403(b) THRIFT PLAN OF ALOHA HOUSE, INC.

REPORT TO THE PLAN ADMINISTRATOR

For the Year Ended December 31, 2022

403(b) Thrift Plan of Aloha House, Inc.:

We have conducted an Employee Retirement Income Security Act of 1974, as amended (ERISA) Section 103(a)(3)(C) audit of the financial statements of 403(b) Thrift Plan of Aloha House, Inc. (Plan) as of and for the year ended December 31, 2022 and have issued our report thereon dated October 2, 2023. Professional standards require that we advise you of the following information related to our audit.

Our Responsibility in Relation to the ERISA Section 103(a)(3)(C) Financial Statement Audit

As communicated in our engagement letter dated March 6, 2023, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America (U.S. GAAP). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting.

Our Responsibility in Relation to the ERISA Section 103(a)(3)(C) Financial Statement Audit (continued)

Accordingly, as part of our audit, we considered the internal control of the Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you in our engagement letter dated March 6, 2023.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, our firm, and our affiliated firms, as appropriate, have complied with all relevant ethical requirements regarding independence.

Qualitative Aspects of the Plan's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Plan is included in Note B to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during the year ended December 31, 2022. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

As we conducted an ERISA Section 103(a)(3)(C) audit, and the value of the investments is based on quoted market prices and contract value, there are no sensitive accounting estimates affecting the financial statements.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the Plan's financial statements relate to the fair value of the investments, earnings (losses) from investments, and the information in the supplemental schedule.

Significant Difficulties Encountered During the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this report, professional standards also require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. Uncorrected misstatements or matters underlying those uncorrected misstatements could potentially cause future-period financial statements to be materially misstated, even though the uncorrected misstatements are immaterial to the financial statements currently under audit. Management has corrected all identified misstatements.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. The attached schedules summarize the misstatements that we identified as a result of our audit procedures that were brought to the attention of, and corrected by, management.

Disagreements with Management

For purposes of this report, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Plan's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management, which are included in the attached management representation letter dated October 2, 2023.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no such consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with the Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, business conditions affecting the Plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Plan's auditor.

Other Matters

The ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, was subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

SECURE 2.0 Act of 2022

The SECURE 2.0 Act of 2022 (Act) was signed into law on December 29, 2022, to increase retirement savings, improve retirement rules, and lower employer costs of sponsoring a retirement plan. Plan amendments required by the Act generally need not be made until the end of the first plan year beginning on or after January 1, 2025. For calendar year plans, the amendments would need to be made no later than December 31, 2025. A plan must be operated in accordance with the provisions as of the effective date of each new provision.

Following are certain of the significant provisions that may affect your Plan.

- The catch-up contribution limit will increase for taxable years beginning after December 31, 2024. Starting in 2026, all catch-up contributions must be ROTH contributions for participants with compensation equal to or greater than \$145,000.
- For distributions after December 31, 2023, the involuntary distribution threshold will increase from \$5,000 to \$7,000.
- Effective immediately, retirement plan fiduciaries have the discretion to not recoup overpayments mistakenly made to retirees.
- The Act conforms the current hardship distribution rules for 401(k) plans to 403(b) plans that are subject to ERISA.
- Section 403(b) plans are allowed to invest in collective investment trusts, eliminating a distinction between 401(k) and 403(b) plans. This change is effective for investments made after December 29, 2022.
- Section 401(k) and 403(b) plans are required to permit part-time employees who complete at least 500 hours of service in two consecutive 12-month periods (and who are at least 21 years of age) to participate and make elective deferrals. Vesting is also based on completion of 500 hours of service in a year. Employers are not required to make employer contributions to these part-time employees. This change is effective for plan years beginning after December 31, 2024, and no period prior to January 1, 2023, are taken into account in determining eligibility or vesting.
- There will be a change to the participant-counting methodology. Under the current rules, the audit requirement is based on a plan having 100 or more eligible plan participants at the beginning of the plan year, regardless of whether they have account balances or were active in the plan. Under the Act, the participant count will be based on those participants with account balances at the beginning of the plan year. If that count falls below 100, the plan may not require an audit for the 2023 plan year.

Other Matters (continued)

SECURE 2.0 Act of 2022 (continued)

There are other provisions that may affect your Plan. Thus, the plan administrator should consult with the Plan's third-party administrator and legal counsel to determine which provisions affect the Plan, and the amendments that need to be made to the respective plan documents.

MANAGEMENT REPRESENTATION LETTER

For the Years Ended December 31, 2022 and 2021

To CW Associates, CPAs:

This representation letter is provided in connection with your audits of the financial statements of 403(b) Thrift Plan of Aloha House, Inc. (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as amended (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

We have elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audits did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve misstatements, including omissions, and if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

We confirm that, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves as of the date of the independent auditor's report, the following representations made to you during your audits:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated March 6, 2023, for the preparation and fair presentation of the financial statements (and disclosures) in accordance with U.S. GAAP.

Financial Statements (Continued)

2. We acknowledge our responsibility for administering the Plan and determining the Plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the plan provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
3. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements, notes, and supplemental schedule that are free from material misstatement, whether due to fraud or error.
4. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
5. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable. The methods and significant assumptions used to estimate fair values of financial instruments are as properly disclosed in Note D to the financial statements. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
6. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of U.S. GAAP. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in U.S. GAAP.
7. All related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.
8. Transactions with parties in interest, as defined in Section 3(14) of ERISA and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from, or payable to, related parties have been appropriately disclosed.
9. All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.
10. There are no uncorrected misstatements whose effects in the current and prior periods, as determined by management, are material, both individually and in the aggregate, to the financial statements taken as a whole. We have corrected all identified material misstatements.
11. The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with U.S. GAAP.
12. We have no intentions to terminate the Plan.
13. Guarantees, whether written or oral, under which the Plan is contingently liable to a bank or another lending institution have been properly recorded or disclosed in the financial statements.
14. We have properly reported and disclosed amendments to the plan instrument, if any.
15. With respect to nonattest services provided, including assistance in the preparation of the financial statements, notes to the financial statements, and supplemental schedule, and any other nonattest services, we have performed the following:
 - a. Made all management decisions and performed all management functions;
 - b. Assigned a competent individual to oversee the services;
 - c. Evaluated the adequacy of the services performed;
 - d. Evaluated and accepted responsibility for the result of the service performed; and
 - e. Established and maintained internal controls, including monitoring ongoing activities.

Financial Statements (continued)

16. We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedule in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
17. We believe the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
18. Employer contributions receivable recorded in the financial statements represents valid claims against the employer for employer contributions due for the period on or before the statement of net assets available for benefits date and have been appropriately reduced to their estimated net realizable value.
19. We acknowledge our responsibility to evaluate tax positions taken by the Plan and recognize a tax liability in the financial statements if the Plan has taken a significant uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities.
