Report of Independent Auditors

To Washington Capital Management, Inc., the Investment Manager

Report on the Audit of the Financial Statements

Opinion

We have audited the consolidated financial statements of WaCap – O Real Estate Opportunity Fund VIII Feeder LLC (the “Fund”), which comprise the consolidated statements of assets and liabilities as of December 31, 2022, and 2021, including the consolidated statement of investments held as of December 31, 2022, the related consolidated statements of operations for the year ended December 31, 2022, changes in net assets for the year ended December 31, 2022, and for the period from March 15, 2021 (“Commencement Date”) through December 31, 2021, and cash flows for the year ended December 31, 2022, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of WaCap – O Real Estate Opportunity Fund VIII Feeder LLC as of December 31, 2022 and 2021, and the results of its operations and its cash flows for the year ended December 31, 2022, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“U.S. GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of WaCap – O Real Estate Opportunity Fund VIII Feeder LLC and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about WaCap – O Real Estate Opportunity Fund VIII Feeder LLC’s ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor’s Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of WaCap – O Real Estate Opportunity Fund VIII Feeder LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about WaCap – O Real Estate Opportunity Fund VIII Feeder LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The Schedule of All Plans Participating; Schedule H, Line 4i - Schedule of Assets (Held at End of Year); and Schedule H, Line 4i - Schedule of Assets (Acquired and Disposed of Within Year) are presented for purposes of additional analysis and are not a required part of the consolidated financial statements, but are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2022

(Expressed in United States Dollars)

Note 1 - Significant Accounting Policies

The WaCap – O Real Estate Opportunity Fund VIII Feeder LLC, a Cayman Islands limited liability company (the Fund) was formed on October 30, 2019. The Fund is regulated by the Cayman Islands Monetary Authority under the Private Funds Act. The Fund is authorized by a limited liability company agreement executed October 30, 2019, restated to include all amendments through December 31, 2022. Washington Capital Management, Inc. is the Fund Investment Manager. The Fund seeks to realize substantial capital appreciation without subjecting principal to undue risk by investing substantially all of its assets in the Oaktree Real Estate Opportunities Fund VIII, L.P. (the Underlying Fund). The effective date of the Fund's Commitment Period was March 15, 2021 (commencement date). The Underlying Fund has an Investment Period Start Date of January 1, 2021. The Underlying Fund's primary objective is to provide superior risk-adjusted returns without subjecting principal to undue risk of loss through investments in real estate and real estate-related debt, companies, securities, and other assets on a global basis. The Underlying Fund investment manager is an external third party.

Interests offered to investors are without registration under the Securities Act of 1933 (Securities Act), as amended, or the securities laws of any state, in reliance on the private offering exemption contained in Rule 506 of Regulation D issued under the Securities Act and in reliance on similar exemptions under applicable state laws. Under Rule 506 and certain state laws, the Investment Manager must determine that a person, or a person together with a purchaser representative, meets certain suitability requirements before offering to sell interests to such an individual.

The Fund may make investments through one or more holding companies wholly owned by the Fund. Such holding companies directly or indirectly own the underlying investments, which are presented on the consolidated schedule of investments. The profits and losses associated with such investments are reflected in the consolidated statement of operations.

The following is a summary of significant accounting policies followed by the Fund in preparation of its financial statements. The policies are in conformity with accounting principles generally accepted in the United States of America (GAAP) and the LLC agreement.

Accounting Standards Codification - The Fund follows accounting standards set by the Financial Accounting Standards Board (FASB) to ensure the consistent reporting of its financial statements. References to GAAP issued by the FASB in these footnotes are to the FASB Accounting Standards Codification, sometimes referred to as the Codification or ASC.

Basis of Accounting - The accompanying financial statements are prepared in conformity with GAAP, as detailed in the FASB Codification. The Fund meets the criteria of an investment company, and as such follows the accounting and reporting guidance in FASB Topic 946, *Investment Companies*.

