Ladies and Gentlemen:

We are providing this letter in connection with your audits of the financial statements of the Envoy 401(k) Plan ("Plan") as of December 31, 2022 and 2021 and for the year ended December 31, 2021.

We elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified

investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

Except where otherwise stated below, immaterial matters less than \$42,000 collectively are not considered to be exceptions that require disclosure for the purpose of the following representations. This amount is not necessarily indicative of amounts that would require adjustment to or disclosure in the financial statements.

We confirm, to the best of our knowledge and belief, as of the date of this letter, the following representations made to you during your audit:

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated February 23, 2023 for the preparation and fair presentation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States and for the fair presentation of the accompanying supplemental schedule in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, and we believe the financial statements and supplemental schedule, including their form and content, are fairly presented.
2. We are responsible for designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to error or fraud. We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.
3. All transactions have been recorded in the accounting records and reflected in the financial statements.
4. We have provided you:

Crowe LLP

Page 3

- a. Access to all financial records, documentation and other information that is relevant to the preparation and fair presentation of the financial statements.
 - b. Additional information that you have requested from us for the purpose of the audit.
 - c. Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.
 - d. All minutes of the meetings of the Board of Directors, or summaries of actions of recent meetings for which minutes have not yet been prepared.
 - e. Plan instruments, trust agreements, and amendments to such documents entered into during the year (including amendments made to comply with applicable laws), or insurance contracts.
 - f. All correspondence to and from regulatory agencies, including communications concerning compliance with laws and regulations.
 - g. Results of the assessment of risk that the financial statements may be materially misstated as a result of fraud.
5. We have no plans or intentions that may materially affect the carrying amounts or classifications of assets and liabilities.
6. We have identified all accounting estimates that could be material to the financial statements, including the key factors and significant assumptions underlying those estimates. We believe the methods, data, and significant assumptions used in developing the accounting estimates and the related disclosures are appropriate in the circumstances. These estimates include the fair values of Plan investments and derivative instruments and the classifications of Plan investments and derivative instruments within the fair value hierarchy, pursuant to and in accordance with FASB ASC 820, *Fair Value Measurements and Disclosures*.
7. Adequate provision has been made for adjustments and losses in collection of receivables. There were no investments in default and none are considered to be uncollectible.
8. The following have been properly recorded or disclosed in the financial statements, if applicable:
 - a. Material liabilities or gain or loss contingencies that are required to be accrued or disclosed by FASB ASC 450, *Contingencies*.
 - b. Significant accounting estimates that are susceptible to changing materially as a result of an event or change in conditions that is reasonably possible of occurrence within one year from the financial statement date.

markets for which events could occur which would significantly disrupt normal finances within the next year).

- d. Amendments to the Plan document during the year or subsequently.
 - e. Derivative financial instruments such as futures, forwards, swaps or options, or other financial instruments.
 - f. Securities lending arrangements, including the associated collateral and policy for requiring collateral.
 - g. Other financial instruments with significant "off-balance-sheet" risk of accounting loss to which the Plan is a party.
 - h. Guarantees, whether written or oral, under which the Plan is contingently liable to a bank or other lending institution.
9. All related parties and all related party relationships and transactions, and transactions with parties-in-interest (as defined in ERISA section 3(14)) and related amounts receivable or payable, including sales, purchases, loans, transfers, leasing arrangements and guarantees, have been disclosed to you, and have been appropriately accounted for and disclosed in the financial statements in accordance with the requirements of accounting principles generally accepted in the United States.
10. We have no knowledge of any fraud or suspected fraud affecting the Plan involving:
- a. Management, whether material or not.
 - b. Employees who have significant roles in internal control, whether material or not.
 - c. Others when the fraud could have a material effect on the financial statements.
11. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements received in communications from employees, former employees, participants, analysts, regulators, service providers, third party administrators, or others.
12. There have been no communications from regulatory agencies concerning noncompliance with or deficiencies in financial reporting practices that could have a material effect on the financial statements in the event of noncompliance.
13. We believe the effects of cybersecurity risks and actual breaches are properly accounted for and disclosed in the financial statements.
14. The Plan and trust established under the Plan are qualified under the appropriate section of the Internal Revenue Code, and we intend to continue them as a qualified Plan and trust. The Plan sponsor has operated the Plan and trust in a manner that has not jeopardized this tax exempt status. The Plan has complied with fee disclosure requirements to participants under DOL Regulation Section

2550.404a-5, and has received the required disclosures from service providers under ERISA Section 408(b)(2). We understand that failure to comply could cause the Plan to enter into a prohibited transaction. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.

