INDEPENDENT AUDITOR'S REPORT

401(k) Plan Committee and Plan Participants
Wilkin & Guttenplan, P.C. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Wilkin & Guttenplan, P.C. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Wilkin & Guttenplan, P.C. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Wilkin & Guttenplan, P.C. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Wilkin & Guttenplan, P.C. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Wilkin & Guttenplan, P.C. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held for Investment Purposes at End of Year – December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WILKIN & GUTTENPLAN, P.C. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE A: DESCRIPTION OF THE PLAN

The following description of the Wilkin & Guttenplan, P.C. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document, including amendments, for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution retirement plan covering substantially all employees of Wilkin & Guttenplan, P.C. (the “Company” or “Plan Sponsor”) who meet the eligibility requirements defined below. Employees are eligible to enter the Plan on the first day of the month coinciding with or next following the date you satisfy the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Participant Requirements

Employees are eligible to participate in the Plan after they have completed six months of service and reach the age of 19 years of age, as defined in the Plan. Following meeting eligibility requirements, employees are then able to be participants on the first day of the month coinciding with or next following the date you satisfy the eligibility requirements.

Contributions

Each year, eligible employees may contribute up to 100% of their eligible compensation, as defined in the Plan, subject to Internal Revenue Service limitations. When eligible, participants in the Plan are automatically enrolled at a 3% deferral rate unless they elect a different percentage or elect not to participate. The Company will contribute and allocate to each participant’s account a discretionary matching contribution equal to the lesser of 50% of employee’s contribution up to 3% of the lesser of the employee’s eligible compensation or the IRS Maximum Annual Compensation Limit. In addition, the Company may make a discretionary profit-sharing contribution to the Plan based on an amount determined by management for eligible employees employed on the last day of the Plan year. For the years ended December 31, 2022 and 2021, the Company did not make a discretionary profit sharing contribution.

Participant accounts

Each participant’s account is credited with the participant’s contribution and the allocation of (a) the Company’s contribution and (b) Plan earnings or losses. Allocation of earnings are based upon participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

NOTE A: DESCRIPTION OF THE PLAN, Cont'd

Vesting

Participants are immediately 100% vested in their contributions plus actual earnings thereon. Participants become vested in employer discretionary matching contributions and profit-sharing contributions plus actual earnings thereon based on years of service, as shown below. A participant is credited with a year of service on the anniversary of their hire date. Regardless of the vesting schedule, a participant will become fully vested upon death, total or permanent disability and achieving early retirement date.

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Payment of benefits

Distributions may be made from account balances, with participant consent, under the following conditions: separation from service or upon participant's attainment of age of 59 1/2 as provided for in the Plan and in government regulations. Vested account balances that are more than \$5,000 upon separation of service will be paid in one lump-sum distribution or partial withdrawals are permitted for participants or beneficiaries who must receive required minimum distributions in accordance with the provisions of the Plan. Vested account balances under \$5,000 will be paid in one lump-sum distribution in accordance with the provisions of the Plan. The Plan allows participants to receive benefits in case of hardship as provided in the Plan and in government regulations, but only from elective deferrals and vested portion of employer matching contributions and employer profit-sharing contributions.

Notes receivable from participants

Participants are entitled to borrow from their accounts subject to certain limitations. The Plan allows participants to borrow from their vested account balance. The maximum number of outstanding loans at any one time is two and the minimum amount of each loan is \$1,000. The maximum amount of borrowings permitted cannot exceed the lesser of (1) \$50,000, reduced by the highest outstanding loan balance, if any, the participant had at any one time during the previous twelve-month period ending on the day before the loan is made; or (2) 50% of a participant's vested account balance. The notes must generally be repaid through payroll withholding in equal installments consisting of principal and interest, at an interest rate equal to 1% above the prime rate, over a period not to exceed five years unless for the purchase of a primary residence. Principal and interest payments on the loans are redeposited in the participants' accounts based on their current allocation elections. Notes receivable from participants are measured and valued at their unpaid principal balance plus accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

DECEMBER 31, 2022 AND 2021

NOTE A: DESCRIPTION OF THE PLAN, Cont'd

Forfeitures

The Company may use forfeitures to pay Plan expenses or to reduce amounts otherwise required to be contributed to the Plan. Forfeitures available to reduce future contributions or pay plan expenses amounted to \$6,522 and \$2,990 at December 31, 2022 and 2021, respectively. Forfeitures of \$2,990 and \$4,479 were utilized in 2022 and 2021, respectively, to reduce contributions or pay Plan expenses.

