Independent Auditor's Report

Plan Administrator
M&W Distribution Services, Inc. Tax-Favored Savings Trust

Scope and Nature of the ERISA Section 103(a)(3)(C)

We have performed audits of the accompanying financial statements of M&W Distribution Services, Inc. Tax-Favored Savings Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Independent Auditor's Report

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditor's Report

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

M&W DISTRIBUTION SERVICES, INC. TAX-FAVORED SAVINGS TRUST NOTES TO FINANCIAL STATEMENTS

1 – Plan Description

The following description of the M&W Distribution Services, Inc. (Company or Plan Sponsor) Tax-Favored Savings Trust (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan established effective January 1, 1982 by the Company to provide retirement benefits to eligible employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility of Participants

Eligible employees, as defined, who have reached age 21 and who have completed six months of service may participate in the Plan on the first day of the month coinciding with or next following the date the eligibility requirements have been met.

Contributions

Participants are allowed to make tax-deferred contributions of their compensation, as defined, up to the maximum amount allowed by the Internal Revenue Code (the Code).

For each pay period, the Company provides a non-elective safe harbor contribution to eligible employees, as defined, of 3% of their compensation, as defined. The Company also provides a discretionary matching contribution of 100% of a participant's salary deferral for the Plan year in excess of 3%, but not exceeding 6%, of such participant's compensation.

The Company may also make a discretionary profit sharing contribution to the Plan that is allocated based on the ratio of each participant's annual compensation, as defined, to the total annual compensation of all eligible participants. No profit sharing contributions were made during 2022.

Participant Accounts

Each participant's account is credited with the participant's contributions, Company contributions, and an allocation of the Plan's investment results. Allocation of the Plan's investment results is based on relative account balances, as defined. Participants may allocate their contributions, at their discretion, among various investment options offered by the Plan.

**M&W DISTRIBUTION SERVICES, INC. TAX-FAVORED SAVINGS TRUST
NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

1 – Plan Description (continued)

Vesting

Participants are immediately vested in their contributions and Company non-elective safe harbor contributions, plus actual earnings thereon. A participant is 100% vested in Company discretionary matching contributions after three years of service, as defined. A participant is 20% vested in Company profit sharing contributions after two years of credited service, as defined, and in increments of 20% for each of the next four years until the completion of the sixth year, when a participant is fully vested.

Distributions

A participant's vested account balance may be withdrawn upon retirement, as defined, termination of employment or death during the Plan year. Distributions are made in the form of a lump-sum payment. Upon written request and approval, participants may withdraw some or all of their elective deferral contributions account balance while still employed, if the withdrawal is necessary due to financial hardship.

Forfeited Accounts

Forfeited non-vested amounts are used to reduce Plan Sponsor contributions to the Plan. As of December 31, 2022 and 2021, forfeited non-vested accounts totaled \$0 and \$4,815, respectively. For the year ended December 31, 2022, forfeitures totaling \$4,871 were used to reduce Plan Sponsor contributions.

Accumulated amounts in an unallocated expense budget account were \$3,532 and \$9,044 at December 31, 2022 and 2021, respectively. Amounts in the account may be used to pay Plan expenses or allocated to participant accounts. During 2021, \$10,441 was credited to the expense budget account and \$15,978 was used to reduce expenses.

Notes Receivable from Participants

A participant may borrow the lesser of 50% of his or her vested account balance or \$50,000. Participants may have one loan outstanding at any given time. A loan is secured by the balance in the participant's account and is repaid through payroll deductions over periods ranging up to five years, unless the loan is used to acquire a principal residence, in which case the loan may be issued for a reasonable amount of time. The interest rate is determined by the plan administrator based on prevailing market conditions, and is fixed over the life of the loan.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

2 – Summary of Significant Accounting Policies

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in their account balances.

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting.

Accounting Pronouncements

New pronouncements issued but not effective until after December 31, 2021, are not expected to have a material impact on the Plan's financial statements or disclosures.

Payment of Benefits

Benefits are recorded when paid.

Cash and Cash Equivalents

The Plan Sponsor considers all highly liquid investments purchased with maturity dates of three months or less to be cash equivalents.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to use estimates that affect the accompanying financial statements and disclosures. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

M&W DISTRIBUTION SERVICES, INC. TAX-FAVORED SAVINGS TRUST
NOTES TO FINANCIAL STATEMENTS (CONTINUED)

2 – Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 3 for further discussion of fair value measurements.

The value of the units of the pooled separate accounts is determined by the issuer of the pooled separate accounts based on the fair market value of the underlying investments.

Interest income is recorded on the accrual basis of accounting. Purchases and sales of investments are recorded on the trade date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

Pursuant to provisions of the Plan, expenses incurred in the administration of the Plan may, but need not, be paid by the Company. If the Company elects not to pay such expenses, these expenses shall be paid by the Plan. Certain recordkeeping fees are paid by the Plan through revenue sharing that the Plan receives indirectly from certain of the Plan's investment options.

Notes Receivable from Participants

Notes receivable from participants represent loans to participants made against their vested balances as permitted by the Plan. Notes receivable from participants are valued at the principal amount outstanding plus any accrued but unpaid interest.

3 – Fair Value Measurements

The Financial Accounting Standards Board ("FASB") Accounting Standards Codification Topic 820 *Fair Value Measurements* ("ASC 820") provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1—Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

3 – Fair Value Measurements (continued)

Level 2—Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3—Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value.

Pooled Separate Accounts—These investments are represented by a unit of account whose per unit value is the result of the accumulated values of the underlying investments. The underlying investments are public investment vehicles valued using the net asset value ("NAV"). The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAVs of the underlying investments are quoted in an active market.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Level 1		Level 2		Level 3		Total
December 31, 2022:							
Pooled separate accounts *	\$	—	\$	—	\$	—	\$ 6,470,945
Total investments at fair value	\$	—	\$	—	\$	—	\$ 6,470,945

* In accordance with Subtopic 820-10, certain investments that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

3 – Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
December 31, 2021:				
Pooled separate accounts *	\$ —	\$ —	\$ —	\$ 12,686,529
Total investments at fair value	\$ —	\$ —	\$ —	\$ 12,686,529

* In accordance with Subtopic 820-10, certain investments that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

4 – Information Certified by the Qualified Institution

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2022 and 2021, net depreciation in fair value of investments, and interest income for the year ended December 31, 2022, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Transamerica Financial Life Insurance Company (Transamerica), the custodian of the Plan.

5 – Income Tax Status

The Company adopted a Prototype Standardized Profit Sharing Plan with a cash or deferral arrangement that received a favorable opinion letter from the Internal Revenue Service (IRS) dated February 1, 2018. The opinion letter stated that the Plan and related trust are designed in accordance with applicable sections of the Code. The Plan itself has not filed for an IRS determination letter. The plan administrator is not aware of any course of action or series of events that have occurred that would adversely affect the qualified status of the Plan.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to audits by taxing jurisdictions; however, there are currently no such audits in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

6 – Transactions with Parties-In-Interest

The Plan engaged in transactions involving the custodian, Transamerica, which is a party-in-interest with respect to the Plan. Notes receivable from participants also qualify as party-in-interest transactions. These transactions are not considered "prohibited transactions" under the Code and are not prohibited by ERISA.

7 – Subsequent Events

The Plan has evaluated events subsequent to December 31, 2022 and through October 10, 2023, the date the financial statements were available to be issued and determined that there were no events that require adjustments to these financial statements.
