## **Independent Auditor's Report**

To the Trustees

Vanguard Industries East 401(k) Plan

Norfolk, Virginia

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Vanguard Industries East 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Vanguard Industries East 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Vanguard Industries East 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Vanguard Industries East 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the

financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Vanguard Industries East 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Vanguard Industries East 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2022 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i- Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **1. DESCRIPTION OF THE PLAN (continued)**

#### **Participants Accounts**

Each participant's account is credited with the participant's contributions, Company matching contributions and plan earnings. The plan benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **Vesting**

Participants are immediately vested in their contributions, Company's contribution portion of their accounts and actual earnings thereon.

#### **Investment Options**

Upon enrollment in the Plan, a participant must direct his or her contributions in any investments offered by the Plan as listed in Schedule H, line 4i-Schedule of Assets (Held at End of Year)

#### **Notes Receivable from Participants**

Participants may borrow from their accounts up to 50% of his or her vested account balance up to a maximum of \$50,000. The minimum loan amount is \$1000. The notes are secured by the balance in the participants' accounts and bear interest at a rate determined by the plan administrator. The notes issued during the current year bear interest at 5.75%. Generally principal and interest are paid ratably through payroll deductions. All loans are required to be repaid within 5 years of the loan unless the purpose of the loan is to acquire a dwelling unit, which is to be used within a reasonable time as the principal residence of the participant.

#### **Payment of Benefits**

Upon retirement, disability, death or termination of employment, the participant shall become entitled to the total value of his or her vested account. Distributions will be paid in a lump sum either directly to the participant or in a rollover to an individual retirement account or another employer plan, based upon election of the participant, as defined in the Plan.

# **VANGUARD INDUSTRIES EAST 401(k) PLAN**

## **NOTES TO FINANCIAL STATEMENTS**

**DECEMBER 31, 2022**

Participants may make withdrawals from their accounts prior to age 59 ½, in the case of hardship. The Plan allows in-service distribution of all or a portion of participants' balances once a participant reaches age 59 ½.

### **Cash Outs of Accounts and Consent to Distribution**

The balance of a terminated participant's account will be transferred to an IRA in situations where the participant is non-responsive to requests to remove their account balance from the plan. This transfer out of the plan will occur for unresponsive terminated participants with account balances of \$1 to \$5000.

### **Operating Expenses**

Substantially all expenses of the Plan are paid by the Company. Loan fees are deducted directly from the participant's account.

### **Forfeited Accounts**

At December 31, 2022 and 2021 forfeited accounts totaled \$1,580 and \$1,692 respectively and will be used to reduce future employer contributions or plan administrative expenses.

## **2. SUMMARY OF ACCOUNTING POLICIES**

### **Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting using accounting principles generally accepted in the United States of America (U.S. GAAP).

### **Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan managers to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

# **VANGUARD INDUSTRIES EAST 401(k) PLAN**

## **NOTES TO FINANCIAL STATEMENTS**

**DECEMBER 31, 2022**

### **Investment Valuation and Income Recognition**

The Plan's investments (except for fully benefit-responsive investment contracts, which are reported at contract value) are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses (realized and unrealized) on investments bought and sold, as well as held during the year.

### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on accrual basis and related fees are recorded as administrative expenses. Delinquent loans are treated as distributions based on the terms of the plan document.

### **Payment of Benefits**

Benefits to participants are recorded when paid.

### **Plan Expenses**

The majority of administrative expenses are paid by the plan sponsor. Fees related to participant loans and investment redemptions are allocated to the specific participants. The plan sponsor bears all other costs related to administering and maintaining the Plan. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

## **NOTES TO FINANCIAL STATEMENTS**

**DECEMBER 31, 2022**

### **3. TRUSTEES**

Effective January 1, 2021 Empower Retirement LLC acquired the retirement business of Massachusetts Mutual Life Insurance Company ("MassMutual"). Great-West Life & Annuity Insurance Company, an affiliate of Empower Retirement LLC administers Group Annuity contract offered by MassMutual for the Plan from January 1, 2021.

Reliance Trust Company ("Reliance") was the trustee/custodian for Plan assets during 2021 and Part of 2022. Empower Trust Company LLC ("ETC") became the new Trustee/Custodian of the plan in 2022.

### **4. FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that Plan has the ability to access.

Level 2: Inputs to valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

# **VANGUARD INDUSTRIES EAST 401(k) PLAN**

## **NOTES TO FINANCIAL STATEMENTS**

**DECEMBER 31, 2022**

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2022 and 2021.

Mutual Funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021

## 5. FULLY BENEFIT-RESPONSIVE CONTRACTS

The Plan entered into a fully benefit-responsive Guaranteed Interest Account (GIA) contract with Massachusetts Mutual Life Insurance Company, provided through a group annuity contract and as of December 31, 2022 contract value of these investments were \$741,564 (2021 \$637,944). Under the terms of the contract, a crediting rate is established half yearly for amounts invested in the GIA (2022 and 2021 1.15%). Participants may direct permitted withdrawal and/or transfer of all or a portion of their account balance at contract value. Contract Value represents contributions plus credited interest less participant withdrawals and fees. Contract Value is also often referred to as "Book Value." This investment option is fully benefit responsive notwithstanding the Contract provisions that limit the ability of the Plan to transact at Contract Value when a market value event occurs.

# **VANGUARD INDUSTRIES EAST 401(k) PLAN**

## **NOTES TO FINANCIAL STATEMENTS**

**DECEMBER 31, 2022**

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract Value, as reported to the Plan by MassMutual, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its obligations may be affected by future economic and regulatory developments.

### **6. CERTIFIED INFORMATION**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Empower Retirement LLC, Reliance Trust Company and Empower Trust Company LLC (2021-Empower Retirement LLC and Reliance Trust Company).

During the year ended December 31, 2022, there were plan transactions involving parties-in-interest, as defined by ERISA. These transactions include loans to participants, the purchase and sale of investments, and the payment of administrative expenses. None of these transactions were prohibited transactions, as defined by ERISA and qualify as exempt party-in-interest transactions.

### 8. PLAN TERMINATION

Although it has not expressed any intent to do so, Vanguard Industries East, Inc. has the right under the plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

## **NOTES TO FINANCIAL STATEMENTS**

**DECEMBER 31, 2022**

### **9. TAX STATUS**

The trust established under the Plan to hold the Plan's assets is qualified in accordance with the appropriate section of the Internal Revenue Code and, accordingly, the Plan's net investment income is exempt from income taxes. Although the Plan has been amended/restated since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### **10. RISK AND UNCERTAINTIES**

The Plan provides for various investment options. These investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and those changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### **11. SUBSEQUENT EVENTS**

Management has evaluated, for potential recognition and disclosure, events subsequent to the date of the statement of net assets available for benefits through October 06, 2023, the financial statements were available to be issued.
