Independent Auditor's Report

To the Trustees
Premier Community Supports LLC 401(k) Profit Sharing Plan and Trust
Grants Pass, Oregon

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Premier Community Supports LLC 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Empower Annuity Insurance Company of America and Empower Trust Company, LLC as of December 31, 2022 and for the period July 1, 2022 through December 31, 2022 and from Mid Atlantic Trust Company as December 31, 2021 and for the period January 1, 2021 through June 30, 2022, stating that the certified investment information, as described in *Note 3* to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in *Note 2*.
- The information in the accompanying financial statements related to assets held by and certified to by Empower Annuity Insurance Company of America and Empower Trust Company, LLC and Mid Atlantic Trust Company agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter—Basis of Accounting

We draw attention to *Note 2* of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedules Required by ERISA

The supplemental schedules (modified cash basis) of Schedule H, Part IV, Line 4(a) - Schedule of Delinquent Participant Contributions as of December 31, 2022 Schedule H, Part IV, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules (modified cash basis), other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule (modified cash basis) that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules (modified cash basis), other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA

In our opinion:

- The form and content of the supplemental schedules (modified cash basis), other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by Mid Atlantic Trust Company and Empower Trust Company, LLC, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PREMIER COMMUNITY SUPPORTS LLC 401(K) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF PLAN

The following description of Premier Community Supports LLC 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a salary deferral and profit-sharing plan covering all eligible employees of Premier Community Supports, LLC (the "Company") with an effective date of January 1, 2019. The Company is the Plan's sponsor and serves as Plan Administrator. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees, not subject to a collective bargaining agreement or not a nonresident alien, become eligible to participate in the salary deferral of the plan after attaining age eighteen and completion of at least one hour of service in the first three months of employment. Effective January 1, 2022, employees are eligible for employer contributions if they met the salary deferral eligibility and complete 500 hours of service during the Plan year or are employed by the Company on the last day of the Plan year. Prior to January 1, 2022, employees became eligible to participate in the employer profit-sharing contribution after completing one year of service (with a minimum of 1,000 hours). Entry dates are the first day of each month following date of eligibility in the Plan year.

Contributions

Participants may contribute to the Plan through salary deferrals on earned compensation. A participant may defer an amount up to the Elective Deferral Dollar Limit under Internal Revenue Service (IRS) Code §402 and the IRS Code §415 Limitation during any calendar year. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The employer may elect to make discretionary matching and profit-sharing contributions. During the year ended December 31, 2022 the Employer made contributions of \$149,915 to the Plan.

Participant Accounts

Participant accounts consist of participant's contributions, rollover contributions, employer contributions and an allocation of plan earnings or losses. Each participant's account is credited with the earnings and appreciation or depreciation of the investments allocated to his or her account and charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of the contributions into various investment options offered by the Plan.

Investment Options

All Plan investments are participant directed, and participants may select among different investment funds to invest their account balances. Income, as well as realized and unrealized gains or losses from the investments, are recorded in the participants' accounts.

PREMIER COMMUNITY SUPPORTS LLC 401(K) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF PLAN (continued)

Vesting

The Plan provides that participants are always fully vested in their salary deferral accounts plus actual earnings thereon. Effective January 1, 2022, employer contributions plus actual earnings thereon are also fully vested immediately. Prior to January 1, 2022, employer contributions were vested 20% per year over 6 years. However, there were no employer contributions made prior to January 1, 2022.

Notes Receivable from Participants

Effective as of July 1, 2022, participants may no longer request a Participant loan from any accounts. Any Participant loan outstanding as of that date may continue to be repaid in accordance with the provisions in effect at the time the loan was issued. Principal and interest are paid ratably through monthly payroll deductions. Under the terms of the Plan agreement, Plan loans will bear a reasonable rate of interest, which is prime plus 1.0% at time of issuance. All loans are secured by the balance in the participant's account.

Hardship Withdrawals

Hardship withdrawals are not permitted under the Plan.

Payment of Benefits

Upon termination of service, a former employee whose vested account balance exceeds \$5,000 is not required to take a distribution from the Plan. However, if the participant chooses, the balance may be immediately distributed if the employee had separated from service or reached the later of age 59 ½ or Normal Retirement Age. If the vested account balance is less than or equal to \$5,000 upon termination of service, a former employee may elect a distribution of the entire vested account balance in cash, or as a rollover to an IRA or another qualified plan.

Excess Contributions

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are reported as a reduction to contributions when paid. The Plan distributed the 2021 excess contributions and earnings to the applicable participants prior to March 15, 2022. There were no excess contributions for the 2022 Plan year.

Forfeited Accounts

Plan forfeitures may be used to reduce the employer's contributions or to reduce the payment of the Plan's administrative expenses and are allocated in the same year the forfeitures occur. There were no forfeitures of terminated non-vested account balances for the year ended December 31, 2022.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with the modified cash basis of accounting. The modified cash basis differs from generally accepted accounting principles primarily due to contributions being recorded when received by the Plan, rather than when the Company became liable to make contribution payments. Additionally, discretionary employer matches for the year are reported as contributions in the year made.

