INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Wu Yee Children's Services 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C)

We have performed an audit of the accompanying financial statements of Wu Yee Children's Services 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021, and the related Statements of Changes in Net Assets Available for Benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Wu Yee Children's Services 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Wu Yee Children's Services 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Wu Yee Children's Services 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Wu Yee Children's Services 403(b) Plan's internal control. Accordingly, no such opinion is expressed.

INDEPENDENT AUDITORS' REPORT

continued

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Wu Yee Children's Services 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITORS' REPORT

continued

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WU YEE CHILDREN'S SERVICES 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following description of Wu Yee Children's Services 403(b) Plan ("the Plan") provides only general information. Participants should refer to the Plan's documents for a more complete description of the Plan's provisions.

General

The Plan is a 403(b) tax-deferred annuity plan covering all employees of Wu Yee Children's Services ("Wu Yee"), as defined, who have completed one year of service in which 1,000 hours are worked. The Plan was amended in its entirety and restated effective January 1, 2014. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Wu Yee is the Plan sponsor and serves as the plan administrator.

Contributions

Participants may elect to contribute any portion of their eligible compensation to the Plan each year up to the maximum limited as permitted by the Internal Revenue Code. Additionally, participants qualifying for age-based provisions may contribute additional catch-up deferrals. Participants with at least 15 years of service with an eligible employer are also eligible to make special catch-up contributions. Participants may also contribute amounts representing distributions from other eligible retirement plans.

Effective October 1, 2013, the Plan was amended to begin auto-enrollment of all employees. Unless otherwise declined to participate in the Plan, the default rate of deferral is 3% of qualified compensation.

Effective January 1, 2014, the Plan was amended to provide only matching contributions up to 6% of annual compensation.

Effective July 1, 2022, Wu Yee expanded its retirement plan by adding employer contributions without employee's matching requirements. The unmatched employer contribution from July 1 through December 31, 2022 equals to 4% of the eligible employee's compensation during that time period, calculated at each payroll. Wu Yee will examine its funding each year and adjust this percentage as necessary.

Participants Accounts

Each participant's account is credited with the allocation of Wu Yee's contribution and the Plan earnings. Allocations are based on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully vested in their salary deferral plus actual earnings thereon. Vesting in Wu Yee's contribution is based on years of service, as defined, until fully vested after three years.

WU YEE CHILDREN'S SERVICES 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan, continued

Payment of Benefits

In general, on termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump-sum amount equal to the fair value of the participant's account balance. Participant may also elect to receive benefits in partial lump sum distributions and installments (monthly, quarterly, or annually).

2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

Basis of Presentation

The financial statements of the Plan are reported on the accrual basis of accounting.

Investments Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend rate. Net appreciation (depreciation) includes the Plan's gains and (losses) on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants on the Statement of Net Assets Available for Benefits as of December 31, 2022 is recorded at their unpaid balance. Interest income on notes receivable from participants is recorded when it is earned, and the related fees are recorded as administrative expenses and expensed when incurred.

Payment of Benefits

Benefits are recorded when paid.

WU YEE CHILDREN'S SERVICES 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Fair Value Measurements

Generally accepted accounting principles provide guidance on how fair value should be determined when financial statement elements are required to be measured at fair value. Valuation techniques are ranked in three levels depending on the degree of objectivity of the inputs used with each level:

Level 1 inputs - quoted prices in active markets for identical assets

Level 2 inputs - quoted prices in active or inactive markets for the same or similar assets

Level 3 inputs - estimates using the best information available when there is little or no market

The Plan is required to measure certain investments at fair value. The specific techniques used to measure fair value for the financial statement element is described in the notes below that relate to the element.

General account comprise of funds under contract with TIAA-CREF valued at the NAV of units of the contract value. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to probable that the fund will sell the investment for amount difference from the reported NAV. Funds under the contracts that have been allocated and applied to purchase annuities (that is, where TIAA-CREF is obligated to pay the related pension benefit) are excluded from the Plan's assets.

