## **Report of Independent Auditors**

The Plan Administrator

The Ardán, Inc Community of Companies 401k and Profit Sharing Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements**

We have performed an audit of the financial statements of The Ardán, Inc Community of Companies 401k and Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes (collectively referred to as the “financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2022 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the 2022 Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2022 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2022 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2022 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **Other Matters**

subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### *Report of Other Auditors on 2021 Financial Statements*

Another auditor performed an audit on the financial statements of the Plan as of and for the year ended December 31, 2021. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, their audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. In their report dated July 29, 2022, they indicated that in their opinion (a) the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the financial statements related to assets held by and certified to by a qualified institution agreed to, or was derived from, in all material respects, the information prepared and certified by an institution that management determined met the requirements of ERISA Section 103(a)(3)(C).

### Note 1. Plan Description

The following description of The Ardán, Inc. Community of Companies 401k and Profit Sharing Plan (the Plan) provides only general information. The Plan name was amended from Westcor Land Title Insurance Company 401 (k) Profit Sharing and Trust Plan. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General:** The Plan, which was established effective October 1, 1983, is a defined contribution plan that provides for contributions made under salary deferral agreements pursuant to Section 401(k) of the Internal Revenue Code (the Code). The Plan covers substantially all employees of Ardán, Inc. (the Sponsor) who are at least 18 years of age and have completed three consecutive months of service as of the next enrollment date (first day of each month). The Plan excludes from participation employees covered under a collective bargaining agreement, employees who are nonresidents of the United States and any employee acquired as a result of a transaction such as an asset or stock acquisition, merger or similar transactions involving a change in the employer of the employees of a trade or business. The Sponsor's 401(k) Work Group is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Company's Board of Directors. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions:** Participants may contribute up to 100% of eligible earnings, as defined in the Plan. Participants who have reached age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). The Plan provides for a Sponsor match on employee contributions equal to 25% of the first 5% of the participant's annual compensation. In addition, the Sponsor may elect, at the discretion of the Sponsor's Board of Directors, to make an additional discretionary profit sharing contribution. Plan participants must be employed by the Sponsor as of the Plan's year-end in order to earn any discretionary profit sharing contributions. There were no profit sharing contributions for the year ended December 31, 2022. Contributions are subject to certain Internal Revenue Service (IRS) limitations. Participants become eligible for the Sponsor's matching and discretionary profit sharing contributions after three months of consecutive service.

**Investment options:** Upon enrollment in the Plan, a participant may direct all contributions to selected investments as made available and determined by the Plan Administrator in 1% increments. Participants may change their contribution percentages and investment options or make fund transfers at any time via phone or internet.

**Participant accounts:** Each participant's account is credited with the participant's contributions and the Plan Sponsor's matching contribution, as well as allocations of any profit sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### Note 1. Plan Description (Continued)

**Vesting:** Participants are vested immediately in their contributions and the Plan Sponsor's matching contributions plus actual earnings thereon. Vesting in the Plan Sponsor's discretionary profit sharing contribution (and earnings or losses thereon) vest according to the following schedule:

| Years of Service | Vested Percentage |
|------------------|-------------------|
| Less than 1      | 0%                |
| 1                | 25%               |
| 2                | 50%               |
| 3                | 75%               |
| 4 or more        | 100%              |

A participant's account becomes fully vested upon death, disability, reaching normal retirement age or upon full or partial termination of the Plan.

**Payment of benefits:** On termination of service for any reason, the participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a single lump-sum payment, subject to the 20% withholding for income taxes, or as a direct rollover to an individual retirement account (IRA) or another employer's tax qualified plan. In the event of the death of a participant, the participant's account will be paid to the participant's beneficiary in a single lump-sum payment or a rollover to another qualified plan or IRA. Participants may elect to take an in-service distribution of vested funds if they meet any of the following requirements: upon reaching age 59½, if they incur proven financial hardship, upon becoming disabled under the terms of the Plan or upon attainment of the Plan's normal retirement age of 65. Upon termination or retirement of service, vested account balances less than \$1,000 will be paid to the participant at that time regardless of the participant's consent to distribute. Vested account balances greater than \$1,000 but less than \$5,000, absent direction from the participant, will be distributed into an IRA for the participant. If the vested balance of the account exceeds \$5,000, the participant may elect to defer any distribution up to age 72.

**Forfeitures:** Forfeitures are used to reduce future employer discretionary matching contributions or pay Plan expenses. As of December 31, 2022, there were no forfeited nonvested accounts available for future use. During 2022, \$13,573 of forfeitures were used to reduce employer matching contributions, and no forfeitures were used to pay administrative expenses.

