INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
RXR Realty 401(k) Plan
Retirement and Benefits Committee

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of RXR Realty 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of RXR Realty 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about RXR Realty 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of RXR Realty 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about RXR Realty 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule H, Line 4(i) - Schedule of Assets (Held at End of Year), as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial

statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

1. Description of the Plan

The following description of the RXR Realty 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan was created on February 1, 2007 for the purpose of providing eligible employees of RXR Realty LLC, its predecessors (the “Employer”) and its related companies that participate in the Plan (collectively, the “Participating Employers”) with an opportunity to increase their savings on a tax-favored basis.

Effective March 1, 2017, RXR Realty LLC appointed PNC Bank, National Association (“PNC NA”) as a non-discretionary investment advisor and to provide certain administrative services to the Plan. PNC NA is a “fiduciary” within the meaning of Section 3(21) of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). During May 2019, Newport Group, Inc. (“Newport”) acquired PNC NA’s “Vested Interest” defined contribution plan recordkeeping business.

The Plan is a defined contribution plan sponsored by the Employer covering all eligible employees of the Participating Employers who have completed one month of service, as defined in the Plan agreement, and are age twenty-one or older. On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) which included several relief provisions to tax qualified plans and their participants that were put into operations by the Plan at that time. Formal adoption of such provisions of the CARES Act provisions is required to occur on or before December 31, 2025.

The following Participating Employers participated in the Plan during the years ended December 31, 2022 and 2021:

RXR Co Property Management LLC
RXR Construction Services LLC
RXR Development Services LLC
RXR Residential Services LLC
RXR NY PM Alpha LLC
RXR NY PM Bravo LLC

Contributions

Participants may elect to contribute up to 50% of their annual cash compensation as defined in the Plan agreement. Unless an employee requests in writing to not participate in the Plan, all eligible employees are automatically enrolled in the Plan with 3% of their annual cash compensation being contributed to a mutual fund designated by the Employer based on expected retirement age. Participant contributions under the Plan may be made from after-tax earnings and/or from before-tax earnings, the latter form of contribution having the effect of reducing the participant's current taxable earnings for federal, state and local income tax purposes. Participants may also rollover amounts representing distributions from other qualified benefit or defined contribution plans. During the years ended December 31, 2022 and 2021, rollovers from other qualifying plans amounted to \$42,448 and \$208,360, respectively, which are included on the accompanying Statements of Changes in Net Assets Available for Benefits. In addition, the Plan permits participants who are at least age 50 before the end of the calendar year to make a catch-up contribution, as provided for under ERISA.

Discretionary matching contributions may be contributed at the option of the Participating Employers. Contributions are subject to certain limitations, as prescribed by ERISA.

The aggregate of a participant's contributions are subject to the limitations of the Internal Revenue Code of 1986, as amended (the "Code"). For the years ended December 31, 2022 and 2021, the limitation on participant contributions were \$20,500 and \$19,500, respectively, and catch-up contributions were limited to \$6,500 for both years.

Participating Employer contributions, if any, are based on a discretionary amount determined by the Participating Employer's management. Effective January 1, 2019, the Employer implemented a matching program of up to 3% of employee compensation with a maximum amount of \$1,500 per employee. Such matching contributions were \$419,513 and \$441,861 for the years ended December 31, 2022 and 2021, respectively. Pursuant to the terms of the Plan, Participating Employer contributions are forfeited by a participant if a participant fails to meet the Plan's vesting requirements ("Forfeitures"). At December 31, 2022 and 2021, accumulated forfeited non-vested

Contributions (continued)

amounts totaled approximately \$30,800 and \$38,900, respectively. Forfeitures may be used by the Participating Employers to offset future Plan expenses and Participating Employer contributions. For the years ended December 31, 2022 and 2021, the entire available forfeiture balance was utilized as a partial offset against subsequent Participating Employer contributions for each year.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Participating Employer's matching contributions, if any, Plan earnings, and charged with Plan losses, distributions and certain of the Plan's administrative expenses, if not paid by the Participating Employers or with Forfeitures. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their contributions into various investment options offered by the Plan. As of December 31, 2022 and 2021, the Plan offered 29 and 23 mutual funds, respectively, and one common/collective trust fund as investment options for participants.

Vesting

Participants are immediately 100% vested in their contributions and earnings thereon. Additionally, a participant is eligible for employer matching contributions, if any, after one year of credited service, which then vests ratably based on five years of credited service.

Notes Receivable from Participants

Participants may generally borrow from their accounts up to 50 percent of their vested account balance, subject to a maximum of \$50,000. The loans are secured by the balance in the participant's account and bear interest at the U.S. prime lending rate plus one percentage point determined at time of origination. Participant loan terms, when originated, can range up to thirty years depending on the purpose of the loan. Additionally, participant loans are serviced through payroll deductions or direct payment from the participant. At December 31, 2022, there were 48 participant loans outstanding with an aggregate balance of \$518,587 and maturity dates through April 2048. At December 31, 2021, there were 51 participant loans outstanding with an aggregate balance of \$624,021 and maturity dates through April 2048. At December 31, 2022, outstanding participant loans had interest rates ranging between 4.25% and 7.25%. At December 31, 2021, outstanding participant loans had interest rates ranging between 4.25% and 6.5%.

Payment of Benefits

On termination of service, a participant may elect to (i) receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or (ii) leave their vested interest in the Plan. Notwithstanding, if at the time of termination, the value of the terminated employee's vested account balance is below certain thresholds, as defined in the Plan, the Employer may force a distribution. Benefits are recorded when paid.

