We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Aurora Home Care, Inc. 401(k) Profit Sharing Plan and Trust's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Aurora Home Care, Inc. 401(k) Profit Sharing Plan and Trust's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Aurora Home Care, Inc. 401(k) Profit Sharing Plan and Trust's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Aurora Home Care, Inc. 401(k)  
Profit Sharing Plan and Trust**

Notes to Financial Statements  
December 31, 2022

**NOTE 1 - DESCRIPTION OF PLAN**

The following description of the **Aurora Home Care, Inc. 401(k) Profit Sharing Plan and Trust** (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan covering substantially all full-time employees of **Aurora Home Care, Inc.** (the Company or Plan Sponsor) who have one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions**

Employees who are eligible to participate in the Plan may elect to defer, through payroll deductions, a portion of their compensation up to the maximum dollar amount allowable by law through both employee pre-tax and post-tax (ROTH) contributions. The maximum deferral was not to exceed \$20,500 (\$27,000 for participants fifty years of age and older) for the Plan year beginning January 1, 2022. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). The Plan was amended effective January 1, 2021. Under the provisions of the amended Plan, the Company elects to provide a matching contribution beginning January 1, 2021.

The Company contributes \$0.25 for each \$1.00 of a participant's contribution, up to 6% of the participant's base compensation. Additional discretionary amounts may be contributed at the option of the Company. For the Plan year ending December 31, 2022, there were no additional amounts contributed by the Company.

Contributions are subject to certain Internal Revenue Code ("IRC") limitations.

**Participant Investment Account Options**

Participants direct the investment of their contributions and the Company's contribution into various investment options offered by the Plan. The Plan currently offers various mutual funds and a money market fund as investment options for the Plan.

**Participant Accounts**

Each participant's account is credited with the participant's contribution, and allocations of (a) the Company's matching and discretionary contribution (if elected by the Company) and, (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings, participant contributions, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be from the participant's vested account.

**Vesting**

Participants are immediately invested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant's matching and discretionary contributions vest on a graded schedule and are 100% vested after six years of credited service.

Profit Sharing Plan and Trust**

Notes to Financial Statements  
December 31, 2022

**NOTE 1 - DESCRIPTION OF PLAN (Continued)**

**Payment of Benefits**

On termination of service due to death, disability, or retirement, a participant or his/her beneficiary(ies) may elect to receive either a lump-sum amount equal to the value of the participant's vested interest of his or her account, or annual installments over a fixed period. Qualified joint and survivor requirements also apply. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. In-service withdrawals are also permitted for certain financial hardships or when participant attains age 59 ½.

**Forfeited Accounts**

At December 31, 2022 and 2021, there were \$932 and \$2,503 unused forfeited amounts, respectively. Forfeited accounts are used to pay future administrative costs or used to allocate funds to eligible participants of the Plan. During the Plan year ended December 31, 2022 and 2021, \$2,503 and \$369, respectively, of forfeitures were used to allocate funds to eligible participants of the Plan.

**NOTE 2 - SUMMARY OF ACCOUNTING POLICIES**

The following are the significant accounting policies followed by the Plan:

**Basis of Accounting**

The financial statements of the Plan are prepared using the accrual method of accounting.

**Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("US GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

The Plan has investments in mutual funds and a money market fund which are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year and dividends.

**Payment of Benefits**

Benefits are recorded when paid.

**Administrative Expenses**

Certain expenses of the Plan are paid by the Company and are not included in the statements of changes in net assets available for benefits. Administrative expenses are record keeping and custodian fees. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Profit Sharing Plan and Trust**

Notes to Financial Statements

**NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (Continued)**

**Subsequent Events**

Subsequent events after the balance sheet date through the date of the financial statements were available for issuance, October 9, 2023, have been evaluated in preparation of the financial statements and management has determined that there are no subsequent events that would require disclosure or adjustment in the financial statements.

**NOTE 3 - INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (UNAUDITED)**

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mid Atlantic Trust Company, (Mid Atlantic), the custodian of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate with respect to the following:

- Investments at fair value
- Net (depreciation) in fair value of investments
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

**NOTE 4 - FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, "Fair Value Measurements and Disclosures," provides the framework for measuring fair value. That framework provides fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements.) The three levels of the fair value hierarchy under FASB ASC Topic 820 are described as follows:

**Level 1** - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2** - Inputs to the valuation methodology include: quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from, or corroborated by, observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.

