#### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements***

We have performed an audit of the financial statements of the Reformed Theological Seminary Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statement or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

#### ***Opinion on the 2022 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the 2022 Financial Statements* section of our report:

- the amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management has determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2022 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2022 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2022 financial statements.

### ***Responsibilities of Management for the 2022 Financial Statements***

Management is responsible for the preparation and fair presentation of the 2022 financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2022 financial statements.

In preparing the 2022 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2022 financial statements are issued or are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the 2022 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the 2022 Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2022 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2022 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### ***Other Matter - Supplemental Schedule Required by ERISA***

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for the purposes of additional analysis and is not a required part of the 2022 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2022 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the 2022 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented in

all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Other Matter – Auditors' Report on the 2021 Financial Statements***

Predecessor auditors performed an audit of the 2021 financial statement of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for the Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment that were certified by a qualified institution. Their report, dated September 21, 2022, indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with GAAP, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## REFORMED THEOLOGICAL SEMINARY RETIREMENT PLAN

### Notes to Financial Statements

December 31, 2022 and 2021

---

#### NOTE 1 DESCRIPTION OF PLAN

The following brief description of the Reformed Theological Seminary Retirement Plan (the “Plan”) is provided for general informational purposes only. Participants should refer to the Plan document, as amended, for a more complete description of the Plan’s provisions.

##### General

The Plan is a defined contribution 401(k) plan covering all eligible employees of Reformed Theological Seminary (“Seminary”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

##### Tax Status

The Plan obtained its latest pre-approved profit-sharing plan opinion letter on June 30, 2020, in which the Internal Revenue Service (“IRS”) stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (“IRC”). Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America (“GAAP”), require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

##### Participation

All employees of the Seminary, other than students on work scholarship, who have attained the age of 21 and have completed one month of service are eligible to participate in the Plan and elect salary deferrals. An employee becomes eligible to receive employer safe harbor contributions and profit-sharing contributions when they have attained the age of 21 and completed one year of service. A year of service, as defined by the Plan documents, is completion of 1,000 hours of service during a twelve-month period. A participant who has met the safe harbor contribution eligibility requirements will continue to receive the safe harbor contributions as long as they are employed by the Seminary.

##### Contributions

Participants may elect to defer up to 100% of their compensation, less applicable withholdings, up to the maximum allowed by the IRC. Roth 401(k) contributions are also permitted. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants are also permitted to make rollover contributions to the Plan from other qualified plans.

## REFORMED THEOLOGICAL SEMINARY RETIREMENT PLAN

### Notes to Financial Statements

December 31, 2022 and 2021

---

Annually the Seminary makes a safe harbor non-elective contribution equal to 3% of each eligible participant's compensation for the Plan year. The Seminary may also make a discretionary profit-sharing contribution equal to a percentage of the eligible participant's compensation for the Plan year. For the years ended December 31, 2022 and 2021, the Seminary made a profit-sharing contribution equal to 7% of each eligible participant's compensation. The Seminary may also make a discretionary matching contribution to each participant's account but did not elect to do so for the years ended December 31, 2022 and 2021.

Seminary and participant contributions may not exceed the maximum amount allowable for federal income tax purposes.

#### Investment Options

Contributions to the Plan are invested as directed by each participant. If a participant does not direct the investment allocation, then the contributions will be invested in accordance with the default investment alternative established under the Plan. The Plan currently offers various investment choices in the pooled separate accounts and a general account investment contract as investment options for participants.

#### Participant Accounts

Each participant's account is credited with the participant's contributions, the Seminary's contributions, and an allocation of the Plan's earnings or losses thereon. Allocations are based on participant compensation, or account balances, as defined. The benefits to which a participant is entitled is the vested portion of the participant's account.

#### Vesting

Participants are immediately vested in their salary deferral contributions, rollover contributions, and Seminary safe harbor contributions plus actual earnings thereon. Vesting in the Seminary's profit sharing or discretionary match contributions plus actual earnings thereon is based on years of continuous service. A participant is 20% vested after two years of credited service, with a 20% increase every year thereafter until reaching 100% after the sixth year. A participant also becomes 100% vested if they are employed on or after age 65, become permanently disabled, or upon death.

