FINANCIAL STATEMENTS

December 31, 2022 and 2021

INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Adelante Development Center, Inc. 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Adelante Development Center, Inc. 403(b) Retirement Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) Audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021 and the related statements of changes in net assets available for benefits for the years then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) Audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) Audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore, is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period-of-time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) Audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i: Schedule of Assets (Held at End-of-Year) is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Adelante Development Center, Inc. 403(b) Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 1 – DESCRIPTION OF PLAN

General

The Adelante Development Center, Inc. 403(b) Plan (the Plan) was established January 1, 2000 for the benefit of the employees of Adelante Development Center, Inc. (the Company). The Company acts as the Plan discretionary sponsor and administrator. Participants should refer to the Plan document for a more complete description of the Plan.

The Plan is a defined contribution plan covering substantially all employees of the Company. Employees may elect not to participate in the salary deferral program. Employees must have attained age eighteen to be eligible for contributions other than elective deferral contributions. The Plan entry dates for participant deferrals and employer matching contributions occurs immediately upon attaining eligibility.

The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA) of 1974, as amended and is designed to comply with Section 403(b) and the regulations thereunder of the Internal Revenue Code (the Code), as amended.

Contributions

Participants may defer up to 100% of compensation to the allowable limit as prescribed by law as defined in the Plan. For employees who have reached eighteen years of age, the employer makes a matching contribution. The employer created a sliding scale to match participants' elective deferrals based on the amount the participant elected to defer. The employer matches .5% for every 1% of employee salary deferral up to 4%. The max match is 2% of employee compensation.

Employer profit sharing contributions are discretionary. The Company's Board of Directors has determined that there would be no further supplemental distribution of employer funds to the Plan participants beyond the established schedule of employer matching contributions for the 2022 and 2021 Plan years.

Administration

Administration costs incurred by the Plan are generally paid by the Plan sponsor for active employees.

Participant Accounts

Each participant's account is credited with the participant and sponsor contributions, account earnings, gains and/or losses, and their portion of Plan expenses.

Employees can direct that their accounts to be invested in any combination of available funds offered by Charles Schwab Bank. Participants may change their investment options each business day. There are some remaining accounts under a prior vendor, AIG VALIC, as of December 31, 2022 and 2021, respectively.

Employees vest in employer profit sharing contributions evenly over the course of 5 years of service. Participants are always 100% vested in their employee deferrals.

Adelante Development Center, Inc. 403(b) Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 1 – DESCRIPTION OF PLAN – CONTINUED

Notes Receivable from Participants

Participants are allowed to obtain loans from the Plan for their vested interest in the Plan with a minimum of \$1,000 up to a maximum equal to \$50,000 or 50% of their vested account balances, whichever is less. Participants may have one loan outstanding at a time and may not initiate more than two loans in one calendar year. The loans are repaid over a term not to exceed five years unless the purpose of the loan is for the purchase of the principal residence of the Participant in which case the repayment period shall not exceed ten years. The rate of interest to be paid by the Participant must be commensurate with the rate of interest charged on similar commercial loans by persons or institutions in the business of lending money in the same geographic area as the Employer.

Benefits

Upon termination of service, participants may receive their account balance in the form of a lump sum distribution, an annuity payment, or a rollover.

Forfeitures

Profit sharing forfeitures are available to reduce employer contributions. Forfeitures were \$15,608 and \$9,702 in 2022 and 2021, respectively. \$3,091 and \$9 were available to reduce future contributions as of December 31, 2022 and 2021, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared on an accrual basis.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fair Value Measurements

The fair value framework prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

Adelante Development Center, Inc. 403(b) Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Fair Value Measurements – Continued

Level 1 – Unadjusted quoted prices in active markets for identical investments that the Plan has the ability to access at the measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the investment, either directly or indirectly. These inputs may include quoted prices for the identical instrument in an inactive market, inputs other than observable quoted prices, or inputs derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy are based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Investments

Investments of the Plan are stated at fair market value. The fair market value of receivables is the face amount of such accounts. All other investments are valued at quoted market prices, and the participant loans are valued at their outstanding balance. Realized and unrealized gains and losses on investments are reflected in the statements of changes in net assets available for benefits. Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded at the ex-dividend date.

Plan Tax Status

The Plan sponsor initially adopted a prototype Plan, effective January 1, 2000. The Plan was amended and restated on January 1, 2009. The Plan terms have been drafted in reliance on the sample language provided by the Internal Revenue Service (IRS) in Revenue Procedure 2009-71. The IRS does not currently have a determination letter program open to 403(b) plans. The Plan Administrators and the Plan's tax counsel believe the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Plan administration has evaluated its tax positions taken for all open tax years. The Plan is not currently under audit nor has Plan administration been contacted by any tax jurisdictions. Plan administration believes there are no uncertain tax positions related to Plan activities.

Subsequent Events

The Plan has evaluated all events occurring subsequent to December 31, 2022 through October 9, 2023, which is the date that the financial statements were issued, and, if applicable, has disclosed or recognized all events occurring during this period that require either recognition or disclosure in the accompanying financial statements.

