Rocky Mountain Youth Medical & Nursing Consultants, Inc. 401(k) Plan

Thornton, Colorado

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have audited the accompanying financial statements of Rocky Mountain Youth Medical & Nursing Consultants, Inc. 401(k) Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C), which comprise the statement of net assets available for benefits as of December 31, 2022; the related statement of changes in net assets available for benefits for the year then ended; and the related notes to the financial statements ("2022 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("Investment Information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency ("Qualified Institution"), provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a Qualified Institution as of and for the year ended December 31, 2022, stating that the certified Investment Information, as described in Note 3 to the 2022 Financial Statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 Financial Statements, other than those agreed to or derived from the certified Investment Information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("US GAAP").
- The information in the accompanying 2022 Financial Statements related to assets held by and certified to by a Qualified Institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("US GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of the report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with US GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified Investment Information, except for obtaining and reading the certification, comparing the certified Investment Information with the related information presented and disclosed in the 2022 Financial Statements, and reading the disclosures relating to the certified Investment Information to assess whether they are in accordance with the presentation and disclosure requirements of US GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2022 Financial Statements as a whole are presented fairly, in all material respects, in accordance with US GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

2022 Supplementary Schedules Required by ERISA

The supplementary information, as identified in the table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2022 Financial Statements. The supplementary information, other than that agreed to or derived from the certified Investment Information, has been subjected to the auditing procedures applied in the audit of the 2022 Financial Statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2022 Financial Statements or to the 2022 Financial Statements themselves, and other additional procedures in accordance with US GAAS. For supplementary information that agreed to or is derived from the certified Investment Information, we compared such information to the related certified Investment Information.

In forming our opinion on the supplementary information, we evaluated whether the supplementary information, other than the information agreed to or derived from the certified Investment Information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary information, other than the supplementary information agreed to or derived from the certified Investment Information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The supplementary information related to assets held by and certified to by a Qualified Institution agrees to, or is derived from, in all material respects, the information prepared and certified to by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report of the 2021 Financial Statement

The statement of net assets of the Plan as of December 31, 2021 ("2021 Financial Statement") was audited by a predecessor auditor. As permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedure with respect to the information certified by a qualified institution. Their report dated October 17, 2022, indicated that (a) the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects in accordance with US GAAP, and (b) the information in the financial statements related to assets held by and certified to by a qualified institution agreed to, or was derived from, in all material respects, the information prepared by and certified by an institution that management determined met the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

1. PLAN DESCRIPTION

The following description of the Rocky Mountain Youth Medical & Nursing Consultants, Inc. 401(k) Plan ("Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan, which became effective January 1, 1998, is a defined contribution plan covering all eligible employees of Rocky Mountain Youth Medical & Nursing Consultants, Inc. ("Organization"). The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

Eligible employees include all employees, as defined in the plan document, who are at least 21 years old and have completed three months of service.

Contributions

Participants may elect to have a portion of their compensation withheld by the Organization and contributed to the Plan on their behalf as an elective contribution in lieu of receiving such amount as compensation. The Plan is intended to qualify under Section 401(k) of the Internal Revenue Code ("Code"). Deferral contributions cannot exceed certain limits as set forth by the Code (\$20,500 in 2022; \$27,000 for employees age 50 or older in 2022). The Internal Revenue Service ("IRS") adjusts this limitation each year for cost-of-living increases. Participants may change their contribution percentages throughout the year and may cease making contributions at any time. Rollover contributions are accepted, as permitted by the Plan.

The Organization contributes 100% of the first 1% of elective deferrals a participant contributes to the Plan, plus 50% of the next 5% of elective deferrals the participant contributes to the Plan, for a maximum possible matching contribution of 3.5% of eligible compensation.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation, and the rate increases by 1% per year from the third year to the fifth year up to 6% of eligible compensation. Their contributions are invested in an age-weighted fund.

See independent auditor's report.

1. PLAN DESCRIPTION (CONTINUED)

Participant accounts

Each participant's account is increased with the participant's contributions, the Organization's matching contributions and his or her share of plan earnings, and is decreased by the participant's distributions and his or her share of plan losses. Allocations are based on participant earnings or account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Participants are 100% vested in the Organization's matching contributions after two years of service.

Forfeitures

As of December 21, 2022 and 2021, forfeited non-vested accounts totaled \$39,519 and \$33,566, respectively. Forfeitures are used to pay administrative expenses or reduce future employer contributions. During the year ended December 31, 2022, no forfeitures were used to reduce employer contributions.

Notes receivable from participants

The Plan allows participants to borrow from their accounts in amounts ranging from a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest. The term of the loan is a maximum of five years, unless the loan is for the purchase of a primary residence. A participant may have no more than one outstanding note at any one time, unless one note is a principal residence loan amortized for a period greater than five years. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are reclassified as distributions based upon the terms of the plan document.

See independent auditor's report.

