INDEPENDENT AUDITOR'S REPORT

To the Plan Oversight Committee
INTRUST 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of INTRUST 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from INTRUST Bank, N.A., the trustee of the Plan as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held at End of Year as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - DESCRIPTION OF PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan, established January 1, 1986, is a defined contribution plan covering employees of INTRUST Financial Corporation (IFC) and INTRUST Bank, N.A. (INTRUST) (collectively referred to as the Company). Employees become eligible to participate in the Plan on the first day of the month coinciding with or next following the attainment of age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants are automatically enrolled to make pre-tax contributions of 6% of their annual compensation as defined by the Plan. A participant may elect in writing not to contribute any amount or to make pre-tax and Roth after-tax contributions of more or less than 6% (but no less than 1%), not to exceed 75% of their annual compensation. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. Contributions are subject to certain Internal Revenue Code limitations.

Participants direct the investment of their deferrals into various investment options offered by the Plan. These elections can be modified on a daily basis taking into account weekends and other days the Company or markets are closed.

All eligible plan participants receive a fixed safe harbor match of 100% of elective deferrals that do not exceed 6% of qualified compensation. The employer match will be immediately vested. In addition to the enhanced employer match, the Company also implemented an annual non-elective contribution (NEC) of 3% of qualified compensation for eligible, active participants on the last day of the plan year. Included in contributions receivable, the NEC receivable at December 31, 2022 and 2021 totaled $633,987 and $540,102, respectively. The Company does not make additional discretionary matching contributions.

Forfeited Accounts

Forfeitures of terminated participants' nonvested accounts can be used to pay reasonable plan expenses or to reduce future employer contributions. During 2022, forfeitures utilized to reduce employer contributions totaled $24,664. Unallocated forfeitures at December 31, 2022 and 2021 totaled $4,474 and $2,548, respectively.

Participant Accounts

Each participant's account is credited with the participant's deferral and an allocation of (a) the Company’s contribution and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE A - DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from the Plan using their vested account balance as collateral. Participants may borrow a minimum of $1,000 up to a maximum equal to the lesser of 50% of their vested account balance or $50,000. Participant loans bear a reasonable rate of interest based on current external market rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions or another method approved by the plan administrator. A participant may only have one loan outstanding.

Vesting

Participants are immediately vested in their voluntary deferrals and matching contributions plus actual earnings thereon. Vesting in the NEC is on a three-year cliff vesting schedule as follows:

Years of service	Percent vested
Less than 3	0%
3	100%

Payment of Benefits

On termination of service due to death, disability, retirement, or other reason, a participant (or beneficiary) may elect to receive either a lump-sum amount equal to the value of the participant's vested account, a partial distribution, or periodic installments, as defined by the Plan.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accounting Method

The financial statements of the Plan have been prepared using the accrual method of accounting and present the net assets available for plan benefits and changes in those net assets based on fair value.

Investments

All investments are stated at fair value, which is based on quoted market prices. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid. There were no withdrawals requested but unpaid at December 31, 2022.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are valued at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based on the terms of the Plan document.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

NOTE C - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, each participant's account shall be fully vested and nonforfeitable.

NOTE D - PLAN EXPENSES

Plan expenses including administration, consulting, and accounting services are paid by the Company and are excluded from these financial statements.

NOTE E - TAX STATUS

The IRS has determined and informed the plan sponsor by a letter dated February 20, 2018, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE F - CONCENTRATIONS

Four funds with the highest value comprised approximately 39% of net assets available for benefits as of December 31, 2022 and 2021.

NOTE G - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The following tables present fair value measurement information for certain financial instruments.

	Fair Value	Fair Value Measurements Using: Quoted Prices in Active Markets for Identical Assets (Level 1)
December 31, 2022		
Cash and cash equivalent	$ 12,370	$ 12,370
Mutual funds		
Stocks	71,386,638	71,386,638

Fixed income funds	23,736,371	23,736,371
Self-directed brokerage accounts	4,171,808	4,171,808
Total	$ 155,311,108	$ 155,311,108

Self-directed brokerage accounts	7,131,421	7,131,421
Total	$ 184,997,854	$ 184,997,854

FASB ASC 820-10, Fair Value Measurement, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or Level 3 inputs were used by the Plan.

Level 1 Fair Value Measurements

The Plan invests in the Federated Hermes Government Obligation Fund, which is a highly liquid money market fund and is considered to be a cash equivalent.

NOTE G - FAIR VALUE MEASUREMENTS (Continued)

The fair value of money market fund and mutual funds is based on quoted net asset values of the shares held by the Plan at year end. The self-directed brokerage accounts consist mostly of stocks, the fair value of which is based on quoted market prices of the specific investments held by the Plan at year end.

NOTE H - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the trustee.

NOTE I - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE J - RELATED PARTY TRANSACTIONS

Plan investments are in custodial control and managed by INTRUST Bank, N.A., the trustee as defined by the Plan and, therefore, these transactions qualify as party in interest.

The Plan issues notes to participants, which are secured by the balances in the participants' accounts. These transactions qualify as party in interest transactions.

NOTE K - RECLASSIFICATIONS

Certain amounts in the 2021 financial statements have been reclassified to conform to the 2022 presentation.

NOTE L - SUBSEQUENT EVENTS

Effective January 1, 2023, employees will be eligible to participate in the Plan when they have attained age 18.

Management has evaluated subsequent events through October 2, 2023, the date the financial statements were available to be issued and determined that no additional disclosures were necessary.