NOTES TO FINANCIAL STATEMENTS

NOTE 3 – INFORMATION CERTIFIED BY PLAN CUSTODIAN

Financial information relating to Plan investments as of December 31, 2022 and 2021, as well as investment income, realized and unrealized gains/(losses) on investments and investment transactions, have been certified as complete and accurate by Charles Schwab Trust Bank and the Variable Life Insurance Company (AIG VALIC), the custodians of the Plan as of December 31, 2022 and 2021, and for the years then ended. Therefore, in accordance with the request of the Plan administrator, and as allowed under 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, this information was not subject to auditing procedures generally accepted in the United States of America by the Plan's independent public accountants.

NOTE 4 – FAIR VALUE MEASUREMENT

The following table presents the fair value hierarchy for assets measured at fair value on a recurring basis as of December 31, 2022:

Description	Total	Level 1	Level 2	Level 3

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 4 – FAIR VALUE MEASUREMENT– CONTINUED

The classifications of different types of investments in the preceding tables are determined by evaluating each fund or investment within parameters established by Morningstar investment resource provider.

The following is a description of the valuation methodologies used for assets measured at fair value.

Registered Investment Company Shares and Variable Annuity Contracts – Variable Funds: Valued at the net asset value (NAV) of the shares held by the Plan at the end of the year determined by quoted prices in active markets.

Stable Asset Fund and Unallocated General Accounts: Valued at contract value. See Notes 5 and 6.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 – GUARANTEED INTEREST ACCOUNTS

In prior years, the Plan entered into benefit responsive investment contracts with its previous custodian AIG VALIC. AIG VALIC maintains a portion of the contributions in an unallocated general account. The account is credited with the earnings on the underlying investments less charges for participant withdrawals and administrative expenses. The account is carried at contract value. The contract value, as reported to the Plan by AIG VALIC, is determined by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer. The contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan); (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; (3) bankruptcy of the Plan sponsor or other Plan sponsor events (such as divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan; or (4) the failure of the trust to qualify for exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such value event is probable.

Adelante Development Center, Inc. 403(b) Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 5 – GUARANTEED INTEREST ACCOUNTS – CONTINUED

The AIG VALIC general account is guaranteed to receive a stated rate of interest that is periodically determined by AIG VALIC. Withdrawals made after the first year of the contract are subject to a market value adjustment. All of the Plan's investments in AIG VALIC's general accounts are dated more than one year beyond the contract date and will be subject to the market value adjustment applied to withdrawals.

NOTE 6 – STABLE ASSET FUND

Starting in 2019, the Plan invests in a fully benefit-responsive stable asset fund investment contract with Standard Insurance Company. The contract is included in the financial statements at contract value as reported to the Plan by Standard, which approximates fair value. Consistent with *Accounting Standards Update (ASU) 2015-12 Part I, Plan Accounting: Defined Benefit Pension Plans (Topic 965)*, fully benefit-responsive contracts are measured, presented and disclosed at contract value. Therefore, there is no adjustment to the net assets available for benefits for the difference between contract value and fair value in the accompanying financial statements. The contract value represents contributions made, less withdrawals and administrative expenses, plus interest credited. Daily liquidity at contract value is available for participant contributions and withdrawals.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of the investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. Participants' stable asset fund balances are credited with interest daily, at a single annual effective net interest rate. The guaranteed crediting interest rate is declared by Standard in advance and locked in for the calendar quarter. The interest rate is contractually guaranteed never to be less than 1%. The average yield on the contract on an annualized basis was 2.23% and 2.21% in 2022 and 2021, respectively.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 7 – RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by AIG VALIC and Standard Insurance Company. AIG VALIC, and Standard Insurance Company are the custodians as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions.

NOTE 8 – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of distributions in the financial statements to Schedule H of Form 5500:

	<u>2022</u>	<u>2021</u>

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 9 – EXCESS AGGREGATE CONTRIBUTIONS

Excess aggregate contributions, resulting from the failure of the relevant nondiscrimination tests, were \$1,452 and \$1,216 in 2022 and 2021, respectively, including applicable earnings. The amounts were refunded timely to affected participants.

NOTE 10 – AMOUNTS DUE TO TERMINATED PARTICIPANTS

Plan assets due to participants who have terminated employment were \$2,632,767 and \$1,158,906 in 2022 and 2021, respectively. These participants are no longer eligible to benefit from future employer contributions.

NOTE 11 – RISKS AND UNCERTAINTIES

The Plan provides various investment choices for participants to self-directed accounts. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Secretary for the New Mexico Department of Health mandated temporary closing of businesses that were deemed non-essential and requested citizens of the State to adopt behavioral changes in response to the COVID-19 outbreak in the State. At a national and international level, government restrictions on travel and the behavioral changes by the public due to COVID-19 outbreaks across the globe have negatively impacted various industries and the related world markets. While the disruption was expected to be temporary, there is considerable uncertainty around the duration and ultimate financial impact of these actions.

NOTE 12 – PLAN TERMINATION

Although it has not expressed any intent to do so, the sponsor has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.
