INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Goodwill Industries of Erie, Huron, Ottawa and Sandusky Counties, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Goodwill Industries of Erie, Huron, Ottawa and Sandusky Counties, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined permissible in the circumstances, has elected to have the audits of Goodwill Industries of Erie, Huron, Ottawa and Sandusky Counties, Inc. 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Capital Bank and Trust Company, the trustee of the plan, a qualified institution, as of and for the year ended December 31, 2022, stating that the certified investment information, as identified in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule as listed in the table of contents as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GOODWILL INDUSTRIES OF ERIE, HURON, OTTAWA AND SANDUSKY COUNTIES, INC. 401(K) PLAN

Notes to Financial Statements Years Ended December 31, 2022 and 2021

NOTE A - DESCRIPTION OF PLAN

The following description of Goodwill Industries of Erie, Huron, Ottawa and Sandusky Counties, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Goodwill Industries of Erie, Huron, Ottawa and Sandusky Counties, Inc. (the Organization, Plan Sponsor, and Plan Administrator) who have completed one year of service, are at least 21 years old, and who are not represented by a collective bargaining unit as defined by the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Participants may elect to defer up to 100% of their compensation as defined by the Plan on either a pre-tax or after-tax basis. The Plan also provides for catch-up contributions for participants who reach the age of 50 by the end of the Plan year. The Plan provides for a discretionary employer matching contribution to each participant, which was 100% of the first 2% of compensation that a participant earned for the year ended December 31, 2022. The Plan provides for the acceptance of rollover contributions from other plans qualified under the Internal Revenue Code (the Code). Participants direct the investment of their contributions into various options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Organization's contributions as well as an allocation of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based upon participant account earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled to receive is the benefit that can be provided from the participant's vested account.

Notes to Financial Statements Years Ended December 31, 2022 and 2021

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their deferral contributions and rollover contributions plus actual earnings thereon. Vesting in the Organization's discretionary matching contribution portion of their accounts plus actual earnings thereon vest based on years of continuous service after one year at a rate of 20% per year. A participant is 100% vested after five years of credited service.

Payment of Benefits

Benefits are payable to participants upon attaining age 59½, termination, or disability. Participants may elect to receive a lump-sum amount equal to the value of the participant's vested account, or partial payments based upon the terms of the Plan document. If the value of the vested benefits credited to a participant's account is \$5,000 or less at the time of termination, the entire amount will automatically be distributed to the participant without the participant's consent.

Active participants may request hardship withdrawals of their elective deferral account balances, subject to Plan provisions.

Forfeited Accounts

Forfeitures may be used to reduce future Organization contributions. Unallocated forfeiture balances as of December 31, 2022 and 2021 were \$1,888 and \$944, respectively. No forfeitures were used to reduce employer contributions for the year ended December 31, 2022.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an ordinary transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the trustee. See Note D for discussion of fair value measurements.

Investment Income Recognition

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

GOODWILL INDUSTRIES OF ERIE, HURON, OTTAWA AND SANDUSKY COUNTIES, INC. 401(K) PLAN

Notes to Financial Statements Years Ended December 31, 2022 and 2021

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions

Participant and employer contributions are recorded and credited to each participant's account as received by the trustee from the Organization. Any contributions attributable to the Plan year but not received by the trustee by the last day of the Plan year are recorded as a receivable.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Fees related to the administration of benefits paid to participants are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments on the accompanying statement of changes in net assets available for benefits.

Income Taxes

The Plan adopted a volume submitter 401(k) profit sharing plan with a cash or deferred arrangement which received an opinion letter from the IRS dated March 31, 2014, stating that the Plan was designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the opinion letter, the Plan Sponsor believes that the Plan is designed and is current being operated in compliance with applicable requirements of the Code and therefore believes the Plan is qualified and tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

GOODWILL INDUSTRIES OF ERIE, HURON, OTTAWA AND SANDUSKY COUNTIES, INC. 401(K) PLAN

Notes to Financial Statements Years Ended December 31, 2022 and 2021

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

The Plan has evaluated subsequent events through October 10, 2023, the date which the financial statements were available to be issued.

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023, which included SECURE 2.0 Act of 2022 (SECURE Act 2.0). SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the Plan Administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2022 financial statements.

NOTE C - CERTIFICATION

Investment information disclosed in the accompanying financial statements and ERISA required supplemental schedule, including investments held at December 31, 2022 and 2021, and net depreciation in the fair value of investments and dividends for the year ended December 31, 2022 was obtained by management and agreed to or derived from information certified as complete and accurate by the trustee.

NOTE D - FAIR VALUE MEASUREMENTS

The three levels of the fair value hierarchy, which are based upon the inputs used to measure fair value, are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical unrestricted assets or liabilities (for example, exchange quoted prices).

Level 2 - Inputs to the valuation methodology are observable inputs, other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices in markets that are not sufficiently active to qualify as Level 1, other observable inputs, or inputs that can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs to the valuation methodology are significant to the fair value measurement and unobservable (for example, supported by little or no market activity).

GOODWILL INDUSTRIES OF ERIE, HURON, OTTAWA AND SANDUSKY COUNTIES, INC. 401(K) PLAN

Notes to Financial Statements Years Ended December 31, 2022 and 2021

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

Financial assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

The Plan's investments accounted for at fair value as of December 31, 2022 are summarized below:

	<u>Level 1</u>	<u>Total</u>
Money market fund	\$ 2,240	\$ 2,240
Mutual funds	<u>674,619</u>	<u>674,619</u>
Total investments at fair value	<u>\$ 676,859</u>	<u>\$ 676,859</u>

The Plan's investments accounted for at fair value as of December 31, 2021 are summarized below:

	<u>Level 1</u>	<u>Total</u>
Money market fund	\$ 1,191	\$ 1,191
Mutual funds	<u>680,852</u>	<u>680,852</u>
Total investments at fair value	<u>\$ 682,043</u>	<u>\$ 682,043</u>

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021.

The money market fund and mutual funds are valued at the net asset values of shares held by the Plan at year end as reported on the active markets in which the investments are traded.

The method described above may produce fair value calculations that may not be indicative of net realizable values or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of a different methodology or assumptions to determine the fair values of certain financial instruments could result in different fair value measurements as of the reporting date.

GOODWILL INDUSTRIES OF ERIE, HURON, OTTAWA AND SANDUSKY COUNTIES, INC. 401(K) PLAN

Notes to Financial Statements Years Ended December 31, 2022 and 2021

NOTE E - PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their total participant account balances.

NOTE F - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risks associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and amounts reported in the statement of net assets available for benefits.

NOTE G - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest transactions include investments in the funds managed by American Funds, an affiliate of Capital Bank and Trust Company, the trustee of the Plan, and the related dividend income and payment of administrative expenses by the Plan. Such transactions are exempt from being prohibited transactions.
