INDEPENDENT AUDITOR'S REPORT

To the Plan Trustee of the Professional Performance
Development Group, Inc. 401(k) Plan
San Antonio, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed an audit of the Financial Statements of the Professional Performance Development Group, Inc. 401(k) Plan, as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Professional Performance Development Group, Inc. 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In my opinion, based on my audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

I conducted my audit in accordance with auditing standards generally accepted in the United States of America (GAAS). My responsibilities under those standards are further described in the Auditor's Responsibilities for the

MEMBER

**AMERICAN INSTITUTE OF CERTIFIED PUBLIC ACCOUNTANTS
TEXAS CERTIFIED PUBLIC ACCOUNTANTS**

Audit of the Financial Statements section of my report. I am required to be independent of the Professional Performance Development Group, Inc. 401(k) Plan and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Professional Performance Development Group, Inc. 401(k) Plan's ability to continue as a going concern for one year after the financial statements are available for issuance.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 102(a)(3)(C) Audit of the Financial Statements section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a text basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Professional Performance Development Group, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Professional Performance Development Group, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

My audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held at Year-End is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedule, I evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion

- The form and content of the supplement schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Company initially adopted a Branch Banking & Trust Company Profit Sharing Plan with CODA but adopted a Profit Sharing Plan with CODA from Ascensus LLC on May 1, 2021 when the Plan changed recordkeepers to Ascensus LLC and custodian of Plan assets to Ascensus Trust Company.

Contributions: Participants may contribute up to \$20,500 (\$27,000 for employees age 50 or over) of annual compensation as an elective deferral. Participants may elect to have elective deferrals before tax or as a Roth elective deferral (after-tax).

The Company may make discretionary matching contributions for eligible employees who have completed one month of service. Allocations of the discretionary matching contributions are based on a percentage or fixed amount of participant contributions (currently 25% of the elective deferral up to \$1,000). In addition, participants will be automatically enrolled unless they elect not to participate in the Plan with the initial deferral being 3% of eligible compensation and increasing annually by 1% unless the participant elects a specific % or amount. The maximum automatic deferral rate is 8%.

In addition, the Plan provides that for participants working on prevailing wage contract assignments, the Company will make contributions to the Plan to help satisfy the fringe benefit requirements of the prevailing wage rate laws. Contributions to satisfy prevailing wage requirements are considered profit-sharing contributions.

Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts: Each participant’s account is credited with the participant’s contribution and allocations of:

- Company matching contributions
- Account earnings
- Administrative expenses and investment management fees, if any

Allocation of earnings is based on the investments held in each participant’s account. Allocation of expenses is based on the nature of the expense or in certain cases, the expenses are the result of transactions (such as new accounts, distributions or withdrawals).

Vesting: Participants vest immediately in their contributions and actual earnings thereon. With respect to Company matching, participants vest 100% with one year of service. With respect to profit sharing contributions, participants are 100% vested at the time they receive such contributions. Participants will be credited with a year of service if the participants work at least 1000 hours annually. Participants must work 501 hours annually to avoid a break in service.

Benefit Payments: On termination of services due to separation, death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the participant’s vested interest in the account, or periodic distributions required for minimum distribution purposes. Under certain circumstances, participants may receive in-service or hardship distributions. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 – PLAN DESCRIPTION (continued)

Forfeited Accounts: At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$ -- and \$13,791, respectively. The Company used \$ 13,801 and \$14,345 in nonvested forfeitures to reduce matching contributions during 2022 and 2021, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Participant Loans: The Plan does not allow participant loans.

Basis of Accounting: The financial statements are prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: The investments consist of mutual funds and a common/collective investment trust at December 31, 2022 and 2021. The mutual funds are stated at fair value based on the net asset values of the shares held. Dividends are recorded on the ex-dividend date. Purchases and sales are recorded on a trade-date basis. Interest income is recognized as earned. The common/collective investment trust is a stable value fund and is maintained on a unit value basis. The fund earns interest and dividends which are reinvested in additional units. Generally, contributions to and withdrawals from the fund are converted to units based on the unit value and the resulting units are charged or credited to each participant account. The unit value is maintained at a constant \$10 per unit.

Excess Salary Deferral Contributions Refundable to Participants: Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS"), if any, are recorded as a liability with a corresponding reduction to participant contributions. The Plan distributes the excess contributions to the applicable participants within the statutory requirements of the Internal Revenue Code.

