Administrative Committee
Freres Lumber Co. Inc. Savings and Profit-Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed audits of the financial statements of Freres Lumber Co. Inc. Savings and Profit-Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Administrative Committee
Freres Lumber Co. Inc. Savings and Profit Sharing Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules of assets held at end of year and reportable transactions for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Administrative Committee
Freres Lumber Co. Inc. Savings and Profit Sharing Plan

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FRERES LUMBER CO., INC. SAVINGS AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Freres Lumber Co., Inc. Savings and Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The sponsoring employer previously established the Plan in 1959, which was amended and restated effective January 1, 2022. The Plan is a defined contribution plan with separate provisions for employer discretionary profit-sharing contributions and employee salary deferrals. The Plan year is the calendar year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Administration

The Administrative Committee is responsible for the oversight of the Plan and determining the Plan's investment offerings. The Plan sponsor has appointed a Plan Administrator to manage the operation and administration of the Plan. The Plan Sponsor has contracted with Principal Life Insurance Company to act as the custodian and Prime Pensions Northwest to act a third-party administrator to maintain the records of participant data.

Eligibility

Employees must be at least eighteen years old to participate in the Plan. The discretionary profit-sharing contribution provisions pertain to all employees after completion of one year of service. Employees eligible for discretionary profit-sharing contributions enter the profit-sharing portion of the Plan on the first day of the year closest to the date in which the one-year service requirement is satisfied. The employee salary deferral provisions pertain to all employees after completion of 60 days of service. Employees eligible for salary deferrals enter the Plan on the first day of the month that next follows the date that the service requirement is satisfied.

Contributions

Under the discretionary profit-sharing contribution provisions, the Plan sponsor, at management's discretion, contributes to the plan from its current profits, before profit sharing contributions and income taxes. These contributions are invested with professional investment managers, as directed by the Plan sponsor.

Under the salary deferral provisions, participants may contribute a portion of their annual wages up to a maximum of 100 percent of their annual wages, but not to exceed the dollar amount limitation as determined by the Internal Revenue Service on a yearly basis. Employee salary deferral contributions are invested in various investment options offered by the Plan, as directed by each participant.

FRERES LUMBER CO., INC. SAVINGS AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Contributions (Continued)

Each year, participants may contribute a portion of their eligible annual compensation, subject to limitations of the Internal Revenue Code (IRC). Participants who will attain age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan allows participants to transfer in, as rollovers, amount they have accumulated in other qualified retirement plans. Rollovers are also invested in various investment options offered by the Plan, as directed by the participant.

Participant Accounts

Under the discretionary profit-sharing contribution provisions, each participant's account is credited with the allocation of the company's contribution, earnings on investments, and forfeitures of terminated participants' nonvested accounts. Allocation of company contributions and forfeitures are based upon the cross-tested method. Plan earnings are based on the performance of the investments in each participant's account. Participant accounts are charged with administrative expenses based on account balances and related to activity in their account. The benefit to which a participant is entitled is the participant's vested account balance. Forfeitures of terminated non-vested account balances are allocated to remaining participants.

Under the salary deferral provisions, each participant's account is credited with the participant's contribution, including amounts rolled over from other qualified plans, and earnings of the participant-directed investment funds. Participant accounts are charged with administrative expenses based on account balances and related to activity in their account.

Vesting

Participants are immediately vested in their salary deferral contributions plus actual earnings thereon. Participants earn one year of service credit upon working 1,000 hours in the calendar year. Vesting in the discretionary profit-sharing contributions, forfeitures, and earnings allocated thereon are based upon years of service as follows:

<u>Years of Service</u>	<u>Percentage Vested</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

FRERES LUMBER CO., INC. SAVINGS AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits

On termination of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. If the participant's vested interest is less than \$1,000 their account balance will automatically be distributed to them. Participants who are fully vested and have attained age 55 may receive the balance of their supplemental contribution account prior to terminating their employment. In the event of a financial hardship participants may receive up to 100 percent of their salary deferrals prior to termination of employment. Additionally, participants may receive their entire salary deferral account balance upon attaining retirement age.

Investment Options

Participants may change their investment options any time throughout the year via the Internet website or by filling out a form provided by the Trustee.

Forfeitures

Forfeitures for the years ended December 31, 2022 and 2021 totaled \$27,192 and \$7,703, respectively. Forfeitures were allocated to the participants in the subsequent year based on their proportionate amount of eligible compensation.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the plan are prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Estimates

The preparation of financial statements in accordance with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends from investments are recorded when received. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment fees charged to the Plan for investments are based on assets invested and are deducted on a daily basis.

FRERES LUMBER CO., INC. SAVINGS AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits

Benefits payments to participants are recorded when paid.

