INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants
One Step Up, Ltd. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of One Step Up, Ltd. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of One Step Up, Ltd. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about One Step Up, Ltd. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the One Step Up, Ltd. 401(k) Plan's transactions that are presented and disclosed in the financial statements are in conformity with the One Step Up, Ltd. 401(k) Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of One Step Up, Ltd. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about One Step Up, Ltd. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplementary Information Required by ERISA

The supplemental schedule of Schedule H, Part IV, Line 4i - Schedule of Asset (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ONE STEP UP, LTD. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF PLAN

The following description of the One Step Up, Ltd. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more detailed and complete description of the Plan’s provisions.

GENERAL

The Plan, which became effective on January 1, 1998, is a defined contribution plan covering substantially all employees of One Step Up, Ltd. (the “Plan Sponsor” or “Plan Administrator”), Kidz Concepts, LLC, ACHS Management Corp., ADJFAM and OSU NJ Distribution Center LLC (collectively, the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). The Plan Administrator is responsible for oversight of the Plan, which includes determining the appropriateness of the Plan’s investment offerings and monitoring investment performance.

The Plan investments are administered and held in a trust by the Plan’s Custodian, Principal Life Insurance Company (the “Custodian”).

In February 2022, the Company amended and restated the Plan to comply with the Pension Protection Act restatement requirements.

CORONAVIRUS AID, RELIEF, AND ECONOMIC SECURITY

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) which includes several relief provisions to tax qualified plans and their participants that were put into operation by the Plan at that time. Formal adoption of such provisions of the CARES Act provisions is required to occur on or before December 31, 2025.

ELIGIBILITY

Employees are eligible to participate in the Plan on the first day of the month coinciding with or following the completion of three months of service with the Company and attainment of age 20.

CONTRIBUTIONS

Each year, participants may voluntarily elect to contribute up to 33% of their annual compensation, not to exceed the amount limited by the Internal Revenue Code (“IRC”). Eligible employees may also elect to roll over distributions from a former employer’s qualified retirement plan to the Plan.

ONE STEP UP, LTD. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Roth contributions are permitted.

The Company makes discretionary matching contributions equal to 30% of the employee's elective contributions, but not to exceed 13% of the employee's annual compensation.

For the year ended December 31, 2022, the Company matched employee contributions in the amount of approximately \$313,000.

The Plan has an automatic enrollment feature that enrolls all eligible non-participating employees at a 3% deferral rate, unless the non-participating employee elects not to defer or defers another percentage on any date. The Plan's automatic enrollment feature also includes an automatic salary deferral increase provision. Salary deferral contributions for automatically enrolled participants will automatically be increased by 1% every first of January (or July depending on entry date) up to 13%.

INVESTMENT OPTIONS

Participants direct the investment of their accounts into various funds offered by the Plan. Investment options include publicly traded mutual funds, Common Collective Trusts ("CCT") held by Principal Global Investors Trust Company, and Pooled Separate Accounts ("PSA") wholly owned by Custodian which invest in either a single Principal mutual fund or a non-publicly traded PSA invested in stocks or fixed income securities. Participants in the PSA receive units of participation - not ownership - of the PSA.

The Pension Protection Act created the Qualified Default Investment Alternative ("QDIA") which provides employers a safe harbor from fiduciary risk when selecting an investment for a participant or beneficiary who fails to elect his or her own investment. The Plan has selected the appropriate Principal LifeTime Hybrid Collective Investment Fund as its QDIA.

PARTICIPANT ACCOUNTS

Individual accounts are maintained for each plan participant. Each participant's account is credited with the participant's contribution, the Company's contribution and an allocation of Plan earnings. Each participant's account is charged with withdrawals and plan losses and an allocation of administrative expenses. Allocations are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

VESTING AND FORFEITURES

Participants are immediately vested in their voluntary contributions and the Company's safe harbor contributions plus actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service.