**Notes receivable from participants:** Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 95% of one-half of their vested account balance. Loan terms range up to five years or over a reasonable period of time for the purchase of a participant's primary residence, as established by the Plan Administrator at the time of the loan. A participant may not have more than one loan outstanding at any time. The loans are collateralized by the vested balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. These rates range from 4.25% to 8.50% on loans outstanding at December 31, 2022, and the loans mature through 2025. Principal and interest are paid ratably through biweekly payroll deductions.

### Note 2. Summary of Significant Accounting Policies

**Basis of presentation:** The financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of estimates:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment valuation and income recognition:** Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Sponsor's 401(k) Work Group determined the Plan's valuation policies utilizing information provided by the trustee and investment advisor. See Note 4 for discussion of fair value measurements.

Investments held by a defined contributions plan are required to be reported at fair value, except for fully benefit-responsive investment contract. Contract value is the relevant measurement for the portion of the net assets available for benefits attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

**Notes receivable from participants:** Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make the scheduled repayments and the Plan Administrator deems the participant to be in default, the participant's note receivable is reduced and a benefit payment is recorded based on the terms of the Plan. No allowance for credit losses has been recorded as of December 31, 2022.

**Excess contributions payable:** Participant contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction in contributions.

**Payment of benefits:** Benefits are recorded when paid.

**Expenses:** Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Administrative expenses include fees related to the administration of notes receivable that are charged directly to the participant's account and certain recordkeeping fees paid by the Plan. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

**Subsequent events:** The Plan has evaluated subsequent events (events occurring after December 31, 2022) through October 11, 2023, the date the financial statements were available to be issued. Automatic plan enrollment and auto escalation features have been added to the plan, effective September 1, 2023.

## Notes to Financial Statements

### **Note 3. Investment Information Certified or Provided by Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company (Trustee)**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at December 31, 2022 and 2021, and net depreciation in fair value of investments interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022 was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Delaware Charter Guarantee & Trust Company, d/b/a Principal Trust Company (Principal Trust), the trustee of the Plan.

### **Note 4. Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2:** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

## Notes to Financial Statements

### Note 4. Fair Value Measurements (Continued)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 or 2021.

**Registered investment companies (mutual funds):** Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

| Assets at Fair Value as of December 31, 2022 |               |         |         |               |
|----------------------------------------------|---------------|---------|---------|---------------|
|                                              | Level 1       | Level 2 | Level 3 | Total         |
| Registered investment companies              | \$ 25,891,064 | \$ -    | \$ -    | \$ 25,891,064 |

| Assets at Fair Value as of December 31, 2021 |               |         |         |               |
|----------------------------------------------|---------------|---------|---------|---------------|
|                                              | Level 1       | Level 2 | Level 3 | Total         |
| Registered investment companies              | \$ 28,360,995 | \$ -    | \$ -    | \$ 28,360,995 |

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another.

The Plan evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits.

### Note 5. Fully Benefit-Responsive Investment Contract

The Plan has a traditional, fully benefit-responsive guaranteed investment contract with Principal Life Insurance Company (Principal Life) that is reported at contract value. Principal Life maintains the contributions in a general account. The account is credited with contributions, earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1.5%. Such interest rates are reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with a fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Code or the failure of the trust to be tax-exempt under Section 501(a) of the Code
2. Premature termination of the contracts
3. Plan termination or merger
4. Changes to the Plan's prohibition on competing investment options
5. Bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreement without the consent of the issuer

The Plan is not aware of any such events occurring that would cause the issuer to terminate the contract with the Plan.

## Notes to Financial Statements

### Note 6. Related-Party and Party-in-Interest Transactions

Principal Trust is the trustee, Principal Financial Group is the current record keeper, and Gallagher Retirement Plan Consulting provide investment advisory services for the Plan; therefore, the transactions with Principal Trust, Principal Financial Group, and Gallagher Retirement Plan Consulting qualify as party-in-interest transactions. Fees paid by the Plan for the investment advisory and trustee services amounted to \$114,519 during the year ended December 31, 2022. The Sponsor also paid certain administrative expenses of the Plan.

### Note 7. Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

### Note 8. Tax Status

The underlying pre-approved plan has received an opinion letter from the Internal Revenue Services (IRS) dated June 30, 2020, stating that the written form of the underlying pre-approved document is qualified under section 401 of the Internal Revenue Code (the Code). Any employer adopting this form of plan will be considered to have a plan qualified under Section 401 of the Code, and, therefore, the related trust is tax-exempt. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
