We have performed an audit of the accompanying financial statements of World Relief 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of World Relief 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of World Relief 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**To the Board of Directors of  
World Relief 401(K) Plan  
Baltimore, Maryland**

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about World Relief 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of World Relief 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about World Relief 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

**To the Board of Directors of  
World Relief 401(K) Plan  
Baltimore, Maryland**

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Supplemental Schedule Required by ERISA**

The supplemental schedule of Form 5500, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# WORLD RELIEF 401(K) PLAN

## NOTES TO FINANCIAL STATEMENTS

December 31, 2022

---

### (1) THE PLAN

#### **GENERAL**

The following description of the World Relief 401(K) Plan ("**Plan**") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### **A. General**

The Plan, adopted April 15, 2007, is a defined contribution pension plan covering substantially all employees of the Plan Sponsors, National Association of Evangelicals ("**NAE**") and its subsidiary, World Relief Corporation of National Association of Evangelicals, (collectively the "**Company**") who are United States citizens or resident aliens. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (**ERISA**). All full-time employees who have attained age 21 and completed 3 months of service by the end of a twelve-month period are eligible to participate. Part-time employees are eligible to participate in the Plan after completing 1,000 hours of service during the Plan year.

#### **B. Contributions**

1. **Salary Reduction Contributions** – For plan year ended December 31, 2022, the maximum allowable elective deferral was \$20,500. Participants who have attained age 50 before the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.
2. **Matching Contributions** – The Company may provide a discretionary matching contribution to be determined by the Company each year. A participant is eligible for matching contributions only if they have made contributions. The Company may designate all or a portion of these contributions as "*qualified*" for Internal Revenue Code non-discrimination purposes. For plan year ended December 31, 2022, the Company made matching contributions equal to 100% of the first 4% of employee salary deferrals, then .25% for each additional percent of deferrals, capped at 5.5%
3. **Discretionary Contributions** – The Company may provide a discretionary contribution to NAE employees. A participant must have completed at least 1,000 hours of service during the Plan year and be employed as of the last day of the Plan year to be eligible to receive any discretionary contributions for the year. The Company may designate all or a portion of these contributions as "*qualified*" for Internal Revenue Code non-discrimination purposes. For plan year ended December 31, 2022, the Company made discretionary contributions equal to 4% employee salaries.

#### **C. Participant Accounts**

Participants are provided a selection of mutual funds in which to invest contributions. Each participant's account is credited with the contributions described in B. Earnings are credited to each participant's account, which are distributed by the respective mutual funds. Each investment account is revalued daily on the basis of fair market value. Periodic statements are provided to all participants.

## **401(K) PLAN**

### ***NOTES TO FINANCIAL STATEMENTS – (Continued)***

**December 31, 2022**

---

#### ***D. Investment Options***

Upon enrollment in the Plan, a participant may direct all future employee and employer contributions into any of the investment options which provide a spectrum of investment strategies.

#### ***E. Payment of Benefits***

A participant's vested benefits will normally be distributed to the participant or the participant's beneficiary upon the retirement, disability or death of the participant.

#### ***F. Administration***

The Company is the administrator of the Plan. Fidelity Management Trust Company is the Plan's trustee and provides custodial and investment management services with respect to the net assets of the Plan, maintains the individual participant account records and advises the Plan on other matters related to the operation of the Plan.

#### ***G. Vesting***

Participants are fully vested in rollover contributions, employee contributions, qualified matching contributions, qualified nonelective contributions and earnings thereon. Matching contributions, nonelective company contributions and any earnings thereon will be fully vested after 5 years.

#### ***H. Participant Loans***

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account and bear interest ranging from 4.25% to 8.0%, which is commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through monthly payroll deductions.

#### ***I. Forfeited Accounts***

Forfeited non-vested accounts are used to reduce employer contributions and expenses. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$53,338 and \$52,785, respectively. \$109,799 of forfeited balances were used to offset employer contributions in 2022.

