INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Denver Botanic Gardens, Inc. 403(b) Plan
Denver, Colorado

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of Denver Botanic Gardens, Inc. 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Denver Botanic Gardens, Inc. 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- the amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2022 financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Denver Botanic Gardens, Inc. 403(b) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Denver Botanic Gardens, Inc. 403(b) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2022 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Denver Botanic Gardens, Inc. 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Denver Botanic Gardens, Inc. 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - 2022 Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions for the year the ended December 31, 2022 and of assets (held at end of year) as of December 31, 2022, (collectively, "supplemental schedules") are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of Denver Botanic Gardens, Inc 403(b). In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by qualified institutions. Their report dated October 12, 2022 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedule, other than the information in the 2021 supplemental schedule that agreed to or is derived from the certified investment Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determines meets the requirements of ERISA Section 103(a)(3)(C).

General

The Plan is a defined contribution plan sponsored by Denver Botanic Gardens, Inc. (the "Organization" or "Employer"), was established on January 1, 1991, and most recently restated on September 7, 2017 and amended on March 4, 2021, and is designed to provide participants with a means to defer a portion of their eligible compensation for retirement and to provide benefits in the event of disability, death, termination of employment or financial hardship. The Plan is designed to qualify under Section 401(a) and the related provisions of the Internal Revenue Code (IRC) and is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Effective March 27, 2020, the Plan administratively adopted the provisions of the Coronavirus Aid, Relief, and Economic Security (CARES) Act, related to participant loans and distributions. The Plan has until December 31, 2025, to amend the Plan for changes allowed by the CARES Act. The Plan has not been formally amended to adopt these provisions as of the date the financial statements were available to be issued.

An expansion of Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE 2.0") was signed into law on December 29, 2022, as part of the Consolidated Appropriations Act of 2023. The effective dates of provisions within SECURE 2.0 vary through 2026. The Organization has until the end of the first Plan year beginning on or after January 1, 2025, to amend the Plan for the changes related to SECURE 2.0. The Plan has not been formally amended to adopt these provisions as of the date the financial statements were available to be issued.

Plan administration

The Company is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. The Company has delegated certain responsibilities for the operation and administration of the Plan. The Company has contracted with Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company ("Principal") and Empower Trust Company LLC (formerly Great-West Life Annuity Insurance Company) ("Empower"), to serve as the asset custodians (the "Custodians") of the Plan, and affiliates of the Custodians to process and maintain the records of participant data.

1. DESCRIPTION OF THE PLAN (continued)

Eligibility

All employees are eligible to participate in elective deferral contributions immediately upon hire. All full-time, half-time, and part-time employees who have attained the age of 21 and have completed at least 1,000 hours of service are eligible to receive Employer contributions. Participation is voluntary and effective following the date the eligibility requirements are met.

Participant accounts

Each participant's account is credited with the participant's contributions, rollovers, the Company's contributions, an allocation or deduction of Plan earnings or losses, and charged with certain administrative expenses, as applicable. Allocations of investment earnings are based strictly on the participant's selection of investments and timing of purchases and sales. Other allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled can be provided from the participant's vested account balance. Participants direct their contributions and any Employer contributions into various investment options offered by the Plan.

Contributions

Participants may elect to contribute through payroll deductions amounts up to 100% of their annual eligible compensation, as defined by the Plan, on a tax-deferred or after-tax basis as Roth, up to the maximum amount allowed by the IRC. Maximum allowed deferral amounts were \$20,500 in 2022. Participants age 50 or over may also contribute an additional \$6,500 of catch-up contributions to the Plan in 2022.

The Plan includes an automatic salary deferral feature known as an Automatic Contribution Arrangement. Upon meeting eligibility requirements, new participants will be automatically enrolled to defer 3% of eligible compensation, unless the employee affirmatively elects not to participate in the Plan. Automatically enrolled participants will have their contributions invested in the designated default fund until changed by the participant.

The Plan allows participants to make rollover contributions from other qualified employer-sponsored retirement plans or individual retirement accounts.

The Plan provides for discretionary Employer contributions of 6% of a participant's pay rate after one year of service, as defined, regardless of their contribution or participation in the Plan. For the year ended December 31, 2022, the Company made discretionary contributions of \$729,936.

