Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Optronics International, LLC Employee Savings Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Optronics International, LLC Employee Savings Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held at End of Year as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE A - DESCRIPTION OF PLAN

The following brief description of the Optronics International, LLC Employee Savings Trust (“the Plan”) provides only general information. Participants should refer to the Plan document or Summary Plan Description for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan sponsored by Optronics International, LLC (“the Company”) for the benefit of its employees. There is no service or age requirement and an employee may enter the Plan as an active participant on the first day of the month following the employee’s date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The assets of the Plan are held for the exclusive benefit of the Plan’s participants and their beneficiaries.

The Plan was restated effective January 1, 2021, to comply with certain updates mandated by the Internal Revenue Service (IRS).

The Plan was amended effective April 1, 2021, to permit qualified birth or adoption distributions as a separate distribution event.

Participant Contributions

Participants may contribute a dollar amount or specific percentage of defined earnings subject to certain annual limitations set by the IRS. Participants may also rollover amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Contributions

The Plan provides for pre-tax and Roth employee contributions based on eligible plan compensation as defined in the Plan document not to exceed the maximum allowable amount under the Internal Revenue Code. The Company offers a safe harbor matching contribution of 100% of the employee’s contributions, up to a maximum of 5% of the employee’s annual compensation.

In addition, the Company may make discretionary non-elective contributions to participants who are eligible as of the end of the year. The non-elective contributions are allocated based on a discretionary formula determined from year to year. For the year ended December 31, 2022, the Company elected not to make any discretionary non-elective contributions.

NOTES TO FINANCIAL STATEMENTS *(continued)*
DECEMBER 31, 2022 AND 2021

The combined total of pre-tax and Roth deferrals and Company matching contributions cannot exceed the lesser of \$61,000 or 100% of the participant's annual compensation. Participants ages 50 and over as of year-end are eligible to make catch-up contributions to the extent permissible under the Internal Revenue Code.

Participant Accounts

Each participant's account is credited with the participant's contributions, and the Company's matching contributions, and allocations of Plan earnings. Individual participants may be charged administrative expenses for certain events, including participant loans and certain distributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

All deferred employee contributions and earnings thereon are immediately 100% vested to the participants. In addition, participants are 100% vested in the Company's safe harbor matching contributions. Participants vest in any discretionary Company non-elective contributions upon completion of three years of service, as defined by the Plan document. Participants automatically become 100% vested upon:

1. Normal retirement (attainment of age 65)
2. Disability
3. Death

Participants who terminate for any other reason are entitled to the vested amount of their accounts.

Notes Receivable from Participants

Participants may borrow from their accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account or monthly installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. However, if the participant's vested account balance is more than \$5,000, the participant or the participant's beneficiary may elect to leave all or part of the account under the Plan until retirement or death.

Hardship Withdrawals

The Plan provides for participant withdrawals in the event of financial hardship. Defined financial hardships included the participant's purchase, construction, or repair of a primary residence, including damages that qualify for a casualty loss deduction, certain educational or medical expenses, payments for funeral or burial expenses for specified deceased members of the participant's family, to prevent eviction or mortgage foreclosure related to the participant's primary residence, and to pay for expenses incurred on account of a federally declared disaster. The participants are not required to take a loan prior to taking a hardship withdrawal, nor are the participants required to suspend their contributions to the Plan after taking a hardship withdrawal.

Forfeited Accounts

Forfeitures of employer discretionary non-elective contributions are due to participant withdrawals prior to being 100% vested. Forfeitures may be used to restore forfeitures, reduce employer contributions, or to pay reasonable administrative expenses under the Plan. The Plan had no forfeitures available to be used as of December 31, 2022. \$1,495 in forfeitures were utilized during the year ended December 31, 2022.

NOTE B - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Securities traded on a national securities exchange are valued at the last reported sales price on the last business date of the year. All employer and employee contributions are invested under the direction of the participant.

Interest and dividends are recorded on a cash basis.

Gains and losses resulting from the sales of investments are differences between the average cost of specific investments sold and proceeds received. Transactions are recorded on the settlement date basis.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

The Company pays half of the administrative expenses incurred during the Plan year on behalf of the Plan. The Company also pays all audit fees incurred on behalf of the Plan. Administrative expenses incurred by the Plan include investment management fees which are netted against investment returns.

NOTE C - TRUSTEE CERTIFICATION

The Plan Administrator has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, as permitted under such election, no independent auditing procedures were performed with respect to the information certified by BOKF, NA as of December 31, 2022 and 2021 and for the year ended December 31, 2022.

The information certified by the trustee was the annual report and accounting as of December 31, 2022 and 2021 and for the year ended December 31, 2022, which includes beginning and ending balances of investments, notes receivable from participants, and a detailed listing of the transactions in the various funds, including investment earnings.

NOTE D – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

OPTRONICS INTERNATIONAL, LLC EMPLOYEE SAVINGS TRUST
NOTES TO FINANCIAL STATEMENTS (continued)
DECEMBER 31, 2022 AND 2021

The Plan has implemented FASB ASC 820-10-50-2, Fair Value Measurements. FASB ASC 820-10-50-2 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10-50-2 are described below:

Basis of Fair Value Measurements

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The following table presents by level, within the fair value hierarchy, the Plan investment assets at fair value, as of December 31, 2022 and 2021. As required by FASB ASC 820-10-50-2, investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

Description	12/31/2022	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Collective investment trusts	\$ 2,676,871	\$ -	\$ 2,676,871	\$ -
Money market fund	76,198	76,198	-	-

Total assets at fair value	<u>\$ 5,484,953</u>	<u>\$ 2,808,082</u>	<u>\$ 2,676,871</u>	<u>\$ -</u>

Description	12/31/2021	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Collective investment trusts	\$ 3,046,068	\$ -	\$ 3,046,068	\$ -

OPTRONICS INTERNATIONAL, LLC EMPLOYEE SAVINGS TRUST
NOTES TO FINANCIAL STATEMENTS (continued)
DECEMBER 31, 2022 AND 2021

The following is a description of the valuation methodologies used for assets measured at fair value:

Collective investment trusts: Valued at the respective net asset values (NAV) as reported by such trusts/funds, which are reported at fair value. The value of each unit is determined by subtracting total liabilities from the total value of the assets, including accrued income, and dividing the amount remaining by the number of units outstanding on the valuation date. There are no restrictions as to the redemption of these investments nor does the Plan have any contractual obligations to further invest in any of these funds. The NAV is a quoted price in a market that is not active and classified within Level 2 of the valuation hierarchy.

Mutual funds and money market fund: Valued at the quoted NAV of shares held by the Plan at year end.

NOTE E – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE F – TAX STATUS

The Plan has adopted a non-standardized pre-approved profit sharing plan. The Plan has received an opinion letter dated June 30, 2020 from the Internal Revenue Service as to the Plan's qualified status. The opinion letter has been relied upon by the Plan. The Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any periods in progress.

NOTE G – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE H - RELATED-PARTY TRANSACTIONS

Certain plan investments are shares of mutual funds and collective investment trusts managed by BOKF, NA. BOKF, NA is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. The transactions are covered by an exemption from the "prohibited transaction" provisions of ERISA and the Code.

NOTE I – SUBSEQUENT EVENTS

The Company has evaluated subsequent events and their related disclosures through October 10, 2023, which coincides with the financial statement issuance date and identified no such events.
