Naples, Florida

Dear Plan Administrator:

We have audited the financial statements of David Lawrence Mental Health Center, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2022 and we will issue our report thereon dated October 2, 2023. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter dated April 11, 2023. Professional standards also require that we communicate to you the following information related to our audit.

We are pleased to report that no such disagreements arose during the course of our audit.

### **Independent Auditor's Report**

To the Plan Administrator  
David Lawrence Mental Health Center, Inc. 401(k) Plan  
Naples, Florida

#### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the accompanying financial statements of David Lawrence Mental Health Center, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of David Lawrence Mental Health Center, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

#### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of

America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of David Lawrence Mental Health Center, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about David Lawrence Mental Health Center, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, internal omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of David Lawrence Mental Health Center, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about David Lawrence Mental Health Center, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Supplemental Schedule Required by ERISA***

The supplemental schedule of assets held for investment purposes at the end of plan year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than the agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for

Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**David Lawrence Mental Health Center, Inc. 401(k) Plan**  
**Notes to the Financial Statements**  
**Years Ended December 31, 2022 and 2021**

**Note A - Description of Plan**

The following description of the David Lawrence Mental Health Center, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

**1. General**

The Plan is a 401(k) defined contribution plan and is intended to provide participants with future retirement benefits for those who may qualify for participation therein. The Plan covers all eligible employees of David Lawrence Mental Health Center, Inc. (the "Organization"). Employees become eligible to participate in the Plan after attaining the age of 21, and completing sixty days of service, as defined in the Plan Document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

**2. Plan administration**

The management and administration of the Plan is the responsibility of David Lawrence Mental Health Center, Inc. as Plan Sponsor. The Organization utilizes Fidelity Management Trust Company ("Fidelity Investments") as the trustee and record keeper of all the Plan's assets including substantially all the responsibility for investment, reinvestment, control and disbursement of the funds of the Plan.

**3. Contributions**

Each year, participants may contribute up to the maximum percentage of allowable compensation, as defined in the Plan Document. Participants may also contribute amounts representing distributions (rollovers) from other qualified plans. Participants who have attained age 50 before the end of the Plan year are eligible to make catch up contributions.

The Organization may make a matching contribution for participating employees based on a percentage of the employee contributions. The Organization matches employee contributions, based on a percentage ranging from 5% to 7% of qualified employee compensation and years of service. A participant is not eligible to receive matching contributions until one year from the date of hire. The Plan also allows for a discretionary profit sharing contribution if authorized by the Organization's board of directors. In order for a participant to share in any discretionary profit sharing contributions, they must be employed on the last day of the Plan year, have worked 1,000 hours unless termination is due to death, disability, or retirement. There were no employer discretionary contributions for the years ended December 31, 2022 and 2021.

**4. Participant accounts**

Each participant's account is credited with the participant's contributions, allocations of the Plan's earnings, and Organization contributions, and charged with benefits payments and allocations of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Note A - Description of Plan (continued)**

**5. Vesting**

Participants are immediately vested in their contributions plus actual earnings thereon. The portion of the participant's account attributable to employer matching and discretionary contributions vests 20% after one year credited service, increasing 20%, each of the following year, until 100% vested after five years of service. Participant accounts become fully vested upon retirement, death, or disability regardless of years of service.

**6. Investment options**

Upon enrolling in the Plan, a participant may select investments in various mutual funds and an insurance company fixed interest account. Participants may make changes in their investment elections at any time.

**7. Payment of benefits**

On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or various installment and annuity options as provided by the Plan. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. In-service withdrawals may occur upon demonstration of financial hardship, or after the participants reach age of 59.5 years. If a participant terminates employment and has a vested account balance less than \$5,000, the Plan Administrator will authorize the benefit payment without the participant's consent.

**8. Forfeitures**

Forfeitures are used to pay certain administrative expenses or to reduce the employer contribution requirements. There were \$19,432 and \$22,207 used to reduce employer contributions for the years ended December 31, 2022 and 2021, respectively. Forfeited non-vested accounts as of December 31, 2022 and 2021 totaled \$0.

**9. Notes receivable from participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested balance. Principal and interest is paid ratably through payroll deductions. Note terms for notes under \$2,000 are three years and up to five years for all others. An exception can be made for notes to fund the purchase of a principal residence, for which the note may be repaid over a reasonable period that may exceed five years but not more than fifteen years. Note transactions are treated as a transfer to (from) the investment fund from (to) the participant note fund. The notes are secured by the balance in the participant's account and bear interest at Prime plus 1%.

**Years Ended December 31, 2022 and 2021**

**Note A - Description of Plan (continued)**

**10. Plan termination**

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their accounts.