1. DESCRIPTION OF THE PLAN (continued)

Notes receivable from participants

Notes receivable from participants ("Participant Loans") are issued directly from the participant's account balances and are reported as notes receivable from participants in the statements of net assets available for benefits. Participant Loans are a minimum of \$1,000 and may not exceed the 50% of the participant's vested balance up to the maximum of \$50,000 and participants may only have a maximum of one loan outstanding at any time. Participant Loans bear a reasonable rate of interest and the interest rate for Participant Loans is fixed at the time of issuance. Loan terms range from one to five years for general purpose loans and extend up to ten years for principal residence loans. Participant Loans are secured by the remaining vested balance in the participant's account. Spousal Consent is required if participant is married. Interest rates on outstanding participant loans ranged from 5.25% to 9.50% as of December 31, 2022, and have various maturity dates through July 2027.

Vesting

Participants are immediately 100% vested in employee salary deferral and rollover contributions plus actual earnings or losses thereon.

The vesting schedule for the Employer discretionary contributions plus actual earnings or losses thereon is as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 1	0 %
1	20 %
2	40 %
3	60 %
4	80 %
5	100 %

Employees must complete at least 1,000 hours of service during a vesting computation period to be credited with a year of service. A participant's account becomes 100% vested upon death, attaining normal retirement age (the age of 59½) while an employee, retirement due to disability, or termination of the Plan.

1. DESCRIPTION OF THE PLAN (continued)

Payment of benefits

Distributions and withdrawals are payable upon retirement, termination, disability, death or financial hardship, as defined in the plan documents. Balances less than or equal to \$1,000 upon termination will be distributed in a lump-sum payment directly to the participant. Balances greater than \$1,000 but less than or equal to \$5,000 upon termination will be rolled over to an individual retirement plan designated by the administrator if the participant has not requested a distribution. If the account balance is over \$5,000 upon termination, the participant can consent to either a distribution paid in the form of a lump-sum cash payment, a direct rollover into another qualified plan, various installments annuities or postpone payment to a later date and remain in the Plan as described in the plan documents.

Upon attaining the age of 59 ½, participants may, while still employed by the Company, elect to withdraw all or a portion of their vested account balance. The Plan also allows participants to obtain a distribution to satisfy certain immediate and heavy financial needs, as defined in the Plan documents. Immediate and heavy financial needs include: (1) medical expenses; (2) purchase of a principal residence; (3) to prevent eviction from principal residence; (4) to pay for education expenses; (5) funeral expenses; or (6) repair damage on principal residence.

Forfeited accounts

Forfeitures are created when participants terminate employment before becoming fully vested under the Plan. Forfeitures may be used to pay plan expenses or applied to reduce Employer contributions. As of December 31, 2022, forfeited nonvested accounts totaled \$1,738. As of December 31, 2021, there were no forfeited nonvested accounts. During the year ended December 31, 2022, \$13,942 of forfeitures were used to reduce Company contributions and \$442 of forfeitures were used to pay administrative expenses.

Administrative expenses

Administrative expenses are generally paid by the Company but may, at the discretion of the plan administrator, be paid by the Plan. The Plan is not required to reimburse the Company for expenses paid on its behalf. Transaction fees for certain participant initiated activity are charged to the specific account of the participant initiating any such transaction.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting and financial statement presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Denver Botanic Gardens, Inc. 403(b) Plan
Notes to Financial Statements
December 31, 2022 and 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the change therein, and disclosure of contingent liabilities. Actual results could differ from those estimates.

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to certain risks such as interest rate, market, and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that those changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits and changes therein.

Investment valuation and income recognition

The Plan's investments are reported at fair value except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (See Note 4). Contract value is the amount participants receive under the terms of the contract, generally contributions plus interest less distributions and expenses (See Note 5).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Contributions and contributions receivable

Contributions from participants are recorded based on the date the contributions or repayments have been separated from a participant's pay by the Company, which is the pay date. Company's contributions, if any, are recorded in the year earned to coincide with the year in which the Company records the contributions in its general ledger. The Plan records receivables for contributions based upon the contributions recognized, less amounts received by the Plan as of the last day of the Plan year. Rollover contributions from participants are recorded based on the date the contributions are received by the Custodians.

Notes to Financial Statements
December 31, 2022 and 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on when earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses have been recorded as of December 31, 2022 or 2021. Delinquent participant loans are recorded as deemed distributions based upon the terms of the plan documents.