#### Participant Benefits

Upon retirement, attaining age 59½, death, disability, or termination of service, a participant is eligible to receive a benefit payment in the form of a lump-sum distribution, periodic payments, or substantially equal installments over the participant's or beneficiary's life expectancy. Upon termination, if a participant does not initiate distribution of their vested balance and the vested balance does not exceed \$1,000, a mandatory lump-sum distribution will be made within a reasonable time after termination. Subject to regulatory requirements, required minimum distributions must begin after a participant reaches age 72, if the participant is no longer employed by the Seminary.

#### Hardship Distributions

The Plan does not allow hardship distributions.

**REFORMED THEOLOGICAL SEMINARY RETIREMENT PLAN**  
**Notes to Financial Statements**  
**December 31, 2022 and 2021**

---

*Participant Loans*

The Plan does not allow participant loans.

*Forfeitures*

Amounts forfeited by participants through termination of service before full vesting may be used to reinstate previously forfeited participant account balances, reduce Seminary contributions, or pay any Plan expenses. Participant forfeitures were \$18,652 and \$14,896 for the years ended December 31, 2022 and 2021, respectively. The Seminary applied \$17,500 and \$14,800 of the available forfeiture balance to employer contributions receivable for the years 2022 and 2021, respectively.

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Basis of Accounting*

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

*Estimates*

The preparation of financial statements in conformity with GAAP requires the Plan's management to use estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from these estimates.

*Investment Valuation and Income Recognition*

The Plan's investments are reported at fair value, except for fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2022 and 2021, are reported in net (depreciation) appreciation in fair value of investments. See Note 3 for a discussion of fair value measurements and Note 4 for a discussion of benefit-responsive investment contracts.

*Payment of Benefits*

Benefits are recorded when paid.

*Administrative Expenses*

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Seminary. Expenses that are paid by the Seminary are excluded from these financial statements. Certain investment-related expenses are included in net (depreciation) appreciation of fair value of investments.

*Risks and Uncertainties*

The Plan invests in a variety of investment types. Investments, in general, are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of

# REFORMED THEOLOGICAL SEMINARY RETIREMENT PLAN

## Notes to Financial Statements

December 31, 2022 and 2021

investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

### Plan Termination

Although it has not expressed any intent to do so, the Seminary has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their account balances.

### Subsequent Events

The Plan administrator has evaluated, for consideration of recognition or disclosure, subsequent events through October 3, 2023, the date that the financial statements were available to be issued.

## NOTE 3 FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value or contract value, as applicable, in the accompanying statement of net assets available for benefits. GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

This hierarchy consists of three broad levels as follows:

*Level 1* - inputs used to measure fair value consist of prices quoted in active markets for identical assets or liabilities.

*Level 2* - inputs used to measure fair value consist of significant observable inputs other than the prices quoted in active markets for identical assets or liabilities, such as quoted prices in active markets for similar assets or liabilities.

*Level 3* - fair value measurements are based upon significant unobservable inputs.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using level 1 inputs because they generally provide the most reliable evidence of fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

The following table presents assets that are measured at fair value on a recurring basis at December 31, 2022 and 2021:

| <b>2022</b>              | <b>Fair Value</b>    | <b>(Level 1)</b> | <b>(Level 2)</b>     | <b>(Level 3)</b> |

## REFORMED THEOLOGICAL SEMINARY RETIREMENT PLAN

### Notes to Financial Statements

December 31, 2022 and 2021

---

In accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Update (ASU) 2015-12, fully benefit responsive investments are reported at contract value and are not included in the fair value hierarchy. (See Note 4)

#### Pooled Separate Accounts

The fair value of level 2 investments is based on the Net Asset Value ("NAV") of the underlying investments, which all have readily determined fair values. In accordance with ASU Update 2018-09, investments with readily determined fair values are not considered to be valued using the NAV practical expedient.

#### **NOTE 4 INVESTMENT CONTRACT**

The Plan has a fully benefit-responsive investment contract with Minnesota Life Insurance Company (MLIC). MLIC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contract. Contract value, as reported to the Plan by MLIC, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1.50%. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.
