INDEPENDENT AUDITOR'S REPORT

September 15, 2023

To the Administrative Committee of the
403(b) Thrift Plan for Employees of United Way of Greater Rochester
and the Finger Lakes, Inc.:

Opinion

We have audited the accompanying financial statements of the 403(b) Thrift Plan for Employees of United Way of Greater Rochester and the Finger Lakes, Inc. (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the 403(b) Thrift Plan for Employees of United Way of Greater Rochester and the Finger Lakes, Inc. as of December 31, 2022, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the 403(b) Thrift Plan for Employees of United Way of Greater Rochester and the Finger Lakes, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(b) Thrift Plan for Employees of United Way of Greater Rochester and the Finger Lakes, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

INDEPENDENT AUDITOR'S REPORT (Continued)

Responsibilities of Management for the Financial Statements (Continued)

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the 403(b) Thrift Plan for Employees of United Way of Greater Rochester and the Finger Lakes, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(b) Thrift Plan for Employees of United Way of Greater Rochester and the Finger Lakes, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held (at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Compiled 2021 Financial Statement

Plan management is responsible for the accompanying financial statement of the 403(b) Thrift Plan for Employees of United Way of Greater Rochester and the Finger Lakes, Inc., which comprises the statement of net assets available for benefits as of December 31, 2021. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the financial statements of the 403(b) Thrift Plan for Employees of United Way of Greater Rochester and the Finger Lakes, Inc. as of and for the year ended December 31, 2021.

403(B) THRIFT PLAN FOR EMPLOYEES OF UNITED WAY OF GREATER ROCHESTER AND THE FINGER LAKES, INC.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 (AUDITED) AND 2021 (COMPILED)

1. DESCRIPTION OF PLAN

The following description of the 403(b) Thrift Plan for Employees of United Way of Greater Rochester and the Finger Lakes, Inc. (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan available to all employees of United Way of Greater Rochester and the Finger Lakes, Inc. (the Organization) who meet certain eligibility requirements as defined by the Plan document. The Plan is administered by United Way of Greater Rochester and the Finger Lakes, Inc. Mutual of America is the custodian and recordkeeper of the Plan. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974. The initial effective date of the Plan was April 1, 1980.

Eligibility

All eligible employees are able to begin salary deferrals on the first day of the month coincident with or next following the date requirements are met. All employees are eligible to participate and make salary reduction contributions, except for those who are non-resident aliens with no U.S. source income. For employer contributions, a participant is credited with a year of service for eligibility at the end of the first 12 months of employment provided at least 1,000 hours of service are completed in that 12-month period.

Contributions

Active participants may make voluntary contributions in the form of salary reductions. Pre-tax contributions are limited to a maximum contribution of the lesser of 100% of the participant's total compensation for the Plan year or the maximum amount permitted by the Internal Revenue Code (IRC) and any applicable rollovers from other qualified Plans, subject to certain limitations of the Plan and IRC. Eligible participants, that attain the age of 50 before the end of the Plan year, are eligible to make catch-up contributions, subject to certain limitations of the IRC.

The Organization makes employer base contributions equal to 5% of the participant's compensation upon completion of one year of service, even if the participant does not make an elective deferral. Additionally, the Organization makes employer matching contributions of 50% of each participant's elective deferral up to a maximum elective deferral of 6% of their compensation. Age 50 catch-up contributions are eligible for a matching contribution.

The Organization also makes, for those participants who are not highly compensated employees and whose total retirement benefits were projected to decrease by at least ten percent because of the United Way of Greater Rochester Pension Plan freeze, a discretionary contribution each year in an amount determined by the Organization to offset, partially, the decrease in such participant's projected benefits.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Organization's contribution and individual account earnings (losses) on all contributions. Earnings (losses) are based on participant directed investment choices. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN (Continued)

Vesting

Participants are fully vested in their elective deferrals and actual earnings thereon immediately upon participating in the Plan.

Participants hired after January 1, 2011 are subject to a vesting schedule relative to the employer base and matching contributions at 20% each year over a five-year span, at which time they are 100% vested. If there is a break in employment and the participant returns to work within 12 months, the vesting will include the time away from work. If the participant returns to work between 12 months and 5 years later, the participant will maintain their vesting based on prior years of service. Participants hired prior to January 1, 2011 are 100% vested in the employer base and matching contributions.

Payment of Benefits

Vested funds are paid to the participants when they retire or terminate employment with the Organization, upon attaining early retirement age of 55 and completing at least 5 years of service, or normal retirement age of 65. Benefits may be paid out in a single lump-sum, the participant may purchase a uniform monthly annuity to provide retirement income, or a combination of both options.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued interest. Participants may borrow from funds attributable to the participants' employee elective deferral contributions, vested Organization contributions and rollover contributions. Participants may borrow a maximum of \$50,000 or 50% of the participant's vested individual account. Loan repayments may be made at least quarterly and can be made through payroll deduction or a check for prepayment purposes for a term of no longer than 5 years, except for the purchase of a principal residence, which is a reasonable amount of time as determined at the time of the loan. All loans bear interest at 3% higher than the interest rate credited to amounts held in the General Account as collateral. All outstanding loan balances will become due and payable in their entirety upon a participant's death, if the participant begins receiving retirement benefits, if the plan is terminated, or if the participant fails to make a scheduled repayment. An adequate portion of the participant's account is reserved, or held in collateral, to cover 120% of the outstanding loan in case of default. The collateral is held in the Mutual of America Interest Accumulation Account. At December 31, 2022, \$8,952 notes receivable from participants were considered to be in default. There were no notes receivables from participants considered to be in default at December 31, 2021.