PREMIER COMMUNITY SUPPORTS LLC 401(K) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of Estimates

The preparation of the financial statements on the modified cash basis accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (with the exception of the fully benefit-responsive group annuity contract, which is reported at contract value). Fair value are determined by the trustees, using market quotations and other available information. Shares of registered mutual funds are valued at the net asset value of shares held at quoted market prices by the Plan at year end. See notes 4 and 5 for discussion of fair value and contract value.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. The net appreciation (depreciation) in fair value of investments consists of both the realized gains and losses and unrealized appreciation and depreciation of those investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance which approximates fair value. Related fees are recorded as administrative expenses and are expensed as incurred. Delinquent notes receivable from participants are recorded as distributions based on the terms of the plan document. No allowance for credit losses has been recorded.

Benefit Payments

Benefits are recorded when paid. At December 31, 2022, there were no participants who had elected to withdraw from the Plan but had not yet been paid.

Administrative Expenses

The Plan pays certain expenses for maintaining the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable and distributions are charged directly to the participant's account and are included in administrative expenses.

NOTE 3 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE (UNAUDITED)

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included throughout the Plan's financial statements and ERISA-required supplemental schedules, obtained by management and agreed to or derived from information certified by Empower Trust Company, LLC (as at December 31, 2022 and for the period July 1, 2022 through December 31, 2022) and Mid Atlantic Trust Company (for the period from January 1, 2022 through June 30, 2022), the trustees of the Plan. The Plan Administrator has obtained certifications from the trustees that information provided to the Plan Administrator by the trustees related to the following assets is complete and accurate.

NOTE 3 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE (UNAUDITED) (continued)

Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedules related to the following assets:

	2022	2021
Cash (Interest bearing)	\$ -	\$ 790
Mutual funds	674,774	319,751
Group annuity contract	765	-
	<u>\$ 675,539</u>	<u>\$ 320,541</u>

Empower Trust Company certified to the completeness and accuracy of \$44,316 of net depreciation in fair value of investments and \$32,064 of interest and dividends related to the aforementioned assets for the period July 1, 2022 through December 31, 2022. Mid Atlantic Trust Company also certified to the completeness and accuracy of \$54,819 of net depreciation in fair value of investments related to the aforementioned assets for the period January 1, 2022 through June 30, 2022.

NOTE 4 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 4 - FAIR VALUE MEASUREMENTS (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022.

Mutual Funds: The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value ("NAV") and transact at that price. The mutual funds held by the Plan are considered to be actively traded and are classified as Level 1 investments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Fair Value at December 31, 2022				
	Level 1	Level 2	Level 3	Total
Investments				
Registered investment companies				
Interest-bearing cash	\$ -	\$ -	\$ -	\$ -
Mutual funds	674,774	-	-	674,774
Total investments	<u>\$ 674,774</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 674,774</u>

Fair Value at December 31, 2021				
	Level 1	Level 2	Level 3	Total
Investments				
Registered investment companies				
Interest-bearing cash	\$ 790	\$ -	\$ -	\$ 790
Mutual funds	319,751	-	-	319,751
Total investments	<u>\$ 320,541</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 320,541</u>

NOTE 5- GROUP ANNUITY CONTRACT

The group has a fully benefit-responsive group annuity contract with Great-West Life & Annuity Insurance Company. Since the group annuity contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract.

Certain events limits the ability of the plan to transact at contract value with the issuer (for example, premature termination of the contracts by the plan, plant closings, layoffs, plan termination, bankruptcy, mergers, and early retirement incentives). Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable.

DECEMBER 31, 2022 AND 2021

NOTE 5- GROUP ANNUITY CONTRACT (continued)

The insurance company is contractually obligated to pay the principal and specified interest rate that is guarantees to the Plan. The crediting interest rate is based on a formula agreed upon with the insurance company. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rate is reset quarterly.

The average yield earned by the plan for the benefit responsive fund can be derived by averaging the quarterly gross interest rates for the fund over the year. That average for 2022 is .93%. The actual average yield earned by the plan for the benefit responsive fund can be derived by averaging the Plan's quarterly interest rates. That average for 2022 is .97%.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Employers have the right under Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 7 - RELATED PARTY TRANSACTIONS

Paychex, Inc. provided participant recordkeeping, marketing support service and supplemental solutions for 401(k) and other types of retirement plans for the period until June 30, 2022. Thereafter, Northwest Retirement Plans, Inc provided these services. Mid Atlantic Trust Company was the custodian as defined by the Plan until June 30, 2022. Thereafter Empower Trust Company took over as the custodian. Fees paid by the Plan for the abovementioned related parties totaled to \$4,314 for the year ended December 31, 2022.

NOTE 8 - TAX STATUS

The Internal Revenue Service has determined and informed the Employer by a letter dated November 23, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan trustee and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC. Therefore, they believe that the Plan was qualified as of the financial statement date. There was no reconcilable difference between the financial statements and the Form 5500 as of December 31, 2022 and 2021 and for the year ended December 31, 2022.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE 10 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 11, 2023, the date the financial statements were available to be issued, for potential recognition and or disclosure in the financial statements.