1. PLAN DESCRIPTION (CONTINUED)

Payment of benefits

Participants may elect to receive either a lump-sum amount equal to the value of their vested interest or annual installments as defined in the plan document upon retirement, termination of service, death, or disability. A terminated employee with a balance of less than \$5,000 may be automatically paid out by the Plan upon termination. Distributions may be made at the participant's election prior to termination upon attainment of age 59 1/2 or hardship as defined in the plan document.

Plan termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in the Organization's matching contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared using the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("US GAAP") requires the use of estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment valuation

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

See independent auditor's report.

**ROCKY MOUNTAIN YOUTH MEDICAL & NURSING CONSULTANTS,
INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payments of benefits

Benefits are recorded when paid.

Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements.

Tax status

The Plan, which is a prototype plan, obtained its latest advisory letter on June 30, 2020, stating that the prototype plan is qualified under Section 401 of the Code. The IRS stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Code. The Plan has been amended since receiving the opinion letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Plans using prototype documents are no longer required to file for individual determination letters.

US GAAP requires plan management to evaluate income tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the income tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

See independent auditor's report.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent events

Plan management evaluated subsequent events through the date of the attached independent auditor's report, the date these financial statements were available to be issued.

3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Charles Schwab Trust Bank.

	<u>2022</u>	<u>2021</u>
Investments, at fair value:		
Non-interest bearing cash	\$ 126	\$ 1
Mutual funds	<u>6,798,466</u>	<u>8,108,018</u>
Total investments, at fair value	6,798,592	8,108,019
Investments, at contract value:		
Guaranteed investment contracts	<u>940,227</u>	<u>1,067,594</u>
Total investments	<u><u>\$ 7,738,819</u></u>	<u><u>\$ 9,175,613</u></u>
Investment income	<u><u>\$ (1,504,159)</u></u>	

The differences between these amounts and the amounts shown on the accompanying financial statements are primarily related to transactions pending at year end.

4. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce amounts that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used between December 31, 2022 and 2021.

See independent auditor's report.

**ROCKY MOUNTAIN YOUTH MEDICAL & NURSING CONSULTANTS,
INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

4. FAIR VALUE MEASUREMENTS (CONTINUED)

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three levels:

Level 1 - Quoted prices in active markets for identical assets or liabilities

Level 2 - Observable inputs other than prices included in Level 1, such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active; or other inputs that are observable or can be corroborated with observable market data

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities

The valuation methodologies used for assets measured at fair value are as follows:

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Fair value measurements of assets recognized in the accompanying financial statements, measured at fair value on a recurring basis, consist of the following as of December 31,:

	2022		
	Level 1	Level 2	Level 3
Cash	\$ 126	\$ -	\$ -
Mutual funds	6,798,466	-	-

4. FAIR VALUE MEASUREMENTS (CONTINUED)

Fair value measurements of assets recognized in the accompanying financial statements, measured at fair value on a recurring basis, consist of the following as of December 31,:

	2021		
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Cash	\$ 1	\$ -	\$ -
Mutual funds	<u>8,108,018</u>	<u>-</u>	<u>-</u>
	<u><u>\$ 8,108,019</u></u>	<u><u>\$ -</u></u>	<u><u>\$ -</u></u>
			<u><u>\$ 8,108,019</u></u>

5. INVESTMENT CONTRACT

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract ("GIC") with The Standard Insurance Company. The Standard Insurance Company maintains the contributions in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The GIC issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1%. Such interest rates are reviewed on a quarterly basis for resetting. The GIC does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Because the GIC is fully benefit-responsive, contract value is the relevant measure for the GIC, as this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value as reported to the Plan by The Standard Insurance Company represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The contract value of the investment contract as of December 31, 2022 and 2021 was \$940,227 and \$1,067,594, respectively.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

See independent auditor's report.

INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

5. INVESTMENT CONTRACT (CONTINUED)

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that would limit the ability of the Plan to transact at contract value with the participants.

The Standard Insurance Company may terminate the contract with 30 days advance written notice to the contract owner for reasonable cause, which includes the contract owner's failure to abide by state or federal law, failure to render performance necessary to comply with the terms of the contract, failure to maintain assets of at least \$25,000, plan disqualification, and failure to adopt the plan within a reasonable period of time. Upon termination by The Standard Insurance Company, a market value adjustment may apply.

6. PARTIES IN INTEREST

The Organization and several officers or employees of the Organization, as fiduciaries of the Plan, are deemed to be parties in interest. The trustee, third-party administrator, plan auditors, and investment advisors are also parties in interest.

7. RISKS AND UNCERTAINTIES

The Plan provides for various investments. Investments, in general, are exposed to risks, including interest rate, market, and credit risk. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the participants' account balances and potentially the participants' abilities to withdraw funds from certain investment accounts. These risks could impact the amounts reported in the statements of net assets available for benefits.