Basis of Presentation – The Fund consolidates wholly-owned subsidiaries, including the Fund: WaCap REOF (Splitter) LLC, WaCap ECI Blocker Corp (ECI Blocker), and WaCap Non-ECI Blocker LTD (Non ECI Blocker). All intercompany balances and transactions have been eliminated in the accompanying consolidated financial statements.

Use of Estimates - The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates. The valuation of the private investment company requires significant estimates.

WACAP - O REAL ESTATE OPPORTUNITY FUND VIII FEEDER LLC
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2022

(Expressed in United States Dollars)

Note 1 - Significant Accounting Policies (continued)

Valuation of Investments - The Fund follows the provisions of ASC 820, *Fair Value Measurement*. Under ASC 820, fair value is defined as the price that would be received to sell an investment (i.e., the “exit price”) in an orderly transaction between market participants at the measurement date.

In determining fair value, the Fund uses various valuation approaches. ASC 820 establishes a fair value hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are those that market participants would use in pricing the investment based on market data obtained from sources independent of the Fund. Unobservable inputs reflect the Fund’s assumption about the inputs market participants would use in pricing the investment developed based on the best information available in the circumstances. The fair value hierarchy is categorized into three levels based on the inputs as follows:

Level 1 - Valuations based on unadjusted quoted prices in active markets for identical investments that the Fund has the ability to access. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these securities does not entail a significant degree of judgment.

Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.

Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

A financial instrument’s level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Valuation Policy for Cash and Equivalents - Cash and equivalents are valued at cost, unless there are indications the fair value is below cost. Cash and equivalents are generally classified within level 1 of the valuation hierarchy.

Valuation Policy for Investment in Private Investment Company - Investment in the private investment company is valued, as a practical expedient, utilizing the net asset valuations provided by the underlying investment companies, without adjustment, when the net asset valuations of the investment is calculated (or adjusted by the Fund if necessary) in a manner consistent with GAAP for investment companies. The Fund applies the practical expedient to its investment in the private investment company on an investment by investment basis, and consistently with the Fund’s entire position in a particular investment, unless it is probable that the Fund will sell a portion of an investment at an amount different from the net asset valuation. In other situations where the practical expedient is not available, the Fund considers other factors in addition to the net asset valuation, such as features of the investment, including subscription and redemption rights, expected discounted cash flows, transactions in the secondary market, bids received from potential buyers, and overall market conditions in its determination of fair value.

The investment in the private investment company is measured using net asset value (NAV) as a practical expedient and is not categorized within the fair value hierarchy.

Note 1 - Significant Accounting Policies (continued)

Expenses - In accordance with the Custodian Agreement, the custodian may charge the Fund for custodial fees incurred in accordance with the fee agreement. Expenses paid by the Fund also include all costs, litigation expenses, and attorney fees incurred in any claim or action in connection with the recovery, protection or preservation of property received or held in the Fund. Investment management fees are paid by the unit holders directly to the Investment Manager. Accordingly, these amounts are not included in the accompanying financial statements.

Income Taxes - The Fund considers the provisions of ASC 740-10, which prescribes a recognition threshold and measurement process for accounting for uncertain tax positions and also provides guidance on various related matters such as derecognition, interest, penalties and disclosures required. The Fund does not have any entity level uncertain tax positions. Subsidiaries of the Fund file annual tax returns on an individual basis and pay taxes as applicable.

Subsequent Events - Subsequent events are events or transactions that occur after the statement of assets and liabilities date but before financial statements are available to be issued. The Fund recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statement of assets and liabilities, including the estimates inherent in the process of preparing the financial statements. The Fund's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statement of assets and liabilities but arose after the statement of assets and liabilities date and before financial statements are available to be issued. The Fund has evaluated subsequent events through June 1, 2023, which is the date the financial statements were available to be issued.

Note 2 - Fair Value Measurement

The Fund's investment in the private investment company of \$25,217,981 is recorded at fair value and is measured using NAV as a practical expedient. It is not categorized within the fair value hierarchy in accordance with ASC 820. See Note 1 for a discussion of the Fund's accounting policies.

