INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the
Consilio 401(k) Plan and its Participants:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Consilio 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Consilio 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section and our report—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Consilio 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Consilio 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Consilio 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Consilio 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agrees to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CONSILIO 401(k) PLAN

Notes to the Financial Statements As of December 31, 2022 and 2021 and For the Year Ended December 31, 2022

1. DESCRIPTION OF THE PLAN

The following description of the Consilio 401(k) Plan (the Plan) provides only general information. Participants should refer to the summary plan description and plan document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, which was established effective October 15, 2015 by Consilio, LLC (the Company). All employees of the Company are eligible to participate in the Plan except for temporary employees and interns. The Plan covers all eligible employees of the Company who have attained 18 years of age and have completed one month of service. Temporary employees are eligible to participate on the first entry date after they have reached age 21 and completed at least 1,000 hours of service in a year, as defined by the Plan. Eligible employees may begin to participate on the first day of each month upon reaching eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and was amended and restated effective July 1, 2021 to adopt a Cycle 3 pre-approved plan document and an opinion letter from the Internal Revenue Service (IRS). Effective January 14, 2022, the Plan was amended to merge in plan assets totaling \$14,560,284 from the Xcellence, Inc. 401(k) Profit Sharing Plan and to include the predecessor vesting schedules for Xcellence, Inc. 401(k) Profit Sharing Plan participants. Effective March 28, 2022, the Plan was amended to grant predecessor employer service credit to employees of Legility, LLC. Effective August 1, 2022, the Plan was amended to update the listing of participating employers following the acquisitions of Inventus, LLC, Legility Data Solutions, LLC and Legility, LLC by the Plan Sponsor. The Plan was most recently amended effective January 1, 2023, to update the contribution period for Company discretionary matching contributions.

The Company merged the following plans for acquired entities into the Plan:

- Effective December 30, 2015, the Huron Consulting Group 401(k) Plan
- Effective April 1, 2017, the Equivalent Data, LLC 401(k) Plan
- Effective January 1, 2019, the Advanced Discovery Inc. 401(k) Plan
- Effective January 15, 2019, the ALTEP, Inc. Retirement Savings Plan
- Effective June 15, 2019, the DiscoverReady, LLC 401(k) Plan
- Effective January 14, 2022, the Xcellence, Inc. 401(k) Profit Sharing Plan

Participant Contributions

Participants may contribute up to 75% of their compensation, as defined by the Plan, not to exceed the maximum allowable contributions under the Internal Revenue Code (the Code), which totaled \$20,500 for the year ended December 31, 2022. Participants are permitted to make Roth elective contributions to the Plan. The participants' Roth elective contributions are allocated to a separate account maintained for such contributions. Participants are automatically enrolled in the Plan at a 3% pre-tax deferral unless they elect to opt-out or elect a different amount. Participants are automatically escalated by 1% each January 1, up to 75%. Employees who have attained age 50 before the end of the Plan year may make additional catch-up contributions, subject to limitations imposed by the Code, which totaled \$6,500 for the year ended December 31, 2022. Participants are permitted to make rollover contributions into the Plan.

CONSILIO 401(k) PLAN

Notes to the Financial Statements As of December 31, 2022 and 2021 and For the Year Ended December 31, 2022

1. DESCRIPTION OF THE PLAN – cont'd.

Company Contributions

The Company may make discretionary contributions to eligible participants on a payroll basis, with an annual true up after year end. Employees who make deferrals during a payroll period are eligible for Company discretionary matching contributions. For the year ended December 31, 2022, the Company made discretionary matching contributions equal to 50% of eligible employees' first 10% of deferrals on the annual basis. Company discretionary contributions totaled \$9,199,887 for the year ended December 31, 2022. Subsequent to year end, the Company completed the annual true up for the year ended December 31, 2022, totaling an additional \$633,928. This amount is included in Company contributions receivable in the statement of net assets available for benefit as of December 31, 2022.

The Company may make discretionary nonelective contributions to the Plan. Participants that complete at least 1,000 hours of service during the Plan year and are employed by the Company as of the last day of the Plan year are eligible to receive discretionary nonelective profit sharing contributions. The Company did not make any discretionary nonelective contributions during the year ended December 31, 2022.

Participant Accounts

Each participant's account is participant-directed and is credited with the participant's contributions, withdrawals, and allocations of Company contributions, plan earnings, and administrative expenses in accordance with the investment options selected by the participant. Any earnings, losses, and administrative expenses are allocated to participant accounts based upon the balance in each account. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's account balance.

