INDEPENDENT AUDITOR'S REPORT

To the Pension Committee
Phillips Lytle LLP Retirement Plan
Buffalo, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Phillips Lytle LLP Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements, as a whole, are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PHILLIPS LYTLE LLP RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following brief description of Phillips Lytle LLP Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan sponsored by Phillips Lytle LLP (the Partnership) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Pension Committee is responsible for oversight of the Plan and monitors investment performance. Further, the Pension Committee is assisted in its oversight of the appropriateness of the Plan's investment offerings by the investment custodians.

In October 2022, the Plan changed custodians to Charles Schwab Trust Bank (Charles Schwab) and recordkeepers to Schwab Retirement Plan Services, Inc. As a result, the type of investments held by the Plan at December 31, 2022 has changed from December 31, 2021. Participants who were invested in the Evergreen group annuity contract under the previous custodian were invested in a New York Life Insurance Company pooled separate account with Charles Schwab. In addition, participants who were invested in the various pooled separate accounts under the previous custodian were invested in similar mutual funds with Charles Schwab.

Eligibility:

Partners and all employees (other than associate attorneys) who have attained age 21 are eligible to participate in the Plan.

Contributions:

Participants may make contributions in the form of a salary reduction, subject to the maximum limits imposed by law. Participants who are fifty years and older are eligible to make catch-up contributions. The Plan also includes a Roth feature whereby participants are able to pay taxes on qualifying contributions when made. The Plan includes an auto-enrollment provision whereby all participants are automatically enrolled in the Plan within one year after they become eligible unless they affirmatively elect not to participate in the Plan annually. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contributions invested in a designated balance fund until changed by the participant. The Plan also provides for an auto escalation feature whereby the participant's deferral rate automatically increases by 1% on each November 1st until a participant's deferral rate reaches 10%. Participants are eligible to also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Contributions are subject to limits imposed by the Internal Revenue Code (the Code).

For those participants that have met the one year of service eligibility requirement as defined in the Plan document, the Partnership matches $\frac{1}{2}$ of the contributions made by employees up to 4% of the participant's compensation plus $\frac{1}{4}$ of the employee contributions in excess of 4% and up to 6% of the employee's compensation, but not more than 2.5% of the participant's compensation.

PHILLIPS LYTTLE LLP RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan (Continued)

Contributions (continued):

The Partnership may decide to make discretionary contributions to the Plan for those participants who have completed at least two years of service as defined in the Plan document. For the years ended December 31, 2022 and 2021, the Partnership made discretionary contributions equal to 7% for employees and 14% for partners of the participant's eligible compensation.

Participant accounts:

Each participant's account is credited with the participant's contributions, Partnership contributions, and an allocation of investment earnings and directly charged for fees related to the processing of benefits and notes receivable from participants and charged with an allocation of other administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants have the option of allocating their contributions among certain investment fund options or into a self-directed brokerage account. Through this self-directed brokerage account, the participant has the ability to purchase various investments including mutual funds, common stocks, corporate bonds and governmental securities.

Vesting:

Participants are immediately fully vested in all participant and Partnership contributions plus actual earnings thereon.

Payment of benefits:

Benefits are payable upon obtaining age 59½, death, disability or retirement. A participant may elect to receive either a lump-sum amount or an annuity based on the value of his or her account.

Notes receivable from participants:

Participants may borrow from their account a minimum of \$1,000 up to a maximum loan equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may not have more than two loans outstanding at any given time and can take out one loan during a twelve-month period. Notes receivable from participants must be repaid within a five-year period. The participant's notes are secured by the participant's vested account balance and bear interest at the prime rate plus 1%. Principal and interest is paid ratably through bi-weekly payroll deductions.

PHILLIPS LYTTLE LLP RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan (Continued)

Administrative expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Partnership. Expenses that are paid by the Partnership are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Note 2. Summary of Significant Accounting Policies

Basis of accounting:

The accompanying financial statements have been prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Investment valuation and income recognition:

Investments are reported at fair value (except for fully benefit-responsive contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Evergreen group annuity contract:

The Plan's investment in the evergreen group annuity contract with Prudential Retirement Insurance and Annuity Company (Prudential Insurance), named the Prudential Guaranteed Income Fund, was a traditional fully benefit-responsive investment contract and, therefore, was reported at contract value. Prudential Insurance maintained the contributions in the general account fund. Prudential Insurance was contractually obligated to repay the principal and a specified interest rate that was guaranteed to the Plan. Contract value reflects contributions, credits for interest, charges for participant withdrawals and administrative expenses.

PHILLIPS LYTTLE LLP RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of Significant Accounting Policies (Continued)

Evergreen group annuity contract (continued):

There were no reserves against contract value for credit risk of the contract issuer or otherwise. Prudential Insurance determined the crediting interest rate semi-annually by considering many factors, including economic and market conditions, the general interest rate environment and the expected and actual return on the portfolio within the general account. The crediting interest rate was not less than 1.5%.

Generally, there were no events that limited the ability of the Plan to transact at contract value with the issuer.

Payment of benefits:

Benefits are recorded when paid.

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan document.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Subsequent events:

Subsequent events have been evaluated through October 4, 2023, which is the date the financial statements were available to be issued.