Payment of benefits

Benefit payments are recorded when paid.

Administrative expenses

Expenses are recorded when incurred

Subsequent Events

The Plan has evaluated subsequent events through September 22, 2023, the date the financial statements were available to be issued. Plan management is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIANS (UNAUDITED)

The plan administrator, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to the Plan's investment information, and related activity, certified by the Custodians, determined to be a qualified institution by the plan administrator, as complete and accurate, except for comparing such information to corresponding information included in the Plan's financial statements and supplemental schedule. The Custodians have certified that the following data included in the financial statements is complete and accurate:

- Investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021.
- Net depreciation in fair value of investments, dividends and interest (including interest income from notes receivable from participants) reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Investments and notes receivable from participants reflected on the schedule of assets (held at end of year) as of December 31, 2022.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2022 and 2021.

- Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- Variable Annuities – Valued at NAV of shares, which are valued at accumulation unit value based on the estimated value of the underlying investments, held by the Plan at year-end. The unit value of the fund is calculated daily and available to Plan administrators and client investors. In an effort to reduce market timing and excessive trading shareholders will be locked out of a fund for 90 days if a purchase, sale, and repurchase with that fund is made within a 60-day period.

4. FAIR VALUE MEASUREMENTS (continued)

- Fixed Annuities – The Plan's investments in the Empower Guaranteed funds are reported by Empower at contract value, which approximates fair value. As these investments are contract based, the value is based on contract value adjusted for certain contractual provisions. Contract value represents investments at cost, plus accrued interest income, less amounts withdrawn to pay benefits.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets, by type, at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Fair Value
Mutual Funds	\$ 12,713,426	\$ -	\$ -	\$ 12,713,426
Variable Annuities	-	778,373	-	778,373
Fixed Annuities	-	71,427	-	71,427
	<u>\$ 12,713,426</u>	<u>\$ 849,800</u>	<u>\$ -</u>	<u>\$ 13,563,226</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets, by type, at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Fair Value
Mutual Funds	\$ 14,117,406	\$ -	\$ -	\$ 14,117,406
Variable Annuities	-	1,185,100	-	1,185,100
Fixed Annuities	-	69,715	-	69,715
	<u>\$ 14,117,406</u>	<u>\$ 1,254,815</u>	<u>\$ -</u>	<u>\$ 15,372,221</u>

5. INVESTMENT CONTRACTS

The Plan has a traditional fully benefit-responsive guaranteed investment contract with Principal. Principal maintains the contributions in a general account. The contract provides a guaranteed minimum rate of interest of between 1% and 3%. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit Principal to terminate the agreement prior to the scheduled maturity date.

Denver Botanic Gardens, Inc. 403(b) Plan
Notes to Financial Statements
December 31, 2022 and 2021

5. INVESTMENT CONTRACTS (continued)

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants. The guaranteed investment contract does not permit Principal to terminate the agreement prior to the schedule maturity date.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100% vested in their accounts.

7. PLAN TAX STATUS

The Plan adopted Principal Financial Group Prototype for 403(b) Plans. The IRS issued an opinion letter dated March 31, 2017, that the Prototype plan is designed in accordance with applicable sections of the IRC and is appropriate for use by employers for the benefit of their employees. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified and is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

8. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

ERISA defines party-in-interest similar to a related party under U.S. GAAP, except that ERISA's definition is broader and includes all entities and individuals that provide services to the Plan; however, these entities may not necessarily be related parties. Plan management did not identify any related parties to the Plan that were not also considered to be party-in-interest.

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, and a person who owns 50% or more such employer or employee association or relatives of such persons.

Notes to Financial Statements
December 31, 2022 and 2021

8. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS (continued)

The Custodians utilize omnibus accounts at unaffiliated banks to facilitate transactions for the Plans it services and commingles funds in transit to or from the Plan. The unaffiliated banks charge fees for this service and the Custodians retain, as compensation for services provided to the Plan, any excess interest over the fees charged on amounts earned while certain transactions are pending ("float"). If the bank fees exceed the earnings, the Custodians will pay the excess fees. This applies to both contributions and distributions. Earnings are at institutional money market rates.

Certain Plan investments are managed by the Custodians of the Plan; therefore, the investment transactions qualify as party-in-interest transactions. Notes receivables and the related interest income from participants qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net depreciation in fair value of the investment, rather than a direct payment. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