**Level 3** - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**NOTE 4 - FAIR VALUE MEASUREMENT (Continued)**

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

***Mutual Funds and Money Market Fund***

Mutual funds and the money market fund are valued at the daily closing price as reported by the fund. Mutual funds and the money market fund held by the plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their net asset value and to transact at that price. The mutual funds and the money market fund held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

| <b>Investments at Fair Value as of December 31, 2022</b> |                   |                |                |                   |

**NOTE 5 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS**

Fees paid by the Plan to Paychex, Inc., the Plan's recordkeeper, amounted to \$893 for the year end December 31, 2022.

Fees paid by the Plan to Mid Atlantic Trust Company, the Plan's custodian, amounted to \$860 for the year end December 31, 2022.

This party-in-interest transaction is exempt from the prohibited transaction rules of ERISA.

**NOTE 6 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan provisions to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

**Aurora Home Care, Inc. 401(k)  
Profit Sharing Plan and Trust**

Notes to Financial Statements  
December 31, 2022

**NOTE 7 - AMOUNTS ALLOCATED TO TERMINATED PARTICIPANTS**

At December 31, 2022 and 2021, there are no amounts allocated to persons who have elected to withdraw from the Plan, but who have not been paid.

**NOTE 8 - TAX STATUS**

The Internal Revenue Service ("IRS") has determined that the prototype 401(k) profit sharing plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The IRS informed Paychex, Inc., (third-party administrator) the prototype 401(k) profit sharing plan is designed in accordance with applicable sections of the IRC in a letter dated August 31, 2020. Although the Plan has been amended since receiving the opinion letters, the Plan Administrator believes that the Plan and related trust are currently designed and being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 9 - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**NOTE 10 - EMPLOYEE PLANS COMPLIANCE RESOLUTION SYSTEM**

The plan administrator detected certain operational failures in the Plan related to 2021 and were corrected under EPCRS during 2023. The corrections amount is not expected to have a significant impact on the 2022 and 2021 financial statements.

### INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator  
**Aurora Home Care, Inc. 401(k)  
Profit Sharing Plan and Trust**  
Feasterville, Pennsylvania 19053

#### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **Aurora Home Care, Inc. 401(k) Profit Sharing Plan and Trust**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **Aurora Home Care, Inc. 401(k) Profit Sharing Plan and Trust's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

#### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Aurora Home Care, Inc. 401(k) Profit Sharing Plan and Trust** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Aurora Home Care, Inc. 401(k) Profit Sharing Plan and Trust's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Aurora Home Care, Inc. 401(k) Profit Sharing Plan and Trust's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Aurora Home Care, Inc. 401(k) Profit Sharing Plan and Trust's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Profit Sharing Plan and Trust**

Notes to Financial Statements  
December 31, 2022

**NOTE 1 - DESCRIPTION OF PLAN**

The following description of the **Aurora Home Care, Inc. 401(k) Profit Sharing Plan and Trust** (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan covering substantially all full-time employees of **Aurora Home Care, Inc.** (the Company or Plan Sponsor) who have one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions**

Employees who are eligible to participate in the Plan may elect to defer, through payroll deductions, a portion of their compensation up to the maximum dollar amount allowable by law through both employee pre-tax and post-tax (ROTH) contributions. The maximum deferral was not to exceed \$20,500 (\$27,000 for participants fifty years of age and older) for the Plan year beginning January 1, 2022. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). The Plan was amended effective January 1, 2021. Under the provisions of the amended Plan, the Company elects to provide a matching contribution beginning January 1, 2021.

The Company contributes \$0.25 for each \$1.00 of a participant's contribution, up to 6% of the participant's base compensation. Additional discretionary amounts may be contributed at the option of the Company. For the Plan year ending December 31, 2022, there were no additional amounts contributed by the Company.

Contributions are subject to certain Internal Revenue Code ("IRC") limitations.

**Participant Investment Account Options**

Participants direct the investment of their contributions and the Company's contribution into various investment options offered by the Plan. The Plan currently offers various mutual funds and a money market fund as investment options for the Plan.