15. All required filings of Plan and trust documents have been filed with the appropriate agencies. The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.
16. There are no --
 - a. Nonexempt transactions with parties in interest, as defined in ERISA section 3(14) and related regulations, that were not disclosed in the supplemental schedules or financial statements.
 - b. Investments, loans, or leases in default or considered to be uncollectible that were not disclosed in the supplemental schedules.
 - c. Reportable transactions as defined in ERISA section 103(b)(3)(H) and related regulations that were not disclosed in the supplemental schedules.
 - d. Untimely remittances of participant contributions to trusts containing assets for the Plan, as determined by the Department of Labor's participant contribution regulation (29 C.F.R. Sec 2510.3-102), that were not properly disclosed in the supplemental schedules.
17. The Plan has complied with the fidelity bonding requirements of ERISA.
18. There are no violations of any laws or regulations (including ERISA, DOL and IRS) whose effects should be considered for disclosure in the financial statements or as a basis for reporting a loss contingency, or other material liabilities or gain or loss contingencies that are required to be accrued or disclosed.
19. The Plan has satisfactory title to all owned assets. None of the Plan's assets were mortgaged, assigned, pledged, or encumbered by law in any other manner. No security agreements have been executed under the provisions of the Uniform Commercial Code, there are no liens or encumbrances on assets, and no assets have been pledged.
20. The Plan had no purchase commitments for investments at prices in excess of fair value at the date of the financial statements, no agreements to repurchase items previously sold, and no sales commitments at prices expected to result in losses on fulfillment.

Crowe LLP

21. All investments, other than the Plan's direct interest in fully benefit-responsive investment contract are valued at fair value, as defined by FASB ASC 820. Quoted prices in active markets for identical investments are used to determine fair values, when available. All matters of judgment involved in the calculation and determination of the fair values of investments, and all related valuation methods and assumptions and financial statement disclosures, including the reporting of investments within the fair value hierarchy defined by ASC 820, are the responsibility of management. The valuation methods and assumptions used are reasonable and supportable, have been determined in compliance with ASC 820, and have been adequately disclosed in the financial statements for all periods presented.
22. The Fixed Income Guaranteed Option Fund, a group annuity contract issued by Principal Life Insurance Company (PLIC), is appropriately classified as an investment contract. The Fixed Income Guaranteed Option Fund has been determined to be fully-benefit responsive and is reported at contract value. Contract value is the relevant measure for the fully benefit-responsive contract because it is the amount Plan participants generally receive when executing transactions. Based upon recent credit ratings for PLIC, there is no concern with PLIC's credit quality. The occurrence of an event that would cause the Plan to transact contract distributions at less than contract value is not probable.
23. The Plan has made no investments during the year that violate the terms of the Plan or Trust Agreement.
24. The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the Plan's financial statements in the event of noncompliance.
25. The form and content of the information included in the financial statements and supplemental schedule are presented in compliance with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.
26. We have complied with the applicable reporting and disclosure requirements under ERISA relating to the Summary Plan Description, Summary of Material Modifications, and the Summary Annual Report, as applicable.
27. No events have occurred subsequent to the date of the Plan's financial statements and through the date of this letter that would require adjustments to, or disclosure in, the financial statements.
28. There are no present intentions to terminate the Plan.
29. We have disclosed to you all known actual or possible litigation, claims and assessments whose effects should be considered by management when preparing the financial statements. These matters have been accounted for and disclosed in conformity with accounting principles generally accepted in the United States. The Plan, Plan Administrator, or Plan Sponsor on behalf of the Plan has not consulted with or been represented by legal counsel, during the period audited to the date of this letter,

Crowe LLP

regarding any litigation, claims, or assessments asserted or unasserted, or qualification matters relating to the Plan.

30. The Plan administrator has obtained certification from Principal Trust Company as Agent on behalf of Principal Global Investors Trust Company, stating that the 2022 information provided to the Plan administrator, as disclosed in the financial statements, is complete and accurate.
31. During the 2022 plan year, the Company made matching contributions totaling \$809,959. All 2022 matching contributions were administered in accordance with the plan documents. The Company did not make any additional non-elective contributions for the 2022 plan year.
32. During the course of your audit, we have provided to you physical or electronic copies of various original documents. We understand that you are relying on such copies as audit evidence in your audit and represent that copies provided are an accurate and complete representation of the original documentation and that the copies have not been modified from their original version.
33. We have provided the most current Plan instrument for the period under audit, including all Plan amendments.
34. We acknowledge our responsibility to administer the Plan and determine that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
35. We acknowledge that our election of the ERISA Section 103(a)(3)(C) audit does not affect our responsibility for the financial statements and for determining whether:
 - a. an ERISA Section 103(a)(3)(C) audit is permissible,
 - b. the investment information is prepared and certified by a qualified institution as described in 29 CFR 2520.103-8,
 - c. the certification meets the requirements in 29 CFR 2520.103-5, and
 - d. the certified investment information is appropriately measured, presented, and disclosed in accordance with Generally Accepted Accounting Principles.
36. We understand that you have assisted us in the preparation of the Plan financial statements as outlined in the February 23, 2023 engagement letter. We confirm that we have reviewed the Plan financial statements and any related adjustments, taken responsibility for them, and confirm that you did not take on any management responsibilities in your assistance in preparation of such Plan financial statements.

Very truly yours,

Crowe LLP