Subsequent Events: Subsequent events have been evaluated by Plan management through the date of the independent auditor's report.

NOTE 3 – CERTIFIED INVESTMENTS

Certain information related to Plan investments in the accompanying financial statements and ERISA-required supplemental schedule, including Plan investments as of December 31, 2022 and 2021, and the net appreciation in fair value of the investments and interest and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Ascensus Trust Company.

The Information certified Includes:	December 31	December 31
	<u>2022</u>	<u>2021</u>
Mutual Funds	\$ 6,173,023	\$ 8,067,927
Common/collective trust	536,984	306,024
Dividends and interest income	117,091	N/A
Net investment depreciation	(1,472,801)	N/A

NOTE 4 – FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

PROFESSIONAL PERFORMANCE DEVELOPMENT
GROUP, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 4 – FAIR VALUE MEASUREMENTS (continued)

Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 1: The fair value of mutual funds is based on quoted net assets values of the shares held by the Plan at year-end.

Level 2: Inputs other than Level 1 prices that are observable for the asset or liability, either directly or indirectly, including quoted prices for similar assets or liabilities in active markets, inactive markets, or inputs.

Level 3: Inputs that are not observable. The Plan has no level 3 assets.

The classification of investments by level of inputs is as follows:

	Level 1	Level 2	Level 3	Total
December 31, 2022				
Participant Directed:				
Mutual Funds	<u>\$6,173,023</u>	<u>\$ --</u>	<u>\$ --</u>	\$ 6,173,023
Common/collective trust valued at NAV*				<u>536,984</u>
Total investments at fair value				<u>\$6,710,007</u>
December 31, 2021				
Participant Directed:				
Mutual Funds	<u>\$ 8,067,927</u>	<u>\$ --</u>	<u>\$ --</u>	\$ 8,067,927
Common/collective trust valued at NAV				<u>306,024</u>
Total investments at fair value				<u>\$8,373,951</u>

The above common/collective trust is measured at net asset value (NAV) per share (or its equivalent) and has not been classified in the fair value hierarchy as it is not publicly traded. The Fund is measured at the contract value of the underlying investments. The Fund has no unfunded commitments and is eligible for immediate redemption.

There have been no changes in methodologies used during 2022 and 2021. Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds: Valued at the net asset value (NAV), at the daily closing prices reported by the fund.

Common/collective trust: Valued at NAV of the shares held in the common collective trust at the end of the Plan year. This investment is reported in the table above as Investments measured at NAV.

NOTE 5 – TAX STATUS

The Plan adopted a non-standardized pre-approved Profit Sharing Plan with CODA document that has been approved by to the IRS on June 30, 2020. The Plan document has not been updated for all recent legislative and rule changes. However, the Plan Administrator and Trustee believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they conclude that the Plan is qualified and the related trust is tax-exempt as of the financial statement date.

PROFESSIONAL PERFORMANCE DEVELOPMENT
GROUP, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 5 – TAX STATUS (continued)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the U.S. federal, state, or local tax authorities. The Plan Administrator has evaluated tax positions taken by the that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to income tax examinations by the U.S. federal tax authorities over a three year period from the date of filing. Any potential interest and penalty associated with a tax position would be included as a component of income tax expense in the period in which the assessment arises.

NOTE 6 – PLAN TERMINATION

Though it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in any employer contributions made prior to that time.

NOTE 7 – OPERATIONAL ERRORS CORRECTION

The Plan incurred insignificant operational errors related to the automatic enrollment of new participants during 2022 and intends to correct the errors under the IRS's Employee Plans Compliance Resolution System using the Self-Correction Program.

NOTE 8 – RISKS AND UNCERTAINTIES

The mutual fund investments and common/collective trust are exposed to various risks such as interest rate, market and credit risks. Due to these risks, it is at least reasonably possible that changes in the values of the mutual fund investments will occur in the near term and that such changes could materially affect the participants' account balances and amounts reported in the statement of net assets available for Plan benefits.

NOTE 9 – PARTIES-IN-INTEREST TRANSACTIONS

During 2022, the Plan paid \$47,539 to the Plan trustee for recordkeeping and transaction fees.

NOTE 10 – SUBSEQUENT EVENT - RESTATEMENT OF THE PLAN DOCUMENT

On January 1, 2023, the Company approved an amendment to the Plan document to include provisions of the CARES Act of 2020 regarding coronavirus-related distributions. The amendment was effective as of April 20, 2020.
