INDEPENDENT AUDITOR'S REPORT

October 9, 2023

To the Plan Administrator and Participants of the
Triton Systems of Delaware, LLC
401(k) Retirement Plan and Trust
Long Beach, Mississippi

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Triton Systems of Delaware, LLC 401(k) Retirement Plan and Trust (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of the Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is

To the Plan Administrator and Participants of the
Triton Systems of Delaware, LLC
401(k) Retirement Plan and Trust

derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

TRITON SYSTEMS OF DELAWARE, LLC 401(k) RETIREMENT PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Triton Systems of Delaware, LLC 401(k) Retirement Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, established on March 15, 2010, is a defined contribution 401(k) profit sharing plan covering substantially all full-time eligible employees of Triton Systems of Delaware, LLC (the "Plan Sponsor" or "Company") who have completed one month of service; are at least twenty-one years of age; are not employees covered by a collective bargaining agreement; or non-resident aliens who do not receive any earned income from the employer which constitutes United States of America source income. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan administrator oversees governance of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

The Plan operates as a Safe Harbor plan, as permitted by the Internal Revenue Service ("IRS"), which exempts the Plan from certain compliance requirements, primarily associated with non-discrimination testing issues.

Contributions and Participants' Accounts

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan, not in excess of Internal Revenue Code Section 402(g) limits. Effective October 1, 2022, the Plan was amended to allow Roth (after-tax) contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a common and collective trust as investment options for participants. The Plan is subject to an automatic deferral amount of 3% of annual compensation, unless the participant chooses a contrary election. The automatic deferral has scheduled increases of 1% each Plan year until it reaches 6%. The elective deferral percentage will increase each January 1st. However, the participant's first automatic deferral percentage increase will be on the first January 1st that is at least 12 months following the day the participant enters the automatic increase program. Contributions are automatically invested in a designated balanced fund until changed by the participant. During 2018, a Plan amendment was enacted to increase the matching contribution equal to 100% of the first 4% and 50% of the next 2% of annual compensation that a participant contributes to the Plan. Before January 1, 2018, the matching rate was 100% of the first 3% and 50% of the next 3%. The Company may also make discretionary profit sharing contributions as determined by management. Contributions are subject to certain statutory limitations.

Each participant's account is credited with the participant's 401(k) contribution, the Company's contribution, and the participant's account earnings. Each participant's account is charged with withdrawals, the participant's account losses, and expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Forfeitures

Forfeitures are only on profit sharing contributions and are allocated to participant accounts as additional nonelective contributions or allowed to be applied as a reduction to the employer contribution. In 2021, \$1,601 of the forfeiture balance was applied as a reduction to the employer contribution. There was no remaining forfeiture balance as of December 31, 2021. There were no forfeitures allocated or applied as a reduction to the employer contribution in 2022. The remaining forfeiture balance as of December 31, 2022 totals \$239.

Vesting

Participants are immediately vested in their voluntary contributions and safe harbor matching contributions plus actual earnings thereon. Vesting in the Company's discretionary profit sharing matching contributions is based on years of service as follows:

<u>Years of service</u>	<u>Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Participants also become 100% vested upon termination of the Plan, upon reaching the normal retirement age of sixty-five years old, or upon disability or death while an employee of the Plan Sponsor.

Payment of Benefits

Due to the Bipartisan Budget Act of 2018, an amendment was made effective January 1, 2019 in accordance with new hardship distribution laws and regulations. A participant may withdraw a maximum of 50% of the vested account balance of participant contributions and rollover contributions. The 2019 amendment includes safe harbor matching contributions and earnings as available withdrawal sources. The qualifying events and conditions of a participant's heavy and immediate financial hardship are defined in the Plan agreement and related amendment. Hardship distributions cannot exceed the amount of the participant's financial hardship and may not be repaid by the participant. A participant is no longer required to have contributions suspended for six months following a hardship distribution.

The Plan administrator may be required by law to recognize obligations the participant incurs as a result of court-ordered support or alimony payments. The Plan administrator must honor a qualified domestic relations order (QDRO). If a QDRO is received by the Plan administrator, all or a portion of the participant's account balance may be used to satisfy the obligation.

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Payment of Benefits (Continued)

In-service withdrawals of all or a portion of a participant's vested account balance may only be made upon circumstances of financial hardship, upon reaching age 59½, or a deemed severance distribution, in accordance with provisions specified in the Plan. In-service withdrawals of all or a portion of a participant's rollover account balance may be withdrawn at any time.

Upon retirement, disability or death, a participant or beneficiary may receive the value of the account through a lump sum distribution or direct rollover into an individual retirement account or annuity, an annuity plan, or a qualified trust. In general, if a participant's account balance, as defined in the Plan agreement, is greater than \$5,000 and employment is terminated other than due to retirement or death, the account may not be distributed before normal retirement age without the participant's consent. Participants' account balances less than \$5,000 but greater than \$1,000 can be rolled into an individual retirement account. Participants' account balances less than \$1,000 will be paid as a lump sum distribution.

Distributions from the Plan will normally be subject to income taxes and in certain circumstances may also be subject to IRS penalties, unless the distribution is transferred to another qualified plan or individual retirement account.

Upon termination of service, a participant may elect to receive either a lump-sum distribution equal to the value of his or her account, or installments over a period not to exceed the remaining life expectancy of the participant or his or her beneficiary.