Uncertain Tax Positions

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has determined that the tax effect of any uncertain positions would not be material to the financial statements. Management has determined that there are no uncertain tax positions as of December 31, 2022 and 2021. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the plan sponsor. The plan sponsor pays certain administrative costs including investment management expenses, some third-party administration fees, legal counsel fees and auditing services expenses. Expenses paid by the sponsor are excluded from these financial statements.

Risks and Uncertainties

The Plan invests in a various investment securities. Investments in general are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 3 – CERTIFIED INFORMATION

The investments are held by Principal Life Insurance Company, as trustee. Management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Life Insurance Company, the trustee of the Plan, has certified the completeness and accuracy of:

- Investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021;
- Net depreciation in fair value of investments and dividend and interest income reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2022; and
- Assets reflected on the schedule of assets (Held at End of Year) as of December 31, 2022.

Expenses	(15,226)
Benefits paid to participants	<u>(4,196,068)</u>
	<u>\$ (5,045,396)</u>

NOTE 5 – FAIR VALUE MEASUREMENTS

The fair value measurement standard establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under the standard are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted market prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs, other than quoted prices, that are observable for the asset or liability; and
- Inputs that are derived principally from, or corroborated by, observable market data, by correlation or other means.

FRERES LUMBER CO., INC. SAVINGS AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 5 – FAIR VALUE MEASUREMENTS (Continued)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered Investment Companies – Valued at the closing price reported on the active market on which the individual, or similar, securities are traded.

Collective Investment Trusts – Units held in collective investment trusts (“CIT”) are valued using the net asset value practical expedient (NAV practical expedient) of the CIT as reported by the CIT managers. The NAV practical expedient is based on fair value of the underlying assets owned by the CIT, minus its liabilities, and then divided by the number of units outstanding. The NAV of a CIT is calculated based on a compilation of primarily observable market information. The following is additional information about the investments in CIT.

- Principal LifeTime Hybrid CIT Funds – These funds do not have a redemption frequency, redemption notice period, or redemption restrictions to participants or the Plan Sponsor. They operate similar to mutual funds and are the plan’s target retirement date series.
- Principal Stable Value Z Fund – Participants are generally permitted redemptions without restriction for qualifying withdrawals which typically include death, disability, retirement, termination and loans. For participant-directed transfers to other investment options of the Plan, redemptions to reinvest in options that do not compete with the Fund are permitted without exception. If the participant transfers to a competing investment option, such transfers must be held in a non-competing investment option for a minimum of 90 days before the transfer to a competing option may occur.

Pooled Separate Accounts – Units held in pooled separate accounts (“PSA”) are valued using the net asset value practical expedient of the PSA as reported by the account managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the PSA, minus its liabilities, and then divided by the number of units outstanding. The NAV practical expedient of a PSA is calculated based on a compilation of primarily observable market information.

FRERES LUMBER CO., INC. SAVINGS AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 5 – FAIR VALUE MEASUREMENTS (Continued)

At December 31, 2022 and 2021, the pooled separate accounts and collective investment trusts held by the Plan had a daily redemption frequency and redemption notice period and had no unfunded commitments and no redemption restrictions.

The Plan's investments measured at NAV (practical expedient) as of December 31, 2022 and 2021, consist of pooled separate accounts totaling \$686,399 and \$596,244 respectively, and collective investment trusts totaling \$9,090,341 and \$12,464,649, respectively.

The preceding methods described may produce a fair value calculation that may not be indicative to net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of difference methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level within the fair value hierarchy the Plan's investments at fair value as of December 31, 2022 and 2021:

	Investments at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 13,593,276	\$ -	\$ -	\$ 13,593,276

NOTES TO FINANCIAL STATEMENTS

NOTE 6 – TRANSACTIONS WITH PARTIES IN INTEREST

Principal Life Insurance Company manages investments for the plan. Prime Pensions Northwest provides third party administration services to the Plan. These transactions qualify as exempt party-in-interest transactions.

Expenses paid from plan assets to Principal Life Insurance Company were \$52,048 for the year ended December 31, 2022. Prime Pensions Northwest received payments through revenue sharing from Principal Life Insurance Company in the amount of \$13,644 for the year ended December 31, 2022.

NOTE 7 – TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC).

NOTE 8 – PLAN TERMINATION OR MODIFICATION

The Company intends to continue the Plan indefinitely for the benefit of its participants; however, it reserves the right to terminate or modify the Plan at any time by resolution of its Administrative Committee and is subject to the provisions of ERISA. Upon termination of the Plan, further contributions to the Plan shall cease and all participants who are affected by such termination shall become 100% vested. Net assets available for benefits would be distributed to the participants based on each participant's interest in the Plan.

NOTE 9 – SUBSEQUENT EVENTS

Management has evaluated events subsequent to year end through October 10, 2023, which is the date that the financial statements were available to be issued, for possible disclosure in the financial statements.
