Independent Auditor's Report

To the Participants and Administrator of the
DSS Administrative Group, Inc. 401(K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of DSS Administrative Group, Inc. 401(K) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due

to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, schedule h, line 4i – schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other

records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DSS ADMINISTRATIVE GROUP, INC. 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the DSS Administrative Group, Inc. 401(K) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document and Summary Plan Description for a more complete description of the Plan’s provisions.

General: The Plan was originally established and effective on January 1, 1994. On January 1, 2014, the Plan merged with Document Security System’s Inc.’s corporate 401(k) plan. The Plan was amended on January 1, 2018, to include a Qualified Automatic Contribution Arrangement (“QACA”), Roth deferrals, and to increase the employer match and was further amended on September 1, 2018 when the Plan changed trustees from Reliance Trust Company to Ascensus Trust Company. The Plan was amended on January 1, 2022 where Plan Compensation was updated from compensation for the entire plan year to exclude any compensation from prior to entry date. Entry dates for Plan Participation was updated from the first day of the calendar month to the first day of each payroll period following the date all eligibility requirements are met. The QACA Safe Harbor Match provides for a 1% per year auto escalation, previously with a 10% maximum, now increased to 15%.

The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and Section 401(a) of the Internal Revenue Code of 1986 (“IRC”).

All employees of the Document Security Systems, Inc. and its subsidiaries (the “Company”) are eligible to participate upon completing the Plan’s eligibility requirements. Employees who are at least the age of 21 are eligible to participate in the Plan. There is a sixty day minimum service requirement for participation in the Plan.

The 401(k) Investment Committee is responsible for oversight of the Plan. The Plan Administrator determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Plan’s 401(k) Investment Committee.

Contributions: Participants may contribute, through payroll deductions, employee elective pre-tax and post-tax contributions from 1% to 90% of their eligible compensation, limited to \$20,500 in 2022 (\$19,500 – 2021). Participants who were 50 years of age or older during the plan year were allowed to contribute additional pre-tax and post-tax catch up contributions up to \$6,500 in 2022 and 2021. Participants’ total annual contributions may not exceed the contribution limits under Section 415(c) of the IRC.

The Company made a matching contribution equal to 100% of the first 1% plus 50% of the next 5% of the participant’s eligible earnings. The Company may also elect to make non-elective contributions at its discretion. The Company did not make any non-elective contributions during the years ended December 31, 2022 and 2021.

Upon eligibility, unless an affirmative election not to participate in the Plan is made, all eligible employees are automatically enrolled in the Plan and deemed to have elected to contribute 3% of compensation. This QACA will increase 1% per year on an annual basis up to a maximum of 15%.

The Plan allows participants to direct their contributions, and contributions made on their behalf, to any of the investment alternatives offered under the Plan.

Participants may contribute in amounts representing distributions from other qualified defined benefit or defined contributions plans.

Participant Accounts: Each participant’s account is credited with the participant’s contributions and allocations of (a) the Company’s contribution and (b) Plan earnings and may be charged with an allocation of administrative expenses and other applicable Plan expenses (such as for initiating a Plan loan). The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Vesting: Employee pre-tax contributions and employer matching contributions are at all times 100% vested and non-forfeitable. If the Company makes non-elective contributions, these contributions vest as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
At least 2 years, but less than 3	20%
At least 3 years, but less than 4	40%
At least 4 years, but less than 5	60%
At least 5 years, but less than 6	80%
6 years or more	100%

Notes Receivable from Participants: Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document. A participant may borrow from his or her fund accounts a maximum loan amount equal to the lesser of 50% of the value of the participant's vested balance of his or her account, or \$50,000. A participant can only have one loan from the Plan at a time. The loans bear interest based on the prime rate in effect in the month that the loan is effective as published by The Wall Street Journal on the 14th of each month, plus 2 percentage points. The interest rate on participant loans as of December 31, 2022 ranged from 5.25% to 9.00% (5.25% to 6.86% - 2021). Principal and interest are paid ratably through weekly or bi-weekly payroll deductions.

