INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Trustees of
Gentzler Electrical Services 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Gentzler Electrical Services 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Gentzler Electrical Services 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Gentzler Electrical Services 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Gentzler Electrical Services 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Gentzler Electrical Services 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Gentzler Electrical Services 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Gentzler Electrical Services 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan created for the benefit of eligible employees of Gentzler Electrical Services (the "Company"). The Plan provides for discretionary profit sharing employer contributions by the Company and voluntary contributions by participants that are tax-deferred or after-tax Roth contributions under Section 401(k) of the Internal Revenue Code ("IRC"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

ELIGIBILITY

Employees are eligible to participate in the Plan on the first day of each month of the Plan year immediately following completion of two months of service, as defined by the Plan. Employees must also be at least 18 years of age to participate in the Plan.

CONTRIBUTIONS

Participants may elect to defer a percentage of their eligible annual compensation, as defined by the Plan agreement, subject to certain maximum limitations imposed by the IRC. In addition, pursuant to IRC 414(v), participants that reach age 50 before the close of the Plan year may make catch-up contributions. Participants may also make eligible rollover contributions. The Company makes matching contributions of 25% of a participant's elective deferral contributions, subject to a maximum deferral rate of 6% of eligible compensation each pay period. During the year ended December 31, 2022, the Company made matching contributions totaling $47,345.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and allocations of (1) the Company's contribution and (2) Plan earnings (losses) and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

INVESTMENT OPTIONS

Upon enrollment in the Plan, a participant may direct employee contributions and employer contributions to any of the investment options provided by the Plan. Investment options include mutual funds and money market funds. The Plan does not guarantee any rates of return or investment results.

PAYMENT OF BENEFITS

Participants are entitled to the benefits that can be provided from their individual account balances, subject to vesting, upon retirement, death, disability or termination. In-service withdrawals are permitted if a participant is age 59 ½ or older or has incurred a financial hardship, as described within applicable sections of the IRC. Distributions are to be made in the form of lump-sum payments or installments. Participants can elect to receive their distributions either in cash or as a direct rollover to another tax-qualified plan.

VESTING

Participants are immediately vested in their elective deferral contributions and rollover contributions plus actual earnings thereon. Vesting in employer contributions, plus earnings thereon, is based on years of service. A participant vests ratably beginning at two years of service and is 100 percent vested after five years of service.

FORFEITURES

Any portion of the balance in a participant's account that is not vested will become a forfeiture upon the distribution of the entire vested account balance or upon the occurrence of a break in service, as defined by the Plan agreement. Forfeitures can be used to reduce employer contributions. At December 31, 2022 and 2021, unallocated forfeitures or forfeited accounts totaled $3,040 and $2,579, respectively. During the year ended December 31, 2022, no forfeitures were used.

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their participant accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. The notes are secured by the vested balance in the participant's account and bear a reasonable rate of interest, as determined by the Plan Administrator based on prevailing interest rates. Principal and interest is paid ratably through payroll deductions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

PAYMENT OF BENEFITS

Benefit payments are recorded when paid.

NOTES RECEIVABLE FROM PARTICIPANTS

Participant loans are classified as notes receivable and are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. If a participant fails to comply with the terms of a loan and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment, a deemed distribution, or a combination of the two.

EXCESS CONTRIBUTIONS

Estimated excess contributions of $6,141 and $6,194 at December 31, 2022 and 2021, respectively, represent payments due to certain active participants to return to them excess deferral contributions, as required to satisfy the relevant nondiscrimination provisions of the Plan. These amounts are recorded as liabilities, with corresponding reductions to participant contributions. Corrective amounts were distributed to the associated participants subsequent to each year end.

ADMINISTRATIVE EXPENSES

The Company and the Plan participants share in the Plan expenses. All fees related to individual participant activity, including withdrawal and loan origination fees, are charged and deducted from the respective participant's account or investment income. Investment management fees and other service fees are charged to the Plan as a reduction of investment return, are included in the investment income or administrative expenses reported by the Plan and are allocated to participant accounts based on participant earnings or account balances, as defined by the Plan agreement. Expenses paid by the Company are excluded from these financial statements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

PLAN MANAGEMENT'S REVIEW OF SUBSEQUENT EVENTS

Plan Management has evaluated subsequent events through October 6, 2023, which is the date the financial statements were available to be issued.

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, and interest and dividends for the year ended December 31, 2022, was obtained from data that has been prepared and certified as complete and accurate by the Trust and Investment Division of Texas Bank and Trust Co., the trustee.

	2022	2021
Investments, at fair value:		
Money market funds	$ 32,630	$ 17,973
Mutual funds	1,167,701	1,274,481
Total investments, at fair value	$ 1,200,331	$ 1,292,454
Notes receivable from participants	$ 76,530	$ 67,112
Investment loss (including interest on participant loans)	$ (215,947)	

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to related information included in the financial statements and supplemental schedule.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation method include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the assets or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 4 - FAIR VALUE MEASUREMENTS - CONTINUED

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021:

Money market funds: Valued at the per unit price as quoted by the financial institution.

Mutual funds: Valued at the daily closing price, as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

		Fair Value Measurements at December 31, 2022		
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Other Unobservable Inputs (Level 3)
Money market funds	$ 32,630	$ 32,630	$ -	$ -
Mutual funds	1,167,701	1,167,701	-	-
Total	$ 1,200,331	$ 1,200,331	$ -	$ -

		Fair Value Measurements at December 31, 2021		
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Other Unobservable Inputs (Level 3)
Money market funds	$ 17,973	$ 17,973	$ -	$ -
Mutual funds	1,274,481	1,274,481	-	-
Total	$ 1,292,454	$ 1,292,454	$ -	$ -

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer and certain others. The Plan holds units of money market funds issued by the custodian, Charles Schwab. Therefore, these investments qualify as party-in-interest investments. Fees paid to the trustee and other service providers are party-in-interest transactions and are included in administrative expenses or net appreciation in fair value of investments in the statement of changes in net assets available for benefits. All such party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7 - TAX STATUS

The Company has adopted a prototype non-standardized profit sharing plan with the Internal Revenue Code Section 401(k) Cash or Deferred Arrangement ("CODA") which received a favorable opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020 that the form of the Plan is acceptable under Section 401 of the IRC. Plan Administrator and tax counsel believe the Plan is designed and is being operated in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress. The Plan's federal returns for the past three years are subject to examination by tax authorities and may change upon examination.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in a variety of investment securities. Investments in general are exposed to various risks such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