#### ***J. Hardship Withdrawals***

Participants may withdraw their employee contributions and rollover contributions if applicable in the form of a hardship withdrawal to satisfy an immediate and heavy financial need as defined by the Plan. The participant must first exhaust all other assets reasonably available prior to obtaining a hardship withdrawal including obtaining a loan from the Plan. The hardship distribution cannot be in excess of the need.

## NOTES TO FINANCIAL STATEMENTS – (Continued)

### (2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### ***BASIS OF ACCOUNTING***

The financial statements of the Plan are prepared under the accrual basis of accounting.

#### ***USE OF ESTIMATES***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### ***OPERATING EXPENSES***

All expenses of maintaining the Plan are paid by the Company.

#### ***INVESTMENT VALUATION AND INCOME RECOGNITION***

The Plan's investments are in shares of registered investment companies and are stated at fair value. Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. The Plan's investments in contracts with financial institutions are valued at amortized cost which approximates fair value. Participant loans are valued at cost, which approximates fair value.

#### ***PAYMENT OF BENEFITS***

Benefits are recorded when paid.

### (3) INVESTMENTS

The Plan's investments are held in a directed trust. There are several investment options available to the participants at the time of this report. Participant accounts are allocated based on the decisions of the individual participants. The following information included in the accompanying financial statements was obtained from data that has been prepared and certified as complete and accurate by the Plan's trustee:

|                            | <b><u>2022</u></b>   | <b><u>2021</u></b>   |
|----------------------------|----------------------|----------------------|
| Investments at fair value: |                      |                      |
| Mutual Funds               | \$ 20,571,700        | \$ 23,653,549        |
| Common Collective Trust    | <u>212,335</u>       | <u>196,125</u>       |
|                            | <u>\$ 20,784,035</u> | <u>\$ 23,849,674</u> |

The Plan utilized various methods to measure the year-end value of its investments on a recurring basis. Generally accepted accounting principles establish a hierarchy that prioritizes inputs to valuation methods. The three levels of inputs are described below:

Level 1 – Unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

# WORLD RELIEF

## 401(K) PLAN

### NOTES TO FINANCIAL STATEMENTS – (Continued)

December 31, 2022

Level 2 – Observable inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. These inputs may include quoted prices for the identical instrument on an inactive market, prices for similar instruments, interest rates, prepayment speeds, credit risk, yield curves, default rates and similar data.)

Level 3 – Unobservable inputs for the asset or liability, to the extent relevant observable inputs are not available, representing the Plan's own assumptions about the assumptions a market participant would use in valuing the asset or liability, and would be based on the best information available.

The inputs methodology used for valuing securities are not necessarily an indication of the risk associated with investing in those securities.

The summary of inputs used to value the Plan's assets that are carried at fair value as of December 31, 2022 and 2021 are as follows:

| <b>2022</b>             |                     |                                             |                                                                           |                                                                   |

There were no transfers between Level 1 and Level 2 during the year ended December 31, 2022.

#### (4) PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

#### **(5) TAX STATUS**

The trust, established under a prototype plan to hold the Plan's assets, is qualified pursuant to the appropriate section of the Internal Revenue Code, and, accordingly, the trust's net investment income is exempt from income taxes. The Plan sponsor believes that the Plan continues to qualify and to operate as designed.

Management has reviewed the tax positions for each of its open tax years (2019 – 2021) or expected to be taken in the Plan's 2022 tax return and has concluded that there are no uncertain tax positions that would require recognition in the financial statements.

#### **(6) RISKS AND UNCERTAINTIES**

The Plan invests in shares of registered investment companies which employ various investment strategies. The investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

#### **(7) PARTY-IN-INTEREST TRANSACTIONS**

Certain administrative costs of the Plan are paid by the employer/sponsor.

#### **(8) SUBSEQUENT EVENTS**

Subsequent events were evaluated through September 6, 2023, which is the date the financial statements were available to be issued.