The preceding methods described may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Subsequent Events

Management has evaluated subsequent events through October 2, 2023, the date which the financial statements were available for issue. No events or transactions have occurred during this period that appear to require recognition or disclosure in the financial statements.

WU YEE CHILDREN'S SERVICES 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

3. Notes Receivable from Participants

Notes receivable from participants are repaid semi-monthly, at an interest rate of 5%, maturing in October 19, 2019 and November 10, 2035 respectively. Notes receivable from participants outstanding at December 31, 2022 was \$53,694.

4. Information Prepared and Certified by the Custodians

No auditing procedures were performed on investments and interest income as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following summarizes the information certified by TIAA-CREF and OneAmerica Retirement Services LLC, the custodians of the Plan, as of December 31, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Mutual funds	<u>\$15,138,515</u>	\$15,054,677

	<u><u>\$16,373,110</u></u>	<u><u>\$16,156,297</u></u>

During the year ended December 31, 2022 and 2021, the Plan's investment (including investments bought, sold, and held during the year) (depreciated) appreciated in value by \$(2,918,738) and \$1,761,720, respectively, attributed to securities issued by registered investment companies.

5. Fair Value Measurements

WU YEE CHILDREN'S SERVICES 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

5. Fair Value Measurements, continued

* In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statement of net assets available for benefits.

6. Fair Value of Investments in Entities that Use NAV Practical Expedient

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2022 and 2021:

Investments	Fair Value as of December 31,		Unfunded commitments	Redemption frequency (if currently eligible)	Redemption notice period
	2022	2021			
General account	<u>\$1,234,595</u>	<u>\$1,101,620</u>	n/a	Daily	12 months

7. Risks and Uncertainties

The Plan invests in various investment securities. Investments securities are exposed to various risks, such as interest rate, market volatility, and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments securities will occur in the near term and that such changes could materially affect a participant's account balance and the amounts reported in the statement of net assets available for benefits.

8. Related Party and Party-in-Interest Transactions

Certain administrative functions are performed by officers and employees of Wu Yee. No officer or employee received compensation from the Plan for these services.

Fees incurred by the Plan for investment management services are included in net depreciation in fair value of investments, which were not covered by revenue sharing. The Plan also made direct payments to service providers which were not covered by revenue sharing.

9. Plan Termination

Although it has not expressed any intent to do so, Wu Yee has the right under the Plan to discontinue its contribution at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

10. Tax Status

The Plan presently does not have a tax determination letter from the Internal Revenue Service ("IRS") since 403(b) plans currently are not required to submit plans to the IRS for determination. However, the plan administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the IRS Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

11. Impact and Response to the COVID-19 Virus

Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was enacted on March 27, 2020. Under Section 2202 of the CARES Act, Plan sponsors are permitted to make qualified coronavirus-related distributions available from 401(a), 401(k), 403(b), and governmental 457(b) plans, which are called "CARES Act Distributions".

Enactments to the pension plan due to Covid-19 are as follows:

All vested account balances in all contribution sources were made available for CARES Act Distributions, except for sources that may contain assets transferred from money purchase pension plans or as otherwise directed.

Any restrictions based on the participant's age or length of participation in the plan, or how long the contributions were in the plan will not apply to CARES Act Distributions. Plan sponsors are responsible for reviewing the source exclusions implements by TIAA-CREF and OneAmerica Retirement Services LLC for accuracy.

These distributions are available as pre-approved transactions with participant self-certification of eligibility for the CARES Act Distribution (unless spousal consent is required for certain plans, in which case paperwork is required). The maximum dollar amount that can be requested per participant is \$100,000. TIAA-CREF and OneAmerica Retirement Services LLC will track the overall limit of \$100,000 within and across plans of the same controlled group, as established on TIAA-CREF and OneAmerica Retirement Services LLC recordkeeping system.

Plan amendments for CARES Act Distributions are required and must be executed by the last day of the plan year that begins in 2025 (2024 for governmental plans).
