Independent Auditors' Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Advanced Healthcare Management, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)" audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for the Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

401(k) Plan (continued)

Opinion (continued)

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's elections of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

401(k) Plan (continued)

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Item 4(a) - schedule of delinquent participant contributions for the year ended December 31, 2022, and Schedule H, Item 4(i) - schedule of assets (held at end of year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter - Supplemental Schedules Required by ERISA (continued)

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2022 and 2021

NOTE 1 • DESCRIPTION OF THE PLAN

The following description of the Advanced Healthcare Management, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Advanced Healthcare Management, Inc. (the "Sponsor") and the related companies, Lafayette LTC, Inc., Union LTC, Inc., Pontotoc LTC, Inc. and Paradigm LTC, Inc., who have one year of service and are age twenty-one or older. One year of service is defined as 1,000 hours of service within a twelve-month period. Empower Retirement served as the Custodian of the Plan during the year. The Sponsor's Board of Directors and the Plan Administrator control and manage the operation and administration of the Plan. The Plan is subject to the Employee Retirement Income Security Act of 1974 ("ERISA").

The Sponsor was founded in 2003 and is headquartered in Magee, Mississippi. Its primary services include helping facilities to provide active, compassionate and cost-effective inpatient short-term rehabilitation services and long-term care to multiple locations throughout Mississippi and Alabama.

Contributions

Participating employees may contribute up to the tax law dollar limit (\$20,500 for 2022 and \$19,500 for 2021) of their compensation to the Plan. Additionally, participants age 50 and older can elect to make additional catch-up deferrals limited to \$6,500 for 2022 and 2021. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Sponsor may elect to make discretionary matching contributions. During 2022 and 2021, the Sponsor elected to make discretionary matching contributions of 50 percent of the participant's elected deferral contribution up to 6 percent of the participant's compensation. Additional discretionary contributions may be contributed at the option of the Sponsor's Board of Directors. During 2022 and 2021, no additional discretionary contributions were made by the Sponsor.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Sponsor's contributions and Plan earnings and is charged with an allocation of service and investment fees expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2022 and 2021

NOTE 1 • DESCRIPTION OF THE PLAN (continued)

Vesting

Participants are immediately vested in their contributions, plus earnings thereon. Vesting in the Sponsor's contribution portion of their accounts, plus earnings thereon, is determined as follows:

<u>Completed Years of Service</u>	<u>Percentage</u>
Less than two years	0%
Two years	20%
Three years	40%
Four years	60%
Five years	80%
Six or more years	100%

Investment Options

Contributions to the Plan are invested in any of the investment funds available under the Plan provisions, in such proportions as directed by the participants. Participants may change investment options at any time.

Payment of Benefits

Benefits are generally payable on termination, retirement, death or disability and hardship distributions based on the participant's vested balance. Hardship withdrawals are limited to the amount of the participant's elected deferral contribution. Benefits may be paid in the form of a lump sum, installments, alternative annuity or ad-hoc distributions.

Forfeited Accounts

Forfeitures, which generally result from employees withdrawing from the Plan prior to vesting in Sponsor contributions and earnings thereon, may be used to reduce the Sponsor's contributions to the Plan or to reduce administrative expenses charged to participant accounts. At December 31, 2022 and 2021, forfeited non-vested accounts available to offset Sponsor contributions or reduce administrative expenses totaled \$1,833 and \$1,975, respectively. During December 31, 2022 and 2021, amounts totaling \$4,555 and \$7,535, respectively, were forfeited and used to reduce Sponsor contributions during the year.

Years Ended December 31, 2022 and 2021

NOTE 1 • DESCRIPTION OF THE PLAN (continued)

Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

Administrative Expenses

Custodial expenses incurred by the Plan are generally paid by the Plan. Fees not paid by the Plan are paid by the Sponsor.

NOTE 2 • SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates. Significant estimates include the fair value measurement of investments. It is at least reasonably possible that the significant estimates used will change within the next year.

Employee and Employer Contributions

Employee deferrals and respective employer matching contributions are recognized as additions to net assets on the date on which such employee deferrals would otherwise have been payable to the participant. Employee rollover contributions are recognized as additions to net assets on the date transferred from other qualified plans.