The following table presents information about the Fund's assets measured at fair value as of December 31, 2022:

Note 3 - Member' Capital

The Fund's members' committed capital is \$64,000,000. Underlying Fund contributions of \$33,280,000, recallable distributions of \$10,880,000, non-recallable distributions of \$319,612, working capital contributions of \$159,000 and a subsequent close interest contribution of \$215,292 have been made through December 31, 2022. Remaining contributions of \$41,600,000 are due upon ten days prior written notice from the Investment Manager. The drawdown amounts shall be proportional to the members' respective capital commitments. Each member's obligation to make contributions under its commitment expires at the end of the Investment Period, which ends on the 10th anniversary of the Investment Period Start Date. Members remain obligated to make contributions following the Investment Period to complete purchase commitments made prior to the expiration of the Investment Period, complete follow-on advances for existing portfolio companies prior to the expiration of the Investment Period, and pay operating expenses of the Underlying Fund. The Term of the Underlying Fund is 10 Years from the Investment Period Start Date unless extended.

Because of the nature of the Fund's investment structure, and its sole investment in the Underlying Fund, liquidity will be severely restricted and solely dependent on distributions of cash from the Underlying Fund. Members shall not be entitled to make any withdrawals from the Fund. Investment Manager shall distribute cash received from the Underlying Fund less any amounts used by the Fund for payment of fees and expenses. Cash distributed to and received by the Fund ("Underlying Fund Distributable Cash") may (i) increase the amount of the Fund's capital commitment to the Underlying Fund or (ii) be subject to recall by the Underlying Fund under certain circumstances.

Note 4 - Investment in Underlying Fund

At December 31, 2022, the Fund held a 1.40% interest in the Underlying Fund. The Fund does not have the ability to exercise significant control over the Underlying Fund.

As of December 31, 2022, the Fund had remaining commitments totaling \$41,600,000 to fund to the Underlying Fund. The obligation to make contributions under its commitment expires at the end of the Investment Period, which ends on the 10th anniversary of the Investment Period Start Date. The Fund remains obligated to make contributions following the Investment Period to complete purchase commitments made prior to the expiration of the Investment Period, complete follow-on advances for existing portfolio companies prior to the expiration of the Investment Period and pay operating expenses of the Underlying Fund. The Term of the Underlying Fund is 10 years from the Investment Period Start Date unless extended.

Withdrawals from the Fund are solely dependent on the Fund's receipt of cash proceeds distributed by the Underlying Fund. Cash distributed to and received by the Fund may (i) increase the amount of the Fund's capital commitment to the Underlying Fund or (ii) be subject to recall by the Underlying Fund under certain circumstances.

Note 6 - Income Taxes

The ECI-Blocker is subject to U.S. federal income taxes on all of the U.S. effectively connected income at a rate of 21% and to state and local taxes on its income apportioned to various state and local jurisdictions.

The ECI-Blocker's income tax (benefit) expense for the years ended December 31, 2022 and 2021 consists of:

	2022	2021
Current income tax	\$ 78,401	\$ 18,000
Deferred tax liability	(98,000)	258,000
Total	<u>\$ (19,599)</u>	<u>\$ 276,000</u>

The deferred income tax arises due to temporary timing differences in recognition of income and expenses for financial reporting and tax purposes. For the year ended December 31, 2022, the ECI-Blocker recorded a decrease of \$98,000 to deferred tax liability to reflect the temporary differences from the underlying fund, represented in unrealized appreciation of investments.

The ECI-Blocker's deferred tax liabilities as of December 31, 2022 and 2021 consist of the following:

	2022	2021
Deferred tax liability	160,000	258,000
Total	<u>\$ 160,000</u>	<u>\$ 258,000</u>

The Non-ECI Blocker's policy is to recognize interest and penalties related to income taxes in other expense. The Non-ECI Blocker has no material uncertain tax positions or associated interest and penalties at December 31, 2022.