**Note B - Summary of Significant Accounting Policies**

**1. Basis of accounting**

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The Plan presents in the statements of changes in net assets available for benefits, the net appreciation (depreciation) in the fair value of its investments and consists of the realized gains and losses and the unrealized appreciation (depreciation) of those investments.

**2. Investment valuation and income recognition**

The Plan's assets are primarily invested in mutual funds managed by Fidelity Investments. Investments are reported at fair value. Fair value of a financial instrument is the price that would be received when selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note E for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Changes in fair value, along with realized gain and losses, are reflected as net appreciation (depreciation) in fair value of investments.

**3. Notes Receivable (participant loans)**

Notes receivable are measured at the unpaid principal balance, plus any unpaid accrued, but unpaid interest.

**4. Payment of benefits**

Benefits paid to participants are recorded when paid.

**5. Use of estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

**Years Ended December 31, 2022 and 2021**

**Note B - Summary of Significant Accounting Policies (continued)**

**6. Administrative expenses**

The Plan's administrative expenses are paid by either the Plan or the Organization, as provided by the Plan document. Loan and distribution fees are paid by the individual participants. Certain administrative functions are performed by employees of the Organization at no cost to the Plan. The Plan paid \$56,018 and \$45,629 of expenses for the years ended December 31, 2022 and 2021, respectively.

**Note C - Market risk**

The Plan provides for investments in a variety of investment funds. Investments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

**Note D - Information certified by the Plan's custodian (unaudited)**

As of December 31, 2022 and 2021, the Plan's investments were held by Fidelity Investments, the Plan's custodian. The following is a summary of the Plan's financial information that is included in the financial statements and supplementary schedule, and is based on information certified by the custodian as complete and accurate in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**Notes to the Financial Statements**  
**Years Ended December 31, 2022 and 2021**

**Note E - Fair value requirements**

The Financial Accounting Standards Board ("FASB") has established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access

*Level 2* - Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets

Quoted prices for identical or similar assets or liabilities in inactive markets

Inputs other than quoted prices that are observable for the asset or liability

Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* - Inputs to the valuation methodology are unobservable and significant to the fair value of measurements. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurements. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

*Mutual and Money Funds* - These investments are valued at the daily closing prices as reported by the fund. Mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*ETF Funds* - These investments are valued at the closing price reported on the active market on which the fund is listed. The accounts are classified within level 2 of the valuation hierarchy.

*Stable Value Fund* - These investments are public investment vehicles valued at a fixed or stable value for the NAV as the practical expedient. The accounts are classified within level 2 of the valuation hierarchy.

*Guaranteed Interest Accounts* - These investments are public investment vehicles valued using \$1 for the NAV as the practical expedient. The accounts are classified within level 2 of the valuation hierarchy.

**Note E - Fair value requirements (continued)**

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021. The Plan had \$424 and \$1 financial liabilities as of December 31, 2022 and 2021 respectively.

**David Lawrence Mental Health Center, Inc. 401(k) Plan**  
**Notes to the Financial Statements**  
**Years Ended December 31, 2022 and 2021**

**Note F - Guaranteed investment contract with insurance company**

The Plan holds investments in benefit-responsive investment contracts with Fidelity Investments. Fidelity Investments maintains the contributions in a general account. The account is credited with earnings at a guaranteed rate of interest and charged for participant withdrawals and administrative expenses. The contracts are included in the financial statements at contract value, which approximates fair value, as reported to the Plan by Fidelity Investments at December 31, 2022. Contract value represents contributions made, plus earnings, less participant withdrawals and administrative expenses. Fidelity Investments is contractually obligated to repay the principal and a minimum specified interest rate that is guaranteed to the Plan. The contract may be terminated at any time for the full sum of the Participant Annuity Accounts, subject to a 12-month deferred payment term.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity was provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

**Note G - Exempt party-in-interest transactions**

Certain Plan investments are shares of pooled separate accounts and guaranteed interest contracts managed by Fidelity Investments. As of December 31, 2022, Fidelity Investments was the trustee as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. The Plan paid fees of \$56,018 and \$45,629 for the years ended December 31, 2022 and 2021, respectively.

As of December 31, 2022 and 2021, the Plan held investments of approximately \$274,500 and \$774,000, respectively, in mutual funds and money market funds that were managed by Fidelity Investments.

**Note H - Tax status**

The Internal Revenue Service has determined and informed the Plan Sponsor by a letter dated March 31, 2014, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and it currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken that more likely than not would not be sustained upon examination by the IRS. The Plan Sponsor has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the

financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for the years prior to 2019.

**Note I - Terminated participants still in Plan**

As of December 31, 2022 and 2021, the Plan had 45 and 17 separated participants with deferred vested benefits totaling \$2,022,591 and \$444,713, respectively.

**Note J - Subsequent events**

Management has assessed subsequent events through October 2, 2023, the date on which the financial statements were available to be issued.