**Participant Accounts**

Each participant's account is credited with the participant's contribution, and allocations of (a) the Company's matching and discretionary contribution (if elected by the Company) and, (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings, participant contributions, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be from the participant's vested account.

**Vesting**

Participants are immediately invested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant's matching and discretionary contributions vest on a graded schedule and are 100% vested after six years of credited service.

Profit Sharing Plan and Trust**

Notes to Financial Statements  
December 31, 2022

**NOTE 1 - DESCRIPTION OF PLAN (Continued)**

**Payment of Benefits**

On termination of service due to death, disability, or retirement, a participant or his/her beneficiary(ies) may elect to receive either a lump-sum amount equal to the value of the participant's vested interest of his or her account, or annual installments over a fixed period. Qualified joint and survivor requirements also apply. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. In-service withdrawals are also permitted for certain financial hardships or when participant attains age 59 ½.

**Forfeited Accounts**

At December 31, 2022 and 2021, there were \$932 and \$2,503 unused forfeited amounts, respectively. Forfeited accounts are used to pay future administrative costs or used to allocate funds to eligible participants of the Plan. During the Plan year ended December 31, 2022 and 2021, \$2,503 and \$369, respectively, of forfeitures were used to allocate funds to eligible participants of the Plan.

**NOTE 2 - SUMMARY OF ACCOUNTING POLICIES**

The following are the significant accounting policies followed by the Plan:

**Basis of Accounting**

The financial statements of the Plan are prepared using the accrual method of accounting.

**Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("US GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

The Plan has investments in mutual funds and a money market fund which are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year and dividends.

**Payment of Benefits**

Benefits are recorded when paid.

**Administrative Expenses**

Certain expenses of the Plan are paid by the Company and are not included in the statements of changes in net assets available for benefits. **NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (Continued)**

**Subsequent Events**

Subsequent events after the balance sheet date through the date of the financial statements were available for issuance, October 9, 2023, have been evaluated in preparation of the financial statements and management has determined that there are no subsequent events that would require disclosure or adjustment in the financial statements.

**NOTE 3 - INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (UNAUDITED)**

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mid Atlantic Trust Company, (Mid Atlantic), the custodian of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate with respect to the following:

- Investments at fair value
- Net (depreciation) in fair value of investments
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

**NOTE 4 - FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, "Fair Value Measurements and Disclosures," provides the framework for measuring fair value. That framework provides fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements.) The three levels of the fair value hierarchy under FASB ASC Topic 820 are described as follows:

**Level 1** - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2** - Inputs to the valuation methodology include: quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from, or corroborated by, observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.

**Level 3** - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**NOTE 4 - FAIR VALUE MEASUREMENT (Continued)**

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

***Mutual Funds and Money Market Fund***

Mutual funds and the money market fund are valued at the daily closing price as reported by the fund. Mutual funds and the money market fund held by the plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their net asset value and to transact at that price. The mutual funds and the money market fund held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

**NOTE 5 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS**

Fees paid by the Plan to Paychex, Inc., the Plan's recordkeeper, amounted to \$893 for the year end December 31, 2022.

Fees paid by the Plan to Mid Atlantic Trust Company, the Plan's custodian, amounted to \$860 for the year end December 31, 2022.

This party-in-interest transaction is exempt from the prohibited transaction rules of ERISA.

**NOTE 6 - PLAN TERMINATION**

Notes to Financial Statements

**NOTE 7 - AMOUNTS ALLOCATED TO TERMINATED PARTICIPANTS**

At December 31, 2022 and 2021, there are no amounts allocated to persons who have elected to withdraw from the Plan, but who have not been paid.

**NOTE 8 - TAX STATUS**

The Internal Revenue Service ("IRS") has determined that the prototype 401(k) profit sharing plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The IRS informed Paychex, Inc., (third-party administrator) the prototype 401(k) profit sharing plan is designed in accordance with applicable sections of the IRC in a letter dated August 31, 2020. Although the Plan has been amended since receiving the opinion letters, the Plan Administrator believes that the Plan and related trust are currently designed and being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 9 - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**NOTE 10 - EMPLOYEE PLANS COMPLIANCE RESOLUTION SYSTEM**

The plan administrator detected certain operational failures in the Plan related to 2021 and were corrected under EPCRS during 2023. The corrections amount is not expected to have a significant impact on the 2022 and 2021 financial statements.
