INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
SimCorp USA Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of SimCorp USA Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule 1, as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SIMCORP USA INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the SimCorp USA Inc. 401(k) Plan (the "Plan") for employees of SimCorp USA Inc. (the "Company") is provided for general information purposes only. Participants should refer to the plan agreement for a more comprehensive description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan with salary reduction features which is commonly referred to as a 401(k) plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Employees of the Company are eligible to participate in the Plan on the date they are hired.

The Plan is in the process of operationally being amended to implement certain changes permitted by the Coronavirus Aid, Relief, and Economic Security Act and the Setting Every Community Up for Retirement Enhancement Act of 2019, which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related distributions, suspend required minimum distributions, and delay the commencement date for required minimum distributions. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

(b) Contributions

Participants may make a total contribution of up to 100% of salary on a pretax basis, but no more than the amount permitted by law, which limited participants' contributions to \$20,500 for the year ended December 31, 2022. Participants over the age of 50 were allowed an additional catch-up contribution of \$6,500 for the year ended December 31, 2022, which is the maximum allowed under the provision of the Internal Revenue Code (IRC). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contributions plans (rollovers). The Company may also make a discretionary matching contribution each year. For the year ended December 31, 2022, the Company made discretionary matching contributions of \$797,198.

(c) Participants' Accounts

An individual participant's account is comprised of the participant's contributions, including rollovers, employer contributions, and allocation of plan earnings and administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled, is the benefit that can be provided from the participant's vested account.

(d) Vesting

Participants are immediately vested in their voluntary contributions, matching contributions, and rollover contributions, plus actual earnings thereon and company contribution amounts.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

(e) Investment Options

The plan trustees determine and approve the investment options set up for the Plan. Upon enrollment in the Plan, a participant can direct contributions into various investment options offered by the Plan. The custodian of the Plan is John Hancock Life Insurance Company of New York ("John Hancock"). The custodian invests monies according to participant directions.

(f) Notes Receivable from Participants

Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participants' vested account balances. The period of repayment of any loan shall not exceed five years unless the loan is for the purchase of a primary residence, in which case the loan term shall not exceed 30 years. Loans are secured by the balance in a participant's account and bear interest at a commercially reasonable rate of interest at the beginning of the loan terms, which ranged from 3.25% to 5.50% during the years ended December 31, 2022 and 2021. Effective August 10, 2022, an amendment was made to increase the maximum outstanding loans per participant to two loans.

(g) Payment of Benefits

Under the terms of the Plan, eligible participants are entitled to distributions upon attainment of age 59-1/2, death, disability, or retirement, demonstration of serious financial hardship or termination of services with the employer. Rollover contributions may be withdrawn at any time. The payment of benefits may be made in the form of a single lump-sum amount or periodic installments. The Plan permits for hardship withdrawals of the participant's vested account balance. Permissible circumstances for hardship withdrawals include education expenses, purchase of a principal residence, medical, prevent eviction from a principal residence or foreclosure on the mortgage of a principal residence, payments for burial or funeral expense, and expenses for the repair of damage to a principal residence that would qualify for the casualty deduction under the IRC.

(h) Administrative Expenses

The Plan is administered by the Company. Administrative expenses are paid by the Plan as well as by the Company.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Accounting

The accounting and reporting policies of the Plan conform to accounting principles generally accepted in the United States of America ("GAAP"). The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

(continued)

SIMCORP USA INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(b) Valuation of Investments and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year. See Note 6 for discussion of fair value measurements.

(c) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

(d) Payment of Benefits and Other Costs

Benefits are recorded when paid. Administrative expenses are primarily comprised of record keeping fees. These expenses are paid directly by the Plan. Other expenses related to the Plan are paid directly by the Company and are not reflected in the Plan's financial statements.

(e) Accounting Estimates

The preparation of financial statements in conformity with GAAP requires the Plan's management and custodian to make estimates and assumptions that affect the reported amounts of plan assets and liabilities and disclosure of contingencies, if any, at the date of the financial statements and the reported amounts of additions to, and reductions from, net assets available for benefits during the reporting periods. Actual results could differ from those estimates.

(f) Contributions

Employee contributions and company matching contributions are recorded in the period the participant's salary is earned.

(g) Subsequent Events

The Plan has evaluated subsequent events after December 31, 2022 through October 10, 2023, the date that the financial statements were available to be issued.

SIMCORP USA INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 3 - INFORMATION CERTIFIED BY CUSTODIAN

The plan administrator has elected the method of annual reporting and compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan's custodian, John Hancock, has certified that the following data included in the accompanying financial statements and supplementary information is complete and accurate:

	<u>2022</u>	<u>2021</u>
Investments, at fair value:		
Pooled separate accounts	\$ <u>20,348,025</u>	\$ <u>22,651,749</u>
Total investments, at fair value	\$ <u>20,348,025</u>	\$ <u>22,651,749</u>

During the year ended December 31, 2022, the Plan's investments (including investments bought, sold, and held during the year) depreciated in value by (\$4,193,142).

Notes receivable from participants was \$211,667 and \$181,910 as of December 31, 2022 and 2021, respectively. During the year ended December 31, 2022, the Plan received interest income in the amount of \$6,817 from these notes receivable from participants.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan and/or discontinue its contributions at anytime, subject to the provisions of ERISA. Upon termination, participants will become 100% vested in their accounts, regardless of the vesting schedule in effect at the time of termination.

NOTE 5 - INCOME TAX STATUS

The Plan adopted a Intac Actuarial Services Inc. volume submitter plan (VSP). The Internal Revenue Service (IRS) has determined and informed Intac Actuarial Services Inc., by a letter dated March 31, 2014, that the VSP and related trust are designed in accordance with applicable sections of the IRC. The Plan has been amended since the determination letter was received. However, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently operating in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS

NOTE 6 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Based on the observability of the inputs used in the valuation techniques, the Plan is required to provide the following information according to the fair value hierarchy. The fair value hierarchy gives the highest priority to unadjusted quoted prices in an active market for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). Financial assets and liabilities carried at fair value will be classified and disclosed in one of the following three categories:

- Level 1 - Valuation is based upon quoted prices for identical instruments traded in active markets.
- Level 2 - Valuation is based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market.
- Level 3 - Unobservable inputs supported by little or no market activity for financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination for fair value requires significant management judgment or estimation.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021:

- Pooled separate accounts (PSA) - Valued at net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the investments held by the PSA, less its liability. This practical expedient is not used when it is determined to be probable that the PSA will sell the investment for an amount different than the reported NAV.

In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 6 - FAIR VALUE MEASUREMENTS (Continued)

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments. The redemption notice period is applicable only to the Plan.

December 31, 2022				
Investment	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Arrival
Pooled separate accounts	\$ 20,348,025	N/A	Daily	One day
December 31, 2021				
Investment	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Arrival
Pooled separate accounts	\$ 22,651,749	N/A	Daily	One day

NOTE 7 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds managed by John Hancock, the custodian, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Certain administrative fees related to the administration of the Plan were paid by the Company. These transactions qualify as party-in-interest transactions. Administrative expenses paid by the Plan to John Hancock amounted to \$41,468 for the year ended December 31, 2022.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
