Independent Auditors' Report

Administrative Committee and
Participants of SPMI 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of SPMI 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of SPMI 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- * the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- * the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of SPMI 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SPMI 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally

accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- * Exercise professional judgment and maintain professional skepticism throughout the audit.
- * Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- * Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SPMI 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- * Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- * Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SPMI 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- * the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- * the information in the supplemental schedule relates to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SPMI 401(k) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

(1) DESCRIPTION

The following description of the SPMI 401(k) Plan (the "Plan"), provides only general information. Participants should refer to their respective participating employer's plan agreement and summary plan description for a more complete description of the Plan's provisions, which are available from the plan administrator.

(a) General

The Plan is a defined contribution multiple employer pension plan covering all eligible employees of the participating employers (PE) who have adopted the Plan. The Plan is sponsored by Southern Personnel Management Inc. (SPMI). Eligibility provisions for the Plan vary by PE and are based on elections made by the respective PE at adoption. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Transamerica Financial Life Insurance Company (Transamerica) serves as the plan trustee.

(b) Contributions

The Plan permits participants to contribute through a salary deferral election of up to the maximum allowed by law or as defined in the respective PE's adoption agreement. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Employer contributions are made by those PE's who have elected such a provision in their respective adoption agreement.

(c) Participant Investment Account Options

The Plan's investment options consist of sub-accounts of a separate account offered under an annuity accumulation contract with Transamerica. Each participant has the option of directing his/her contributions into any of these investment options and may change the allocation daily.

SPMI 401(k) PLAN

Notes to Financial Statements, Continued

(d) Participant Accounts

Each participant's account is credited with the participant's contribution, allocations of respective employer contributions and net earnings. Allocations are based on participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(e) Vesting

Participants are immediately vested in their voluntary contributions. Contributions made by PE's are vested based on elections made in the respective PE's adoption agreement. Forfeitures are used to offset the respective PE's employer contributions.

(f) Payment of Benefits

Upon termination, for participants with balances less than or equal to \$1,000, the balance will be paid directly to the participant in a lump sum. For participants with balances greater than \$1,000 but less than \$5,000, the balance will be paid to the participant either through a lump sum or to another qualified retirement account elected by the participant. If no election is made, the balance will be rolled over to an individual retirement account (IRA) designated by the plan administrator.

Terminated participants with an account balance of \$5,000 or greater may elect to either roll over this benefit directly into another qualified plan or an IRA, or request a payment. If no payment method is elected, the account can remain within the Plan until such time a distribution is elected by the participant.

(g) Notes Receivable from Participants

The plan document includes provisions authorizing loans from the Plan to active eligible participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. A participant may have up to three loans outstanding at a time. The loans are secured by the balance in the participant's account and bear interest based on the prime rate, as specified in the Wall Street Journal plus 1%, and range from 4.25% to 6.5%. Loans are repaid through payroll withholdings unless the participant is paying the loan in full, and must be repaid within five years unless the loan is used to acquire a principal residence, of which the maximum term is 30 years.

SPMI 401(k) PLAN

Notes to Financial Statements, Continued

(h) Plan Termination

Although it has not expressed an intention to do so, SPMI has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Each PE has the right to terminate its plan at any time. In this event, the participants of the PE would become 100% vested in their accounts. Each PE also has the right to discontinue its employer contribution at any time and/or discontinue services with SPMI and transfer its current plan to another service provider. In these events, the current vesting schedule would apply to currently held employer contributions.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

(b) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

(c) Investment Valuation

Pooled separate accounts are valued at estimated fair value as provided by Transamerica. Participant loans are valued at amortized cost, which approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's investment earnings, realized and unrealized gains and losses on investments bought and sold as well as held during the year.

(d) Plan Tax Status

Each participating employer adopts a prototype plan designed by Transamerica. The Internal Revenue Service ("IRS") has determined and informed the Company by a letter dated March 31, 2008, that the prototype plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the prototype plan has been amended since receiving the determination letter, the Plan administrator, PE's and the Plan's tax counsel believe that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax exempt.