Hardship Withdrawals

Prior to age 59 ½, a participant may withdraw his or her participant contributions for reasons of hardship. All hardship withdrawals must comply with the rules relating to hardships which are uniformly applicable to all participants.

Forfeited Accounts

Forfeitures are used to first to pay certain plan expenses, and then to reduce employer contributions. Forfeited accounts were \$36,819 and \$25,349, respectively, for the years ended December 31, 2022 and 2021.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America. (GAAP)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investments

Separate accounts funds are valued at net asset value, which approximates fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for the portion of the net assets available for benefits attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. All investments are participant directed.

Fixed annuity contracts

All amounts allocated to the Mutual of America Interest Accumulation Account become part of Mutual of America's general account. The amount in the Interest Accumulation Account at any time will be equal to the sum of all amounts that have been allocated to such account, including interest credited to the account, less the sum of all amounts that have been withdrawn from such account. Participants' principal and previously credited interest are guaranteed. Mutual of America assumes the investment risk of the underlying investments of the Interest Accumulation Account. This guarantee is subject to Mutual of America's financial strength and claims-paying ability. Mutual of America's general account investment strategy is to maintain high-quality assets with excellent liquidity, strong capital adequacy, and a proper matching of assets and liabilities.

The general account is credited with interest at a rate determined by Mutual of America from time to time, and Mutual of America reserves the right to change the interest rates applicable to amounts held in this account at their discretion, but not below the minimum guaranteed interest rate (ranging from 0.25%-3.0% and 1.0%-3.0%, respectively, for 2022 and 2021).

The interest rate credited to amounts in the general account is a current rate and is not dependent upon the length of time the assets are invested with Mutual of America. Further, requests for withdrawal (subject to Plan provisions) can be made at any time and are processed on the day that they are received; they are not dependent on Mutual of America having to liquidate securities in order to generate a payment. The contract value is the redeemable value of the fund; there are no deferred sales charges, load assessments, interest rate adjustments, or surrender charges that would affect the value as a result of a withdrawal request. Therefore, the amounts held in the general account have been determined to be cash equivalents and are considered fully benefit-responsive.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents, including complete or partial Plan termination or merger with another plan or (2) bankruptcy of the Plan Sponsor. The Plan Administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, political, currency, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

Substantially all administrative expenses associated with the Plan are paid by plan participants. Management fees and operating expenses charged to the Plan are deducted from earnings on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of net appreciation (depreciation) in the fair value of investments. Certain administrative expenses, such as audit and legal fees when applicable, are procured by the Organization.

Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. SEPARATE ACCOUNT FUNDS

The separate account funds' assets are invested in domestic stocks, international stocks, and fixed securities, such as asset or mortgage-backed securities and corporate bonds, and in mutual funds that hold such investments. The Plan utilizes the net asset value (NAV) of the separate account fund as a practical expedient for determining the fair value of the investments. The NAV of the separate account fund is not publicly quoted. The values of the underlying investments are used in determining the net asset value of the separate account. Underlying equity securities have observable quoted pricing inputs. Underlying fixed securities have observable pricing inputs, including quoted prices for similar assets in the active or non-active markets. Underlying mutual funds are valued at publicly quoted pricing inputs.

There are no restrictions in connection with the transfer among or withdrawal from any of the investment alternatives in the separate account, other than that excessively frequent transfers or redemptions might be rejected. Each underlying fund has reserved the right to reject any aggregate purchase of fund shares that it determines to be inconsistent with their fund's policies and procedures relating to market timing.

The separate account funds invest in underlying funds, which have different investment objectives, investments policies, and risks. The investment strategies of these funds will vary based on the participant's chosen risk preferences. The separate account fund does not have any unfunded commitments.

4. PARTY-IN-INTEREST TRANSACTION

The following are considered parties-in-interest based upon their relationship and services they provide to the Plan:

- Plan Participants with outstanding loans
- United Way of Greater Rochester and the Finger Lakes, Inc. - Plan Sponsor
- Mutual of America - Third Party Administrator
- Mutual of America -Trustee and Custodian of Plan Assets
- Bonadio & Co., LLP - Plan Auditor

As such, transactions involving any of the above qualify as party-in-interest transactions.

5. TAX STATUS

The Plan is exempt from federal and state income tax under Section 403(b) of the Code. The Plan is required to operate in conformity with the Code to maintain its tax exemption for Plan participants. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would remain 100% vested in their accounts.

7. RECONCILIATION TO FORM 5500

Certain items have been classified differently between the accompanying financial statements and Form 5500. Net assets available for benefits and the change in net assets available for benefits per the financial statements agreed to Form 5500 in total as of December 31, 2022, and for the year then ended.

8. SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 15, 2023, which is the date the financial statements were available to be issued.
