INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of the
Miami Management, Inc. Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Miami Management, Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of January 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended January 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Miami Management Inc. Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of January 31, 2023 and 2022, and for the year ended January 31, 2023, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Miami Management, Inc. Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Miami Management, Inc. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT (Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted accounting standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Miami Management, Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Miami Management, Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITOR'S REPORT (Continued)

Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500 - Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of January 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MIAMI MANAGEMENT, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED JANUARY 31, 2023

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of the Plan

The following description of the Miami Management, Inc. Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan adopted by the Board of Directors of Miami Management, Inc. (the Plan sponsor) and is subject to the provisions of the Internal Revenue Code and the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan is administered by a committee appointed by the Plan sponsor. John Hancock Life Insurance Company (the Custodian) serves as the custodian of the Plan, maintains the records of participant data, and holds the plan assets.

Eligibility

All full-time and part-time employees of the Plan sponsor are eligible to participate in the Plan after completing six months and a year of service, respectively, and having reached the age of 21. Once eligibility requirements are satisfied, the participant entry date will be the first day of the plan year or the seventh month of the plan year coinciding with or next following the date the participant satisfies the minimum age and services eligibility requirements.

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Contributions

Participants may elect to contribute a percentage of their annual pretax compensation, subject to statutory limits. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other plans and certain IRAs. Under Internal Revenue Service (IRS) Code Section 402(g)(1), the maximum deferral of pretax earnings was $20,500 and $19,500 for the years ended January 31, 2023 and 2022, respectively. Participants who have attained age 50 before the end of the plan year are eligible to contribute an additional $6,500 of catch-up contributions for the years ended January 31, 2023 and 2022. The Plan sponsor will make discretionary matching contributions at the discretion of the Plan sponsor. No discretionary matching contributions were made during the year ended January 31, 2023.

Additional profit-sharing amounts may be contributed at the discretion of the Plan sponsor. No additional profit-sharing amounts were contributed during the year ended January 31, 2023. Participants may change their salary deferral contribution amounts or terminate their salary deferral contributions on the first day of each calendar month.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution as well as an allocation of the plan sponsor's contribution and Plan earnings or losses. Participant accounts are charged with an allocation of certain other administrative expenses, such as loan fees, specific to each participant. Allocations of the Plan's earnings or losses in each investment option and Plan sponsor's contributions were made to the participants accounts based on the ratio of each participant's current account balance in each investment option to total participants account balances in the investment option. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Forfeitures of the non-vested account balances of participants are used to reduce employer contributions and may be used to pay plan expenses. For the years ended January 31, 2023 and 2022, there were no forfeiture amounts.

Vesting

Participants are immediately vested in salary reduction contributions and transfer contributions, as defined by the Internal Revenue Service. Participants are vested in the employer contribution and matching contribution based on years of service as follows:

Years of Vesting Service	Vested
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Payment of Benefits

Participant contributions and the vested portion of the Plan sponsor's matching contributions are available for distribution upon attainment of age 59 ½, death, disability, termination of employment or normal retirement age. Distributions may be received as a lump-sum payment or in installments. If the participant's vested account balance is greater than $5,000, the participant may elect to maintain their account within the Plan.

Contributions are also available for distribution in the form of a hardship withdrawal.

In the event of death, the participant's vested account balance will be used to provide the participant's beneficiary with a death benefit. If at the date of death, the participant's vested account balance was less than $5,000, then the balance shall be distributed in a single lump-sum payment. If the participant's vested account balance was more than $5,000 at the date of death, then distributions are made in the form and at the time elected by the beneficiary unless a distribution election was made prior to death. Vested account balances must be completely distributed within five years of death.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits (Continued)

A participant becomes fully vested and eligible to receive their vested account balance in the Plan if they become permanently disabled and terminated as defined by the Plan document. Distribution payments will be made in the same manner as if the participant had terminated employment without disability.

Termination of the Plan

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Investments

Security transactions are recorded on a trade date basis, which is the date the order to buy or sell is executed. Interest income and expenses are accrued on a daily basis. Distributions to participants are recorded on the ex-dividend date. The Plan's investments are stated at fair value. Shares of annuities are valued using valuation methods disclosed in the annuity contract, as calculated by the annuity provider, which represent the fair value of shares held by the Plan at year end.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions to any of the various John Hancock Life Insurance Company investment options (see Note 4).