Payment of Benefits: Participants are able to receive vested benefits upon termination of service, death, disability, retirement or upon attainment of age 59.5. In addition, a participant can withdraw up to 100% of his or her vested account balance in the event of a financial hardship as defined in the Plan Document.

Forfeitures: A forfeiture occurs if an employee is terminated before becoming 100% vested in their account balance. Amounts forfeited by participants can be used to reduce future employer contributions or pay Plan expenses. Forfeitures during the years ended December 31, 2022 and 2021 were de minimis.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates: The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as they are incurred. No allowance for credit losses had been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits: Benefits are recorded when paid.

Administrative Expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net (depreciation) appreciation in fair value of investments.

Risks and Uncertainties: The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Reclassifications: Certain reclassifications have been made to amounts in the 2021 financial statements to conform to the 2022 presentation.

Subsequent Events: These financial statements have not been updated for subsequent events occurring after October 11, 2023, which is the date these financial statements were available to be issued.

NOTE 3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") *Accounting Standards Codification* ("ASC") 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation methodology are unobservable and significant in the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 3. FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Money market funds: Valued at amortized cost, which approximates fair value and are classified as level 1 investments.

Shares of registered investment companies: Valued at the quoted Net Asset Value ("NAV") of shares held by the Plan at year end. The NAV is the closing price reported on the active market in which the securities are traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	Investments, at Fair Value as of December 31, 2022	
	Level 1	Total
Money market funds	\$ 20,545	\$ 20,545
Shares of registered investment companies	<u>5,535,292</u>	<u>5,535,292</u>
Total investments, at fair value	<u>\$ 5,555,837</u>	<u>\$ 5,555,837</u>

	Investments, at Fair Value as of December 31, 2021	
	Level 1	Total
Money market funds	\$ 11,865	\$ 11,865
Shares of registered investment companies	<u>4,920,879</u>	<u>4,920,879</u>
Total investments, at fair value	<u>\$ 4,932,744</u>	<u>\$ 4,932,744</u>

NOTE 4. FINANCIAL CERTIFICATION

The following financial information at December 31, 2022, and 2021, as well as earnings (losses) and transactions for the years then ended have been derived from information provided by Ascensus, as agent for Ascensus Trust Company, the trustee of the Plan. The incorporation of this financial information in the accompanying financial statements and supplemental schedule is based solely on their certifications and has not been audited by independent accountants.

NOTE 5. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by The Vanguard Group, Inc. ("Vanguard"), the recordkeeper of the Plan and therefore, transactions with Vanguard qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net (depreciation) appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. Administrative expenses amounted to \$4,138 for the year ended December 31, 2022 (\$4,603 - 2021). The Company pays directly any other fees related to the Plan's operations.

NOTE 6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time as well as terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, the Company will direct either (a) that the investment manager and trustee continue to hold the participants' accounts in accordance with the Plan, or (b) that the investment manager and trustee immediately distribute to each participant all amounts in the participant's account in a single lump-sum payment. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 7. TAX STATUS

Effective January 1, 2022, the Plan adopted a non-standardized form of a pre-approved profit-sharing plan sponsored by Enhanced Retirement Solutions. The pre-approved plan has received an opinion letter from the IRS as to its qualified status. The opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8. CORRECTION OF AN OPERATIONAL FAILURE

During 2021, the Plan identified a total of 51 participants who had discrepancies in their employee contribution deferral percentages as a result of changes not being properly made within the recordkeeping system during the years ended December 31, 2021 and 2020. The Company has corrected these errors through the IRS self-correction program, which totaled \$22,881, during 2021 by contributing those amounts, plus earnings, to the participants. There were no required corrections during the year ended December 31, 2022.

NOTE 9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits as reported on the financial statements to the Form 5500 as of December 31, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits as reported on the financial statements	\$ 5,604,901	\$ 5,016,536
Differences in:		
Investments	19,264	54,631
Notes receivable from participants	<u>(19,264)</u>	<u>(54,631)</u>
Net assets available for benefits as reported on Form 5500	<u>\$ 5,604,901</u>	<u>\$ 5,016,536</u>