Notes to Financial Statements (continued)

2. Summary of Significant Accounting Policies

Hardship Withdrawals

The Plan provides for hardship withdrawals, as set forth in accordance with applicable sections of the Code, not to exceed a participant's actual contributions to the Plan and must result from an immediate and heavy financial need of the participant that cannot be satisfied from other financial resources as determined on a non-discriminatory basis by the Plan Administrator. Due to changes in legislation, beginning January 1, 2019, the minimum six-month suspension of employee contributions previously imposed following a hardship withdrawal was lifted.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation)/appreciation in fair value of investments on the accompanying Statements of Changes in Net Assets Available for Benefits includes realized and unrealized gains and losses net of dividends declared and reinvested on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities as of the date of these financial statements. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced

Notes Receivable from Participants (continued)

and a benefit payment is recorded. As of December 31, 2022 and December 31, 2021 there were no loans in default.

Administrative Expenses

Certain expenses of maintaining the Plan may be paid directly by the Employer and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participant's account and are included in administrative expenses.

In connection with PNC NA being appointed as the Plan's non-discretionary investment advisor, and Newport serving as Plan recordkeeper, certain investment related expenses are being charged to the Plan and are included in administrative expenses.

3. Fair Value Measurements

Accounting Standards Codification ("ASC") 820, "Fair Value Measurements", provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels of inputs as described below. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

Level 1 (highest priority)

Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets in active markets
- Quoted prices for identical or similar assets in inactive markets
- Inputs other than quoted prices that are observable for the asset
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

RXR Realty 401(k) Plan

Notes to Financial Statements (continued)

3. Fair Value Measurements (continued)

If the asset has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 (lowest priority)

Inputs to the valuation methodology are unobservable but are significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following descriptions are the Employer's valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Notes to Financial Statements (continued)

3. Fair Value Measurements (continued)

The following tables set forth, by level within the fair value hierarchy, the Plan's total investments at fair value as of December 31, 2022 and 2021:

Description	Assets at fair value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 35,706,993	\$ ---	\$ ---	\$ 35,706,993
Total Assets in the Fair Value Hierarchy	<u>\$ 35,706,993</u>	<u>\$ ---</u>	<u>\$ ---</u>	\$ 35,706,993
Common Collective Trust measured at net asset value (a)				<u>1,222,464</u>
Total Investments at Fair Value				<u>\$ 36,929,457</u>

Description	Assets at fair value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 41,379,688	\$ ---	\$ ---	\$ 41,379,688
Total Assets in the Fair Value Hierarchy	<u>\$ 41,379,688</u>	<u>\$ ---</u>	<u>\$ ---</u>	\$ 41,379,688
Common Collective Trust measured at net asset value (a)				<u>1,335,879</u>
Total Investments at Fair Value				<u>\$ 42,715,567</u>

- (a) In accordance with ASC Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

3. Fair Value Measurements (continued)

Investments Measured Using The Net Asset Value Per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022, and 2021, respectively. The NAV as provided by the custodian is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that liquidations will be carried out in an orderly business manner.

Common/Collective Trust-Stable Value	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
December 31, 2022	\$ 1,222,464	N/A	Daily	N/A
December 31, 2021	\$ 1,335,879	N/A	Daily	N/A

4. Information Certified by the Plan's Custodians

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Prior to April 2022, PNC Financial Services Group, Inc. served as custodian of the plan. Such services were assumed by Newport Trust Company ("Newport Trust") in April 2022. Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net realized and unrealized (depreciation)/appreciation in fair value of investments, interest and dividends on investments and interest income on notes receivable from participants for the years ended December 31, 2022 and 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Newport Trust for the year ended December 31, 2022 and PNC Financial Services, Inc. for the year ended December 31, 2021, the custodians of the Plan. This information has not been audited by the Plan's independent auditors.

5. Party-In-Interest Transactions

Transactions through the following Plan investments qualify as parties-in-interest:

At both December 31, 2022 and 2021, the Plan's assets included notes receivable from participants, who are considered parties-in-interest.

RXR Realty 401(k) Plan

Notes to Financial Statements (continued)

6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks included global events which could impact the value of investment securities, such as a pandemic or an international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

7. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their account balances.

8. Income Tax Status

The underlying non-standardized prototype plan, from which the Plan is based on, has received an opinion letter from the Internal Revenue Service ("IRS") dated November 30, 2020, stating that the form of the Plan is qualified under Section 401(a) of the Code. As such, the Plan's sponsor has determined that it is eligible to, and has chosen to rely on, the current IRS prototype plan opinion letter. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan's administrator believes the Plan is being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Reconciliation of the Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Plan's Form 5500:

	December 31,

Net (decrease)/increase in net assets available for benefits per Form 5500	<u>\$ (5,891,544)</u>	<u>\$ 7,837,155</u>

(1) such amounts were received by the Plan subsequent to year end

10. Subsequent Events

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

In July 2023 and in connection with an employee outsourcing, the Plan was amended to provide for certain impacted employees to be fully vested in the Plan as of June 21, 2023 and for such employees to be eligible to receive employer matching contributions in advance.

The Plan's management has evaluated subsequent events occurring through October 10, 2023, the date the financial statements were available for issuance. Except as noted above, there were no other identified requiring recognition or disclosure in the financial statements.