Notes Receivable from Participants

Participants may borrow up to 50% of their vested account balance, not to exceed \$50,000, without regard to the intended use of the funds. The minimum note amount is \$1,000 and each participant may not have more than one note outstanding at any given time. Employees from merged entities who transferred multiple loans were allowed to maintain more than one note but may not take additional notes. The notes are collateralized by a participant's vested account balance. Note repayments are to be made at least quarterly with interest based on rates comparable to those offered by financial institutions at the time of note origination. Notes for reasons other than the purchase of a primary residence are to be repaid within five years. Notes for the purchase of a primary residence are to be repaid within thirty years.

CONSILIO 401(k) PLAN

Notes to the Financial Statements As of December 31, 2022 and 2021 and For the Year Ended December 31, 2022

1. DESCRIPTION OF THE PLAN – cont'd.

Vesting

Participants are immediately vested in their contributions and in all Company qualified matching contributions, plus earnings thereon.

For Company discretionary matching contributions and discretionary nonelective contributions, as well as employees who merged into the Plan from Huron, vesting is based on years of continuous service, as defined by the Plan, according to the following graduated vesting schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	33.33%
2	66.67%
3	100%

For employees who merged into the Plan from the DiscoverReady, LLC 401(k) Plan but did not work an hour of service after June 15, 2019, the discretionary match and discretionary profit sharing contributions will be subject to the following graduated vesting schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	25%
2	50%
3	75%
4	100%

For employees that have balances from the Frozen Safe Harbor Source and Frozen Safe Harbor match, contributions are 100% vested regardless of years of service.

Notes to the Financial Statements As of December 31, 2022 and 2021 and For the Year Ended December 31, 2022

1. DESCRIPTION OF THE PLAN – cont'd.

Vesting – cont'd.

For employees who merged into the Plan from the Equivalent Data, LLC 401(k) Plan and ALTEP, Inc. Retirement Savings Plan but did not work an hour of service after April 1, 2017 and January 15, 2019, respectively, discretionary match and discretionary profit sharing contributions will be subject to the following graduated vesting schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Effective January 14, 2022, for employees who merged into the Plan from the Xcellence, Inc. 401(k) Profit Sharing Plan but did not work an hour of service after January 14, 2022, the discretionary match and discretionary profit sharing contributions will be subject to the following graduated vesting schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	25%
2	50%
3	75%
4	100%

Payment of Benefits

Upon termination of service, death, disability, retirement (age 65), or attainment of age 59 ½, a participant, or the participant's beneficiary in the event of death, is entitled to a distribution of the participant's vested account balance. Distributions from the Plan are payable in the form of a lump sum payment or partial withdrawals; however, distributions of accounts with balances less than \$1,000 must be in the form of a lump-sum distribution. Prior to retirement, distributions from the Plan are payable in the form of a lump sum payment. Upon termination, if a participant's account balance is less than \$5,000, the Plan administrator may elect to automatically distribute the participant's account balance. Upon proof, to the satisfaction of the Plan administrator, of an immediate and heavy financial need, amounts contributed by the participant may be withdrawn for a hardship purpose. Distributions are subject to the applicable provisions of the Plan agreement. Certain income taxes and penalties may apply to withdrawals or distributions prior to age 59 ½. There were no net assets of the Plan allocated to the accounts of participants who had elected to withdraw from the Plan that had not received such distributions as of December 31, 2022 and 2021.

CONSILIO 401(k) PLAN

Notes to the Financial Statements As of December 31, 2022 and 2021 and For the Year Ended December 31, 2022

1. DESCRIPTION OF THE PLAN – cont'd.

Forfeitures

Forfeitures of Company contributions may be applied to pay administrative expenses or to reduce future Company contributions. For the year ended December 31, 2022, there were no forfeitures used to offset Company contributions or pay administrative expenses. Forfeitures available as of December 31, 2022 and 2021 totaled \$407,530 and \$14,996, respectively.

Plan Expenses

Expenses incurred in the administration of the Plan are required to be paid by the Trustee with assets of the Plan unless the Company, at its discretion, elects to pay them. During the year ended December 31, 2022, the Company paid the majority of direct expenses related to the Plan's operations. Administrative expenses totaling \$24,456 were paid directly from the Plan for the year ended December 31, 2022. Loan and distribution fees are paid by the Plan and its participants. Investment related expenses are included in net depreciation in fair value of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for investments in financial instruments that are exposed to risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities may occur in the near term and materially affect the amounts reported in the statements of net assets available for benefits.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's unrealized and realized gains and losses on investments bought and sold as well as held during the year.