SPMI 401(k) PLAN

Notes to Financial Statements, Continued

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(e) Payment of Benefits

Benefit payments to participants are recorded upon distribution.

(f) Administrative Expenses

Certain administrative expenses may be paid by the Plan sponsor or the Plan, at the sponsor's discretion. The Plan is not required to reimburse the sponsor for any administrative expenses paid by the sponsor. Expenses not paid by the sponsor are paid by the Plan.

(g) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

(3) INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation in fair value of investments, other interest, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Transamerica Financial Life Insurance Company, Inc., the custodian of the Plan.

Other interest income	<u>\$ 31,383</u>

Participant loan interest	<u>\$ 93,885</u>

During the year ended December 31, 2022, the Plan's investments in pooled separate accounts (including gains and losses on investments bought, sold and held during the year) depreciated in value by \$10,894,050.

Interest realized on the Plan's investment in notes receivable from participant loans for the year ended December 31, 2022 was \$93,885.

(4) FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures* provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- a. Quoted prices for similar assets or liabilities in active markets
- b. Quoted prices for identical or similar assets or liabilities in inactive markets
- c. Inputs other than quoted prices that are observable for the asset or liability
- d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

SPMI 401(k) PLAN

Notes to Financial Statements, Continued

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Temporary cash - forfeitures are valued at market value which approximates net realizable value.

Insurance company account is valued at contract value

Mutual funds: Valued at the net asset value (NAV) of shares held by the Plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Money market funds and cash	\$ 59,284	-	-	59,284
Insurance company general account	-	3,965,339	-	3,965,339
Mutual funds	55,335,979	-	-	55,335,979
	<u>\$ 55,395,263</u>	<u>3,965,339</u>	<u>-</u>	<u>59,360,602</u>

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Money market funds and cash	\$ 115,535	-	-	115,535
Insurance company general account	-	3,361,157	-	3,361,157
Mutual funds	63,943,993	-	-	63,943,993
	<u>\$ 64,059,528</u>	<u>3,361,157</u>	<u>-</u>	<u>67,420,685</u>

Realized and unrealized gains and losses, dividends and interest included in net increase in net assets available for plan benefits for the year ended December 31, 2022, are reported in net appreciation in fair value of investments in the statement of changes in net assets available for Plan benefits.

(5) CONTRACT WITH TRANSAMERICA LIFE INSURANCE COMPANY

The Plan is subject to an annuity accumulation contract (Contract) with Transamerica. Under the terms of the Contract, SPMI deposits employee contributions with Transamerica to be invested among various pooled separate accounts, dependent upon participant elections. Investments in the pooled separate accounts are not guaranteed and are subject to market fluctuations.

(6) PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, a PE whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons.

Certain fees paid by the Plan for investment management services were paid within the mutual funds and were deducted from the investment income earned by the fund.

Certain accounting and administrative functions are performed by officers or employees of SPMI. No such officer or employee receives compensation from the Plan. In addition, SPMI pays certain outside administrative expenses of the Plan. SPMI is also considered a PE in the Plan.

(7) RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits. The financial statements have been prepared using values and information currently available to the Plan.

(8) FORFEITURE ACCOUNT ACTIVITY

The following is a reconciliation of the beginning and ending balances of Plan forfeitures recognized in the accompanying statements of net assets available for plan benefits:

	2022	2021
Forfeiture balance - beginning of period	\$ 86,973	35,227
New forfeitures	16,725	32,234

(9) CONCENTRATIONS

In 2022, approximately 45% of the assets held by the Plan are accounted for by three participating employers. In 2021, approximately 37% of the assets held by the Plan are accounted for by two participating employers.

(10) SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 9, 2023 which is the date the financial statements were available to be issued.
