius Excavating, Inc. 401(k) Plan, are subject to the following vesting schedule (no vesting change if 100% vested prior to May 1, 2021):

<u>Years of Service</u>	<u>Vesting</u>
Less than 3	0%
3	100%

5. **Notes Receivable from Participants.** The Plan does not permit new loans to participants. However, there are certain existing participant loans that were issued prior to the plan amendment on December 8, 2021. These loans are secured by the participants' account balances and being repaid in accordance with their original terms.
6. **Payment of Benefits.** On termination of service due to severance of employment, death, disability or retirement, participants (or their designated beneficiaries) who have a balance greater than \$5,000 may elect to receive the total vested balance in a lump sum distribution, installments or partial distributions, or may leave the balance in the Plan until minimum distribution is required. A participant with a vested balance of less than \$5,000 will receive a mandatory lump sum distribution. A distribution of vested balances between \$1,000 to \$5,000 will be rolled over to an IRA unless the participant makes an affirmative election to either receive or roll over the distribution. Balances under \$1,000 will be paid as a lump sum distribution.

In-service distributions are allowed for all participants upon attainment normal retirement age. In-service distributions are allowed upon attainment of age 59½ from participant accounts which were transferred to this Plan from the CBSC Office Employees 401(k) Plan and the David Gutelius Excavating, Inc. 401(k) Plan. The Plan also provides for qualified reservist and deemed severance in-service distributions. Financial hardship safe harbor withdrawals are permitted as set forth in the Plan to satisfy an immediate and heavy financial need.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

A. Description of Plan (continued)

- 7. Forfeited Accounts.** At both, December 31, 2022 and 2021, forfeited nonvested accounts were \$0. These accounts can be used to restore forfeitures, reduce the Employer's contribution or offset Plan expenses. For the year ended December 31, 2022, \$2,276 of employer contributions and no plan expenses were funded from forfeited nonvested accounts.
- 8. Plan Expense Account.** Under the agreement between Empower Retirement, LLC (Empower) and the Plan Sponsor, the Plan has established a Plan Expense Account (PEA) to fund ERISA-qualified administrative expenses of the Plan. Empower makes payment in the amount of the revenue credit calculated for each month to a suspense account within the Plan and invested in the specified mutual fund. Any unused PEA funds at the end of the Plan year are accumulated and used to offset future Plan expenses or may be allocated to Plan participants. For the year ended December 31, 2022, \$29,647 of revenue credits were deposited in the PEA and \$14,832 of expenses were paid from the PEA. At December 31, 2022, the Plan's PEA had a total balance of \$14,945, including interest.

9. Plan Amendments.

Effective December 8, 2021, the Plan was restated in order for two additional plans in the common control group to be merged into this surviving Plan. See also Note A. Description of Plan – 1. General.

B. Summary of Significant Accounting Policies

Basis of Accounting: The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value, (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note D for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. Net investment returns reflect certain fees paid by the investment funds to their affiliated investment advisors, transfer agents, and others as further described in each fund prospectus or other published documents. These fees are deducted prior to allocation of the Plan's investment earnings activity and thus are not separately identifiable as an expense.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

B. Summary of Significant Accounting Policies (continued)

Notes Receivable from Participants: Notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. Delinquent participant loans are reclassified as distributions based on the terms of the Plan.

Corrective Contributions: Corrective contributions include qualified nonelective contributions or other plan corrections and are generally recorded in the year of the event as 'other employer contributions' in the statement of changes in net assets available for benefits. Any associated receivable is presented as 'other employer contribution receivable' as of the Plan's year-end.

Corrective Distributions: Corrective distributions include Plan corrections that are generally recorded in the Plan year deemed payable to participants. Corrective distributions may also be required in the event that employee contributions exceed contribution limitations of the Plan allowed by the IRS. These amounts are netted against contributions in the statement of changes in net assets available for benefits and the associated liability is presented as 'excess contribution payable' as of the Plan's year-end.

Payment of Benefits: Benefits are recorded when paid.

Expenses: Generally, the Plan's administrative fees and expenses are shared by the Plan and the Plan Sponsor. Expenses paid by the Plan Sponsor are excluded from these financial statements. The Plan's individual account fees and expenses are charged directly to participant accounts. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

Subsequent Events: The Plan has evaluated subsequent events through October 1, 2023, the date the financial statements were available to be issued.

C. Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and note receivable held at December 31, 2022, and net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC (the trustee of the Plan).

D. Fair Value Measurements

Financial Accounting Standards Board Accounting Standards Codification Topic 820 (ASC Topic 820) establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under ASC Topic 820 are described as follows:

MECKLEY'S LIMESTONE, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

D. Fair Value Measurements (continued)

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means
- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: mutual funds, which are actively traded, are valued at quoted market prices on nationally recognized securities exchanges and represent the net asset value (NAV) of shares held by the Plan at year-end and are classified as Level 1 within the valuation hierarchy.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 6,820,985	\$ -	\$ -	\$ 6,820,985
Investments, at fair value	<u>\$ 6,820,985</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,820,985</u>
Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

E. Fixed Account

The Plan has a fully benefit-responsive investment contract with Empower Annuity Insurance Company of America (also referred to as Great-West Life & Annuity Insurance Company). The contract issuer maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

Since the contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. The contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Empower Annuity Insurance Company of America, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The fixed account is a general account product. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium to long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rate is reset quarterly. The average yield earned by the plan for the benefit responsive fund can be derived by averaging the quarterly gross interest rates for the fund over the year. The actual average yield earned by the plan for the benefit responsive fund can be derived by averaging the plan's quarterly interest rates. For the year ended December 31, 2022, the average and the actual average yield earned by the plan rate was 0.93%.

Certain events limit the Plan's ability to transact at contract value with the issuer. For example, premature termination of the contracts by the plan, plant closings, layoffs, plan termination, bankruptcy, mergers, and early retirement incentives. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable.

The Plan had a fully benefit responsive investment contract, Principal Fixed Income Option, which it terminated on September 22, 2021. In accordance with the 12-month Delay of Termination and Transfer clause, the account was liquidated on September 22, 2022 and invested into the Fixed Account described above.

F. Plan Termination

The Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions allocated to their accounts.

MECKLEY'S LIMESTONE, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

G. Tax Status

The IRS has determined and informed the Plan Sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC, and therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for the years prior to 2019.

H. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

I. Related Party Transactions and Party-In-Interest Transactions

During 2021 and through December 17, 2021, Principal Trust Company was the trustee of the Plan. Effective as of December 17, 2021, Empower Trust Company, LLC (formally Great-West Trust Company, LLC) became the trustee of the Plan. The financial statements include recordkeeping and trustee expenses and fees paid by the Plan.

Fees paid during the year for accounting and other professional services rendered by parties-in-interest were based on customary and reasonable rates for such services.

The Plan issues notes to its participants, which are secured by the participants' balance.

These transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.