NOTE B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements of the Plan are prepared on the accrual method of accounting.

Payment of benefits

Benefits paid to participants are recorded as of the date paid.

Use of estimates in the preparation of financial statements

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and assumptions.

Plan expenses

The Plan's expenses are paid either by the Plan or the Company, as provided by the Plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation or depreciation of fair value of investments presented in the accompanying statement of changes in net assets available for benefits. These expenses are party-in-interest transactions.

Investment valuation and income recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are made and recorded as needed, when a contribution is made to the Plan, when a distribution is made from the Plan or when a participant changes his or her investment election.

Interest and dividends are recorded when earned. Historical cost is used to determine the net appreciation (depreciation).

Subsequent events

The Plan has conducted an evaluation of potential subsequent events occurring after the statements of net assets available for benefits date through October 4, 2023, which is the date the financial statements are available to be issued. Subsequent events requiring disclosure were noted and disclosed in Note D.

NOTES TO FINANCIAL STATEMENTS, Cont'd

DECEMBER 31, 2022 AND 2021

NOTE C: FAIR VALUE MEASUREMENTS

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Valuation is based upon quoted prices for identical instruments traded in active markets.

Level 2 - Valuation is based upon:

- Quoted prices for similar instruments in active markets;
- Quoted prices for identical or similar instruments in inactive markets;
- Inputs other than quoted prices that are observable for the instruments;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: These investments are valued at the daily closing price as reported by the fund.

Common collective trust: The trust is valued at the net asset value ("NAV") of the units held by the Plan at year end owned and the NAV is used as a practical expedient to estimate fair value. Participants may redeem units of the Fund daily for the purpose of funding a bona fide benefit payment, making a participant loan, honoring an employee-directed transfer of the employee's interest in the Plan to another investment election that is a non-competing investment, or paying custodian fees. Participants may make withdrawals from the Fund for other purposes generally only upon twelve months advance written notice to the custodian. There were no unfunded commitments at December 31, 2022 or 2021.

DECEMBER 31, 2022 AND 2021

NOTE C: FAIR VALUE MEASUREMENTS, Cont'd

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	Assets at Fair Value

NOTE D: CERTIFIED INVESTMENTS (UNAUDITED)

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Newport Trust Company, the custodian of the Plan.

During May 2023, the Plan switched custodians from Newport Trust Company to Fidelity Personal Trust Company, FSB.

	<u>December 31,</u>	
	<u>2022</u>	<u>2021</u>
Investments at fair value	\$ 24,730,096	\$ 30,055,167
Notes receivable from participants	178,650	192,100
Interest and dividends	699,453	
Interest income from notes receivable from participants	8,669	
Net depreciation in fair value of investments	(5,884,638)	

Certain information presented above is included in the attached supplemental Schedule of Assets Held for Investment Purposes at End of Year - December 31, 2022.

NOTE E: PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts and their accounts will be paid to them as provided by the Plan document.

NOTE F: TAX STATUS

The Plan has adopted a non-standardized Pre-Approved Profit Sharing Plan sponsored by Newport Group, Inc. Newport Group, Inc. has received an opinion letter dated June 30, 2020 from the Internal Revenue Service (IRS) as to the Plan's qualified status. The plan opinion letter has been relied upon by this Plan. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provision of the IRC.

Accounting principles generally accepted in the United States of America, and the accrual basis of accounting, which the Plan reports under, require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or reduce an asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or reduction in an asset) or disclosure in the financial statements. The Plan is subject to routine audits by tax jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G: TRANSACTIONS WITH PARTY-IN-INTEREST

Newport Trust Company is the custodian of the Plan. As described in Note B, the Plan paid certain expenses related to Plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

NOTE H: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