Investment Valuation and Income Recognition

Investments are stated at fair value (except for the fully benefit-responsive investment contract which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

401(k) PLAN

NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2022 and 2021

NOTE 2 • SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition (continued)

The common collective trust funds are valued at the net asset value per share, or its equivalent, of the funds, which is based on the fair value of the fund's underlying assets.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized and unrealized gains and losses on the Plan's investments are included in net appreciation in the fair value of investments at year-end in the statements of changes in net assets available for benefits.

Concentration of Market Risks

The Plan assets include a significant amount of registered investment companies and common collective trust which invest primarily in marketable equity securities and fixed income securities. Accordingly, the performance of the investments is dependent on the equity and debt securities markets which involve price volatility. Additionally, the registered investment companies and common collective trust may invest in securities with contractual cash flows, such as asset-backed securities, collateralized mortgage obligations and commercial mortgage-backed securities, including securities backed by subprime mortgage loans. The value, liquidity and related income of these securities are sensitive to changes in economic conditions, including real estate value, delinquencies or defaults, or both, and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2022 and 2021, excess contributions to the applicable participants in the subsequent year.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Subsequent Events

Subsequent events were evaluated by the Plan through October 4, 2023, which is the date the financial statements were available to be issued.

NOTE 3 • INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments held at December 31, 2022 and 2021, and net appreciation in fair value of investments for the years ended December 31, 2022 and 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Retirement, the Custodian of the Plan.

NOTE 4 • FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, Fair Value Measurements and Disclosures establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC Topic 820 are described below:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds and money market funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2022 and 2021

NOTE 4 • FAIR VALUE MEASUREMENTS (continued)

The preceding methods may produce a fair value calculation that may not be indicative of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 3,549,327	\$ -	\$ -	\$ 3,549,327
Total investments at fair value	<u>\$ 3,549,327</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,549,327</u>

Assets at Fair Value as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 4,685,746	\$ -	\$ -	\$ 4,685,746
Total investments at fair value	<u>\$ 4,685,746</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,685,746</u>

NOTE 5 • COMMON COLLECTIVE TRUST FUND

The Putnam Stable Value Fund contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value totaling \$134,852 and \$93,909 for December 31, 2022 and 2021, respectively. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. The Plan invests in investment contracts through a collective trust. Contract value for this collective trust is based on the net asset value of the fund as reported by the investment advisor.

401(k) PLAN

NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2022 and 2021

NOTE 5 • COMMON COLLECTIVE TRUST FUND (continued)

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA and premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract or (3) a material misrepresentation or a material amendment to the Agreement without the consent of the issuer.

NOTE 6 • PARTY-IN-INTEREST TRANSACTIONS

During the years ended December 31, 2022 and 2021, certain Plan investments were shares of guaranteed investment contracts, mutual funds managed by the Custodian. These transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan to the Custodian totaled \$48,964 and \$54,173 during 2022 and 2021, respectively.

NOTE 7 • INCOME TAX STATUS

The Plan adopted a non-standardized form of a prototype plan sponsored by Great West Trust Company, LLC. The prototype plan has received an opinion letter dated March 31, 2014, from the Internal Revenue Service as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

The Plan recognizes interest and penalties, if any, related to unrecognized tax benefits as a component of income tax expense. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2022 and 2021

NOTE 8 • NON-EXEMPT TRANSACTIONS

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets, but no later than the 15th business day of the month following the month in which the participant contributions are withheld by the employer. While the Plan remitted all employee contributions to the Plan, contributions of \$14,053 were not remitted within the required time period for the year ended December 31, 2022. The Plan has started the process to correct the matters through the Voluntary Fiduciary Correction Program and make the participant accounts whole.

NOTE 9 • SECURE 2.0 ACT

On December 29, 2022, the Securing a Strong Retirement Act of 2022 ("SECURE 2.0") was signed into law. Some of the retirement plan changes in SECURE 2.0 that may affect the Plan include:

- changes to required minimum distribution age and penalties;
- higher catch up contributions;
- emergency withdrawal flexibility; and
- matching of student loan payments.

Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.