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in these risks and uncertainties in the near term would materially affect participant account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles (GAAP) requires the Plan to make estimates and assumptions that affect the reported amounts of net assets available for benefit and disclosure of contingent net assets available for benefit at the date of the financial statements and the reported amounts of additions to and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses

Certain administrative and accounting functions are performed by the Plan sponsor's employees, who received no compensation from the Plan. Administrative expenses, such as professional fees, are paid directly by the Plan sponsor.

NOTE 2. INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

John Hancock Life Insurance Company, the Custodian, held the Plan's investments as of January 31, 2023 and 2022. The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C). Accordingly, the custodian has certified that the following data included in the accompanying financial statements and supplementary schedule is complete and accurate with respect to investments as shown on the statements of net assets available for benefits as of January 31, 2023 and 2022, net investment activity as shown in the statement of changes in net assets available for benefits for the year ended January 31, 2023, and investment information included in the footnotes and supplementary schedule of assets (held at end of year) as of January 31, 2023.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except comparing such information to the related information included in the financial statements and supplemental schedule.

Allocations among the underlying investments are participant directed. The accounts are credited with earnings on the underlying investments (principally pooled accounts) and charged for Plan withdrawals and administrative expenses.

During the year ended January 31, 2023, the Plan's underlying investments (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value by approximately $19,000. This was reported as net depreciation in fair value of investments in the accompanying statement of changes in net assets available for benefits.

NOTE 3. PARTICIPANT LOANS

A participant may borrow one outstanding loan at any time from their account up to the lesser of 50% of a participant's vested balance or $50,000. The minimum principal loan is $1,000 and the participant must have a minimum vested balance of $1,000 to be eligible. The principal and interest must generally be repaid within five years. Participant loans bear interest at a rate that is 2% over the prime rate published in the Wall Street Journal (with the prime rate being 7.50% as of January 31, 2023) on the first day of the month before the loan is originated. During the years ended January 31, 2023 and 2022, there were loans borrowed of approximately $1,500 and $11,800, respectively. Notes receivable outstanding from participants were approximately $8,300 and $9,800 as of January 31, 2023 and 2022, respectively.

NOTE 4. FAIR VALUE MEASUREMENTS

GAAP provides a framework for measuring fair value and provides a fair value hierarchy that prioritizes the imputes to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs using the valuation methodology are unadjusted quoted prices for identical, unrestricted assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methods used for assets measured at fair value.

Pooled separate accounts: The fair value of the investments in the pooled separate accounts is determined by the fund custodian based on the fair value of the underlying securities within the fund, which represents the net asset value of the shares held by the Plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of January 31, 2023:

	Level 1	Level 2	Level 3	Total
Pooled separate accounts	$ -	$ 296,910	$ -	$ 296,910

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of January 31, 2022:

	Level 1	Level 2	Level 3	Total
Pooled separate accounts	$ -	$ 269,075	$ -	$ 269,075

NOTE 5. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by John Hancock Life Insurance Company. John Hancock Life Insurance Company is the custodian of the Plan and therefore, these transactions qualify as party-in-interest transactions.

NOTE 6. TAX STATUS

The Plan's determination letter dated March 2014, in which the Internal Revenue Service stated that the form of the Plan, as then designed and part of a volume submitter with its third-party administrator, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan administrator believes that the Plan complies with the requirements of Section 401(a) of the Internal Revenue Code, and is therefore exempt from federal income taxes under Section 401(a) of the Internal Revenue Code.

Plan management is required to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of January 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken by the Plan. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The administrator believes it is no longer subject to income tax examinations for years prior to February 1, 2020.

NOTE 7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits between the financial statements and Schedule H of the Form 5500, as of January 31, 2023:

Net assets available for benefits per financial statements	$ 298,453
Less: participant contributions receivable	(3,184)
Add: benefits payable	9,913
Net assets available for benefits per Form 5500	$ 305,182

NOTE 7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (Continued)

The following is a reconciliation of net increase in net assets available for benefits between the financial statements and Schedule H of the Form 5500, as of January 31, 2023:

Net increase in net assets available for benefits per the financial statements	$	61,917
Less: 2022 participant contributions receivable		(3,184)
2021 benefits payable		(45,604)
Add: 2022 benefits payable		9,913
2021 participants contributions receivable		3,279
Net increase in net assets available for benefits per Form 5500	$	26,321

NOTE 8. SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 11, 2023, the date the financial statements were available to be issued.