A participant will be vested in the employer's profit sharing contribution in increments, with 100% vesting after four years of credited service. A participant vests in employer matching contributions in increments, with 100% vesting after four years of service.

Forfeitures of terminated participants' nonvested accounts may first be used to pay Plan expenses. Any remaining amounts will be used to reduce employer contributions. There was no balance in forfeited nonvested accounts as of December 31, 2022. Administrative expenses of \$1,863 and employer contributions of \$20,877 were paid from forfeited nonvested accounts for the year ended December 31, 2022.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow a minimum of \$500 and a maximum of the lesser of \$50,000 or 50% of their vested account balance, less any outstanding loan balance. Participants may only be granted two loans during any 12-month period and only three loans may be outstanding at any given time. Loan terms cannot exceed five years, but may extend longer for the purchase of a primary residence, as defined. Loans are secured by the participant's account and bear interest at a fixed rate ranging from 4.25% to 8.50% at December 31, 2022. Principal and interest is paid ratably through bi-weekly payroll deductions.

PAYMENT OF BENEFITS

Participants will receive the full amount of their vested account balances in the event of normal retirement, death or disability. Early withdrawals are permitted at the participant's request after the age of 59-1/2. On termination of service, participants may elect to receive their benefits in a lump sum equal to the value of the participant's vested interest in his or her account, or installments over a period not to extend beyond the life expectancy of the participant or the joint life expectancy of the participant and his or her beneficiary. If the vested amount is \$5,000 or less, the benefit will be paid in a single sum. In accordance with the plan provisions and Internal Revenue Code, participants that have reached the age of 72 or older are required to receive Required Minimum Distributions.

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

HARDSHIP WITHDRAWALS

Prior to termination of employment, a participant may withdraw, subject to the Plan's notice requirements, all or a portion of the value of his or her participant account and the vested value of his or her Company contribution account if the participant has attained age 59-1/2 or becomes totally and permanently disabled, or all of a portion of the value of his or her participant account in the event of demonstrated financial hardship, subject to the Plan's provisions. Withdrawals to which a participant is entitled are the amounts that can be provided by the contributions and income thereon (including net realized and unrealized investment gains and losses) allocated to each participant's account, less allocated expenses.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The Plan's financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

USE OF ESTIMATES

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of the Plan assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when earned. Related fees are recorded as administrative expenses and are expensed when incurred. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a deemed distribution is recorded. Deemed distributions for the year ended December 31, 2022 were \$18,953 and were included in benefits paid to participants in the accompanying statement of changes in net assets available for benefits. No allowance for credit losses has been recorded as of December 31, 2022.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participant the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, Custodian and insurance company.

Net appreciation in fair value of investments includes both realized and unrealized gains and losses bought and sold as well as held during the year, based on the value of assets at the beginning of the year or at the time of purchase during the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are allocated based upon participant account holdings on the record date and are recorded on the ex-dividend payment date.

MANAGEMENT FEES AND OPERATING EXPENSES

Management fees and operating expenses charged to the Plan for investments in mutual funds and PSAs are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees are reflected in net appreciation in fair value of such investments.

PAYMENT OF BENEFITS

Benefit and other distributions are recorded when paid.

ADMINISTRATIVE EXPENSES

The Plan's expenses are paid either by the Plan or the Company as provided by the Plan document. Plan expenses not paid by the Company may be paid out of Plan assets provided that such payment is consistent with ERISA. Such expenses include, but are not limited to, expenses for bonding required by ERISA, administrative services, investment management and trustee services, and other direct costs incurred with respect to the Plan. Expenses that are paid directly by the Company are excluded from these financial statements.

SUBSEQUENT EVENTS

These financial statements were approved by management and available for issuance on October 6, 2023. Management has evaluated subsequent events through this date.

Except as noted below, there were no other events identified requiring recognition or disclosure in the financial statements.

Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

NOTE 4 - FAIR VALUE MEASUREMENTS

GAAP defines fair value, provides guidance for measuring fair value and requires certain disclosures. GAAP discusses valuation techniques, such as the market approach (comparable market prices), the income approach (present value of future income or cash flow) and the cost approach (cost to replace the service capacity of an asset or replacement cost). GAAP provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three broad levels. The following is a brief description of those three levels:

Level 1: Observable inputs such as quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in markets that are not active.

Level 3: Unobservable inputs that reflect management's own assumptions.

The following is a description of the valuation methodologies used for the investments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

MUTUAL FUNDS

Shares of publicly traded mutual funds for which quoted market prices are available on an active market have been classified as Level 1 investments.

POOLED SEPARATE ACCOUNTS ("PSAs")

The fair value of pooled separate accounts is based on net asset value (NAV) of the underlying assets (mutual funds) that are traded on active markets, held in pooled separate accounts by the Plan. The NAV, as provided by the Custodian, is used as a practical expedient to estimate fair values. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. For these funds there are no unfunded commitments, redemption restrictions, and participants can transact daily.

COMMON/COLLECTIVE TRUSTS ("CCTs")

CCTs consist of a variety of Collective Investment Trusts ("CITs") invested in collective trust funds including a stable value fund, separate accounts, and mutual funds. The fair value of these investments is used to determine the NAV of the underlying units of the CITs.

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

COMMON/COLLECTIVE TRUSTS ("CCTs") (CONTINUED)

CCT's are valued at the NAV of units of the collective fund. The NAV, as provided by the Custodian, is used as a practical expedient to estimate fair values. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The following table summarizes the Plan's investments, measured at fair value on a recurring basis. These assets are classified in their entirety based on the lowest level input that is significant to the fair value measurement. Plan management's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect their placement within the fair value hierarchy levels.

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

- (a) In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) using the practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

INVESTMENTS MEASURED USING THE NAV PER SHARE PRACTICAL EXPEDIENT

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021.

Pooled Separate Accounts	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
December 31, 2022	\$ 7,028,003	N/A	Daily	None
December 31, 2021	\$ 9,608,885	N/A	Daily	None
Common/Collective Trusts	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

The Plan holds units of PSA managed by Principal. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA. Fees for participants level across each investment option and classify separately as administrative expenses. Accordingly, the Plan paid Principal contract administration fees of approximately \$91,000 for the year ended December 31, 2022.

Certain officers and employees of the Company (who may also be participants in the Plan) perform administrative services related to the operation, recordkeeping and financial reporting of the Plan.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS (CONTINUED)

The Company pays the salaries of these individuals and also pays other administrative expenses on behalf of the Plan. Certain fees, to the extent not paid by the Company, are paid by the Plan.

Pensionmark Financial Group, LLC is the investment advisor. The Plan participants indirectly paid fees from their investment returns totaling approximately \$53,000 to the investment advisor for the year ended December 31, 2022. These amounts are included within net appreciation in fair value of investments.

Notes receivable from participants are also party-in-interest transactions.

NOTE 6 - TAX STATUS

The Company adopted a pre-approved prototype plan offered by the Plan's Custodian. The IRS has determined that the prototype plan, by letter dated June 30, 2020, is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan will be allocated to participant accounts and distributed in such a manner as the Company may determine.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict.

NOTES TO FINANCIAL STATEMENTS

NOTE 8 - RISKS AND UNCERTAINTIES (CONTINUED)

Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

The Plan invests in securities with contractual cash flows, such as asset-backed securities, collateralized mortgage obligations and commercial mortgage-backed securities, including securities backed by subprime mortgage loans. The value, liquidity and related income of these securities are sensitive to changes in economic conditions, including real estate value, delinquencies or defaults, or both, and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates.

NOTE 9 - CONCENTRATION

Three investments represented 26%, 11%, and 10% of the net assets available for benefits as of December 31, 2022. Two investments represented 28% and 10% of the net assets available for benefits as of December 31, 2021.