CONSILIO 401(k) PLAN

Notes to the Financial Statements As of December 31, 2022 and 2021 and For the Year Ended December 31, 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Fair Value Measurement

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement levels within the fair value hierarchy are based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Participant self-directed investments- interest-bearing cash: Shares of a money market portfolio are valued using amortized cost, which approximates fair value.

Participant self-directed investments- common stock: Valued at the closing price of shares held by the Plan at year-end. Individual securities within the accounts are traded on an active market.

Interests in registered investment companies: Valued at the closing price of the shares held by the Plan at year-end. Funds are traded on an active market.

Interests in common/collective trusts: Valued using the net asset value (NAV) of units held by the Plan at year-end as a practical expedient to estimate fair value.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Fair Value Measurement – cont'd.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Participant self-directed investments	\$ 1,391,120	\$ -	\$ -	\$ 1,391,120
Interests in registered investment companies	26,580,277	-	-	26,580,277

Total Investments, at fair value	\$ 27,971,397	\$ -	\$ -	\$ 154,712,952

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Participant self-directed investments	\$ 1,492,846	\$ -	\$ -	\$ 1,492,846
Interests in registered investment companies	22,753,421	-	-	22,753,421

- (a) In accordance with ASC 820-10, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient to estimate fair value have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Delinquent notes are treated as distributions based on the terms of the Plan agreement. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan evaluated for disclosure any subsequent events through October 11, 2023, the date the financial statements were available to be issued, and determined there were no material events that warrant disclosure, except as disclosed in Note 1.

3. INVESTMENTS

All investment information disclosed in the accompanying financial statements and supplemental schedule, including assets held as of December 31, 2022 and 2021, and interest and dividend income and net depreciation in fair value of investments for the year ended December 31, 2022, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Trustee of the Plan, Fidelity Management Trust Company.

4. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants would become 100% vested in their accounts.

5. PARTICIPANT SELF-DIRECTED ASSETS

The Plan offers a self-directed program to participants allowing them to invest their account balances in any investment, as permitted by the Plan and in accordance with ERISA. Under this type of arrangement, participants may direct investments into the self-directed brokerage program in addition to, or in lieu of, the various investment alternatives offered by the Plan. The Plan's investment in self-directed accounts, consisting principally of interests in cash and common stock, totaled \$741,742 and \$812,046 as of December 31, 2022 and 2021, respectively.

6. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Fidelity Investments Institutional Operations Company, Inc., who acts as Custodian for the Plan. The Custodian is a related entity to the Trustee. The Plan loans funds to its participants according to the applicable provisions of the Plan agreement. The Company provides the Plan with certain accounting and administrative services for which no fees are charged. All such transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

Notes to the Financial Statements As of December 31, 2022 and 2021 and For the Year Ended December 31, 2022

7. INCOME TAX STATUS

The pre-approved plan document, upon which the Plan was designed, received a favorable opinion letter from the IRS dated June 30, 2020, stating that the Plan is qualified under Section 401(a) of the Code and therefore is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. Although the Plan has been amended since the date of the opinion letter, the Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties, and financial statement reporting disclosures. For these benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. As the Plan is tax exempt and has no unrelated business income, the provisions of ASC 740 do not have an impact on the Plan's financial statements. The Plan recognizes interest and penalties on any unrecognized tax exposures as a component of income tax expense. The Plan does not have any amounts accrued relating to interest and penalties as of December 31, 2022 and 2021.

The Plan is subject to routine audits by the IRS and Department of Labor; however, there are currently no audits in progress for any open periods.

8. EXCESS CONTRIBUTIONS PAYABLE

During the years ended December 31, 2022 and 2021, the Plan failed to comply with certain non-discrimination rules. As a result of failing these tests, the Plan was required to refund the excess contributions to certain affected participants. As of December 31, 2022 and 2021, corrections were required to be made totaling \$215,397 and \$489,837, respectively, and are recorded as excess contributions payable in the accompanying statements of net assets available for benefits. Refund payments related to the year ended December 31, 2022 and 2021 were processed in February 2023 and August 2022, respectively.

INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the
Consilio 401(k) Plan and its Participants:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Consilio 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Consilio 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section and our report—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Consilio 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Consilio 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Consilio 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Consilio 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agrees to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).