Participant Loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested balance. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 3.25% to 8.0%, determined by the financial institution and periodically re-evaluated by the Plan Committee for reasonableness. Principal and interest is paid ratably through bi-weekly payroll deductions.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

TRITON SYSTEMS OF DELAWARE, LLC 401(k) RETIREMENT PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by its investment advisors and the trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in mutual funds were deducted from income earned on a daily basis and are not separately reflected. Consequently, these management fees and operating expenses are reflected as a reduction of investment return for such investments.

Payment of Benefits

Benefit payments are recorded when paid by the Plan.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Administrative Expenses

The Company pays certain administrative expenses on behalf of the Plan including legal, accounting, and Plan administration. Administrative expenses paid by the Plan total \$31,732 and \$24,937 for the years ended December 31, 2022 and 2021, respectively.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

DECEMBER 31, 2022 AND 2021

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (Continued)

ERISA Section 103(a)(3)(C) Audit

In July 2019, the American Institute of Certified Public Accountants Auditing Standards Board issued Statement on Auditing Standards No. 136. The December 31, 2022 and 2021 audits are considered ERISA Section 103(a)(3)(C) audits. In order to qualify, the Plan investments must be held by a qualifying institution and provide a certification under 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA that the investment information is complete and accurate. As of December 31, 2022 and 2021, the investment information is certified by Hancock Whitney Bank, the trustee of the Plan's assets. The financial statement amounts certified by the trustee include investment assets, transactions, and income.

NOTE 3 – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would be used if Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 3 inputs for the periods presented.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Common collective trust (CCT): Valued at the NAV of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 8,879,830	\$ -	\$ -	\$ 8,879,830
Common collective trusts measured at net asset value				602,598
Total investments at fair value				<u>\$ 9,482,428</u>

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 11,076,709	\$ -	\$ -	\$11,076,709
Common collective trusts measured at net asset value				279,957
Total investments at fair value				<u>\$11,356,666</u>

Fair Value of Investments that Calculates Net Asset Value

The following table summarizes the investments measured at fair value based on net asset value (NAV) per share:

	December 31, 2022 Fair Value	December 31, 2021 Fair Value	Unfunded Commitments	Redemption Frequently (if currently eligible)	Redemption Notice Period
Stable Value Fund/Common Collective Trust	\$ 602,598	\$ 279,957	N/A	Daily	12 Months

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2022 and 2021, are reported in net appreciation (depreciation) in fair value of investments.

NOTE 4 – INCOME TAX STATUS

The Plan Sponsor entered into a nonstandardized adoption agreement of the Wells Fargo Bank, N.A. Defined Contribution Prototype Plan and Trust (the “Prototype Plan”). The Prototype Plan received a favorable opinion from the IRS on March 31, 2014. As a result of a change in trustee in 2020 (Note 5), the Plan Sponsor continued the Plan with the adoption agreement of the EPIC Advisors, Inc. Prototype Plan. This Prototype Plan received a favorable opinion from the IRS on April 2, 2018. The favorable opinions stated that the Prototype Plan and related trust were designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving its latest opinion letter and has not obtained an updated opinion letter. However, the Plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and that the Plan was qualified and tax exempt as of December 31, 2022, and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 – RELATED PARTIES AND PARTIES-IN-INTEREST

Wells Fargo Bank, N.A. was the Trustee until May 2020. Subsequent to that date, Hancock Whitney Bank became the Trustee. Services provided by the Trustees for the Plan result in fees charged to the Plan. While the Plan pays most of the fees, a portion is paid by the Plan Sponsor. The Plan offers investments issued by affiliates of the Trustee. These affiliates receive fees related to the investment earnings or losses. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of investments on the statements of changes in net assets available for benefits. Party-in-interest transactions also include loans made to participants. Fees paid to Hancock Whitney Bank for the years ending December 31, 2022 and 2021 total \$31,732 and \$24,937, respectively.

Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provision of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 6 – PLAN TERMINATION

Although it has expressed no intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE 7 – INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)

The following information was certified by the trustee, Hancock Whitney Bank, as being complete and accurate:

Information included in the statements of net assets available for benefits as of December 31, 2022 and 2021:

- Investments at fair value

Information included in the statement of changes in net assets available for benefits for the years ended December 31, 2022 and 2021:

- Net appreciation (depreciation) in fair value of investments
- Interest and Dividends
- Contributions and distributions

Supplemental schedule:

- Schedule of Assets (Held at the End of Year) – Form 5500, Schedule H, Part IV, Line 4(i)

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participant account balances and the amounts reported in the accompanying statements of net assets available for benefits.

NOTE 9 – SUBSEQUENT EVENTS

Management evaluated subsequent events through October 9, 2023, the date on which the financial statements were available to be issued.

In December 2022, SECURE Act 2.0 (“SECURE 2.0”) was enacted. SECURE 2.0 contains numerous significant changes for retirement plans, plan sponsors, and retirement plan providers. For example, SECURE 2.0 contains provisions related to, among many other things, changes for required minimum distributions, expanding coverage, increasing savings, and simplifying plan rules. The new law includes both required and optional changes applicable to ERISA and non-ERISA plans. Many of the provisions in SECURE 2.0 are effective in 2023, but SECURE 2.0 will not be completely implemented until 2027. The Plan is currently in the process of evaluating the impact of SECURE 2.0 on the Plan and its participants.