Note 3. Information Certified

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021, and for the years then ended, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified by Charles Schwab, custodian and trustee of the Plan effective October 2022, Prudential Bank & Trust, F.S.B. (Prudential Bank), trustee of the Plan through October 2022, and Empower Annuity Insurance Company (formerly known as Prudential Retirement Insurance and Annuity Company), custodian of the Plan through October 2022. The Plan Administrator has obtained certifications from the trustee and custodian that information provided to the Plan Administrator by the trustees and custodians related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedule related to the following assets:

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority level to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

PHILLIPS LYTTLE LLP RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 4. Fair Value Measurements (Continued)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts: Valued at the NAV of units of the pooled separate accounts. The NAV is determined by dividing the net assets, at fair value, of the fund by the number of units outstanding on the day of valuation. Pooled separate accounts are comprised primarily of shares of registered investment companies held through sub-accounts of a separate account of an insurance company. The Plan has concluded that the NAV, as adjusted (for mutual fund dividends, mutual fund splits and administrative maintenance charges and other items) and reported by the insurance company, is used as a practical expedient to estimate fair value.

The investments are redeemable daily at the adjusted NAV under agreements with the insurance company. However, it is possible that the redemption rights may be restricted or eliminated in the future. Were the Plan to initiate a full redemption of the underlying investments, the investment advisor reserves the right to temporarily delay withdrawal from the pooled separate accounts to ensure that securities liquidations will be carried out in an orderly business manner.

Participant directed brokerage accounts: Primarily consist of mutual funds, exchange traded funds (ETF), U.S. government securities and interest-bearing cash. ETFs are traded at quoted prices throughout the day and valued at the end of the day at NAV as determined by the fund based upon the fair value of the underlying investments held by the fund less its liabilities. The ETFs are registered with the Securities and Exchange Commission and are deemed to be actively traded. U.S. government securities are valued using pricing models maximizing the use of observable inputs for similar securities.

Note 4. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2022 and 2021.

	2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 106,423,898	\$ -	\$ -	\$ 106,423,898
Participant directed brokerage accounts	22,773,746	2,687,783	-	25,461,529
	<u>\$ 129,197,644</u>	<u>\$ 2,687,783</u>	<u>\$ -</u>	<u>131,885,427</u>
Pooled separate accounts measured at NAV ^(a)				<u>29,658,098</u>
Investments at fair value				<u>\$ 161,543,525</u>
	2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 101,588,887	\$ -	\$ -	\$ 101,588,887
Participant directed brokerage accounts	25,400,693	1,061,945	-	26,462,638
	<u>\$ 126,989,580</u>	<u>\$ 1,061,945</u>	<u>\$ -</u>	<u>128,051,525</u>
Pooled separate accounts measured at NAV ^(a)				<u>49,531,403</u>
Investments at fair value				<u>\$ 177,582,928</u>

(a) In accordance with Accounting Standards Codification Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The pooled separate accounts have a daily redemption frequency and there is no required redemption notice period and no unfunded commitments as of December 31, 2022 and 2021.

Note 5. Party-In-Interest Transactions

A party-in-interest is defined under the Department of Labor's regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer, certain participants, and others. The Plan allows participants to take loans from their accounts in the Plan. Certain notes receivable from participants and income thereon qualify as party-in-interest transactions.

PHILLIPS LYTTLE LLP RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 5. Party-In-Interest Transactions (Continued)

Effective October 2022, Charles Schwab is the custodian and trustee and Schwab Retirement Plan Services, Inc., an affiliate of Charles Schwab, is the recordkeeper. Prudential Bank was the previous trustee and recordkeeper and Empower Annuity Insurance Company (formerly known as Prudential Retirement Insurance and Annuity Company) was the previous custodian. Transactions with these entities qualify as party-in-interest transactions. Fees paid by the Plan for loan origination and recordkeeping services are included as administrative expenses. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment.

Note 6. Tax Status

Effective October 2022, in conjunction with the change in custodians and recordkeepers, the Plan adopted a non-standardized form of a prototype plan sponsored by Schwab Retirement Plan Services, Inc. The prototype plan has received an opinion letter from the Internal Revenue Service (IRS) as to the prototype plan's qualified status dated September 21, 2020. The prototype plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable provisions of the Code.

The IRS had determined and informed the Partnership by a letter dated June 13, 2017 that the Plan, under the previous Plan document, was qualified and the related trust was tax-exempt under the appropriate sections of the Code. The Plan had been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan was designed and was being operated in compliance with the applicable requirements of the Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2019.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Partnership has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, the assets of the Plan would be distributed according to the Plan document.

NOTES TO FINANCIAL STATEMENTS

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9. Reconciliation of Differences between these Financial Statements and the Financial Information Required on Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021 to Form 5500:

	2022	2021
Net assets available for benefits as presented in these financial statements	\$ 162,966,404	\$ 207,958,315
Difference in treatment of deemed distributions on notes receivable from participants on Form 5500 and that used in these financial statements	(22,250)	-
Net assets available for benefits as presented on Form 5500	<u>\$ 162,944,154</u>	<u>\$ 207,958,315</u>

The following is a reconciliation of the increase (decrease) in net assets available for benefits per the financial statements for the years ended December 31, 2022 and 2021 to Form 5500:

	2022	2021
Net increase (decrease) in net assets available for benefits as presented in these financial statements	\$ (45,312,445)	\$ 10,951,943
Difference in treatment of deemed distributions on notes receivable from participants on Form 5500 and that used in these financial statements	(22,250)	-
